/////// - Begin Narrative of INSPECTOR [redacted] 10P1777 – Federal Protective Service - ///////

RELATED CASE NUMBERS:

25020925D

ASSISTING OFFICERS:

[redacted] Inspector/Badge P1793 – Federal Protective Service (FPS)

DAMAGED PROPERTY:

DP/1 – Graffiti damage on multiple surfaces - $2152

SOURCE:

On 06/08/2025 at approximately 1110 hours while conducting law enforcement standby in response to civil disturbance at the Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam St, I received guidance from my supervisor to coordinate law enforcement response with Portland Police Bureau (PPB). While en-route, I received information from the Denver Mega Center (DMC) at approximately 2154 hours, the PSO reported he observed protestors blocking the driveway with logs. The PSO requested police response at that time. At approximately 2209 hours, the PSO reported several protestors (later identified as Jason Ross and Jessy Edwards) tagging the front of the facility with spray paint.

INCIDENT SUMMARY:

Highly Confidential
OREGON_DEFS_00000285

At approximately 2250 hours I contacted the PSO by phone; he provided a description of two unknown subjects spray painting graffiti on the front of the facility, the vehicle gate card reader, and the security guard booth. He described one subject as dressed in black wearing a black face mask, blue nitrile gloves, and dark work boots. They appeared to be carrying a pink object in their left hand, as they spray painted "GET OUT" in pink spray paint on the main facility windows, "FUCK ICE" on a retaining wall. The other unknown subject was described as wearing a black hoodie, black fabric mask, black pants, black "tactical style" boots, and a black backpack. The PSO added the backpack appeared to hold a green colored garment in an open side compartment. The second unknown subject was seen spray painting over the vehicle entry gate card reader, "AFA" in black spray paint onto the side of the facility, and "FUCK ICE" on the front retaining wall.

At approximately 2317 hours I called PPB Sergeant [redacted] He expressed that PPB was willing to execute targeted arrests. The PSO that he observed the two unknown subjects sitting amongst a group off-property. He provided me with Video Surveillance System (VSS) footage of the unknown subjects' spray painting, and of their location at that time. I asked the PSO to keep me apprised of the unknown subjects' locations if they departed the immediate vicinity. I relayed subject description and VSS footage to SGT [redacted]

At approximately 2341 hours, the PSO reported he observed PPB Mobile Field Force (MFF) on scene, they were unable to locate the subjects among the crowd of protestors gathered near the trolley stop. The PSO identified both subjects; I relayed their location to MFF, who affected the arrest of both subjects.

On 06/09/2025, at approximately 0055 hours, PPB Officer [redacted] contacted me to request surveillance footage. I provided footage to him by phone. On 06/10/2025 at approximately 1540 hours, I delivered a DVD containing incident footage of the vandalism to PPB Central Precinct.

On 06/12/2025, I received information from a PPB police report from I107, identifying the two unknown subjects as [redacted] and [redacted]

SOURCE:

On June 14, 2025, at approximately 2026 hours while staging at S McAdam and South Caroline to conduct protest operation on propriety jurisdiction at the Immigration and Customs Enforcement (ICE) facility located at 4310 S McAdam Ave, Portland Oregon. Private Security Officer (PSO) 10G-172 at the facility advised demonstrators were blocking the entrance/exit into the facility sally port. PSO further advised there approximately 80-100 demonstrators appear to be "Antifa" as they are holding a flag as representation of the group. Federal Protective Service (FPS) acknowledged and made coordination with (ICE) ERO Special Response Team (SRT) member for entrance to the facility.

It should be noted, previous demonstrations by this group have escalated to violence at night. Throughout the day, FPS officers received reports of demonstrators hitting vehicles with their hands (causing no damage), throwing bottles, rocks, taunting employees as they depart the facility and incident where unknown demonstrator was collecting unspent pepper balls and throwing it to a vehicle.

I advised FPS officers of Special Agent [redacted] would support tonight's event by identifying subjects among the demonstrators who were committing felonious crimes. Due to previous demonstrations, continuous felony crimes against property are occurring.

OBSERVATION/INVESTIGATION:

At approximately 2026 hours the large group began blocking the entrances, placing debris in front of the vehicle gates to prevent law enforcement actions. Immediately after, the demonstrators set garbage on fire, in the driveway, on federal property. The protestors in the crowd launched several motar fireworks that detonated near the front entrance doors of the facility SRT members and FPS team members cleared the driveway as demonstrators were blocking the entrance, violating 41 CFR 102-74.430(e) blocking entrances and driveways numerous times.

I observed the demonstrators being actively engaged with aggressive verbal behavior involving Immigration Customs Enforcement (ICE). The statements were made towards SRT and FPS members as they observed the crowd from the sally port. Throughout my observation I witnessed multiple violation of code of federal regulation occurring such as:

41 CFR 102-74.380 (a) Disposing of rubbish improperly

41 CFR 102-74.380 (b) Destruction/damaging property willfully

Highly Confidential OREGON_DEFS_00000295

41 CFR 102-74.280 (e) Throwing objects at building

41 CFR 102-74.385 Failing to comply with lawful direction of Federal police officer

41 CFR 102-74.390 Creating a disturbance

41 CFR 102-74.430 (e) Blocking entrances and driveway

41 CFR 102-74.435 Carrying or possessing explosives (fireworks)

41 CFR 102-74.440 Possessing other danger weapons (OC Spray & Knife)

Shortly after making my observation, the crowd has dropped to 15 people on property and 20-25 people off property, spread out on the sidewalk and near the trolley station. Everyone is peaceful currently.

[redacted] – Inspector/Badge 10P1793 - Federal Protective Service (FPS)

SOURCE:

On 06/14/2025 at approximately 1120 hours, I was on uniformed police patrol in response to ongoing violent protest activity at the Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam St., Portland, OR in relation to ongoing violent "anti-ICE" protests at the facility. This facility is under proprietary jurisdiction: subject to Federal law, and Oregon state law. During protest activity throughout the week, FPS officers and Protective Security Officers (PSOs) observed several unknown protestors wearing body armor armed with throwing knives, and bear spray, and concealed firearms. Protest activity at night regularly became violent with significant property damage done by masked protestors, including fireworks, rocks, and glass bottles launched directly at Federal officers.

At approximately 1214 hours, all FPS and SRT units responded to the ICE facility without incident.

OBSERVATION/INVESTIGATION:

Highly Confidential
OREGON_DEFS_00000298

Additional Report

At approximately 1414 hours, FPS observed a growing crowd of approximately 50-60 protestors gathering just outside the property line on the east. Protestors were peaceful at that time. At approximately 1442 hours, [redacted] developed probable cause for arrest on a masked subject (identified as [redacted] DOB: [redacted] for Preservation of property. [redacted] was held in the detention area at the ICE facility while clearance history was requested for local and national warrants. He remained compliant with all officers' direction. [redacted] issued [redacted] a citation and released [redacted] from custody on the west side of the building.

Concurrently, approximately 40 more masked protestors neared the ICE facility. Multiple Long Range Acoustic Device (LRAD) warnings were given to the crowd every few minutes as they continued to encroach on Federal property towards the vehicle gate. At approximately 1522 hours, FPS officers observed an unknown subject in a black outfit with a white mask throwing rocks over the fence line towards FPS officers. The crowd grew to approximately 90 protestors. At approximately 1630 hours, FPS officers observed an unknown subject with a firearm carried on their hip enter onto Federal property.

FPS and SRT officers attempted to exit the facility to push the crowd of 90+ protestors back. Protestors threw fireworks directly at FPS officers as they attempted to exit. At approximately 1632 FPS officer [redacted] was hit by M80 shrapnel that burned through his uniform on the left side of his chest, and in the front of his right shin. [redacted] was also struck by fragmentation that entered through the open door across the back of both legs.

At approximately 1740 while attempting to clear a door from blockade by protestors, SRT officer [redacted] was hit on the right side of his head with a rock or metal object. At 1750 I assessed the wound – a minor hematoma approximately 2cm" in diameter with moderate venous bleeding at the distal end of his R eyebrow. I conducted a rapid neurological exam, [redacted] presented with no cognitive difficulty. [redacted] stated that he felt fine and returned to duty.

At approximately 1755 hours, protestors approached the main entrance carrying a stop sign and repeatedly rammed the glass storefront doors using the stop sign until they shattered the glass. At approximately 1805 hours, I was called up from the detention area and exited the broken doors with all FPS and SRT officers to push protestors back off Federal property.

CUSTODY/BOOKING:

Highly Confidential
OREGON_DEFS_00000299

FPS and SRT exited the main entrance and yelled loud verbal commands to get back off Federal property. Protestors on Federal property complied and backed away into the street. 90+ protestors were gathered in several groups: at the north traffic interchange with Macadam St., at the intersection of Bancroft St. and Moody Ave., and eastbound on Moody Ave along the street and trolley stations. Agitated protestors obscuring their location within visible groups threw rocks, glass bottles, and other hard projectiles at officers. SRT officers made several attempts to disperse these groups using hand-thrown munitions and PLS to separate agitators throwing projectiles. As each munition thrown landed, I observed protestors wearing respirators immediately ran to pick them up and throw them back at Federal officers or attempted to neutralize the munition's dispersal using traffic cones.

While protestors attempted to pick up and throw back canisters and rocks, based on the lateral spread of agitators significantly outnumbering Federal officers, I determined probable cause for multiple violations and attempts of 18 USC 111, Assaults on Federal officers. [redacted] to prevent injury to myself and fellow Federal officers. At approximately 1812 hours, protestors continued to launch fireworks towards Federal officers. At approximately 1814 hours, I was struck in the hip with a rock thrown by a protestor. To the best of my recollection, at approximately 1832 hours I returned inside the ICE facility.

At approximately 1946 hours, I returned outside to the facility property line with Federal officers. At this time FPS observed 300-500 protestors gathered along Moody Ave. standing in the street shouting at officers and making derogatory remarks. I continued to observe unknown masked protestors throw rocks and hand thrown munitions at Federal officers, and [redacted]. At approximately 1954 hours, a hand-thrown CS canister was thrown back by a protestor towards [redacted] and [redacted] briefly returned inside the facility to perform self-decontamination, then returned to the facility line with other Federal officers. All Federal officers returned inside the facility at approximately 2140 hours. Protestors continued to throw rocks, fireworks, and other projectiles towards the facility.

Due to the aggressive and increasingly violent activity of the 300+ crowd of violent protestors, FPS was unable to make an arrest at that time.

///////SUPPLEMENTAL REPORT by Inspector [redacted] DPSST#66200////////

Highly Confidential
OREGON_DEFS_00000300

SOURCE:

On June 14, 2025, while in full police uniform conducting protest operations on proprietary jurisdiction at 4310 S Macadam Avenue Portland, OR, during multiple days of increased protest demonstrations and violent activities, at approximately 1214 hours, SRT team members provided security on the driveway of the facility for FPS units to enter without incident.

Additionally, on the previous night leading to this event, multiple violent demonstrators had engaged in misdemeanor and felonious crimes, including damaging property over $1,000, creating a hazard, and barricading officers using miscellaneous items, including setting them on fire, and violating 18 United States Code (USC) 111, Assault on a Federal Officer. During the previous days, FPS and ICE SRT officers were outnumbered by demonstrators.

OBSERVATION/INVESTIGATION:

Upon arrival, Officer [redacted] Officer [redacted], and I were assigned to the day shift with Immigration and Customs Enforcement (ICE) Special Response Team (SRT) staged at the breezeway located at the entrance to the sally port. While at the breezeway, I observed the crowd to be mixed with peaceful protestors who were on and off property and violent protestors who were actively engaging in criminal activities on federal property. Prior to our response, Private Security Officer (PSO) aired on the police radio demonstrators were graffitiing the guard shack and throwing rocks at the building, violating 41 CFR 102-74.380 (e), piling bikes up against the fence creating a hazard, violating 41 CFR 102-74.380 (d), and the current count of 60+ demonstrators.

Due to the crowd of demonstrators growing and starting to fill the entryway in front of the gates, a Long-Range Acoustic Device (LRAD) warning was given to advise demonstrators "the facility is closed and not open to the public. Stay out of the area of the driveway to allow for vehicular traffic. Remain on the sidewalk or across the street. Anyone to include the press trespassing on federal property is subject to arrest." Multiple LRAD warnings were given throughout the day, and ample time for demonstrators to comply was provided. Multiple demonstrators who did not adhere to the warning were dressed in black with various types of masks covering their faces, making it hard to identify them. At approximately 1522 hours, reports indicated FPS and SRT officers were witnessing rocks being thrown towards them and others forming a line using bin lids as shields to defeat the crowd control munitions being used by SRT to disperse the crowd.

Highly Confidential
OREGON_DEFS_00000301

At approximately 1630 hours, all officers present in the breezeway identified a white female wearing a blue plaid shirt and dark pants with an open carry firearm on her waist on federal property. Officer [redacted] utilized the LRAD to advise the subject to remove the firearm from federal property as she was in violation of 41 CFR 102-74.445, possessing firearms or other dangerous weapons (firearm). This prompted the subject to stand on the roadway.

At approximately 1637 hours, officers in the breezeway observed multiple demonstrators dressed in black with face masks, making it hard to identify them, advancing onto the driveway and throwing rocks and firecrackers similar to M80s at federal officers.

CUSTODY/BOOKING:

At this time, I established probable cause (PC) to arrest/cite demonstrators for 18 United States Code (USC) 111, Assaulting a Federal Officer. This prompted me to engage my pepper ball launching system (PLS) loaded with LiveX (OC) munitions from behind the front gate at multiple demonstrators who were actively throwing rocks, bottles, and fireworks towards the positions occupied by officers. During the deployment of the PLS, I observed a fire being started from the fireworks being thrown on a pile of trash was thrown by the demonstrators. I stopped my engagement and grabbed a fire hose to extinguish the fire. Upon success, I retrieved my PLS and began to observe for any active criminal activity or threats to federal officers. Reports of injuries were made but did not require emergency medical services.

At approximately 1758 hours, all officers at the breezeway were attempting to exit to disperse the crowd as they were actively attempting to breach through the double glass doors at the entrance of the facility. The demonstrators were actively blocking us in using a metal pole, violating 41 CFR 102-74.380 (d), creating a hazard. In the process, an SRT officer was hit with a rock on the side of his head by a demonstrator. As the officer was pulled towards the back, we were barricaded in. Shortly after, at approximately 1759 hours, I heard a loud shatter coming from the entrance of the facility, indicating the demonstrators had broken through the glass doors. All officers, in an urgent manner for the life and safety of an officer and PSO currently posted at the entrance, rushed to the front to deter the crowd away from the entrance and prevent a breach from occurring.

Joint efforts between Portland FPS and SRT resulted in all officers at the scene pushing the crowd away from the facility and into the roadway. All officers held a secure posture of the area to prevent demonstrators from coming

Highly Confidential
OREGON_DEFS_00000302

close as the security posture of the facility was compromised. While holding security, it was aired on the police radio we needed to hold security until the arrival of the Border Patrol Tactical Unit (BORTAC).

While waiting for BORTAC to arrive, demonstrators were actively throwing full water bottles, oranges, rocks, canned goods, and munitions that were deployed by SRT. The demonstrators' actions to intentionally hit federal officers were in violation of 18 United States Code (USC) 111, Assaulting a Federal Officer. The demonstrators I identified as launching items were all dressed in black, covering their faces to conceal their identities. The offenders had little identifiers such as red bandanas, dark-colored backpacks, and shields made of container lids. This prompted me to deploy my PLS in 2-3 round bursts to the ground in front of demonstrators who were actively picking up said items to throw at federal officers and to demonstrators who were actively throwing items for area denial. During my deployment, my PLS malfunctioned, causing me to return to the facility to switch to a less-lethal weapon, the FN 303 loaded with PAVA and marking rounds.

Upon returning to the line, I observed a demonstrator in all black actively picking up a rock to throw at officers. I deployed my FN 303, aiming at the demonstrator's lower extremity. I observed a round hitting the leg of the demonstrator. The demonstrator knocked onto his leg and crotch area, signaling to me my deployment was ineffective. During this engagement, demonstrators departed into the crowd on their own accord. I resumed scanning the crowd for potential threats as we were in an open area. No arrests were made at this time due to the size of the crowd and the demonstrators actively throwing items retreating into the crowd.

At approximately 1904 hours, I was advised by Area Commander [redacted] to report to the ICE Detention room to assist with detainee operations, at this time the crowd had grown to 150+ demonstrators.

////Begin Narrative of OFFICER [redacted] 10P1499 – DPSST 61604 Federal Protective Service///

SOURCE:

On approximately 1225 hours, I was conducting uniformed civil disturbance operations at 4310 SW Macadam Ave, Portland Or. 97204 pursuant to Title 40 United States Code 1315. This address has been the location of various violent anti-immigration and customs enforcement (ICE) demonstrations over the past several days.

*It should be noted Portland FPS has Oregon state arrest authority through Oregon Revised Statute (ORS) 133.245 (Federal officer arrest authority).

OBSERVATION/INVESTIGATION:

I observed a lone white male SUBJECT with bleached blond hair, approx. 6'2, approx. 250 pounds, wearing jeans and a blue in color jacket who was pacing back and forth in the mouth of the ICE driveway on the sidewalk. The SUBJECT had a bicycle and was holding a cowbell and a cardboard sign reading something like Death to Amerikkka. Based off this observation I determined SUBJECT was an anti-ICE demonstrator.

At the time I was imminently expecting law enforcement vehicles to enter the facility via the driveway. I observed a white SUV style vehicle turning into the ICE facility, SUBJECT was standing in front of the vehicle in an apparent effort to prevent it from entering the ICE facility. I placed my hands on him to escort him out of the driveway and told him to move, SUBJECT immediately tensed his body and planted his feet preventing me from moving him. I began increasing my effort attempting to use my bodyweight to move the SUBJECT he remained tense, his feet firmly planted on the ground. I recall SUBJECT making a mocking vocalization, indicating to me he was not taking the situation seriously.

It should be noted prior to this incident SUBJECT had been in the area demonstrating and pacing in the mouth of the driveway. The SUBJECT gave an interview to a news crew in front of the facility. To the best of my memory, I recall the SUBJECT as being in attendance at prior demonstrations where anti-ICE protestors were blocking vehicles in the same vehicle driveway initiating a federal law enforcement response.

Based off SUBJECT intentionally obstructing vehicular traffic by actively blocking a vehicle from enter the ICE facility I believe probable cause exists to arrest and charge the SUBJECT for ORS 166.025 Disorderly Conduct II.

Highly Confidential

Additional Report

CUSTODY/BOOKING:

I attempted to gain physical control bringing my arms around the SUBJECT's midsection. SUBJECT began attempting to spin away from me, I was assisted by Protective Security Officer (PSO) [redacted] who appeared to use his bodyweight to bring the SUBJECT to the ground. As we attempted to gain control of SUBJECT he began spinning and thrashing his body around in an attempt to pull away and escape our grip. I drew my MK9 Oleoresin Capsicum (OC) fogger and pulled the safety pin with the intent to deploy it and overcome the SUBJECT's active resistance, I announced I was about to deploy OC spray. in response the subject began physically rolling his body into the middle of street. I was unable to gain physical control or get into a position where I could deploy the MK09. I recall SUBJECT was able to physically gain control of my MK9 OC fogger I knew if the SUBJECT utilized the tool on me, it could potentially incapacitate me and give the SUBJECT access to my tools. The SUBJECT threw the MK9 across the street.

Based off the SUBJECT physically resisting my attempts to take him into custody preventing me from performing my lawful duties as a police officer I believe enough Probable Cause exists to charge the SUBJECT with both 162.247 (interfering with a peace officer) and ORS 162.315 (resisting arrest).

To defeat the seriousness of the SUBJECT's active physical resistance and the difference in size between the SUBJECT and I, [redacted]. The SUBJECT was able to fight to his feet, I recall attempting to perform [redacted] however I do not believe I was successful as I did not observe a reaction. The SUBJECT fled eastbound on Bancroft Street. I pursued; the SUBJECT toppled a basket of items in front of me attempting to impede my pursuit. Shortly after the SUBJECT continued to evade me around a car. In an attempt to end the foot pursuit, take the subject into custody, and the likelihood SUBJECT would continue to resist I [redacted] The subject continued fleeing east bound on Bancroft as we approached Bond St, I observed a group of tents likely occupied by anti-ICE protesters. As we approached the tents, SUBJECT began yelling for help. Due to the potential for a confrontation with several anti-ICE demonstrators, I disengaged returning to the Portland ICE facility. I later observed various cuts and scrapes on my right hand as a result of the altercation.

The SUBJECT abandoned his bicycle on scene. FPS took custody of said bicycle placing in the secure area of the ICE facility. I was later advised by fellow officers the subject was observed entering a green Subaru type vehicle and fleeing the area after the incident. I was advised the vehicle had an Oregon plate [redacted].

Highly Confidential
OREGON_DEFS_00000310

Additional Report

I utilized my government cell phone to record a video of the incident as it was captured by ICE's Video Surveillance System (VSS). In the VSS footage I observed the SUBJECT attempt to grab my arm as I draw my taser. I believe SUBJECT's actions are consistent with attempting prevent me from drawing my Taser from my holster.

Case Status:

Suspended pending SUBJECT identification.

Subject: [redacted]

Subject: [redacted]

On June 21, 2025, there was protest activity in the front of 4310 SW Macadam Avenue, OR. The group of protesters were there to protest ICE in Portland. In the evening the protest consisted of 21 people that were acting in a peaceful way but some started blocking the driveway. Some of the protesters started entering the driveway area encroaching on federal property. A warning was issued using the Long-Range Acoustic Device (LRAD), stating: The facility is closed. This is federal property, and they need to keep the driveway clear for vehicular traffic. Failure to comply with these directions may result in your arrest.

Protesters continued to enter the driveway area. At 2151 and 2208 hours a warning was issued over the LRAD to get protesters to move away from the driveway area. Vehicles for Bravo Squad were getting in position to leave the facility. Three more LRAD warnings were given to the demonstrators at 2235 hours. There was a large group of 15-20 on the driveway and the total number was up to 50. At 2238 hours the last LRAD warning was given to the

Highly Confidential
OREGON_DEFS_00000315

demonstrators. I deployed officers from the west side driveway door to arrest demonstrators in the driveway area for failure to comply with lawful directions. Seven subjects were arrested in the driveway and detained inside the facility. After the arrest were made Bravo Team vehicles were able to safely exit the facility.

Protesters remained in the area of the driveway, but most stayed on the sidewalk after the arrest of the seven subjects. Two protesters started retrieving items from around the neighborhood and placing them in the driveway. Scooters and pallets were placed in front of the west side driveway exit door in an attempt to barricade the door from opening. Scooters were also placed in the driveway to block vehicular traffic. We were not able to mobilize in time to arrest the two subjects filling the driveway with items. We exited the facility to clear the driveway so one patrol vehicle could enter.

After the driveway was cleared the protesters moved off property and did not conduct any further disruptive activity for the rest of the evening.

The seven subjects were all issued citations for comply/conformity with signs and directions.

On June, 20, 2025, at approximately 1952 hours, I, Inspector [redacted] (11P1884), under the authority of 40 U.S. Code § 1315 as a Commissioned Uniformed Law Enforcement Officer with the U.S. Department of Homeland Security Federal Protective Service (DHS/FPS), was on duty as a member of Bravo team in support of Operation Skip Jack, at the Immigration and Customs Enforcement office located at 4310 SW Macadam Avenue, Portland, OR, 97239 working to disrupt and deter any illicit activities, criminal actions, or domestic terrorism from encroaching on Federal property.

During this shift, FPS was notified by REPORTING PERSON, Protective Service Officer (PSO) [redacted], who was manning the camera systems that an individual wearing a black and grey hoodie, black jeans with different colors on them, and a white and black scarf, was observed vandalizing federal property by drawing on the card reader located by the vehicle gate with an unknown object.

Upon notification by the PSO, the subject description was confirmed by FPS Inspector [redacted] (7P1859) who was viewing the camera footage. Inspector [redacted] (7P1576) and I, exited the facility first, identified the SUBJECT who was attempting to blend into the crowd of protestors, and moved into position to take her into custody. When the SUBJECT (later identified as [redacted] DoB [redacted]) noticed me approaching her from the front, she turned to flee, despite my loud and clear commands to stop, and bumped into Inspector [redacted]. Both inspectors placed the SUBJECTS hands behind her back without handcuffs and escorted her into the detention area of the facility where I placed my handcuffs on her without further incident and turned control of the SUBJECT over to FPS Special Agents on scene.

///////INVESTIGATION BY INSPECTOR [redacted] 7P1576, FEDERAL PROTECTIVE SERIVCE///////

SOURCE:

On Friday, June 20, 2025, I, Inspector [redacted] (7P1576), was conducting uniformed civil disturbance operations at the Immigration & Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave, Portland, Oregon 97204 (OR6732) pursuant to Title 40 United States Code 1315. The facility has been the site of various violent Anti-Immigration and Customs Enforcement (ICE) demonstrations over the past several days, resulting in assaults on federal law enforcement officers, damage to government property, and arson.

This property is under the protection of the Federal Protective Service (FPS) and is leased by the U.S. General Services Administration (GSA).

OBSERVATION/INVESTIGATION ACTIVITY:

On Friday, June 20, 2025, I, Inspector [redacted] (7P1576), overheard a radio transmission from Protective Security Officer (PSO) [redacted] (10G172) advising that an unidentified female subject was reported to be defacing an access reader, which is government property. The subject was later identified as [redacted] of Portland, Oregon.

According to PSO [redacted]'s description, [redacted] was observed on camera wearing a black hoodie over black jeans and dark-colored shoes. PSO [redacted] further advised that [redacted] was wearing a distinct black and grey pattern on the area where the hoodie covers the head. After hearing this information, I approached the main gate of the driveway area and observed [redacted] wearing clothing matching the description provided by PSO [redacted], [redacted] was walking away from the driveway in what I believed was an attempt to blend in with the crowd. Anticipating that [redacted] might flee, I proceeded to intercept [redacted] as my partner, Inspector [redacted] (11P1884), yelled the command to stop. [redacted] ignored the command and continued walking. After the second command, [redacted] turned, spotted Insp. [redacted] and turned away to flee, causing [redacted] to turn right into me. Insp. [redacted] and I placed [redacted] hands behind her back and escorted her through the facility's east service gate to ICE Holding Cell No. 1. The escorting of [redacted] occurred without incident. Upon arrival, I turned over custody of [redacted] to FPS Special Agents for processing.

Highly Confidential OREGON_DEFS_00000325

CUSTODY/BOOKING:

Search Incident to Arrest (SIR), Insp. [redacted](10P1499) obtained a valid Oregon State Identification Card, confirming [redacted] identity. Insp. [redacted] then transmitted [redacted] information to the Denver Mega Center (DMC), requesting a local and national clearance check. DMC later advised [redacted] no outstanding Wants or Warrants for arrest through both avenues. Additionally, Insp. [redacted] checked [redacted] information via the Oregon Law Enforcement Database System (OLEDS), which resulted negative warrants. Insp. [redacted] issued [redacted] U.S. District Court Violation Notice (USDCVN) Citation E1769726 under 41 CFR 102-74.380, Willfully Damaging Property. Insp. [redacted] placed the citation with [redacted] property. Insp. [redacted] then escorted [redacted] from the facility where she was released without further incident.

CASE STATUS:

This investigation cleared by citation.

////Begin Narrative of OFFICER [redacted] 10P1499 – DPSST 61604 Federal Protective Service///

ASSOCIATED CASE NUMBERS:

F25100141182

F25100141182-FR1

SOURCE:

On 6/20/2025 I was conducting uniformed civil disturbance operations on the Portland Immigrations and Customs Enforcement (ICE) field office Ave in support of Operation Skip Jack. At this point the Portland ICE field office had been subject to multiple violent demonstrations resulting in property damage and injury to federal law enforcement officers.

OBSERVATION/INVESTIGATION:

During the operation I issued Central Violations Bureau citation # E1769726 to [redacted] in relation to an arrest made by FPS Ofc [redacted] (see FPS case # F25100141182) for the violation of 41 Code of Federal Regulations (CFR) 102-74.380 (preservation of property). Additionally, I recall I was provided with a written statement from Ofc. [redacted]

FOLLOW UP:

On 07/24/2025 I reviewed all statements and materials available to me in relation to this incident. To include written statements, LEIMS reports, photos and video.

Ofc. [redacted]'s report states he overheard a radio transmission from Protective Security Officer [redacted] who reported an unknown female later identified as [redacted] defacing a card reader belonging to the U.S. Government. Ofc. [redacted] and [redacted] intercepted and took custody of [redacted] bringing her into the ICE facility for further processing.

Highly Confidential OREGON_DEFS_00000329

Additional Report

Ofc. [redacted]'s statement indicates PSO FURIA reported the following information to FPS: A SUBJECT later identified as [redacted] described as wearing a black and gray hoodie, black jeans with different colors on them, and a white scarf was observed vandalizing federal property by drawing on the card reader by the vehicle gate with an unknown object. Ofc. [redacted] then indicates he and Ofc. [redacted] moved into position to take [redacted] into custody. Ofc. [redacted] reportedly issued verbal commands for [redacted] to stop, [redacted] responded by turning to flee. She was intercepted and taken into custody by both Ofc. [redacted] and [redacted] where she was brought back to the detention area for further processing.

Ofc. [redacted]'s statement indicates he had taken a photo of the card reader post incident.

I reached out to investigating FPS Special Agent (SA) [redacted] requesting the photos of the reported damage. SA DESENS provided me with a photo of the reported damage, the card reader appears to be caked various paint like substances. Due to the amount of the damage to the card reader it is unclear what damage was specifically caused by [redacted] Additionally, SA DESENS included graffiti of the plywood associated with the incident. SA DESENS provided me with the video of the incident, in the video [redacted] can be observed approaching the stand with the card reader she appears to rub an object on the card reader and then departs from camera view shortly after.

CASE STATUS:

Referred to AUSAs office for prosecutorial consideration.

Additional Report

[redacted]	06/23/2025 22:15	[redacted]	06/24/2025 00:59

Subject: [redacted]

On June 22, 2025, at approximately 2100 hours, I, Inspector [redacted] was manning the control center (Camera Room) and monitoring the Video Surveillance System (VSS) when I observed a SUBJECT painting the driveway and sidewalk of the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave, Portland, OR. After completing the painting, the SUBJECT walked in front of the driveway and threw the white paint at the front gate. The SUBJECT then stood in front of the driveway, picked up a small American flag lying on the ground, pulled a small pocket lighter from his front pocket, and proceeded to light the flag on fire. He then threw the burning flag at the building. Following this, multiple Federal Protective Service (FPS) officers and ICE Special Response Team (SRT) officers issued approximately six warnings for the SUBJECT to leave federal property and clear the driveway for vehicle traffic. The subject was wearing dark-colored shoes, pants, and a pullover jacket with the hood over his head. He was also wearing a dark-colored painter's mask and had a red cloth around his neck. After positively identifying the SUBJECT standing on the driveway, I, Inspector [redacted] was part of the arrest team that collaborated with multiple FPS Officers and ICE SRT Officers to organize a target arrest for the SUBJECT. FPS and ICE SRT exited the facility, and the SUBJECT fled down Bancroft Street, where the SUBJECT was subsequently apprehended by ICE SRT. A search incident to the arrest was conducted by ICE SRT, and the SUBJECT was found in possession of a glass pipe. The SUBJECT was then escorted by FPS and ICE SRT to the sally port of the ICE facility, where the SUBJECT was transferred to FPS special agents for processing. The SUBJECT was identified as [redacted], Date of Birth (DOB) [redacted]. SUBJECT [redacted] was cited for: Destroyed or Damaged Federal Property, 41 CFR 102-74.380(B).

On June 23, at approximately 2103 hours, while on duty at the Immigration and Customs Enforcement (ICE) facility, located at 4310 SW Macadam Ave. Portland, OR., I, Inspector [redacted] (11P1884), was part of an arrest team in collaboration with ICE ERO SRT, which had organized a targeted arrest for a SUBJECT who was allegedly drawing graffiti on the ICE facility.

While reviewing the video surveillance system, Inspector [redacted] (7P1859) witnessed the unidentified subject on camera spray graffiti on the building. The unidentified subject was a white Caucasian male, wearing a dark- colored hoodie, a dark colored face covering, dark pants, and white shoes. Additionally, the subject had a grey and pink air purifier hanging around his neck.

Probable Cause (PC) was established for the arrest and the below statement was provided to FPS Special Agents:

"On June 23, 2024, at approximately 2030 hours I, Inspector [redacted] along with other FPS Inspectors watching the ICE facility VSS observed an unknown male wearing dark clothing and white shoes approach the wall of the guard booth and appear to vandalize the wall of the booth. After viewing other camera angels, it appeared that the subject was using spray paint to "tag" the building, and retreat away where he was viewed to be sitting and hanging out near the planter wall on the north side of the facility. Communication was established between ICE ERO SRT, FPS Inspectors, and the Incident commander regarding the issue, and after an arrest team of ICE ERO personnel was formed, FPS and ICE ERO exited the facility to apprehend the subject who had moved toward the trolly stop in an attempt to evade arrest. ICE ERO apprehended the subject without incident and escorted him to the detention area. During the FPS withdraw back to the facility, I stepped backwards in the area where the subject was hanging out, and stepped onto an object that turned out to be a black in color can of spray paint. It was undetermined if it was the can the subject used, however, to prevent further damage to federal property, I retrieved the can and continued my withdraw into the facility where I turned it over to a SA. The subject was later identified in booking as [redacted]."

Highly Confidential
OREGON_DEFS_00000342

Additional Report

ICE-ERO-SRT and FPS Inspectors exited the facility, and the SUBJECT took a few steps in an attempt to flee before stopping, surrendering, and subsequently being apprehended by the ICE SRT. During the return into the facility, I stepped on an object that turned out to be a black in color can of spray paint which I picked up and carried into the facility. Upon return into the facility, I turned the can of spray paint over to FPS SA [redacted], [redacted] and told him that it was recovered next to the right-side concrete planter wall where I observed the SUBJECT sitting prior to his arrest by ICE-ERO-SRT. The evidence was bagged, labeled as "Evidence 1" and a Chain of Custody was filled out prior to the evidence being placed in evidence storage located at 1220 SW Third Ave, Portland, OR 97204.

The SUBJECT was identified as [redacted] (DOB: [redacted]) and was recognized by the Agents and Officers present, due to a prior conversation with him the night before between him and FPS Inspectors. A search incident to the arrest was performed by members of the ICE-ERO- SRT, resulting in no contraband being discovered.

Inspector [redacted] (10P1777) requested FPS/DMC to conduct a National Crime Information Center/National Law Enforcement Telecommunications System (NCIC/NLETS) check on the Subject's name which returned as valid with no warrant.

SUBJECT was issued a citation, United States District Court Violation Notice # E1769733, which mandated an appearance for violating 41 CFR 102-74.380 (e) – Willfully Damaging Federal Property.

At 2315 hours, the SUBJECT was released on their own recognizance from the ICE facility, without incident and no further actions to report.

Subject: UNKNOWN UNKNOWN

The Participant was injured.

////Report of Investigation by [redacted] Federal Protective Service#7P1402////

ASSISTING OFFICERS:

[redacted] Inspector/Badge 7P1576 – Federal Protective Service (FPS)

EVIDENCE:

(1) Chain – Brand; Campbell 701 with a red ABUS lock affixed to one end of the chain.

SOURCE:

On June 24, 2025, at approximately 23:18 hours, I, Inspector [redacted] (#7P1402), was in full FPS uniform and clearly identifiable as a federal law enforcement officer per 40 USC 1315, while on duty, in the city of Portland, Oregon. I was assigned to Bravo Team for Operation Skip Jack at The Portland Immigration and Customs Enforcement (ICE) Building, 4310 S. McAdam Avenue, Portland, Oregon 97239. While standing at the north vehicle entry gate, I observed someone trespassing by coming up to the gate on closed federal property. Inspector [redacted] (7P1576) notified me from the guard shack that the same unknown subject, appearing to be a white male, had just "lit a fuse," and was coming up to the gate.

OBSERVATION/INVESTIGATION:

On June 24, 2025, at approximately 23:19 hours, I observed the unknown subject come up to the gate at 4310 S. McAdam Avenue, Portland, Oregon, and appear to be attempting to lock the gate with a later identified, Campbell 701, metal chain and an Abus red lock. The subject was also attempting to push what appeared to be some kind of incendiary/explosive device through the gate and into the secured area where multiple Immigration and Customs Enforcement agents, Federal Protective Service Officers, and I were located.

Highly Confidential
OREGON_DEFS_00000346

CUSTODY/BOOKING:

I developed Probable Cause (PC) to arrest the subject for a direct violation of Title 41 Code of Federal Regulations (CFR) 102-74.435 – Explosives: No person entering or while on Federal property may carry or possess explosives, or items intended to be used to fabricate an explosive or incendiary device, either openly or concealed, except for official purposes.

At approximately 23:19 hours, I deployed Oleoresin Capsicum (OC) spray from a MK9 Fogger through the gate at the unknown subject. I continued with a steady burst due to the fence grate blocking some of the OC and at approximately 23:20 hours, I notified the Federal Protective Service (FPS) Denver Mega Center (DMC) of the OC deployment. The subject ran away without being apprehended by me. I took the chain and lock into my custody as evidence and also took photographs to document the evidence.

NOTE: Timestamp of incident on ICE facility cameras was June 24, 2025, at 23:19:48.

CASE STATUS:

Forwarded to Federal Protective Service Investigations Branch.

On June 24, 2025 there was a demonstration at the Immigration and Customs Enforcement (ICE) building located at 4310 SW Macadam Avenue Portland, OR. I, Inspector [redacted] was assigned as a uniformed Federal Protective Service (FPS) law enforcement officer for the 1500 hours to 0100 hours shift.

Upon arrival at approximately 1500 hours, with Inspector [redacted] (7P1576), Inspector [redacted] (7P1402), Inspector [redacted] (8P1436), Inspector [redacted] (8P1628), Inspector [redacted] (7P1859), Inspector [redacted] (11P1884), Inspector [redacted] (11P1670), Inspector [redacted] (11P1604), and Inspector [redacted] (R897) we encountered approximately ten (10) protesters on the sidewalk of the facility. Rapid Protection Force (RPF) Inspector [redacted] (R1414) passed on all significant activities for the day and Bravo team assisted with Alpha teams' departure.

The protesters grew in numbers as the night went on and by approximately 1900 hours there were approximately seventy-five (75) protesters in the area of the gate, sidewalk, and trolley area. During the course of the night FPS Bravo and Charlie team with the assistance of ICE SRT needed to exit the entrance gate three (3) times due to protesters encroaching on the gate as well as throwing items at and in the gate area. At 2230 hours there were approximately one hundred (100) protesters in the area. The Long-Range Acoustic Device (LRAD) was issued three (3) times to notify the protesters that the facility was closed and to remain across the street or on the sidewalk and to keep the driveway clear for vehicular traffic. After every LRAD warning, protesters remained in the driveway and continued to approach the gate.

At 2252 hours, FPS and ICE SRT cleared the drive for protesters approaching the gate and throwing objects. During this attempt to clear the gate entrance, two (2)subjects were taken into custody. One Subject was pointing a green laser in officer's eyes and another was seen to have what looked like a small hatchet. At 2302 hours, a subject was seen defacing the guard shack and urinating at which time FPS and ICE SRT moved out and took the subject into custody. At 2320 hours a Subject approached the gate with some type of incendiary device attempting to throw it through the gate. FPS and ICE SRT exited the gate again to get the protesters off the entrance driveway and apprehend the subject. The subject fled into the crowd and another protester was spotted with a knife and approaching FPS and ICE officers. The subject then threw the knife in the direction of federal officers and was then taken into custody.

At 2328 hours, Emergency Medical Services (EMS) was called for two (2) subjects that claim to have sustained injuries. At 2340 two (2) ambulances arrived on site. One (1) subject refused medical transport, and another was cited for destruction of property and released to EMS for medical transport.

Additional Report

All arrests and citations issued were separate incident reports completed by the FPS personnel that initiated the arrest and or citation. At 0000 hours RPF Commander [redacted] with Charlie team took over from 0000 hours to 0500 hours. Bravo team remained until 0400 hours to assist Charlie team as needed. During this time, there were no significant incidents to report. At 0400 hours myself along with Bravo team departed the facility without incident. End of Report.

On Tuesday, June 24, 2025, I, Inspector [redacted] (7P1859) while on duty in the District of Oregon under the authority of 40 U.S. Code § 1315 was assigned to the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave. Portland, Oregon (OR6732). I was assigned to Team B (Bravo) which includes Incident Commander (IC) 10V10 [redacted] Team Leader (TL) 1P297 [redacted] Assistant Team Lead 7P1576 [redacted] 8P1436 [redacted] 8P1628 [redacted] 11P1670 [redacted] 11P1884 [redacted] 7P1402 [redacted] and 11P1604 [redacted] The following is a description of key events and event log of what was reported to Denver Mega Center during the shift time that began at 1500 hours to 0300 hours.

The crowd size reached approximately 10 demonstrators off federal property throughout the morning and early afternoon, increasing to approximately 25 demonstrators by late afternoon. Several demonstrators throwing glitter in the vehicle entrance driveway. The gathering was mostly peaceful with periods of verbal antagonizing directed toward federal officers. Multiple LRAD warnings were issued to clear the vehicle entrance for arriving/departing personnel.

Crowd size increased to approximately 80-100 with verbal antagonizing becoming more aggressive towards dusk. Several subjects threw balloons over the fence into the courtyard. The vehicle entrance gate opened without prompting but was secured without incident.

Late in the evening the crowd was estimated at approximately 100 demonstrators with approximately 30 demonstrators blocking the vehicle entrance.

LE pushed out of the vehicle gate to clear the driveway encountering a combative crowd and a subject assaulted LE with a red laser. The subject was detained. The crowd continued the combative behavior and ERO SRT deployed pepper ball and hand thrown munitions. LE observed a subject urinating on the building. The subject was detained. Multiple LRAD warnings were issued and went unheeded. ERO SRT deployed smoke, pepper ball, and hand thrown munitions. A subject fired multiple paint ball munitions at LE and fled the area. LE moved back inside the gate and the gate was closed when a subject approached the gate from the east and was observed lighting a fuse on an unknown incendiary device as well as attempting to chain the vehicle gate panels closed. MK9 fogger was deployed by Inspector [redacted] (7P1402) and subject fled the area of the vehicle gate to the east. LE pursued from the courtyard pedestrian gate and Inspector [redacted] (7P1859) deployed taser and did not make contact with the subject. ICE SRT deployed taser successfully and were able to detain the subject. During the detainment, another subject threatened LE with a knife. An ambulance was requested for an unconscious subject. Subject regained consciousness and refused treatment.

Highly Confidential
OREGON_DEFS_00000354

Four subjects were detained. One was cited and released for preservation of property and three were arrested for assaulting LE.

[redacted] Inspector - FPS

SRT- Immigration Custom Enforcement (ICE)

INVOLVED PERSONS:

[redacted]

SOURCE:

On Tuesday June 24th, 2025, at approximately 2318 hours, officers assigned to 4310 S Macadams Avenue were responding to an individual who was viewed attempting to ignite an unknown item with a lighter and toss it at the gate, using the cover of the guard shack East of the driveway. Was observed walking to the gate carrying the lit object and a lock with a chain attached before attempting to shove both objects through the gate. Suspect was warned

Highly Confidential
OREGON_DEFS_00000355

verbally to stay back from the gate and not throw the object to which the subject ignored commands and was immediately sprayed with MK9 fogger by an FPS Inspector. Subject retreated to the trolley tracks East of the guard shack. I, Inspector [redacted] and other officers exited the East pedestrian gate and attempted to arrest the subject. Suspect brandished a machete and started swinging erratically in our direction. I drew my Taser and aimed at the suspect. The suspect began to run East on Bancroft Street and threw the machete at me, which I responded by calling Taser, Taser, Taser and deploying a cartridge that did not make contact with the suspect. An ICE ERO SRT officer made positive contact with their Taser and proceeded to handcuff and arrest the suspect.

The following Support Narrative was entered by [redacted] last modified on 07/15/2025.

On June 24, 2025, there was a demonstration at the Immigration and Customs Enforcement (ICE) building located at 4310 SW Macadam Avenue Portland, OR. I, Inspector [redacted] (8P1589) was assigned as a uniformed federal law enforcement officer for the 1900 hours to 0500 hours shift.

Upon arrival with Area Commander and Team Leader [redacted] (10R6), Inspector [redacted] (8P824), Inspector [redacted] (11R1184), Inspector [redacted] (8P1437), Inspector [redacted] (9R511), Inspector [redacted] (11R1653), Inspector [redacted] (10P1777), Inspector [redacted] (4P1596), and Inspector [redacted] (11P1458) we encountered approximately forty (40) protesters on the sidewalk of the facility.

Team Leader [redacted] (1P297) who is the team leader for Bravo Team passed on all significant information on activities for the day. The protesters grew in number as the night went. Information was passe on that several demonstrators were throwing glitter in the vehicle entrance driveway. The gathering was mostly peaceful with periods of verbal antagonizing directed toward federal officers. Multiple LRAD warnings were issued to clear the vehicle entrance for arriving/departing personnel. Crowd size increased to approximately 80-100 with verbal antagonizing becoming more aggressive towards dusk. Several subjects threw balloons over the fence into the courtyard. The vehicle entrance gate opened without prompting but was secured without incident. Late in the evening the crowd was estimated at approximately 100 demonstrators with approximately 30 demonstrators blocking the vehicle entrance. LE pushed out of the vehicle gate to clear the driveway encountering a combative crowd and a subject assaulted LE with a red laser. The subject was detained. The crowd continued the combative behavior and ERO SRT deployed pepper ball and hand thrown munitions. LE observed a subject urinating on the building. The subject was detained. Multiple LRAD warnings were issued and went unheeded. ERO SRT deployed smoke, pepper ball, and hand thrown munitions. A subject fired multiple paint ball munitions at LE and fled the area. LE moved back inside the gate and the gate was closed when a subject approached the gate from the east and was observed lighting a fuse on an unknown incendiary device as well as attempting to chain the vehicle gate panels closed. MK9 was deployed and subject fled the area of the vehicle gate to the east. LE pursued from the courtyard pedestrian gate and detained subject. During the detainment another subject threatened LE with a knife and LE deployed a taser in response. An ambulance was requested for an un-conscious subject. Subject regained consciousness and refused treatment. Four subjects were detained. One was cited and released for preservation of property and three were arrested for assaulting LE. 2000 hours there were approximately thirty (30) protesters in the area of the gate and sidewalk. At approximately 1930 hours a female subject was observed tampering with the gate card reader. Inspector [redacted] (7P1576) and Inspector [redacted] (11P1884) observed and pushed out to take the female subject into custody without incident. At 1900 hours RPF Commander [redacted] with Charlie team arrived and took over for shift 1900 hours to 0500 hours. Bravo team remained until 2300 to assist Charlie team as needed. There were no significant incidents from 1900 hours to 2300 hours. At 2300 hours myself along with Bravo team departed the facility without incident.

SRT- Immigration Custom Enforcement (ICE)

INVOLVED PERSONS:

UNKNOWN

SOURCE:

On June 24, 2025, I was assigned to the Immigration Custom Enforcement (ICE) building located at 4310 South Macadam Avenue, Portland Oregon in support of Operation Skip Jack. The team I was assigned to consisted of Area Commander [redacted] Inspector [redacted] Inspector [redacted] and Immigration Custom Enforcement (ICE) Special Response Team (SRT). We were deployed and assigned to the facility due the recent damage to the facility by unknown demonstrators. The damage consisted of damage to the vehicle entry gate, the front entrance (it was breached), graffiti on the facility, damage to the exterior VSS devices, and damage to the protective security officers exterior post facility. The demonstrators were also impeding Immigration Custom Enforcement from performing their daily duties while attempting to block all vehicles from traveling in or out of the facility. Our specific

Highly Confidential
OREGON_DEFS_00000361

mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government.

Thus far, local and federal facilities, as well as officers, have been targeted by demonstrators with the use of items including, but not limited to, impact weapons, powerful green lasers, rocks, and bottles. Tonight, was a continuation of such riotous and assaultive conduct by members of these groups. Prior to beginning our operations, we were advised that individuals within the vicinity of the facility were issuing out homemade shields, helmets, and painters mask.

OBSERVATION/INVESTIGATION:

During the evening, FPS officers and I, as well as member of ICE SRT observed demonstrators present at the Immigration Custom Enforcement building located at 4310 South Macadam Avenue, Portland Oregon. During this time the demonstrators blocked the driveway for vehicles entering and exiting, yelled at officers and vehicles entering throughout the day and launched rocks and other objects at law enforcement officers inside the fenced perimeter, and all of this occurred on federal property. The demonstrators were dressed in painter's masks, held homemade shields, and helmets.

Glass bottles to include rocks or other objects being thrown by demonstrators can cause serious bodily harm to Law Enforcement Officers (LEOs) and innocent bystanders within the vicinity. This evening, I observed three individuals throwing canisters of CS gas back towards Federal Law Enforcement Officers after CS had been deployed in response to commercial grade fireworks being thrown at LEOs that could result in serious and/or permanent body damage. This is assaultive conduct under Title 18 United States Code 111.

CUSTODY/BOOKING:

While staged on federal property (within the entry gate) located at the Immigration Custom Enforcement building located at 4310 South Macadam Avenue, Portland Oregon, protesters blocked the vehicle entry gate for outgoing vehicles on federal property. The demonstrators were warned several times by the LRAD system stating that the federal property was closed to the public and to remain on the sidewalk or across the street and anyone who

Highly Confidential
OREGON_DEFS_00000362

remained would be subject to arrest too include media. The demonstrators were also provided time to vacate federal property; however, they refused to leave the driveway.

At approximately 2245 hours, FPS and ICE SRT officers open the vehicle gate, warned the demonstrators again to vacate federal property or be subject to arrest. All officers walked in formations outside (slowly) telling the demonstrators to vacate federal property verbally and with hand and arm signals. When the LEOs started moving forward of the guard shack, the crowd started throwing objects to include commercial grade fireworks. Some of the demonstrators departed; however, some didn't and were arrested. Once the arrested persons had been brought inside of the gate and the LEOs had begun their return to the facility, I observed one demonstrator in the street east of the ICE driveway pick up a CS canister and throw it at federal officers. At this time, I, as well as other officers developed Probable Cause (PC) to try to arrest the subject for Title 18 USC 111, Assault. The subject was dressed in a black hoodie, black pants, black beanie and appeared to be wearing goggles. I could not make out the sex or the race of the individual due to the heavy clothing the subject was wearing. I fired approximately 1 round of FN303 Pava rounds towards the center mass area of the subject. The subject stopped throwing objects, turned around and ran away deeper into the crowd of protestors. There were no injuries noticed as the subject fled. A second subject was observed in the same area as the first subject retrieve another CS cannister from the ground and throw it towards Federal Officers. At this time, I, as well as other officers developed Probable Cause (PC) to try to arrest the subject for Title 18 USC 111, Assault. The subject was dressed in a black hoodie and black pants, with a black face covering, and a black hat. I could not make out if the subject was male or female, or what race the subject was due to the heavy clothing the subject was wearing. I fired approximately 8 rounds of FN303 PAVA rounds towards the subject's center of mass. The subject stopped throwing objects and fled in the opposite direction down Macadam Ave. There were no injuries noticed as the subjects fled.

Subject#1

At approximately 2245 and 2250 hours I deployed approximately 1 round of FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers. The incident took place at 4310 South Macadam Avenue, Portland Oregon. The subject was dressed in a black hoodie, black pants, black beanie and appeared to be wearing goggles. I could not make out the sex or the race of the individual due to the heavy clothing the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the round impacted on the subject; however, the subject reacted to the rounds and stopped throwing any additional objects and ran back

Highly Confidential
OREGON_DEFS_00000363

deep into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

Subject#2

At approximately 2300 hours I deployed approximately 8 rounds of FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers. The incident took place at 4310 South Macadam Avenue, Portland Oregon. black hoodie and black pants, with a black face covering, and a black hat. I could not make out if the subject was male or female, or what race the subject was due to the heavy clothing the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

SRT- Immigration Custom Enforcement (ICE)

INVOLVED PERSONS:

UNKNOWN

SOURCE:

On June 24, 2025, I was assigned to the Immigration Custom Enforcement building located at 4310 South Macadam, Portland Oregon. The team I was assigned to consisted of Area Commander [redacted] Inspector [redacted] Inspector [redacted] Immigration Custom Enforcement (ICE). We were deployed and assigned to the facility due the recent damage to the facility by unknown demonstrators. The damage consisted of damage to the vehicle entry gate, the front entrance (it was breached), graffiti on the facility, damage to the exterior Video Surveillance System (VSS), and damage to the Protective Security Officers exterior post facility. The demonstrators were also impeding Immigration Custom Enforcement from performing their daily duties while attempting to block all vehicles from traveling in or out of the facility. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government.

Thus far, local and federal facilities, as well as officers, have been targeted by demonstrators with the use of items including, but not limited to, impact weapons, powerful green and red lasers, rocks, bottles, fireworks and CS and smoke canisters that ICE SRT deployed to push the crowd off federal property. Tonight, was a continuation of such riotous and assaultive conduct by members of these groups. Prior to beginning our operations, we were advised that individuals within the vicinity of the facility were issuing out homemade shields, helmets, and painters mask.

Highly Confidential
OREGON_DEFS_00000365

OBSERVATION/INVESTIGATION:

During the evening, FPS officers and I observed demonstrators present at the Immigration Custom Enforcement building located at 4310 South Macadam St, Portland Oregon. During this time the demonstrators blocked the driveway for vehicles entering and exiting, yelled at officers and vehicles entering throughout the day, and all of this occurred on federal property. The demonstrators were dressed in painters mask, held homemade shields, and helmets.

Glass bottles, rocks and other objects being thrown by demonstrators can cause serious bodily harm to Law Enforcement Officers (LEOs) and innocent bystanders within the vicinity. This evening, I returned less lethal fire on one subject who shot approximately 10 rounds of paintball at federal LEOs. Paintballs launched from a paintball gun at LEOs could result in serious and/or permanent body damage. This is assaultive conduct under Title 18 United States Code 111.

CUSTODY/BOOKING:

While staged on federal property (within the entry gate) located at the Immigration Custom Enforcement building located at 4310 South Macadam St, Portland Oregon, protesters blocked the vehicle entry gate for outgoing vehicles on federal property. The demonstrators were warned several times by the Long Range Acoustic Device (LRAD) system stating that the federal property was closed to the public and to remain on the sidewalk and anyone who remained on federal property would be subject to arrest, to include media. The demonstrators were also provided time to vacate federal property; however, they refused to leave the driveway. At this time, I had Probable Cause (PC) for a violation of Title 41 CFR 102 74.385, Conformity with Official Signs and Directions.

At approximately 2300 hours, FPS and ICE officers opened the vehicle gate, warned the demonstrators again to vacate federal property or be subject to arrest. All officers walked in formations outside (slowly) telling the demonstrators to vacate federal property verbally and with hand and arm signals. When the LEOs started moving forward of the guard shack, some of the demonstrators departed; however, some didn't and remained on federal property. ICE SRT officers from the middle of the formation deployed approximately two (2) flash bangs, and approximately two (2) green smoke canisters in front of the formation in an attempt to push back the crowd. CS canisters were deployed moments

Highly Confidential
OREGON_DEFS_00000366

later. One protester threw one of the green canisters back at officers and an ICE team immediately went forward and detained the subject that threw the canister. Once the arrested persons had been brought behind our formation the LEOs begun their return to the facility, at approximately 2308 hours, I was on the east side of the driveway when a volley of approximately 10 paintballs struck the wall to my right and behind me. I knew the rounds had come from the corner of south Macadam Ave and South Bancroft. I observed a subject wearing all black holding an object in his hand that appeared to have a hopper on the top of it. I fired approximately 8 rounds of FN303 Launcher/alternating pink marking and Pava rounds towards the center mass area of the subject. The subject was affected by the impact of my rounds and stopped shooting paintballs at officers. The subject was last seen northwest of the facility on South Macadam Ave, not showing any sign of injury.

Multiple LEOs had paintball residue on their uniforms once we returned inside the gate.

Subject#1

At approximately 2308 hours I deployed approximately 8 pellets of FN303/alternating pink marking and PAVA rounds at an individual who was shooting paintballs at Law Enforcement Officers. The incident took place at the north driveway of 4310 South Macadam St, Portland Oregon. The individual appeared to be a Caucasian male wearing a black jacket, black pants, and painters mask and helmet.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject reacted to the rounds and stopped shooting paintballs. The subject was last seen northwest of the facility on South Macadam Ave. No injuries to the subject were observed and the result of impact munitions was the individual stopped shooting anymore paintballs at Federal Law Enforcement Officers.

OBSERVATION/INVESTIGATION:

During the evening, FPS officers and I observed demonstrators present at the Immigration Custom Enforcement building located at 4310 South Macadam St, Portland Oregon. During this time the demonstrators blocked the driveway for vehicles entering and exiting, yelled at officers and vehicles entering throughout the day, and all of this occurred on federal property. The demonstrators were dressed in painters mask, held homemade shields, and helmets.

Glass bottles, rocks and other objects being thrown by demonstrators can cause serious bodily harm to Law Enforcement Officers (LEOs) and innocent bystanders within the vicinity. This evening, I was viewing the VSS in the detention center control room when I observed a subject lighting some kind of firework. I grabbed my helmet and ran to the east man gate. Once at the east gate the subject was pointed out by Inspector [redacted] and officers began to pursue her. As officers pursued the subject as she walked east on the south sidewalk of South Bancroft Street The subject suddenly stopped fleeing and turned towards approaching officers as she procured a machete from her backpack and began swinging it at officers. I was on the sidewalk alongside the guard shack, approximately 75 feet away, and had a crisp view of the large metallic curved blade as it was over her head and was reflecting in the streetlights. I fired approximately 5 rounds of FN303 Launcher/alternating pink marker and Pava rounds towards the center mass area of the subject. An edged weapon used against LEOs could result in serious and/or permanent body damage or death. This is assaultive conduct under Title 18 United States Code 111.

Highly Confidential

CUSTODY/BOOKING:

At approximately 2318 hours, I was viewing the Video Surveillance system (VSS) in the detention center control room when I observed a subject lighting some kind of firework. I grabbed my helmet and ran to the east man gate. Once at the east gate the subject was pointed out by Inspector [redacted] and a team of officers began to pursue her. Officers pursued the subject as she walked east on the south sidewalk of South Bancroft Street. The subject suddenly stopped fleeing and turned towards approaching officers as she procured a machete from her backpack and began swinging it at officers. I was on the sidewalk alongside the guard shack, approximately 75 feet away, and had a crisp view of the large metallic curved blade as it was over her head and was reflecting in the streetlights. I fired approximately 5 rounds of FN303 Launcher/alternating pink marker and Pava rounds towards the center mass area of the subject. The subject immediately stopped swinging the machete and started walking east on South Bancroft. ICE SRT officers deployed pepper balls and taser to get the subject to the ground and fought with her to get her into custody as she was resisting apprehension attempts. I approached the scene and attempted to assist ICE but was forced to provide cover for the officers as the protesters started to encroach.

Subject#1

At approximately 2321 hours I deployed approximately 5 rounds of FN303/alternating pink marking and PAVA rounds at an individual who was swinging a machete at Federal Officers. The incident took place east of the north driveway of 4310 South Macadam St, Portland Oregon on the south sidewalk. The individual appeared to be a Caucasian female wearing a black jacket, black and grey tie-dye pants, and dark backpack.

I observed the impact rounds travel in the direction towards the subject. I did not see where the rounds impacted on the subject; however, the subject reacted to the rounds and stopped swinging the machete. The subject was detained and brought into the facility for care and processing. Multiple welts and bruises and abrasions were observed on the subject's torso after the incident, but no serious injuries were noticed. The result of my impact munitions was the individual stopped swinging the machete at Federal Law Enforcement Officers.

////Report of Investigation by [redacted] Federal Protective Service#7P1402////

ASSISTING OFFICERS:

[redacted] Inspector/Badge 7P1576 – Federal Protective Service (FPS)

EVIDENCE:

(1) Chain – Brand; Campbell 701 with a red ABUS lock affixed to one end of the chain.

SOURCE:

On June 24, 2025, at approximately 23:18 hours, I, Inspector [redacted] (#7P1402), was in full FPS uniform and clearly identifiable as a federal law enforcement officer per 40 USC 1315, while on duty, in the city of Portland, Oregon. I was assigned to Bravo Team for Operation Skip Jack at The Portland Immigration and Customs Enforcement (ICE) Building, 4310 S. McAdam Avenue, Portland, Oregon 97239. While standing at the north vehicle entry gate, I observed someone trespassing by coming up to the gate on closed federal property. Inspector [redacted] (7P1576) notified me from the guard shack that the same unknown subject, appearing to be a white male, had just "lit a fuse," and was coming up to the gate.

OBSERVATION/INVESTIGATION:

Highly Confidential
OREGON_DEFS_00000371

Additional Report

On June 24, 2025, at approximately 23:19 hours, I observed the unknown subject come up to the gate at 4310 S. McAdam Avenue, Portland, Oregon, and appear to be attempting to lock the gate with a later identified, Campbell 701, metal chain and an Abus red lock. The subject was also attempting to push what appeared to be some kind of incendiary/explosive device through the gate and into the secured area where multiple Immigration and Customs Enforcement agents, Federal Protective Service Officers, and I were located.

CUSTODY/BOOKING:

I developed Probable Cause (PC) to arrest the subject for a direct violation of Title 41 Code of Federal Regulations (CFR) 102-74.435 – Explosives: No person entering or while on Federal property may carry or possess explosives, or items intended to be used to fabricate an explosive or incendiary device, either openly or concealed, except for official purposes.

At approximately 23:19 hours, I deployed Oleoresin Capsicum (OC) spray from a MK9 Fogger through the gate at the unknown subject. I continued with a steady burst due to the fence grate blocking some of the OC and at approximately 23:20 hours, I notified the Federal Protective Service (FPS) Denver Mega Center (DMC) of the OC deployment. The subject ran away without being apprehended by me. I took the chain and lock into my custody as evidence and also took photographs to document the evidence.

NOTE: Timestamp of incident on ICE facility cameras was June 24, 2025, at 23:19:48.

//////End Report by [redacted] 8P824//////

The following Support Narrative was entered by [redacted] last modified on 06/27/2025.

Narrative: Insp. [redacted] (7P1859)

On Tuesday June 24th, 2025, at approximately 2318 hours, I, Inspector [redacted] (7P1859) while on duty as a uniformed federal law enforcement officer and other federal officers assigned to 4310 S Macadams Avenue responded to an individual who was viewed attempting to ignite an unknown item with a lighter and toss it at the gate, using the cover of the guard shack East of the driveway.

I observed the subject walking to the gate carrying the lit object and a lock with a chain attached before attempting to shove both objects through the gate. Suspect was warned verbally to stay back from the gate and not throw the object to which the subject ignored commands and was immediately sprayed with MK9 fogger by an FPS Inspector. Subject retreated to the trolley tracks East of the guard shack. I, Inspector [redacted] and other officers exited the East pedestrian gate and attempted to arrest the subject. Suspect brandished a machete and started swinging erratically in our direction. I drew my Taser and aimed at the suspect. The suspect began to run East on Bancroft Street and threw the machete at me, which I responded by calling Taser, Taser, Taser and deploying a cartridge that did not make contact with the suspect.

An ICE ERO SRT officer made positive contact with their Taser and proceeded to handcuff and arrest the suspect.

//////UOF Report by [redacted] 11P1670//////

Highly Confidential
OREGON_DEFS_00000375

CASE NUMBER: 25023453D

ASSISTING OFFICERS:

[redacted] Special Agent - Federal Protective Service

[redacted] Inspector – FPS

[redacted] Inspector – FPS

[redacted] Inspector - FPS

SRT - Immigration Custom Enforcement (ICE)

INVOLVED PERSONS: UNKNOWN

On June 24, 2025, I, Inspector [redacted] (11P1670), was deployed and assigned to the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave, Portland, OR 97239. Our specific mission was to demonstrate the presence of the Federal Protective Service (FPS) due to protests occurring at the facility throughout the day and week, with the objective of preventing property damage and disorderly conduct on federal property. The display of FPS presence was a response to ICE conducting a high number of operations in multiple cities and communities across the United States. I was designated as a member of the Bravo Team alongside Area Commander [redacted] Inspector [redacted] Inspector Keith [redacted] Inspector [redacted] Inspector [redacted] Inspector [redacted] Inspector [redacted] Inspector [redacted] Blackmon, Inspector [redacted] Inspector [redacted] Inspector [redacted] and Immigration Customs Enforcement's (ICE) Special Reaction Team. We were required, on several occasions, to push the crowd back using FN 303, Pepper Ball, and chemical munitions (MK9 Fogger) to disperse the crowd. The intent was to safeguard lives and ensure that federal facilities were not damaged or breached by violent opportunists, and to apprehend those who were causing or attempting cause damage or breach federal property, assault officers, or engage in or conspire to commit actions against the federal government. Throughout the week, federal facilities and officers have been targeted by rioters using various items, including impact weapons, powerful lasers, bottles, Molotov cocktails, rocks, pointed make-shift weapons and mortars. This evening marked a continuation of such riotous and assaultive incidents by these groups.

Highly Confidential
OREGON_DEFS_00000376

OBSERVATION/INVESTIGATION:

At approximately 2325 hours while officers were returning from apprehending an individual from a separate incident who threw a machete at one of our officers on S Bancroft St., we were met with a group of about 20 aggressive individuals with shields, bicycles, and long sticks who were starting to advance towards the driveway entrance and officers. Due to a secondary team of officers still working to move the apprehended SUSPECT into the secured area of the facility, my team of officers held our formation around the entrance to the property. During this time there were unknown objects being thrown at us from somewhere in the distance. Also, during this time some of my team members were struggling to push back an individual who was part of this isolated group who was pushing his bicycle into our line.

SUSPECT:

I observed a SUSPECT who appeared to be a white male wearing a pink and white painters mask, black leather jacket, and blue jean pants carrying a long light brown impact weapon with one end having a red wrapping and what appeared to be a sharpened edge. As the SUSPECT came from behind the back of the group, I pointed my flashlight at him and saw him bringing the impact weapons pointed edge up towards myself and members of the ICE SRT while walking directly towards us. At this point the SUSPECT was approximately 3 feet away from our team holding the line as I instructed the SUSPECT to stop and back up or he would be sprayed with OC. The SUSPECT then brought the impact weapon down to his waist level while screaming, shifting his weight back and forth towards officers and aggressively started to raise his hand and beat on his chest. Due to my training, I knew most of the SUSPECTS actions to be pre-assault indicators to an attack on officers along with the SUSPECT having a sharpened impact weapon, refusal of my commands to back up, and being well within multiple uniformed officer's reactionary gaps. It was at this point I gave the command to my other team members around me, as well as the SUSPECT of "OC, OC." I deployed a 2-3 second burst from my Mk9 OC Fogger at the male SUSPECTS face who was approximately 3 feet away. The SUSPECT then stepped back to about 10 feet from my team but was still facing towards us. It was at this time a team member from SRT deployed a hand thrown munition in front of us to try and disperse the group, the SUSPECT fled away on foot, and I lost sight of him in the crowd and smoke. We were then ordered to retrieve back inside the gated secured area of the facility.

CASE STATUS: Forward to TPD/HQ for review.

///FPS EVENT IDENTIFICATION NO. 25023453///

SOURCE: //On Tuesday, June 24, 2025, I, Inspector [redacted] (7P1576) was conducting Uniformed Civil Disturbance Operations at the Immigration & Customs Enforcement (ICE) facility, located at 4310 SW Macadam Ave, Portland, Oregon 97204 (OR6732) pursuant to Title 40 United States Code 1315. This address has been the location of various violent Anti-Immigration and Customs Enforcement (ICE) demonstrations over the past several days.

OFFENSE: ASSAULT W/ DANGEROUS WEAPON | 18 U.S.C. § 113(A)(3) - ASSAULT WITH A DANGEROUS WEAPON, WITH INTENT TO DO BODILY HARM, BY A FINE UNDER THIS TITLE OR IMPRISONMENT FOR NOT MORE THAN TEN YEARS, OR BOTH.

FACILITY SECURITY LEVEL: LEVEL III

JURISDICTION: PROPRIETARY

OFFENSE LOCATION: LINDQUIEST BUILDING | IMMIGRATION & CUSTOMS ENFORCEMENT (ICE) (OR6732)

4310 SW MACADAM AVE

PORTLAND, OREGON 97239 | 45.49302019453464, -122.67250851349536

SUBJECT INFORMATION

Highly Confidential
OREGON_DEFS_00000381

[redacted] (W/F) | PORTLAND, OREGON | DOB: [redacted], FBI NO. [redacted]

UNKNOWN ADDRESS FOR SUBJECT. SUBJECT DID NOT HAVE ANY FORM OF IDENTIFICATION ON HER PERSON AT THE TIME OF HER ARREST.

INITIAL INVESTIGATION

At 11:18 PM on Tuesday, June 24, 2025, I, Inspector [redacted] (7P1576), while on duty in the District of Oregon under the authority of 40 U.S. Code § 1315 as a Commissioned Uniformed Law Enforcement Officer with the U.S. Department of Homeland Security Federal Protective Service (DHS/FPS)an unidentified middle-aged white female later identified as [redacted] hereafter will be referred to as SUBJECT. SUBJECT was observed on Closed Circuit Television (CCTV) standing behind the north wall of the ICE facility located at 4310 SW Macadam Ave, Portland, Oregon (OR6732). SUBJECT was seen lighting what appeared to be a form of munitions. FPS Inspectors received this information in real-time and broadcasted it to all units to intercept the SUBJECT.

This property is under the protection of the Federal Protective Service (FPS) and is leased by the U.S. General Services Administration (GSA).

INVESTIGATION ACTIVITY

Upon receiving this information, FPS Inspector 7P1809 while watching the cameras broadcasted that the SUBECT had fled to the train tracks on the Eastside of the facility. I, along with other FPS and ICE Special Response Team (SRT) units, proceeded to the Eastside pedestrian service gate to apprehend the SUBJECT. Upon exiting the gate, using the element of surprise I approached SUBJECT with extreme caution, using my duty-issued flashlight to illuminate the area. Upon spotting me, I issued the command "STOP," which SUBJECT ignored. SUBJECT was then observed reaching into a grey in color backpack with her right hand and produced a large silver and black machete knife, approximately 12 to 13 inches in length. At that time, I secured my flashlight and transitioned to my FPS duty-issued service weapon

Highly Confidential
OREGON_DEFS_00000382

(Glock 45), activating the gun light aimed at SUBJECT. I then yelled "KNIFE, KNIFE" to alert the FPS and SRT units in the area for situational awareness and officer safety.

I then began issuing commands for SUBJECT to "DROP THE KNIFE, DROP THE KNIFE." SUBJECT ignored my commands. It should be noted that the distance between me and the subject at the time was approximately 15 to 18 feet. After my third command to "DROP THE KNIFE," I observed my partner, FPS Unit 8P1437, shoot approximately five (5) rounds of FN303 impact munition rounds, directly hitting SUBJECT's upper torso area. The impact caused the SUBJECT's behavior to change, which allow her to flee East on Bancroft Street. Several seconds later, I observed an ICE SRT member utilize his Taser 10 Conducted Energy Weapon (CEW) to subdue the subject successfully. The subject's body locked up mid-stride, causing her to fall to the ground face first. SUBJECT then aggressively resisted apprehension until she was successfully placed under arrest by two (2) ICE SRT Officers. SUBJECT was then escorted to ICE Detention Holding for processing. FPS and ICE units secured two (2) knifes from the scene.

At 11:39 PM, custody of the subject was turned over to FPS special agents on duty for booking.

At 11:45 PM, I departed the ICE Detention Holding area and resumed Uniformed Civil Disturbance Operations.

Given the facts and circumstances surrounding this investigation, criminal charges will be filed with the District of Oregon U.S. Attorney's Office (USAO). This case is considered to a Joint Investigation between FPS and the Federal Bureau of Investigations (FBI).

EVIDENCE:

At 12:10 AM, on Wednesday, June 25, 2025, I Screenshot an overview view of OR6732 and highlighted the crime scene area in question. Enclosure No. 1

At 12:15 AM, through an Open-Source Investigation, I discovered critical video on social media platform, Instagram (Parent Company META). The Instagram account name was listed as @t[redacted]. After analyzing the video, it

Highly Confidential
OREGON_DEFS_00000383

was discovered that a 2nd Floor resident later identified as [redacted] recorded and captured an amateur video utilizing a smartphone from her second-floor balcony of the incident. Enclosure No. 2

WITNESS

ABREL [redacted] Inspector, DHS/ FPS, 4310 SW Macadam Avenue, Portland, Oregon 97239, can testify to the facts discovered in this investigation.

ASSISTING OFFICER: [redacted] – Federal Protective Service.

SOURCE:

On 6/14/2025 I was assigned to the Immigration and Customs Enforcement (ICE) facility due to protests/riot against federal immigration operations. Throughout this day a riot occurred with hundreds of protestors and civil unrest and unlawful assembly continued into the night.

OBSERVATION/INVESTIGATION

At approximately 2246 hours, Officer [redacted] observed a female subject [redacted] wearing grey pants and a black sweatshirt with "Backwoods" on the front throw 2-3 rocks at the ICE facility windows. Minutes later I observed [redacted] throw one rock at the ICE facility window.

Based on the subject's actions, Officer [redacted] observations, and my observation, I felt I had Probable Cause (PC) to arrest [redacted] for violating Title 41 CFR (Code of Federal Regulations)102-74.380 (b, e); Willfully destroying/damaging property and throwing articles at a building).

CUSTODY/BOOKING:

At approximately 2256 hours, US Border Patrol BORTAC officers, ICE ERO SRT officers, and FPS officers deployed from within the ICE facility and after a struggle, were able to apprehend [redacted] and escort her into the ICE holding cells. While being escorted, [redacted] assaulted federal law enforcement officer [redacted] by purposefully scratching his forearm before she was placed in handcuffs.

Highly Confidential
OREGON_DEFS_00000406

Additional Report

I removed A/SUTTON'S balaclava face covering to allow her to cool, based off her request I untucked her approx. 3-foot braids from inside of her sweatshirt to allow her to cool, I gave her a bottle of water shortly after she was placed in the holding cell.

While in custody, [redacted] attempted to spit in my face, but I was able to dodge the spit. [redacted] also yelled, screamed, spit on the holding cell windows, and kicked the holding cell door off and on throughout her entire custody.

On 6/15/2025 at 0442 hours with beginning mileage 53,370 I transported [redacted] to Multnomah County Detention Center (MCDC) and arrived at 0447 hours with ending mileage of 53,372. [redacted] was lodged as FPS Arrest for 18 USC (United States Code) 111 Misdemeanor Assault.

I issued [redacted] Central Violations Bureau (CVB) Violation Notice # 9233764 for violating Title 41 CFR (Code of Federal Regulations)102-74.380 (b, e); Willfully destroying/damaging property and throwing articles at a building).

CASE STATUS: Case forwarded to AUSA for consideration of prosecution for 18 USC 111, misdemeanor assault.

Event Number: 25024097D

ASSISTING OFFICERS:

[redacted] [redacted] Area Commander - FPS

[redacted] Inspector – FPS

[redacted] [redacted] Inspector – FPS

SOURCE:

On Sunday, June 29th, 2025, at approximately 0320 hours I, Inspector [redacted] [redacted] was in the 4310 SW Macadam Ave main lobby. I was reviewing footage of a protester that approached the card reader for the main entry gate. I observed a male subject wearing a black bicycle helmet, blue face mask, black pants, black shirt and black armor, with a black sign with white lettering that said, "ICE DHS EVIL", touching the card reader. At approximately 0326 hours, I went to the main gate, pointed to the subject and told him to stop coming onto federal property and to stop touching the card reader. The subject looked at me when I addressed him.

OBSERVATION/INVESTIGATION:

At approximately, 0328 hours I went out to the card reader to check for damage after a radio call informed that someone had tampered with it. There were signs of a missing component, but it was difficult to tell what was new damage, as the protesters had attempted to paint and damage it on previous days. There was a wire connection ribbon sticking out of the right-side face of the of the access panel.

At approximately 0330 hours, Special Agent [redacted] [redacted] came to the gate and showed the Inspectors that were present, a video on his phone of the same subject ripping a component from the card reader stand and walking back to the sidewalk. At this point the decision had been made to arrest and site the subject for Title 41 CFR 102-74-380, Willful Damage of Government property.

Highly Confidential
OREGON_DEFS_00000422

Additional Report

At approximately 0332hours, I opened the gate and went out to join the Inspectors in the driveway, when I spotted the subject on the corner of South Bancroft Street and South Moody Avenue. The subject started to walk north on the west sidewalk of South Moody while still holding his sign and yelling something undistinguishable.

I immediately ran north across the street in pursuit of the subject. The subject noticed that I was running in his direction and started running away from me, continuing north on the west sidewalk of South Moody.

Once across Bancroft St, I yelled commands of "POLICE, STOP" multiple times as I ran. The subject dropped what appeared to be a water bottle and his sign as he ran past the first building on our left. The subject then ran across the street at South Lowell Street and continued running north on the east sidewalk of South Moody. When we approached South Thomas Street, I yelled to the subject to "Stop or I will tase you". The subject slowed his pace and appeared to take care in his action as he dropped a dark rectangular object in the bush that was on the east side of the sidewalk just before the apartment building. The subject continued running before he suddenly turned to face me as I approached. The subject widened his stance and raised his fists in a boxing stance. As I closed the gap between us, the subject threw a right-handed wide punch that connected with my helmet visor. The subject then attempted to throw a second punch. [redacted]

Once on the ground, the subject continued to attempt to roll over and fight. More Inspectors, 11P1184 and 8P824, had caught up to us and assisted in attempting to restrain the subject. The subject managed to twist and free a hand long enough to grab at my crotch, resulting in him pinching my scrotum. I yelled out loud in pain to the other officers that "He's gabbing my balls". The subject was face down and I [redacted] The subject repeatedly kicked me in the back with his booted feet. The strikes from his feet hurt, but I was able to maintain my position on his upper thighs. I drew my [redacted] and told the subject to "stop kicking". The subject stopped kicking me momentarily and was successfully handcuffed.

At this point, I observed protesters making their way to the scene, I went to the bush that I had witnessed the subject drop the dark rectangular object into earlier. I searched the bush with my flashlight and found a purple Samsung phone. I secured the phone and went back to the subject who was still attempting to fight with other Inspectors. Officers were attempting to stand the subject who struck out with his foot and kicked me in my left calf. The subject yelled "help" and "wake up" multiple times. A small group of protesters had made their way to the area and were holding up their phones with the camera lens side facing the scene.

Highly Confidential
OREGON_DEFS_00000423

At approximately 0339 hours, 10P1777 arrived with his vehicle and secured the subject's legs. When we attempted to move the subject to the vehicle, the subject went limp. Once the subject was being loaded into the back seat of the vehicle, the subject opened his eyes and stared at me as he stated, "I know you, I have pictures of you in your car".

At approximately 0341, 10P1777 departed the scene and took the subject directly to 4310 SW Macadam Ave. Once there the subject was identified as [redacted] DOB: [redacted] was transported to the Multnomah County Detention Center at approximately 0530 hours by 10P1777.

Subject#1

At approximately 0334 hours I pursued a fleeing subject north on South Moody and performed an armbar takedown of subject after he had punched me in the helmet visor and attempting to do it again. The incident took place at the east sidewalk of South Moody just north of the South Thomas intersection approximately one and a half blocks north of 4310 South West Macadam St, Portland Oregon. The Caucasian male subject was wearing a black bicycle helmet, blue face mask, black pants, black shirt and black armor.

No injuries to the subject were observed and the result of armbar takedown.

The following Support Narrative was entered by [redacted] last modified on 06/30/2025.

[redacted] - 10R6

Supporting Narrative

On June 28, 2025, at approximately 0327 hours I was performing my duties as Tactical Commander for ICE protest activity at 4310 SW Macadam Avenue, Portland, Or. The Protective Security Officer (PSO) on duty called out over the radio that a male subject dressed in black walked up to card reader located on the driveway. SA [redacted] showed me and other officers a video of the subject damaging the card reader.

An arrest team was organized and deployed out of the vehicle gate. An officer indicated he could see the subject and that the subject was backing away north bound on Moody Ave. I instructed the arrest team to take the subject into

Highly Confidential
OREGON_DEFS_00000424

custody. Officers ran across the street and the subject fled north on Moody Ave. We pursued the subject on foot northbound on S. Moody Avenue. Officers detained the subject near the intersection of S. Moody Ave. and S. Lowell Street. As I reached the subject, I heard officers yelling, "Stop resisting!" As I approached, I saw the subject kick his feet out and strike Inspector [redacted] on the lower half of his body. Inspector [redacted] straddled the subject's upper thighs while the subject was face down. Officers successfully applied handcuffs behind the subject's back and we attempted to stand him up. Once we had the subject partially standing, he looked at me and struck out with his foot kicking me twice. Once in the lower left leg and once in the left thigh. We took the subject back to the ground and he was on his back. The subject kicked me in the arm while looking at me. We continued to tell the subject to stop fighting and his response was, "FUCK YOU!" I assisted holding him down [redacted]. The subject went limp while we placed him in the back of a patrol vehicle. I noticed he was acting unresponsive but looking around watching us and moving his body to get in a better position. When we arrived back inside the facility the subject walked inside the holding area with no issues.

While helping with processing I noticed my left forearm and elbow were hurting from the subject kicking me. The pain increased as the evening went on but not enough to need medical treatment.

The following Support Narrative was entered by [redacted] last modified on 07/01/2025.

SOURCE:

On June 29, 2025, at approximately 0000 hours I was on uniformed police patrol at the Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam St., Portland, OR in relation to ongoing violent "anti-ICE" protests at the facility. At approximately 0319 hours on the ICE facility's Video Surveillance System (VSS) cameras I observed an unknown subject (later identified as [redacted]. DOB [redacted] enter the facility's driveway and rip a component off the vehicle gate card reader and display it to another unknown protestor standing at the end of the driveway. I observed [redacted] wearing a black bicycle helmet, a light blue surgical mask, black clothing, and dark boots. He appeared to be wearing home-made armor indiscernibly fastened to his body that covered his torso and shins.

OBSERVATION/INVESTIGATION:

After showing the component to another masked protestor, [redacted] appeared on VSS walking across the street and entering the protest camp located on the corner of S. Moody Ave. and S. Bancroft St. [redacted] then returned on Federal property and stood in the driveway holding a sign. I relayed incident information and GORDON's physical description to AC [redacted] and SA [redacted]

CUSTODY/BOOKING:

Highly Confidential
OREGON_DEFS_00000426

Additional Report

At approximately 0332 hours, FPS officers exited the facility and pursued [redacted] who fled. Federal police officers detained [redacted] approximately one block down S. Moody Ave. As FPS officers pursued [redacted] I provided a security cordon in the street with Inspector [redacted] At approximately 0336 AC [redacted] requested a vehicle to transport [redacted] so I returned to the ICE facility to retrieve my marked police vehicle. When I arrived at the detention scene I observed several FPS officers physically detaining [redacted] holding down his arms and legs. I later learned that [redacted] repeatedly physically struck and grabbed the genitals of officers while resisting arrest.

I retrieved a flexible leg restraint from my patrol vehicle and used it to safely detain [redacted] As I attempted to help [redacted] to his feet, he went "limp", passively continuing to resist arrest. Several officers safely escorted [redacted] into the back of my patrol vehicle. He refused to sit up, so officers laid [redacted] on his back. I drove my patrol vehicle back into the ICE facility for further processing.

FPS officers escorted [redacted] into the detention area in the ICE facility.

SA CORING reviewed video evidence, and injuries sustained by FPS officers during the arrest.

At approximately 0547 hours, I transported [redacted] to the Multnomah County Detention Center (MCDC) with a starting mileage of 44232. I arrived at MCDC with an ending mileage of 44235. I booked [redacted] into MCDC on four violations of Title 18 US Code 111, Assault of Federal Police Officers, and one violation of Title 18 US Code 1361, Depredation of Government Property.

////////End Supplemental Report by [redacted] Inspector 10P1777- DPSST#65891////////

The following Support Narrative was entered by [redacted] last modified on 06/30/2025.

On 06/29/2025 at approximately 0330 hours at the ICE facility located at 4310 S Macadam Ave Portland, OR my self and several FPS units were involved in a hot foot pursuit of a SUBJECT later identified as [redacted] (SUBJECT). The SUBJECT fit the description of the build and appearance of clothing of a person that was observed further damaging government property specifically the PIV card reader via VSS footage. Additional details are provided in the handwritten statement that was provided to Special Agent [redacted] as well as attached to the LIEMS entry F25100144975.

Highly Confidential
OREGON_DEFS_00000427

Additional Report

The following Support Narrative was entered by [redacted] last modified on 06/30/2025.

On the morning of 29 June 2025 at approximately 0314 hours, it was reported to me that an individual later determined to be [redacted] was seen on the Video Surveillance System (VSS) at 4310 SW Macadam, Portland, OR ripping off a piece of the outside vehicle card reader, effectively destroying government property. [redacted] was reportedly then seen on VSS leaving government property walking north across Macadam to an encampment on public property that has been a rally point for demonstrators.

At approximately 0330 myself, Inspector [redacted] (8P824) and most of Charlie Team exited the vehicle gate to inspect the damage done to the card reader. At this time [redacted] was observed across the street at the encampment slowly backing up north along Moody Street. Special Agent [redacted] (Ida 107) had shown our arrest team a video on his phone of the individual damaging government property. [redacted] was seen in the video wearing a black helmet, a black chest/back protector, a blue surgical like face mask, black shirt, distinct black pants with multiple cross like silver zippers on the thighs and black combat style boots.

At approximately 0333 the order to "get him" was given. Inspector [redacted] (8P1437) then took off in a sprint north down Moody Street, followed by Inspecter [redacted] (11P1184) and myself 8P824. I was about three seconds behind 8P1437 and observed 8P1437 engaging [redacted] approximately one and a half to two blocks north on Moody Street. I witnessed [redacted] attempting to punch 8P1437 in the face with a closed fist as I approached. The closed fist punch grazed 8P1437 in the helmet. At this time 8P1437 conducted [redacted]

8P1437 had [redacted] on the ground as 11P1184 and I arrived. At this time [redacted] was kicking all three of us and attempting to punch us as he actively resisted being arrested. All three of us were giving verbal commands to comply with the arrest. I was able to secure [redacted]'s left wrist and apply a handcuff. At this time, he was using his right hand which we did not have under control yet and grab 8P1437's genitals. 8P1437 yelled out "he's twisting my balls!!!", giving me the impression 8P1437 was in pain. Seconds later 11P1184 yelled out "he's got my dick!!!" alluding to me 11P1184 was also in pain caused by [redacted]

By manipulating [redacted] I was able to get him to relax his grip on 11P1184's genitals and get his right hand behind his back and restrain his hands in cuffs. At this time [redacted] was still being combative. As we tried to get [redacted] off the ground and to his feet, [redacted] began kicking at all three of us. I was kneeling on the ground before [redacted] attempting to help the other officers get [redacted] to his feet. [redacted] kicked out and struck me in the genitals causing great pain and forcing me to draw back momentarily to

Highly Confidential
OREGON_DEFS_00000428

regain my composer. As I attempted to again take control of [redacted] again, he kicked me in my right knee with his boot. This kick did not tear my pants but did cause pain and tore the skin, causing me to bleed.

At this point Area Commander [redacted] (10R6) arrived on scene and also attempted to control [redacted] then kicked 10R6 and [redacted] was then taken back to the ground. Accepting we were unable to make [redacted] stand, we called for a patrol car to transport [redacted] back to 4310 Macadam.

Inspector [redacted] (10P1777) arrived in a marked unit. I advised 10P1777 [redacted] was being combative and we needed leg restraints. 10P1777 then retrieved a flexible leg restraint from his trunk and the five of us restrained [redacted] from further kicking us.

As we attempted to get [redacted] into the back seat of the marked unit he went "limp" making it difficult to place him in the vehicle. In my experience, this is a tactic some subjects use to make arresting them more difficult. We were able to get [redacted] into the vehicle and subsequently transported him to 4310 Macadam.

The following Support Narrative was entered by [redacted] last modified on 06/30/2025.

On June 29, 2025, at approximately 0328 hours, FPS conducted a targeted arrest of a SUBJECT who was observed tampering with a card reader earlier that evening on federal property. I was a member of the assigned arrest team.

As we exited the vehicle gate, I saw fellow officers running north on Moody St after someone. I followed and caught up to the first officer who was in contact with the SUBJECT and attempting to restrain him near the corner of S Lowell Street. The SUBJECT and FPS officer were both standing on the sidewalk facing each other tussling. The officer successfully took the SUBJECT to the ground. Once on the ground, the SUBJECT would not place his hands behind his back after being told by officers. He resisted by tucking his arms close to his body and laying upon them. I approached the subject from the side to attempt to pull out an arm. [redacted] Once the SUBJECT's arm came out from under him, the SUBJECT grabbed and squeezed my genital/penis/testicles causing me enough pain to move my hips away from his hand. Other officers arrived and we were able to gain control of the SUBJECT and place him in handcuffs. Once handcuffed, myself and other officers tried to stand the SUBJECT up. The SUBJECT was lying on his back while we tried to stand him. The SUBJECT was kicking out at me and other officers. The SUBJECT kicked me in the shin which caused a flash of pain that subsided. Due to the SUBJECT continuing to lash out with his feet, he was left on the ground until a marked vehicle transport arrived.

Highly Confidential
OREGON_DEFS_00000429

Additional Report

Due to the SUBJECT continuous kicking at officers, his legs were shackled for transport. SUBJECT was transported to the ICE detention center for processing.

The SUBJECT was later identified as [redacted] by his Oregon Driver's License. DOB [redacted]

On Sunday, June 29, 2025, at approximately 0630 hours, Charlie Team was on duty providing law enforcement support in response to ongoing protest activity at the U.S. Immigration and Customs Enforcement (ICE) facility located at 4310 S. Macadam Avenue, Portland, Oregon.

Protest activity remained steady throughout the evening, night, and early morning hours, with the crowd size fluctuating between approximately 29 and 40 individuals. Demonstrators were positioned both on and adjacent to federal property. Many utilized megaphones emitting high-frequency tones and intermittently directed verbal hostility toward federal personnel.

Despite multiple verbal warnings issued regarding unlawful presence on federal property, one individual was observed attempting to damage the electronic card reader at the vehicle gate. Federal law enforcement officers engaged the subject, who responded with active physical resistance, including biting and kicking during the arrest. The subject was subsequently detained and escorted to the ICE detention center for processing. The SUBJECT was charged with Assault on Federal Officers in violation of 18 U.S.C. § 111.

Following the arrest, the protest atmosphere remained generally non-violent, though sporadic verbal antagonism continued. Long Range Acoustic Device (LRAD) warnings were issued multiple times to maintain clear access to the vehicle entrance and ensure the safety of federal personnel and property.

As of the time of this report, the crowd had decreased to approximately 30 individuals, and no further incidents had been observed.

[redacted] – Area Commander/Badge 10R6 – Federal Protective Service (FPS)

SOURCE:

On June 29, 2025, at approximately 2200 hours I was on uniformed police patrol in response to ongoing violent protest activity at the Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam St., Portland, OR in relation to ongoing violent "anti-ICE" protests at the facility. FPS officers observed an unknown subject wearing all black clothing (later identified as [redacted], DOB: [redacted]) among a group of protestors blocking the facility driveway.

OBSERVATION/INVESTIGATION:

FPS officers issued multiple recorded and verbal commands to clear the driveway, which all protestors ignored, continuing to stand in the driveway. At approximately 2240 hours, Federal officers exited the facility, targeting the arrest of [redacted]

I reviewed video surveillance footage that showed FPS officers issue multiple verbal and recorded commands using a Long-Range Acoustic Device (LRAD) to depart Federal property immediately, which all protestors blocking the driveway ignored. [redacted] remained in the driveway, using a black megaphone to broadcast "anti-ICE" messages at Federal officers in the facility. At approximately 2232 hours, ICE Special Response Team (SRT) officers deployed Pepperball Launcher System (PLS) munitions aimed at the ground, attempting to disperse the [redacted] away from Federal property. [redacted] remained positioned to block driveway access while making obscene gestures towards SRT and FPS officers. At approximately 2236 hours, FPS officers issue more verbal commands to the group, informing them that they were now trespassing on Federal property after receiving multiple warnings to leave, which they ignored.

At approximately 2242 hours, ICE SRT officers exited the facility and attempted to arrest [redacted] Another unknown masked subject wearing dark top and dark shorts (later [redacted] DOB [redacted]) pulled forcefully on her arm, attempting to prevent her arrest. Federal officers detained [redacted] and [redacted] and escorted both into the ICE facility detention area.

Highly Confidential
OREGON_DEFS_00000444

CUSTODY/BOOKING:

During detention processing, [redacted] invoked his 5th Amendment rights and refused to answer questions beyond providing identifying information.

Based upon information provided by federal officers, and review of video surveillance footage, I determined probable cause to charge [redacted] in violation of 41 CFR 102-74.390(c) Creating a Disturbance (E1210314).

I issued [redacted] his citation and explained that he would be taken to the Multnomah County Detention Center (MCDC), and that information on his initial hearing would be afforded to him at a later date.

At approximately 0117 hours Inspector [redacted] (starting mileage: and I transported (starting mileage: 44298) [redacted] and [redacted] to MCDC. At approximately 0122 hours I arrived (ending mileage: 44300) with [redacted] (ending mileage: 73777) and lodged [redacted] and [redacted] into MCDC without further incident.

CASE STATUS:

Forward to Investigations Branch for follow-up.

Supplemental Statement by Officer J. [redacted] – Federal Protective Service

On 6/14/2025 I was assigned to the ICE facility where a riot occurred throughout the day/night. [redacted] was arrested sometime in the evening this day for assaulting a federal law enforcement officer.

On 6/15/2025 at approximately 0200 hours, while processing personal property, I opened a Jansport backpack containing [redacted]S wallet with Oregon identification card, black clothing, black gloves with hard knuckle protectors, mobile phone, and discovered three small jars containing clear liquid and a terry cloth towel. I informed FPS SA [redacted] of my findings.

[redacted]

At 0240 hours I read [redacted] the Miranda Rights/Warning from a Homeland Security card; he did not waive his rights, and I did not ask any questions.

On 6/15/2025 at approximately 0600 hours, I secured the jars, terry cloth, and disposable gloves inside an evidence bag inside the FPS temporary evidence locker located at 1220 SW 3rd Ave, Portland OR, 97204.

Highly Confidential
OREGON_DEFS_00000452

Additional Report

On 6/16/2025 at approximately 1700 hours I transferred the evidence from the temporary evidence locker to ATF SA [redacted]

Narrative Continuation

On July 4, 2025, at approximately 2041 hours, I, INSP. [redacted] (11R1184) located at 4310 S Macadam Ave., Portland, OR, ICE facility. I observed SUSJECT on video surveillance walking on federal property at the north driveway. SUBJECT continued to walk until he was at the guard booth and spayed an unknown substance with a canister and left the area. SUBJECT was described as wearing dark pants, dark shirt, dark hoodie, dark/light colored shoe and gray backpack.

At approximately 2150 hours, the SU was spotted by video surveillance across the street directly for the ICE facility, S Bancroft St. ICE SRT and FPS unit coordinated a targeted arrest for the SUBJECT who matched the description of the SUBJECT who spayed the guard booth.

At Approximately 2153 hours, ICE SRT and FPS units departed the facility from the west exit and gave chase to SUBJECT. After a short chase, approximately several yards, cross S Bancroft Street, SU was placed on the ground by ICE SRT, once SUBJECT was on the ground, SUBJECT was constantly moving his hands/body and was would not listen to verbal command to turn around and place his hands behind his back. Two ICE SRT and I eventually placed handcuff behind SU's back. One of the ICE SRT gave me a black colored holster with a black colored handgun. ICE SRT informed me that it was found on the SUBJECT front waistband. I took procession of the holster/handgun. I, SUBJECT, two ICE SRT walked to the ICE Detention center for processing.

Additional Report

The handgun was described as black in color Glock with serial # BYXE179 written on the slide. The handgun was loaded with a 15-round magazine; however, no rounds were in the chamber. The casing of the ammunition rounds was silver and brass in color and had writing that showed 9mm.

I took chain of custody of the holster/handgun with the assistance FPS Special Agent Dougles.

The SUBJECT description is below per his Oregon Driver's License.

[redacted] DOB[redacted]

[redacted]

[redacted]

[redacted]

The SUBJECT was charge with 18 U.S. Code 1361.

Subject: [redacted]

On July 4th, 2025, at around 2200 hours, I, Inspector [redacted] was on duty in full uniform at the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave, Portland, OR.

At around 2210 hours, a group of demonstrators, equipped with shields and various implements, gathered at the front entrance, obstructing vehicle movement. Multiple verbal directives were conveyed to all demonstrators via the Long-range Acoustic Device (LARD), instructing them to vacate the area or face arrest.

One individual, a Caucasian male SUBJECT with long brown/pink hair, wearing a black jacket, black jeans, and black boots, refused to vacate federal property or comply with the lawful directive from law enforcement officers.

At approximately 2214 hours, [redacted], RPF Commander, instructed FPS and ICE-SRT to detain anyone remaining on federal property who refused to vacate. I, Inspector [redacted] (8P1628), excited the side entrance of the front lobby and witnessed a SUBJECT still on property. While I attempted to apprehend SUBJECT, he attempted to grab another SUBJECT to prevent that SUBJECT from being detained by Inspector [redacted] (11P1670). Assisting FPS and ICE-SRT officers assisted to apprehend both individuals.

SUBJECT was unharmed and taken into the ICE holding cell for processing. At approximately 2230 hours, a search incident to arrest was conducted, which revealed no contraband. The subject was photo-graphed and unhandcuffed at 2235 hours, after which he was placed in the ICE detention cell to await an interview by special agents. The individual was identified as [redacted] (DOB: [redacted]).

A National Crime Information Center/National Law Enforcement Telecommunications System (NCIC/NLETS) check was performed on SUBJECTS driver's license, which returned valid with no out-standing warrants.

Highly Confidential
OREGON_DEFS_00000464

Additional Report

SUBJECT was issued a citation, United States District Court Violation Notice # E1763402, which required a mandatory court appearance for violating 41 CFR 102-74.385, Conformity with Official Signs and Directions, and a Cease-and-Desist letter was issued by Special Agent (7I9).

At approximately 0042 hours, the subject was released on his own recognizance from the ICE facility, with no further incident.

Subject: [redacted]

On July 4, 2025, at approximately 2000 hours, I, Inspector [redacted] (8P1628), was part of an arrest team located at 4310 SW Macadam Ave, Portland, Oregon, along with multiple Immigration and Customs Enforcement (ICE) Strategic Response Team (SRT) members and Federal Protective Service (FPS) Inspectors.

We were informed of a SUBJECT actively graffitiing the east side of the guard shack with a marker. I witnessed the SUBJECT in the act, and Area Commander [redacted] (10V10) instructed the team to detain the individual. We exited the east man gate, and the SUBJECT began to flee. While pursuing the SUBJECT on Macadam Ave, in front of the ICE facility, another individual, wearing a colorful shirt, dark-colored jeans, and with dark pink hair, approached from behind and tripped me. This individual, later identified as [redacted] kicked my right ankle, causing me to land on my knees. I quickly got up and identified SUBJECT [redacted]

SUBJECT [redacted] ran east on Macadam Ave, in front of the Waterfront Storage building. I presented my taser and issued multiple commands, stating, "Police, stop and get on the ground." SUBJECT [redacted] continued running east on Macadam Ave, now just east of the Waterfront Storage building. An SRT member observed the situation and successfully detained SUBJECT [redacted] I re-holstered my taser and provided security for the SRT member detaining SUBJECT [redacted] During the detention, SUBJECT [redacted] kicked the SRT member multiple times in an attempt to flee but was unsuccessful. The SRT member then escorted SUBJECT [redacted] to the sally port of the ICE facility without further incident.

I then positioned myself in the driveway of the ICE facility, providing security for the building along with other FPS Inspectors and SRT members. End of report. Referred to the Investigations Branch (IB).

On July 4, 2025, at approximately 1835 hours, I was on duty in full uniform at the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave, Portland, OR in support of Operation Skipjack.

A group of demonstrators, equipped with shields and various implements, gathered at the front entrance, obstructing vehicle movement. Multiple verbal directives were conveyed to all demonstrators via the Long-range Acoustic Device (LARD), instructing them to vacate the area or face arrest.

Bravo team members were informed that Charlie team was approximately two minutes away from the ICE facility. FPS officers along with ICE-SRT officers excited through the vehicle gate to push the demonstrators off property and away from blocking the driveway. A SRT officer deployed CS gas to push demonstrators who were not moving or complying with directions. I observed a male individual wearing a white head and face covering, green shirt and black pants attempt to pick the CS gas canister up. As a common occurrence throughout Operation Skipjack, officers have had multiple canisters picked up and thrown at us, some resulting in injury, the manner in which this individual was acting was no different. I approached the individual before he could fully pick up the canister and started to push him away from the canister North across S Bancroft St away from Charlie team that was approaching the entrance to ICE facility. This individual ran away east down S Bancroft St.

At this time, SUBJECT, later identified as [redacted] [redacted] wearing all black clothing, a black backpack, gas mask, and body armor, ran up behind me and an SRT officer to assist the individual flee away by jumping in between officers and the first individual. SUBJECT then pushed the SRT officer and attempted to run away. At this time the officers chased SUBJECT to the North side of S Bancroft St up against the exterior wall of "Grid Works Racing". At this time while officers attempted to apprehend SUBJECT, SUBJECT resisted while throwing his hands towards my face and forcefully kicked me in my left upper shin area and left knee causing my legs to buckle and temporarily lose my balance until Inspector [redacted] grabbed me, assisting me back to my base. As I reported to the FPS medic, the pain I experienced from SUBJECT kicking me was a 10 out of 10 sharp shooting pain. Officers instructed SUBJECT to stop resisting and get on the ground. At this time, additional SRT members assisted to get SUBJECT to the ground while the entire time SUBJECT was resisting and not listening to officer's commands.

Once SUBJECT was on the ground, I helped set a perimeter for SRT officers to place SUBJECT in handcuffs. SUBJECT was successfully apprehended unharmed and taken into the ICE holding cell for processing.

Highly Confidential
OREGON_DEFS_00000471

Additional Report

At 1914 hours I contacted the Dever MegaCenter to run a National Crime Information Center/National Law Enforcement Telecommunications System (NCIC/NLETS) check on SUBJECT, which returned valid with no outstanding warrants.

SUBJECT was turned over to Special Agent [redacted] (10I107) for booking and questioning.

On July 5, 2025, at 0835 hours, SUBJECT was booked on charges in Multnomah County Detention Center (MCDC) for Assault on a Federal Officer 18 U.S. Code 111.

I am in the process of completing Medical Form - CA1 and injury screening with FPS Medic on scene at 4310 Macadam St.

End of report. Referred to the Investigations Branch (IB).

Subject: [redacted]

On Saturday July 5, 2025, at approximately 10:52 PM, I, Inspector (INSP) [redacted] (#6R1722) located at 4310 SW Macadam Ave., Portland, OR, ICE facility was a part of a targeted arrest team for a (SUBJECT), later identified as, [redacted] W/F [redacted] who was on federal property/vehicle driveway after receiving multiple Long Range Acoustic Device (LRAD) warnings to leave property. The SUBJECT [redacted] continued to come on and off the property yelling with a megaphone, disrupting and interfering with communications between Inspectors and the Protective Security Officer (PSO). The SUBJECT [redacted] was described as wearing a white/black in color scarf, wrapped around her head. SUBJECT [redacted] was also wearing a long sleave dark colored shirt and long dark colored pants.

As we exited the north vehicle gate driveway, I observed SUBJECT [redacted] who matched the description of the SUBJECT [redacted] causing the disturbance, at the corner of S Bancroft St. and S Moody Ave. I ran toward SUBJECT ILIC's direction, and observed SUBJECT [redacted] run north on S Moody Ave. I yelled at SUBJECT [redacted] police, stop running! I was in full police uniform, SUBJECT [redacted] did not comply and continued running north. As I approached closer to SUBJECT [redacted] I observed her open a propped door to a business on the east side of S Moody and attempted to close it. I observed INSP [redacted] grab the door before SUBJECT [redacted] had a chance to shut it completely. SUBJECT [redacted] continued to try and shut the door as INSP [redacted] continued to hold it open. At that time, I and INSP [redacted] arrived and assisted INSP [redacted] to make entry into the business/office and was met by a white male who said that we did not have a warrant and could not take SUBJECT [redacted] INSP [redacted] then arrived and kept other protestors back and from interfering with us affecting the arrest of SUBJECT [redacted] Observation of SUBJECT [redacted] had never been lost by Inspectors, from the beginning of the foot pursuit until she was taken into custody.

SUBJECT [redacted] was escorted outside the business to the sidewalk on S Moody Ave. SUBJECT [redacted] was placed on the ground and placed in handcuffs, checking for fit and double locking them. SUBJECT [redacted] said that she would comply and did not resist during the handcuffing. SUBJECT [redacted] was escorted to the ICE facility for processing.

SUBJECT [redacted] was processed and photos of her person and property were taken. SUBJECT [redacted] was issued a United States District Court Violation Notice (USDCVN) for 41 CFR 102-74.390(c) (Disorderly Conduct), that has a mandatory court appearance. After the violation was issued and explained, SUBJECT [redacted] was released from custody.

The following Support Narrative was entered by [redacted] last modified on 07/06/2025.

Additional Report

On July 5, 2025, at approximately 2252 hours, I, INSP. [redacted] (11R1184) located at 4310 S Macadam Ave., Portland, OR, ICE facility was a part of a targeted arrest team for a SUBJECT who was on federal property/vehicle driveway after receiving several LRAD warning to leave property. The SUBJECT continued to come on and off the property yelling with a megaphone. The SUBJECT was described as wearing a white/black in color scruff wrapped around the SUBJECT's head. Also, wearing a long sleave dark colored shirt and long dark colored pants. In addition, light-colored shoes.

As we exit the north vehicle gate driveway, I observed SUBJECT who matched the description on the video surveillance at the corner of S Bancroft St and S Moody Ave. Once I ran towards SUBJECT's direction, I observed SUBJECT run north on S Moody Ave. I yelled police stop. I was in full police uniform, the SUBJECT did not comply and continued running north. As I approached closer to the SUBJECT, the SUBJECT opened a propped door to a business east side of S Moody and attempted to close it, I grabbed the door before SUBJECT had a chance to shut it completely, the SUBJECT continued to attempt and shut the door as I continued to hold it open, at some point a white male inside the business was also attempting to close the door assisting the SUBJECT. As other FPS units arrived, we made entry to the business/office and was met by the white male who said that we did not have a warrant and could not take the SUBJECT.

The SUBJECT was escorted outside the business to the sidewalk on S Moody Ave. SUBJECT was placed on the ground and handcuffed. SU did not resist during the handcuffing. The SUBJECT was escorted to the ICE facility for processing.

The SUBJECT was identified as below.

I did not lose site of the SUSJECT from the beginning of the foot pursuit at S Bancroft ST and S Moody Ave. to the SUBJECT entering the facility and attempting to close the door of the business.

Additional Report

The following Support Narrative was entered by [redacted] last modified on 07/06/2025.

In the late evening of July 05, 2025, at approximately 2258 hours I received a red and white Megaphone in reference to an incident associated with a disturbance in the front of the 4310 S Macadam Ave, Portland, OR ICE Building. The Megaphone was in possession of the SUBJECT later identified as Ms. [redacted] and collected by Incident Commander [redacted] and received by Inspector [redacted] for inventory into evidence. After completion of the evidence form, it was then transferred to Incident Commander [redacted] where it was transported to Edith Green - Wendall Wyatt Federal Building for proper storage.

On 07/04/2025 I was performing uniformed civil disturbance operations at the Portland Immigrations and Customs Enforcement (ICE) facility located at 4310 S Macadam Avenue, Portland, Oregon, pursuant to 40 United States Code (USC) 1315. The Portland ICE facility had been the target of multiple violent demonstrations throughout the past few weeks. During this specific demonstration to this point FPS and ICE SRT had made several arrests. Prior to this incident the demonstration had been declared an unlawful assembly.

At approximately 2250 hours a Be On the Look Out (BOLO) was put out by the command center advising that a subject later identified as [redacted] DOB 10/17/1992 was attempting to damage government property using bolt cutters on the access control reader at the north entrance of the facility. [redacted] was described as wearing black hoodie with black pants and carrying a black backpack and a black umbrella. [redacted] was seen on video damaging government property and moving in and among the crowd. An arrest team was made up of Immigration Enforcement Officers Special Response Team (ICE SRT) and Federal Protective Service (FPS) Inspectors of which I was part of and a targeted arrest plan was made for this subject.

At approximately 2258 hours I was notified via radio that [redacted] was traveling eastbound down Bancroft St. The front gates to the facility was opened and two members of ICE SRT and myself attempted to contact [redacted] in the crowd, however, [redacted] began to run eastbound down Bancroft. After a foot pursuit to the corner of Bancroft St and Bond Ave. We apprehended [redacted] and he was placed into custody were a set of flex cuffs were applied to [redacted] with some resistance.

As ICE SRT and myself were escorting [redacted] back to the facility for processing [redacted] broke free of the flex cuffs and attempted to escape custody by running back into the crowd on Bancroft St. [redacted] was quickly apprehended again and this time I placed metal handcuffs on [redacted] while he was prone on the ground with myself and ICE SRT attempting to restrain him [redacted] was actively resisting at this time flailing his arms and legs. I [redacted] was then escorted back to the facility where he was photographed and processed. [redacted] was not injured at the time of his arrest, however he was exposed to chemical agents. NOTHING FOLLOWS

PROBABLE CAUSE STATEMENT

CITATION NUMBER:

E1763378

Subject:

[redacted]

STATEMENT:

On Tuesday 7/8/2025, [redacted] a known protestor at the Immigrations and Customs Enforcement (ICE) facility located at 4310 Macadam Ave. in Portland, OR, for multiple events leading up to this evening. He has been warned multiple times through LRAD and verbal warnings from multiple officers from multiple agencies to remain off federal property on numerous occasions.

[redacted] has been seen on multiple nights encroaching on federal property wearing an inflatable frog outfit as well as in regular clothing where his face is not covered. He was also identified by his helmet that has identifying stickers. His facial hair as well as his eyeglasses that he wears are also identifiable to [redacted]

This evening on 7/8/2025, at approximately 2045 hours, [redacted] was observed on both Video Surveillance System (VSS) as well as officers' observations ignoring the commands to stay off federal property. At approximately 2030 hours he was seen on both VSS and officer observations, throwing a water bottle through the main vehicle gate of the facility.

Highly Confidential
OREGON_DEFS_00000483

It was determined at this time that he would be arrested for 41 CFR 102-74-385 Conformity to Official Signs and Directions.

At approximately 2045 hours, myself along with multiple other officers from FPS and ICE SRT exited the main vehicle gate to apprehend the subject. [redacted] was located at the northwest corner of the driveway shining a flashlight at officers faces as they approached. At that we point we initiated the arrest. No force was used. Officers grabbed [redacted] and brought him to the ground. [redacted] was compliant and no use of force was used in the commission of the arrest. [redacted] was cited and released at approximately 2257 hours on 7/8/2025

//////////////////END OF REPORT – 8P1589//

The following Support Narrative was entered by [redacted] last modified on 07/10/2025.

On July 9th, at around 2030 hours, while on duty in full police uniform at the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave, Portland, OR. Multiple Long Range Acoustic Device (LRAD) warning was given to protesters on federal property in the driveway. A person in all black clothing, with a blue bandana and a black helmet. He was told multiple time to stay off government property and was using a very bright flashlight to shine into officers' eyes as well as the cameras.

At approximately 2045 hours, myself 8P824, [redacted] 8P1589 other FPS personal and members of the ICE SRT team exited the front gate as if we were clearing the driveway for a vehicle to exit. As we got close to [redacted] he had moved to the end of the driveway standing at the flower bed on the north side and was continuing to use his very bright flashlight to shine in our eyes. As I approached [redacted] I then [redacted] me. As I did that 8P1589 and an ICE SRT member pulled him clear of all persons, and he was placed under arrest by 8P1589. [redacted] was given a 41 CFR 102-74.385, ticket number E1763378 for conformity with official signs and directions.

ASSISTING OFFICERS:

[redacted] Area Commander - FPS 10R6

[redacted] Inspector - FPS 11R84

[redacted] Inspector - FPS 6R1722

[redacted] Inspector - FPS 8P824

INVOLVED PERSONS:

[redacted] DOB: [redacted]

[redacted] A [redacted] DOB: [redacted]

SOURCE:

On July 09, 2025, I, Inspector [redacted] (8P1437) was assigned to the Immigration Custom Enforcement building located at 4310 South Macadam, Portland Oregon, for the four (4) week ongoing protest activity. There had been multiple Long Range Acoustic Device (LRAD) warnings given for protesters stating "Attention, this is the Federal Protective Service. All persons on federal property are prohibited from loitering, exhibiting disorderly conduct that creates a loud noise or nuisance, unreasonably obstructs entrances, and/or otherwise impedes or disrupts the performance of official duties by government employees". The LRAD warnings had been given at approximately 1900 hours, 1914 hours, 1916 hours, 1919 hours, 1941 hours, 2140 hours and 2245 hours.

There were two inspectors including myself in the foyer area immediately adjacent to the vehicle gate on the north side of the facility as the gate needed to be guarded against damage or vandalism at all times. The noise created by the protesters megaphone made it very difficult to take calls, or communicate with others while at the main gate, foyer, or courtyard area and caused most FPS and ICE staff to avoid these areas. A known group of protesters had been present for the majority of my shift continued to use a megaphone just off of the federal property.

Highly Confidential
OREGON_DEFS_00000494

At approximately 2330 hours after hours of the protesters yelling obscenities and comments like 'Fuck ICE', 'kill yourself', 'quit your job', and describing how they were going to dox officers and have sex with our wives after we were dead, among tireless ranting over a megaphone, Area Commander, [redacted] called over the radio, that a protester had crossed over onto federal property with the megaphone and that she should be arrested. I was only able to hear the radio because, I had my earpiece in, and the volume turned up to an uncomfortable level in my ear. I waited for additional Inspectors to arrive at the foyer for a description of the subject.

OBSERVATION/INVESTIGATION:

At approximately 2336 hours I walked past the gates that were partially open to attempt to identify who the subject was. I observed a small dark complected female subject wearing a black shirt, black jeans, with blond hair walking around the end of the driveway.

At approximately 2337 hours Area Commander, [redacted] arrived at the courtyard area and confirmed the description to be the same subject, later identified as [redacted] that I had already observed to be in possession of and yelling into the megaphone.

At approximately 2339 hours we opened the vehicle gates all the way and advanced towards the end of the driveway. The protesters lined up on the east side of the north end sidewalk of the driveway and began interlocking their arms together. [redacted] continued to use the megaphone until I grabbed her by her right backpack strap and began pulling her out of the line. A male subject to the left her, identified as [redacted] began pulling on [redacted] back towards the street. [redacted] dropped the megaphone, and it was recovered by another inspector. Additional inspectors grabbed [redacted] and I was able to pull [redacted] free from the line. I passed [redacted] back to Inspector [redacted] and began to assist with the apprehension of [redacted] I then realized that three officers were already apprehending [redacted] so I turned my attention to the advancing protesters and began instructing them to "back up" as they had moved in to close proximity, partially surrounding the officers apprehending [redacted] on the ground.

At approximately 2342 hours both subjects had been brought into the facility by other inspectors and the remaining Inspectors, and I began to return into the facility as one slow line until we had returned behind the gate and closed it.

Highly Confidential
OREGON_DEFS_00000495

The Video Surveillance System (VSS) was reviewed and confirmed that [redacted] broke the plane of the facilities features and at one point completely stood on the bricks of the driveway while yelling into the megaphone.

CUSTODY/BOOKING:

On July 10, 2025, at approximately 0050 [redacted] was released with a verbal warning to not impede federal officers again, after it was determined that [redacted] had not assaulted any of the officers nor had he caused any injuries while holding onto [redacted] and passively resisting officers during the arrest.

[redacted] was cited by Inspector [redacted] for Title, 41 CFR 102-74-390c Impeding or disrupting the performance of official duties of a government employee and released at approximately 0113 hours.

The following Support Narrative was entered by [redacted] last modified on 07/11/2025.

On July 9, 2025, I was stationed at the ICE facility located at 4310 SW Macadam Avenue, Portland, OR in support of Operation Skip Jack. I was serving as the Tactical Commander for the operation to deal with protesters affecting the operation of the facility and impeding federal officers in the performance of their duties. On this evening the protesters in front of the facility were on and off federal property and at times blocked the driveway area, so vehicular traffic was impeded. Warnings were periodically given over the Long-Range Acoustic Device (LRAD) to clear the driveway for vehicular traffic and the remain off of federal property because the facility was closed.

Officers deployed out the front gate to make a targeted arrest of a female subject, later identified as [redacted] had been on federal property in the driveway after multiple warns given over the LRAD to stay off property. As officers detained [redacted] she was in a line of locked arm protesters which had moved onto the sidewalk. I walked to the right of her to keep protesters away from the arrest activity. I noticed a male subject, later identified as [redacted] had grabbed on to [redacted] and was interfering with officers making the arrest. I grabbed on to [redacted] after an officer said, take him too. [redacted] was then spinning and attempting to get away from officers. I grabbed his arm, but he pulled it away. I saw he was about to break the hold of the officer holding on to him, so I hooked his left foot with mine to make him fall. [redacted] and the officer fell to the ground, and I helped control [redacted] went to the ground and turned to his back, so I moved to his side so I would not get kicked. I gave commands to get his hands

Highly Confidential
OREGON_DEFS_00000496

behind his back and [redacted] said, I can't hear you! What do you mean? What did you say? I know he heard and understood me because he laughed after answering me.

I noticed [redacted] was in a Jujitsu style guard position and when I tried to move his arm he grabbed onto the inside of his pant leg the same as when using a jujitsu gi. [redacted] was pushed over onto his stomach, and I attempted to pull his arm away from his body. [redacted] kept his arms close to his body to prevent me from getting his hands behind his back. It took some time and extra effort to pry his hand from under his body. [redacted] grabbed my fingers twice as I tried to get control of his wrist. I was able to get his arm out and manipulated into a handcuff position to get handcuffs on [redacted] Then he was escorted into the facility to be processed.

During the investigation it was determined that during the arrest of [redacted] [redacted] did not attempt to strike or injure any officers while conducting his activities to impede officers. No charges were brought up for [redacted] and we released him with a verbal warning about impeding officers in the future.

The following Support Narrative was entered by [redacted] last modified on 07/11/2025.

Subject: [redacted]

On Wednesday July 9th, 2025, at approximately 11:39 PM, I, Inspector (INSP) [redacted] (#6R1722) located at 4310 SW Macadam Ave., Portland, OR, ICE facility was a part of a targeted arrest team for a (SUBJECT), later identified as, [redacted] W/F [redacted], who was on federal property/vehicle driveway after receiving multiple Long Range Acoustic Device (LRAD) warnings to leave property. SUBJECT [redacted] was observed at approximately 11:35 PM to come on and off the property yelling with a megaphone, disrupting and interfering with communications between Inspectors and the Protective Security Officer (PSO). SUBJECT [redacted] was described as having short blonde (frosted) hair and wearing a long sleave dark colored shirt and long dark colored pants.

As I approached SUBJECT [redacted] I observed her interlock arms with approximately five other demonstrators. I observed Inspector (INSP) [redacted] (#8P1437), grab SUBJECT [redacted] by the right arm and pull her free of the other demonstrators. At that time, I grabbed ahold of SUBJECT [redacted] freed right arm and her backpack and pulled her away from the crowd of demonstrators. I then walked her back away from the crowd and placed her on the ground, placing her in handcuffs and under arrest. I then helped SUBJECT [redacted] back to her feet and checked the handcuffs for proper fit and then double locked them. I escorted SUBJECT [redacted] to the sallyport area, to start the booking process.

Highly Confidential
OREGON_DEFS_00000497

SUBJECT [redacted] was photographed, and a check of her criminal record was conducted through NCIC, which responded back as clear. SUBJECT [redacted] was asked if she needed medical attention, which she refused. SUBJECT [redacted] was issued a United States District Court Violation Notice (USDCVN) #E1763380 for 41CFR 102.74.390(c) (Impeding or Disrupting the performance of official duties of a government employee.) SUBJECT [redacted] was given and explained the USDCVN and released at approximately 1:13 AM on 7-10-25.

The following Support Narrative was entered by [redacted] last modified on 07/10/2025.

In the late evening of July 09, 2025, at approximately 2345 hours I retrieved a black and grey Megaphone in reference to an incident associated with a disturbance in the front of the 4310 S Macadam Ave, Portland, OR ICE Building. The Megaphone was in possession of the SUBJECT later identified as Ms. [redacted] and was collected by myself, Inspector [redacted] for inventory into evidence. After completion of the evidence form, it was then transferred to Incident Commander [redacted] where it was transported to Edith Green - Wendall Wyatt Federal Building for proper storage.

The following Support Narrative was entered by [redacted] last modified on 07/10/2025.

On Wednesday, July 9, 2025, at approximately 2338 hours, located at 4310 S Macadam Ave. Portland, OR. I INSP. [redacted] (11R1184) and FPS units conducted a targeted arrest of SUBJECT (1) who was later identified as [redacted] was observed on federal property after several Long Rage Acoustic Device (LRAD) warning was given to leave federal property. As FPS units exited the vehicle gate, I observed FPS units attempting to apprehend [redacted] as FPS units grabbed [redacted] I observed SUBJECT (2) later identified as [redacted] wearing dark clothing started to pull [redacted] away from FPS units, impeding FPS units from apprehending [redacted]

I and FPS Unit Commander [redacted] (10RV6) grabbed [redacted] and placed him on the ground. [redacted] was told to place his hands behind his back. [redacted] did not comply and tucked his arms close to his body. Eventually as other FPS units arrived, we were able to handcuff [redacted] was taken to the ICE facility for processing.

Per FPS Special Agents, [redacted] received a verbal warning for impeding law enforcement for performance of official duties.

Highly Confidential
OREGON_DEFS_00000498

[redacted] was released from the ICE facility on Thursday, July 10, 2025, at 0054 hours.

[redacted] was identified by his Oregon Driver License: [redacted]

The following Support Narrative was entered by [redacted] last modified on 07/11/2025.

On July 9th, at approximately 2332 hours, while on duty in full police uniform at the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave, Portland, OR. Multiple Long Range Acoustic Device (LRAD) warning was given to protesters on federal property in the driveway, warning the demonstrating persons on federal property are prohibited from loitering and exhibiting disruptive behavior on federal property.

I, Inspector [redacted] 8P824 was sitting in the control monitoring the Video Surveillance System (VSS). I observed a short female whom I have observed multiple nights before outside the ICE building. The suspect was later identified as [redacted] was wearing dark shoes, Black pants, black long-sleeved shirt under a black t-shirt and had a dark colored backpack.

[redacted] was handed a megaphone at approximately 2332. At this time [redacted] began yelling and screaming into the megaphone so loud I could hear her in the control room of the jail. While observing the VSS I witnessed her cross onto federal property at approximately 2333. While [redacted] was standing on federal property, I watched through VSS her

Highly Confidential
OREGON_DEFS_00000499

continue to scream and yell into the megaphone. I observed [redacted] to continue to walk on and off property all while continuing to use the megaphone at such a volume I could still hear her screams in the facilities interior control room.

At approximately 2336 I observed through the VSS in the control room [redacted] walk up the driveway with the megaphone to her mouth continuing to yell and scream into the megaphone at such a volume I could hear her clearly in the control room yelling profanities at the officers standing inside the gate at the ICE facility. All this time I was communicating what I was seeing in real time to Area Commander [redacted]

At approximately 2339 FPS officers prepared to go outside the gate, as they prepared the demonstrators reacted by pulling away from federal property and forming a human chain. [redacted] was part of the human chain and was still holding the megaphone in her hand while she was taken into custody.

Subject: [redacted]

////Report by [redacted] Inspector. P01080-DPSST#33064////

ASSISTING OFFICER:

Inspector T. [redacted] (4P1596)

Inspector H. Jenkins (7P1276)

Inspector W. Kasperski (5P1698)

SRT Team Members

SOURCE:

On Tuesday July 22, 2025, at approximately 2250 hours, I Inspector [redacted] (11P1458), was assigned to perimeter security operations in the U.S. Immigration and Customs Enforcement (ICE) facility located at 4310 South Macadam Avenue, Portland, Oregon. I was in full duty uniform and properly equipped in accordance with the standards and directives of the Federal Protective Service (FPS).

OBSERVATION/INVESTIGATION:

While performing my duties of preservation of the federal facility and employees Charlie team and I began securing a safe exit of federal employees departing from the ICE facility. While creating a safe path for vehicles to exit the federal facility a group of demonstrators, approximately 20 gathered at the front entrance, obstructing vehicle movement. Multiple verbal directives were conveyed to all demonstrators via verbal warnings instructing them to clear the driveway. In further efforts to clear the driveway both Bravo and Charlie teams members navigated through the vehicle gate to guide the demonstrators away from blocking the driveway so ICE Special Response Team (SRT) team members could exit the federal facility.

Highly Confidential
OREGON_DEFS_00000547

I observed a bald, Hispanic male SUBJECT later identified as [redacted] Sanchez, wearing a black shirt and black pants approach me with an aggressive posture verbally yelling obscenities in attempt to intimidate me and obstruct the vehicles from exiting the facility. I instructed the SUBJECT to step back in which he did not comply. Several verbal warnings were given by Inspectors on scene demanding him to "Stay back". The SUBJECT then proceeded to raise his right arm with a balled fist, displaying his middle finger and striking me directly in the face shield of my tactical helmet with applied pressure obstructing my vision and my ability to perform my duties. I then proceeded to remove his fist from my face when he came across with his left hand, grabbing ahold of my vest while striking me in the left arm. At that time, I determined I had probable cause to detain the subject for Assault on an officer and interference with federal operations.

At this time, I reached out and grabbed ahold of the SUBJECT in an attempt to detain him, but he began to resist by swinging his arms and pushing other Inspectors efforts to subdue him and place him in restraints. Inspector Jenkins (7P1276) and Inspector Kaspersky (5P1598) continue to repeat to the SUBJECT "Stop resisting" and then proceeded to assist by grabbing ahold of the SUBJECT. The SUBJECT continued to resist and fight further in order to avoid detainment. At this time, I relinquished my hold of the SUBJECT due to fellow Inspectors attempt to apprehend him and place him in restraints.

The SUBJECT consistently continued to resist forcefully causing all Inspector to lose balance, and fall hitting one of the parked vehicles in the convoy. At this time, SRT members assisted to get SUBJECT to the ground while the entire time SUBJECT was resisting and not listening to officer's commands. The SUBJECT was taken into custody using the reasonable force necessary by officers and escorted into the ICE facility and placed into a holding cell. The SUBJECT continued maintain an aggressive posture while verbally yelling obscenities while in the holding cell.

CUSTODY / BOOKING:

I, Inspector [redacted] conducted a search incident to arrest of SUBJECT, which yielded no contraband. SUBJECT was photographed, unhandcuffed and placed in an ICE holding cell to await interview by special agents. SUBJECT, refused to be interview and stated I have nothing to tell you.

MEDICAL:

Highly Confidential
OREGON_DEFS_00000548

At 0025 hours the SUBJECT was offered medical services but refused. Inspector Jenkins sustained

injuries to both knees during arrest. Inspector Kasperski sustained an injury to his left arm during the arrest. Both Inspectors refused medical at this time but will complete an CA-1.

RECORDS CHECK / WARRANT STATUS:

At 0036 hours I contacted the Denver MegaCenter to run a National Crime Information Center/National Law Enforcement Telecommunications System (NCIC/NLETS) check on SUBJECT, which returned valid with no outstanding warrants.

CASE STATUS:

The SUBJECT was issued United States District Court Violation Notice #E1763408, with a mandatory appearance. At approximately 0148 hours, the subject was released on his own recognizance.

At 0150 hours All units cleared the scene. I notified DMC of the disposition. No further incidents to report.

This case will be forwarded to the assigned FPS Special Agent and referred to the Assistant United States Attorney (AUSA) for prosecutorial review and potential federal charges.

Additional Report

At approximately 0048 hours, 7P1402 advised of a vehicle following FPS officers, with Vehicle late/ State: [redacted] the vehicle flashed the high beams at him, tailgated him, and caused 7P1402 to take a different exit. Reference event [redacted]

At approximately 0050 hours, 6P1591 requested to know if it was a Silver Prius, 7P1402 advised affirm. Make: Toyota, Model: Prius, Color: Silver, RQ: Washington, last 4 of VIN: [redacted] Valid until [redacted] 2017 Toyota Prius. R/O: [redacted] DL: [redacted] out of [redacted]

At approximately 1445 hours, Area Commander/Team Alpha Leader, [redacted] BV-16 informed the me the Deputy Incident Commander (DIC/AC), [redacted] of the following:

• At approximately 0800 hours, note takers arrived on scene and are annotating incoming and outgoing vehicles from the Portland ICE Facility driveway.

• At approximately 1000 hours, protesters arrived in the area off Federal property with Anti-ICE signs.

• At approximately 1335 hours, an unidentified person entered the ICE lobby to complain about vehicles entering and exiting the facility, left peacefully.

• At approximately 1445 hours, FPS Alpha Team departed, and FPS Bravo Team arrived on scene and observed approximately 10 protesters, with about six (6) protesters that are being confrontational and yelling profanities towards FPS Teams as they clear the driveway for ICE employees who are departing the premises and/or for ICE SRT as they entered the premises. At approximately 1515 hours, FPS also reported to both teams of an [redacted] Male Protesters with a brown tactical vest, a medic kit, and throwing knives within a sheath on his left side of his belt line for Officer Safety purposes; and of a [redacted] Male Protester with a black balaclava throwing gang signs towards FPS & ICE SRT Teams.

• At approximately 1620 hours, FPS Law Enforcement Specialists from within the ICE facility confines observed a male civilian walking past the facility along the city sidewalk, at which time both male and female protesters began to argue

Highly Confidential
OREGON_DEFS_00000567

with the male civilian, because he did not agree with their perspective. The protesters were observed following the passerby, then chasing him across the street.

• At approximately 1800 hours, there are approximately five to six (5-6) protesters in the area off Federal property, and numerous more at different areas away from the facility.

• Between 1825-1840 hours, about five to six protesters placed what appears to be flowers, greenery, and vines on the Portland ICE Facility's ingress/egress driveway. FPS units will review to ensure that there are no nails or screws laced with the flowers.

• At approximately 1850 hours, FPS Law Enforcement Specialists cleared the ICE ingress/egress driveway with a leaf blower of the flowers, greenery, and vines to ensure that there were no jagged edged or pointy items interlaced within the items placed on Federal property.

• ***(NOTE) *** FPS confirmed that there were threaded screws placed within the flowers with intent to cause damage to government vehicles. Photographs of the screws were taken by FPS as evidence.

• At approximately 1855 hours, immediately after FPS Team Charlie entered the ICE premises, protesters attempted to place additional items to include a large trash bag on the ingress/egress driveway, and were given two (2) verbal warnings not to litter or throw items on or towards the ICE driveway per 41 CFR 102-74.380, Preservation of Property, "All persons entering in or on Federal property are prohibited from—

• (a) Improperly disposing of rubbish on property.

• (b) Willfully destroying or damaging property.

• (c) Stealing property.

• (d) Creating any hazard on property to persons or things; or

• (e) Throwing articles of any kind from or at a building or climbing upon statues,

• fountains or any part of the building."

Highly Confidential
OREGON_DEFS_00000568

• At approximately 1905 hours, an older male previously arrested by FPS and identified as [redacted] threw a large trash bag onto Federal property then tried to come onto Federal property with a large stick.

• At approximately 1905 hours, an older male previously arrested by FPS and identified as [redacted] threw a large trash bag onto Federal property then tried to come onto Federal property with a large stick.

• At approximately 1920 hours, a female protester threw a bottled water towards the Portland ICE Facility and exploded upon hitting the building. FPS Law Enforcement Officers in a foot pursuit.

• FPS Law Enforcement Officers detain two (2) Subjects and brought them back with the Portland ICE Facility for processing. (One Subject was detained for lunging a bottle towards the building, and the other for interfering with the arresting officer(s).

• The first Subject arrested was [redacted], (Female threw a Water Bottle Towards the Building), cited for violation of 41 CFR 102-74-385, and second Subject [redacted] FPS Special Agents waiting on AUSA for violation of 18 USC 111.

• At approximately 1925 hours, FPS is requesting EMS for a medical evaluation of a detained Subject.

• At approximately 1928 hours, ICE SRT suited up and are now on scene to support FPS Law Enforcement Specialists with civil unrest.

• At approximately 1937 hours, IC/(A) DC Turner aired out over the radio of a protester who is the primary male subject on the bullhorn, identified as a protester wearing a green tee-shirt, some kind of lettering, blue baggy pants, dark shoes, who stated something to the effect of, "You have no idea how many firearms are present and if we push to far, we will regret it in essence."

Highly Confidential
OREGON_DEFS_00000569

• FPS & ICE SRT Federal Law Enforcement Officers will be informed and encouraged to maintain high alert for 'Officer Safety Purposes."

• At approximately 2114 hours, three protesters walked up past the card reader. FPS issued two (2) verbal warnings, and one is messing with something in the driveway area.

• At approximately 2125 hours, there are presently about 30 protesters scattered throughout the area, and three to five (3-5) attempting to antagonize Federal Law Enforcement Officers. There are also protesters walking around the perimeter of this ICE facility along the south fence line.

• At approximately 2135 hours, there are also about three (3) legal observers with green hats taking notes, and one of them has approximately five (5) additional hats hanging from their backs.

• At approximately 2139 hours, there are about 15-20 demonstrators in front of the ICE driveway off Federal property and three (3) towards the rear of the ICE facility.

• At approximately 2200 hours, FPS & ICE SRT Teams are preparing for a Target Arrest.

• At approximately 2213 hours, protesters are blocking the driveway as FPS is attempting to exit the driveway to transport an arrestee. An LRAD Notification was issued, then a protester turned on an extremely loud megaphone with a loud siren to drown out the LRAD Notification. FPS units are standing by for transport.

• At approximately 2240 hours, FPS Inspectors transporting arrestee [redacted] and clearing the Portland ICE Facility for violation of 18 USC 111, with starting mileage of 6832.

• At approximately 2300 hours, protesters are still in the area off Federal property.

Highly Confidential
OREGON_DEFS_00000570

• At approximately 2317 hours, a male protester wearing all black with a skateboard is pointing his skateboard as if it is rifle towards Federal Law Enforcement Officers.

• At approximately 2321 hours, Federal Law Enforcement Officers are in pursuit of a subject off Federal property and have one in custody at approximately 2323 hours. At approximately 2323 hours, Subject [redacted] was in custody and issued a CVB Violation from FPS Inspector [redacted]P424 for violations of Failure to Comply with Federal Law Enforcement Officers Verbal Directives Citation# [redacted] and the second CVB [redacted] and a [redacted]7P1276

• At approximately 2327 hours, ICE SRT conducted an area saturation of pepper ball gun with non-lethal self-defense devices to create a cloud of irritant to have protesters clear the ICE driveway.

• At approximately 2331 hours, FPS issued numerous LRAD Notifications to have protesters get off Federal property.

The following Support Narrative was entered by [redacted] last modified on 07/27/2025.

On July 26, 2025, SA [redacted] obtained a copy of the warning(s) being announced via the Long-Range Acoustic Device (LRAD) at the ICE Portland Field Office. Categories include: unlawful assembly, damage/arson, clear the driveway, and megaphone/noise. These announcements are used at protest operations and were updated on July 20, 2025. Audio file attached.

OREGON_DEFS_00000653

On July 29, 2025, I, Inspector [redacted] FPS Badge 2P286, was deployed to the U.S. Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam Avenue, Portland, Oregon. This deployment was part of an enhanced federal security posture in response to civil unrest and targeted acts of aggression toward federal personnel and property.

The Commander's Intent was to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission included the detention of any individual attempting to damage or breach federal property, assault officers, or engage in riotous conduct.

At approximately 2311 hours, I was assigned to Bravo Team perimeter security operations as Team Lead. I was in full Federal Protective Service (FPS) police uniform, clearly identifying me as a federal law enforcement officer, in accordance with 40 U.S.C. § 1315.

At approximately 2311 hours and responding to a subject observed repeatedly entering and exiting restricted federal property, specifically the ICE facility's vehicle driveway. The subject had been given lawful dispersal commands via Long Range Acoustic Device (LRAD) to vacate the area. Multiple verbal commands were issued by the scribe and the assisting officer, and the individual continued to ignore them.

The individual, described as a [redacted] male, with [redacted] was wearing dark blue jeans, a black long sleeve hoodie with lettering and red, blue and green designs, a black shirt, black sneakers and wearing a yellow hat. SUBJECT was carrying a black backpack and a grey and red gas mask. Individual was seen on surveillance footage and observed on the driveway obstructing vehicle traffic.

Despite repeated commands, the SUBJECT continued to stay on federal property obstructing vehicular traffic. The SUBJECT was shouting profanities such as, "Ass Holes", "Get the Fuck Back" Fuck you", impeding free access to the driveway, for vehicles entering and exiting the facility while failing to follow the instructions provided by scribe and assisting officers. His body language was tense and confrontational, with forward leaning stance, arm extended holding another protester in place also blocking access to the facility and indicative of noncompliance. Based on his actions, probable cause was established to detain him for Failing to Comply with the directions of a Law Enforcement officer. (41 CFR §102-74.385).

Highly Confidential
OREGON_DEFS_00000654

In addition, Subject was in possession of a high intensity strobe light that continued to blind and impede the performance of the federal officers in the exercise of their duties, while attempting to ensure access, to and from the facility. Based on his actions, probable cause was established to detain him for Failing to Comply with the directions of a Law Enforcement officer. (41 CFR §102-74.390) (c).

As I, Inspector [redacted] and assisting officer, alongside other FPS officers exited the north vehicle gate, I approached and apprehended the SUBJECT. Upon apprehension SUBJECT was notified of the reason for his detention and escorted into the ICE facility for identification and processing. A search incident to arrest was conducted, which yielded no contraband. SUBJECT was photographed and placed in an ICE holding cell to await interview by special agents. The subject did not report any injuries and declined medical treatment.

I requested FPS/DMC to perform a National Crime Information Center/National Law Enforcement Telecommunications System (NCIC/NLETS) check using the subject's name, date of birth, and Wisconsin State License, which returned valid with no outstanding warrants. The SUBJECT was identified as [redacted] through his Wisconsin State License [redacted]

SUBJECT was issued United States District Court Violation Notice #E1763442 Failing to Comply with the directions of a Law Enforcement officer. (41 CFR §102-74.385) #E1763444 Impeding or Disrupting the Performance of Official Duties of a Government Official. (41 CFR §102-74.390) (c), with a mandatory appearance, on a date to be determined, to appear at 1000 SW 3rd Avenue, Portland OR. At approximately 2345 hours, the subject was released on his/her own recognizance.

This case will be forwarded to the assigned FPS Special Agent and referred to the Assistant United States Attorney (AUSA) for prosecutorial review and potential federal charges.

I advise DMC of my disposition and provided CVB number. Nothing further to report.

Subject: [redacted] CVB Citation E1763493 for violation of 41 CFR 102-74-385

Subject: [redacted] CVB Violation# E1769735 for 41 CFR 102-74.385, Failure to Comply/E1763413 41 CFR-74.390 Disturbances:

08/09/2025: 25029674D: 0001-2400: OR6732: 4310 SW Macadam Avenue, Portland, OR 97239-4222: Demonstration:

On Saturday, August 9th, 2025, between 0001 to 2400 hours Pacific Time, while on duty for Operation Skip Jack Portland-2025 Wave 2, as an FPS Supervisory Law Enforcement Specialist of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS) under 40 U.S. Code § 1315 authority, at the (OR6732) Lindquist Building (Portland ICE Facility) located at 4310 SW Macadam Avenue, Portland, Oregon 97239-4222, the following was reported to me as the Deputy Incident Commander (DIC)/Area Commander, [redacted](7V-16).

(27) FPS Law Enforcement Specialist & Special Agents of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS), and (20) Immigration and Customs Enforcement (ICE), Special Response Teams (SRT) are posted at the Portland ICE Facility with an emphasis on protecting this Portland ICE Federal Facility due to the history of vandalism, property damage, civil disobedience, and general threat(s) toward this and other Federal facilities within Downtown Portland.

FPS Law Enforcement Specialists from Team Alpha, Team Bravo, and Team Charlie informed the DMC Dispatch of peaceful protests throughout the early morning, day, and evening hours at this ICE facility.

Incident Command Team: (1400-0100):

- Incident Commander/District Commander, Turner, William, 10V14
- Deputy Incident Commander/Area Commander, [redacted] 7V16

3. [redacted] 2 Ida 3
4. [redacted] 8 Ida 85

• At approximately 0001 hours, a group of protesters ranging from about 30-40 protesters dressed in 'Black Bloc' attire, numerous protesters with helmets, gas masks, and other miscellaneous items were yelling towards FPS Law Enforcement Specialists by stating something to the effect of, "Take off your ballistic gear and come face us like men!" "Take off your vests and let's go!" Other unidentified protesters yelled out, "Take off your gear bitches and we'll kick your asses!" Inspector [redacted] aired the verbal threats over the radio to the DMC Dispatch.

• At approximately 0100 hours, as FPS Team Bravo and ICE SRT Teams were driving out of the ICE ingress/egress driveway, protesters became aggressive by hitting ICE & FPS vehicles with their fists as Federal Law Enforcement Officers were driving out.

• FPS Team Bravo observed protesters becoming confrontational, displaying pre-assault indicators, and yelling threats from the crowds towards FPS Team Charlie (9-FPS Officers). As such, FPS Team Bravo dismounted from our vehicles without helmets or gas masks to assist FPS Team Charlie who were easily outnumbered three to one, by about 30-40 protesters. During this engagement between FPS & Aggressive Protesters, 9R511 advised pepper balls were deployed by FPS.

Highly Confidential
OREGON_DEFS_00000669

Additional Report

• At approximately 0108 hours, I, Commander [redacted] 7V16 advised the DMC Dispatch that some of the demonstrators were becoming aggressive when ICE vehicles were departing, and some were striking vehicles with their fists, to include FPS Inspector [redacted] rental. At approximately 0109 hours, 11P1653 requested EMS for a detained subject having a reaction to the pepper balls and pepper spray. FPS provided the subject with water to help decontaminate. The subject was detained for impeding, failing to comply, and for fighting FPS.

At approximately 0150 hours (Pacific), Inspector [redacted] 6P1656 and [redacted] 11R1653 advised the DMC Dispatch that a Protester/Subject [redacted] was issued two CVB Citations, released, and was transported to a hospital. Inspector [redacted] nformed the DMC Dispatch that the two (2) CVB Violations were for 41 CFR 102-74.385, for "Failure to Comply with Lawful Orders from Federal Law Enforcement Officers," CVB Violation# E1769735 and for Violation of 41 CFR-74.390 Disturbances (Impeding or Disrupting the Performance of Official Duties of a Government Employee), CVB Violation E1763413.

• *** (NOTE) *** During this engagement, a [redacted] Male Subject dressed in Middle Eastern Attire (Thobe long robe worn by Muslim men), and long Beard was making indirect threats to the effect of, "You deserve to be decapitated!" "I am not scared of you and am not afraid to die!" IC/(A) DC Turner asked the [redacted] Male Subject dressed in Middle Eastern Attire if he was making threats towards FPS, of which he stated something to the effect of, "No, but you should be!" While still yelling towards FPS Officers from the east side of the driveway, towards the rear of the PSO's Guard Shack.

• Once FPS Team Charlie had everything under control, FPS Team Bravo cleared the areas, and headed to the hotel after our tour of duty.

• At approximately 1530 hours, there's about seven peaceful protesters towards the front of the ICE facility along the city sidewalk off Federal property.

• Between 1530-1800 hours, there were between 7-12 protesters towards the east side of the premises off Federal property.

Highly Confidential
OREGON_DEFS_00000670

• At approximately 1845 hours, FPS Inspector [redacted] 7P1402 while observing the Video Surveillance System (VSS) observed two protesters struck a pinata resembling POTUS Trump, and the pinata had what appeared to be an ICE Tactical Vest, one female protester who appeared to be [redacted] wearing a blank tank top, black leggings, dark shoes was observed to be kicking the pinata. The second protester who has been identified as a Transgender [redacted] Jaelynn was observed striking the POTUS Trump pinata until it broke apart. [redacted] was wearing what appears to be a black shirt, red & white scarf, camouflaged cargo pants, and white shoes. A third [redacted] Male Protester was observed picking it the pinata's head that resembled POTUS Trump and he was observed shaking the head towards FPS Law Enforcement Specialists. Inspector [redacted] bookmarked this activity on the VSS footage in the case this footage may be needed for further investigation.

• Between 1845 to 1845 hours, there's about 10-15 protesters scattered throughout the area, trolley area, street corners, and towards the front of the facility.

• At approximately 2045 hours, there are now approximately between 25 to 30 peaceful protesters in the area off Federal property.

• At approximately 2200 hours, there are now about 40 protesters in the area and many of them are wearing helmets, gas masks, black over black, and have yelled that something is coming soon.

• At approximately 2215 to 2230 hours, there are about 40 to 50 protesters in the area and many of them are wearing helmets, gas masks, black over black, and are yelling comments to the effect of "Here Piggy Piggy!" "It's about to get Spicy, just watch!" and "ICE aren't shit!"

• At approximately 2245 hours, there are approximately 19-25 protesters blocking the driveway, which is affecting government operations, and they are taunting Federal Law Enforcement Officers to come out and deploy tear gas. There are two other larger groups towards the east side of the premises, and across the street from this ICE facility. Totaling over 50 protesters.

Highly Confidential
OREGON_DEFS_00000671

At approximately 2247 hours, 6P1591 advised that the group is agitating and provoking law enforcement. 10V14 that social media, there are approximately 40 wearing military style saying, "It's going to get spicy out here!" 10V14 also advised a large portion of the group is "Blocked" up with gas masks, helmets, etc.

• At approximately 2316 hours, FPS & ICE SRT Teams issued over five (5) LRAD Notifications #6 to Clear the ICE Driveway and to Get Off of Federal property. However, between 25-30 protester 'Failed to Comply' with Federal Law Enforcement Officers Lawful Orders. As such, ICE SRT conducted an area SAT with pepper balls along the ICE perimeter lines. After numerous 'Failures to Comply,' FPS & ICE SRT pushed out to clear the driveway and to remove protesters from Federal property. Additional protesters came to support the protesters who were on the line and started to run from the east side and from across the street to support the unlawful assembly and unruly protesters.

At approximately 2319 hours, FPS pushed out to clear protesters from the driveway for protesters conducting an 'Unlawful Assembly,' 'Failing to Comply,' and 'Causing a Disturbance.' ICE SRT deployed pepper munitions, and protesters begin grabbing them and kicking them back towards FPS & ICE SRT Teams. FPS also deployed a MK9, oleoresin capsicum, and uses of rapid succession utilizing FPS issued FN-303, as a direct result thereof.

Protesters could be heard shouting, “Shut the fuck up!” and “We can't hear you!” while laughing. Protesters were also yelling Fuck You! It never fails that your tear gas yourselves, you dumb fucks!"

• Between 2316-2400 hours, FPS & ICE SRT Teams held the line on Federal property. It appears that there’s still about 25 unruly protesters, and many protesters walked towards the east side along Bancroft Avenue.

At approximately 0047 hours, Subject [redacted] was issued a CVB Citation E1763493 for violation of 41 CFR 102-74-385. Subject [redacted] requested EMS, but once she was offered water to cleanse her face, and a large fan was placed in front of her face, she was able to breathe once again, and cancelled EMS.

[redacted] Inspector - FPS

[redacted] Inspector - FPS

Turner, W. Area Commander - FPS

INVOLVED PERSONS:

[redacted] (SUBJECT)

SOURCE:

On August 09, 2025, at approximately 0052 hours, I Inspector [redacted] (11P1458) was on duty in full FPS uniform, and clearly identifiable as a Federal Law Enforcement Officer performing my duties in an official capacity in the city of

Highly Confidential OREGON_DEFS_00000673

Portland, Oregon. I was assigned to Charlie Team for Operation Skipjack at The Portland Immigration, and Customs Enforcement (ICE) Building located at 4310 S. MacAdam Avenue, Portland, Oregon 97239.

OBSERVATION/INVESTIGATION:

During the evening, FPS Officers and I observed demonstrators present at the Immigration Custom & Enforcement Federal Building located at 4310 S Macadam Avenue, Portland Oregon. During this time the demonstrators consistently harassed Officers present on duty with bullhorns to amplify the sounds of their voices to an uncomfortable volume to further their efforts to interrupt operations, and communications between Federal Officers and Employees. Demonstrators persistently continued to scream obscenities with their bullhorns, and other electronic devices after receiving several verbal warnings by different Inspectors to "Stay off federal property". Demonstrators' rebuttal to the verbal warnings given by Inspectors escalated to statements to include threats from the demonstrators were made such as "kill yourself", "step outside the gate, take off the gear and fight me", "I'm not scared of you", and various other verbal threats to cause bodily harm to Officers as well as Federal Employees present on federal property. Demonstrator's actions continued to escalate by multiple attempts to overtly impede, and interrupt operations by blocking the driveway for vehicles operating in official capacity entering and exiting the federal facility. While Officers intervened to prevent bodily harm and injury by the vehicles passing through the driveway as well as provide security by escorting the vehicles filled with Federal Officers to include Special Agents off property. Officers were met with an overwhelming verbal, and physical response by demonstrators. Numerous demonstrators present approximately 30 actively performing actions such as screaming and thrusting of their bodies at Officers in attempt to provoke a violent response and obstruct traffic creating a hostile environment for both Officers and other present demonstrators on scene. All of these mentioned actions occurred on federal property and continued to spill into the public roadways as vehicles attempted to safely enter and exit the federal facility. The demonstrators were dressed in painters mask, all black clothing, wore helmets with protective pads. Several demonstrators carried skateboards, body armor, and various noise making devices that were utilized consistently throughout the day towards Federal Officers and Employees working in official capacity of their duties.

While performing my duties of preservation of the federal facility Charlie team and I began securing a safe exit of FPS Inspectors and ICE Special Response Team (SRT) members departing from the ICE facility. While creating a safe path for vehicles to exit the federal facility I observed an unknown female demonstrator, wearing all black clothing with a black face covering, run in front of the black SUV vehicle driven by SRT members causing the convoy to a complete stop. The occupants of the vehicle were SRT members dressed in plain clothing with no protective equipment and were the recipients of the verbal threats of violence expressed by the demonstrators throughout the day of operations. I observed Inspector [redacted] attempt to move the unknown female demonstrator out the path of the vehicle for her safety while giving verbal commands to "get back and stay out the street". The unknown female demonstrator refused to move screaming at the top of her voice to "don't touch me" while actively trying to back in

Highly Confidential
OREGON_DEFS_00000674

front of the vehicle simultaneously swatting the Inspector's hand with her own as he attempted to create a barrier with his fully extended arm between the unknown female demonstrator and exiting vehicle. I believe probable cause existed to arrest this subject for Interfering with peace officer (ORS162.247), Disorderly Conduct II (ORS 166.025), and 41CFR 102-74.390 (Creating a Disturbance/Blocking Entrances) At this time, he attempted to detain her.

CUSTODY/BOOKING:

I observed an unknown male subject later identified as [redacted](subject) wearing all black with a purple scarf around his neck. [redacted]aggressively approached Inspector [redacted]with a clenched fist in attempt to close the distance between himself, and Inspector[redacted] running at an unusual, accelerated speed to actively obstruct the arrest of the unknown female demonstrator by grabbing Inspector [redacted]arm to allow the unknown female demonstrator opportunity to evade arrest. Inspector [redacted]intercepted [redacted]midstride by pulling, and pushing him away which caused both Inspector [redacted] and [redacted]to lose balance and fall onto the roadway near the sidewalk where vehicles still attempted to push through despite demonstrator obstruction of traffic.

SUBJECT 1

At this time additional demonstrators surrounded both Inspector [redacted] and [redacted]waving their hands some with open hands and others with closed fist screaming "You monster" and "Leave him alone". Several attempts were made to overwhelm myself and Inspector [redacted]despite several verbal warnings given to "Get back" and "Police get back" were given while attempting to place [redacted]in custody as he actively resisted still on the public roadway further creating an unsafe environment for Officers on scene. I gave multiple loud verbal commands to "step back" but demonstrators continued to approach regardless of verbal commands and began to signal other demonstrators by waving their fully extended arms to join them in further impeding and obstructing operations of the Officers present at the time of the incident. Due to Officer safety concerns, and growing tension of demonstrators and their behavior despite multiple verbal warnings I deployed Pepper ball on the ground near the area of the demonstrators to prevent them from harming Federal Officers while they were acting in the official capacity of their duties. The rounds impacted the ground, around the feet of the demonstrators to stop further actions of the demonstrators attempting to inflict bodily harm to me and Inspectors during the arrest of [redacted]who still continued to actively resist and disregard verbal commands to "Stop". No injuries to demonstrators or [redacted]were observed.

SUBJECT 2

Highly Confidential
OREGON_DEFS_00000675

While Charlie team was moving back into the ICE federal facility after escorting vehicles whose occupants contained both FPS Inspectors, and ICE SRT members off property, an UNKNOWN female demonstrator, wearing a gas mask with black pants, black hoodie with patches on her arm, came onto the federal property driveway leading to the facility main gate. The UNKNOWN female demonstrator began screaming and yelling at Federal Officers as they proceeded to close the main gate. The UNKNOWN female demonstrator was given multiple verbal warnings to "stay off government property" by multiple Inspectors, but continued to close the distance between the Inspectors, and the federal facility gate that was not yet secured. I deployed the pepper ball system as the UNKNOWN female demonstrator began to accelerate her speed in the direction of the federal officers on scene before the main gate came to a complete close. I aimed the pepper ball rounds to the ground, around the feet of the UNKNOWN female demonstrator to stop further movement onto federal property despite multiple verbal warnings given. The successful deployment of the pepper ball system deterred the UNKNOWN female to cease any further movement in the direction of the Officers present on scene to include the facility gates were allowed to safely close without obstruction as intended. No injuries to the UNKNOWN female demonstrator were observed as she departed the area.

SUBJECT 3

While back inside the federal facility, demonstrators approached the fence on the east side of the federal facility where the train tracks are located. Demonstrators began screaming obscenities at Inspectors, and threats to "come out here now" and "come fight me" as well as "I bet you're not tough without your gun" at an unsettling volume harmful to Inspectors present on scene. Multiple verbal warning was given to demonstrators to "leave the fence line, and "step away" from federal property. At this time, I deployed the pepper ball system while continuously providing verbal warnings to "Police get back" the pepper ball rounds deployed were aimed at the ground, around the area of the fence line to deter the demonstrators from further encroaching onto federal property despite several verbal warnings being given. The deployment of the pepper ball system was successful in stopping the demonstrators and encouraging them to comply with the verbal commands given to depart from the area. No injuries to demonstrators were observed and they departed the area of the fence line.

In response to the actions of the demonstrators tonight and their continued refusal to comply and the escalating tension, I deployed the PLS system in accordance with training. I executed direct area saturation by aiming the launcher at the ground near the demonstrator's feet, targeting an appropriate zone to generate area saturation. Due to Inspectors being outnumbered and the nature of the demonstrator's crowd size no arrest was made.

[redacted] Federal Protective Service

William Turner, District Commander

INVOLVED:

[redacted] (Subject)

Highly Confidential
OREGON_DEFS_00000677

SOURCE:

On 08/09/2025, at approximately 0052 hours, I Inspector [redacted] (9R511) was in FPS uniform and clearly identifiable as a federal law enforcement officer, per 40 USC 1315. I was working at 4310 SW Macadam Portland, Oregon at the Immigration Custom Enforcement (ICE) Facility where I was deployed in support of Operation Skip Jack. This is a proprietary jurisdiction federal facility in the Federal Judicial District of Oregon.

OBSERVATION/INVESTIGATION:

On August 9, 2025, I was assigned to the Immigration Custom Enforcement building located at 4310 S Macadam Avenue, Portland Oregon. I was the (A) Tactical Commander and the team consisted of, Inspector [redacted] Inspector [redacted] Inspector [redacted] Inspector [redacted] Inspector [redacted] We were deployed and assigned to the facility due to recent damage to the facility by unknown demonstrators and assaults on federal officers. The damage consisted of damage to the vehicle entry gate, the front entrance (it was breached), graffiti on the facility, damage to the exterior CCTV devices, and damage to the protective security officers exterior post facility. The demonstrators were also impeding Immigration Custom Enforcement from performing their daily duties while attempting to block all vehicles from traveling in or out of the facility. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government.

Thus far, federal facilities, as well as officers, have been targeted by demonstrators with the use of items including, but not limited to, impact weapons, powerful green lasers, paint ball guns, liquid filled balloons, rocks, and bottles, knives, and firearms. Tonight, was a continuation of such riotous and assaultive conduct by members of these groups.

Today, FPS officers and I observed demonstrators present at the Immigration Custom Enforcement building located at 4310 S Macadam Avenue, Portland Oregon. During this time the demonstrators harassed officers with bullhorns making statements such as “kill yourself”, “step outside the gate, take off the gear and fight me”, “I’m not scared of you” and various other verbal threats. Protestors also continuously blocked the driveway for vehicles entering and exiting while continuing to yell at officers and getting in their face to provoke violence. All of this occurred on federal property. The demonstrators were dressed in painters mask, all black clothing, wore helmets and other protective pads, some carried skateboards, body armor, and various noise devices that were used continuously during the day towards officers. There was probable cause to arrest subjects for assault on a federal officer, impeding or disrupting

Highly Confidential
OREGON_DEFS_00000678

the performance of official duties of a government employee, and failure to comply with lawful order and directions of a federal police officer.

CUSTODY/BOOKING:

While staged on federal property (within the entry gate), protesters blocked the vehicle entry gate for incoming/outgoing vehicles on federal property. The demonstrators received numerous verbal warnings stating to vacate the area for vehicles exiting the facility. The demonstrators were also provided approximately ten minutes to vacate federal property. At approximately 0051 hours, FPS gave a verbal warning to the demonstrators again to vacate federal property for vehicles departing or be subject to arrest. After the verbal warning was given many of the protestors cleared the area for the outgoing vehicles to leave. FPS officers then exited the facility vehicle gate to clear the driveway for outgoing officers. Protestors cleared the driveway while continuing to make verbal threats such as "fuck you", "kill yourself", "I'll fuck you up", while jumping within 2 feet in front of officer's faces.

Tonight, I observed an individual attempt to physically harm Federal Law Enforcement Officers that could result in serious and/or permanent body damage. There were subjects that used their fist to swing at officers hitting them in the arm and attempting to grab an officer from around the waist area as if they were trying to tackle the officer. This is assaultive conduct under Title 18 United States Code 111. There was probable cause to arrest the subject for assaulting a federal officer.

At 0053 hours, I used MK 9 OC towards one subject dressed in black shirt, black pants, and black boots that was actively resisting officers as we were clearing the driveway for outgoing officers. The subject was later identified as [redacted] As the ICE convoy was departing the facility, Inspector [redacted] was attempting to move an unknown protestor out of the street from blocking the convoy and out of harm's way.

At that time, [redacted] ran towards inspector [redacted] as he was dealing with the unknown protester that was blocking the convoy. There was a large crowd of protestors that were advancing towards [redacted] so inspector [redacted] and additional officers ran over. [redacted] started an altercation that resulted in [redacted] hitting [redacted] in the arm and an attempt to grab [redacted] while trying to be detained, that resulted in [redacted] being thrown to the ground for actively resisting. There were only (9) officers and there were over 25 protesters with unknown weapons, advancing towards all officers, some jumping back and forth, yelling comments like "I'll fuck you up" and "I aint scared of you" as if they were going to attack us more. If the protestors wanted to with the numbers they had, they could have overpowered us. Once [redacted] was on the ground I ran over to assist with the arrest.

Highly Confidential
OREGON_DEFS_00000679

Additional Report

During this time a crowd of protesters (over 10 individuals) were approaching Inspector [redacted] and myself as we tried to detain the subject while being outnumbered. Additional officers left the subject (because of the crowd approaching officers) and attempted to provide cover so that we could restrain the subject. [redacted] continued to resist by throwing his elbows, kicking, and conducting power clinches with his arms on the ground as we were trying to restrain the individual with flex cups. The subject was given verbal commands to "stop fighting", and "give me your hands" multiple times. The subject did not comply with the verbal commands and was sprayed with OC so we could detain him and transport him inside the facility for processing. During this time some of the spray affected inspector [redacted] and I (wind blew OC back in our face) as well that resulted in myself stepping away from the subject and crowd due to my vision, and my back facing the crowd. The custody of the subject was free for a few seconds to allow my vision to regain. I felt it would be more dangerous to allow myself to remain in the downward position, with obstructed vision, with a firearm facing the crowd then to stay on the subject. Once the OC spray took effect to the subject moments later, [redacted] released his hands and inspector [redacted] was able to transport him inside the facility. I remained outside the facility to help my team and get them safely back into the facility. Inspector [redacted] escorted the subject into the facility. The subject [redacted] was never handcuffed outside the facility.

The subject received decontamination treatment and water from Inspector [redacted] and Inspector [redacted] EMS services were contacted to treat the subject (at his request), and EMS transported the subject (at his request) to the hospital but refused to provide which facility they were traveling to.

No injuries to the subject were observed and the result of the OC dispersal was to stop the individual from resisting and fighting federal officers, and to allow the subject to be restrained. There are supplemental reports stating additional facts and custody action that I wasn't present for.

The subject received the following violations:

41 CFR 102-74-390 (C) Impeding or disrupting the performance of official duties of a government employee.

41 CFR 102-74-385 Failure to comply with lawful order and directions of a federal police officer.

CASE STATUS:

Forward to IB for Follow up and AUSA possible prosecution actions.

///////End of Report by [redacted] R511//////

The following Support Narrative was entered by [redacted] last modified on 08/10/2025.

On August 9th, 2025, at approximately 0052 hours, while on duty in full uniform at the Immigration & Customs Enforcement (ICE) facility located at 4310 S Macadam Ave Portland, OR FPS Inspectors on [redacted] were conducting a push to escort vehicles exiting the federal facility containing both FPS Inspectors from Bravo Shift, and ICE Special Response Team (SRT) members.

While vehicles were attempting to exit the federal facility, I observed an UNKNOWN female demonstrator wearing all black long sleeve shirt, and black pants with a painter's mask with pink filters leap in front of one of the vehicles in the convoy exiting the federal facility. The UNKNOWN female demonstrator obstructed the path of the vehicles in the convoy which actions brought all the movements of a vehicles to a complete stop. The UNKNOWN female demonstrator actions impeded on the movement of the vehicles as well as obstruct a public roadway becoming a hazard to traffic of moving vehicles in the area.

The UNKNOWN male SUBJECT later identified as [redacted] (SUBJECT) began to impede on the attempted arrest of the UNKNOWN female demonstrator by several Inspectors by grabbing one of the Inspectors by the arm and aggressively pulling the Inspector away and pushing the Inspector eventually leading the Inspector and the SUBJECT to lose balance and fall onto the ground. I rushed to the scene to create distance from other approaching demonstrators, and to detain the SUBJECT, after detainment was safe and successful the SUBJECT was escorted to the ICE Detention Center where the SUBJECT was provided water and rendered aid in order to mitigate the effects of the MK-9 deployment due to the excessive active resistance of the SUBJECT's actions during his arrest. The successful deployment of the pepper ball system for area saturation of the scene to prevent more demonstrators from obstructing the arrest of the SUBJECT who attempted to assault the original Inspector as well as impede on the attempted arrest of the UNKNOWN female demonstrator. SUBJECT was cited and released to AMR medical transport upon SUBJECT's request for further medical attention. AMR medical transport was escorted off federal property via push by Inspectors for a safe departure to the local hospital for SUBJECT's additional care.

//////////Beginning of Report by [redacted](11P1460)/////////

CASE NUMBER: F25032494

ASSISTING OFFICERS:

[redacted] Inspector (Assistant Team Lead) – FPS

[redacted] TPD Commander – FPS

[redacted] Inspector – FPS

[redacted] Inspector – FPS

[redacted] Inspector – FPS

[redacted] Inspector – FPS

Immigration Custom Enforcement (ICE) Enforcement and Removal Operations (ERO) Special Response Teams (SRT).

INVOLVED PERSONS:

[redacted]

SOURCE:

On Wednesday, August 27, 2025, at approximately 2330 hours, I, Inspector [redacted](11P1460) was on duty, in full police uniform, fully identifying myself as a Federal Law Enforcement Specialist with the Federal Protective Service, Department of Homeland Security (FPS/DHS), per 40 United States Code, subsection 1315, in the City of Portland, Oregon, for 'Operation Skip Jack Portland-2025,' at the Lindquist Building (Portland ICE Building), located at 4310 SW Macadam Avenue, Portland, Oregon 97239-4222. This facility is under proprietary jurisdiction subject to both state and federal laws.

OBSERVATION/INVESTIGATION:

Throughout the day and evening, I observed demonstrators block the driveway, create unusual/unreasonable noise, throw debris/rubbish in the driveway and at the facility, and fail to comply with the lawful orders of federal officers. This occurred on and off federal property. The demonstrators were "blocked up" with helmets, gas masks, black clotting and face coverings, cameras, and other miscellaneous items.

At 2251 FPS opened the vehicle access gate to let a vehicle out the facility. During this timeframe, I, observed the SUBJECT Later to be identified as [redacted] standing in the middle of the driveway on federal property at the ICE Facility at 4310 SW Macadam Avenue, Portland, Oregon 97239-4222. I gave multiple verbal

Highly Confidential OREGON_DEFS_00000736

commands to [redacted] to "Move off of federal property to clear the driveway." [redacted] complied to my command and moved; however, he then verbally assaulted me by yelling, "HOUSE NIGGER!", "A RACE TRAITER!", "COON!" and "SORRY NIGGER!" directly in my face. At this time Probable Cause had been established to arrest the [redacted] for Disorderly Conduct II (ORS 166.025), and multiple 41 CFR violations.

At 2330 hours, FPS opened the vehicle access gate, officers walked in a loose line formation in an attempt to move protesters from the front of the ICE facility to allow for vehicular traffic out of the facility and roadway. During this timeframe, I, observed SUBJECT/[redacted] sitting on the wall at the end of driveway on federal property I gave multiple hand and arm signals along with verbal commands to [redacted] to "Move off of federal property to clear the driveway." [redacted] did not comply to my command refusing to leave. At approximately 2331 hours, based on [redacted] actions, probable cause was established to detain him for violating 41CFR 102-74.385 Failure to comply with the directions of a law enforcement officer. I removed [redacted] speaker from government property and [redacted] moved forward. At this time, I attempted to grab [redacted] left arm to preform an arm bar take down. [redacted] then lunged right to escape my grap, at which time I adjusted and went for an under-hook on his right arm with my right arm and my left arm around his upper chest taking [redacted] to the ground. Once on the ground Inspector [redacted] assisted me in gaining control of [redacted] then bringing him to his feet, we placed him in an escort position and brought him inside the facility. [redacted] then began to degrade us by continually yelling at us, calling us "MODERN DAY SLAVE CATCHER!", "POOR EXCUSES FOR NIGGERS!" and "RACE TRADERS!".

I placed [redacted] in handcuffs and searched him in the ICE facility's Sally Port for weapons and contraband with negative findings. [redacted] demonstrated aggressive, behavior by verbally called Insp. [redacted] and I "COONS" and "House NIGGERS". Additionally, [redacted] Was uncooperative, he would not provide his personal information for processing making the processing officers get his personal information out of his wallet. [redacted] did not have an identification card with a picture but had his social security card in his wallet. [redacted] was then escorted to the holding cell for processing. At approximately 1145 hours, American Medical Response (AMR) responded to the ICE facility due to [redacted] requesting for medical attention for lower back pains and headache. At 0012 hours, [redacted] was cited for violating 41CFR 102-74.385 Failure to comply with the directions of a law enforcement officer. At approximately 0013 hours, [redacted] departed with AMR to the hospital for further evaluation.

CUSTODY/BOOKING:

I requested FPS/Denver Mega Center (DMC) to perform a National Crime Information Center/National Law Enforcement Telecommunications System (NCIC/NLETS) check using the subject's name, date of birth, and social security number, which returned valid with no outstanding warrants. I issued [redacted] a citation, United States District Court Violation Notice # E1763420, which required a mandatary court appearance for violating 41 CFR 102-74.385, Conformity with Official Signs and Directions. When asked to sign the citation he signed it by writing "FUCK ICE".

Highly Confidential
OREGON_DEFS_00000737

Additional Report

At 0012 hours, the [redacted] was released and transported from the ICE facility by AMR #712, with no further incident. I advise FPF/DMC of the disposition and provided the citation number.

I, Inspector [redacted] certify under penalty of perjury that this statement is true and accurate to the best of my remembrance. August 28, 2025, at 0012 hours PST.

The foregoing statement is based upon:

Subject: [redacted]

Subject: [redacted]

The Participant was injured.

08/27/2025: D: 0001-2400: OR6732: 4310 SW Macadam Avenue, Portland, OR 97239-4222: Demonstration:

On Wednesday, August 27th, 2025, between 0001 to 2400 hours Pacific Time, while on duty performing uniformed civil disobedience operations for Operation Skip Jack, as an FPS Law Enforcement Specialist of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS) under 40 U.S. Code § 1315 authority.

This deployment is part of an enhanced federal security posture in response to civil unrest and targeted acts of aggression toward federal personnel and property, and to ensure the continuity of ICE operations at the Portland ICE Facility, located at 4310 S. Macadam Avenue, in Portland, Oregon 97239.

The Commander's Intent is to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission includes the detention of any individual attempting to damage or breach federal property, assault officers, or engage in riotous conduct.

The following was reported to me as the Deputy Incident Commander (DIC)/Senior Inspector, [redacted] (2P286).

(29) FPS Law Enforcement Personnel, to include (20) Law Enforcement Specialists (Inspectors), three (3) Supervisory Law Enforcement Specialists, four (4) Special Agents, and two (2) Training and Professional Development (TPD) of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS), and (14) Immigration and Customs Enforcement (ICE), Special Response Teams (SRT) are posted at the Portland ICE Facility with an emphasis on

Highly Confidential OREGON_DEFS_00000741

protecting this Portland ICE Federal Facility due to the history of vandalism, property damage, civil disobedience, and general threat(s) toward this and other Federal facilities within Downtown Portland.

The following FPS Federal Law Enforcement Officers supported on this date, time, and location:

Incident Command Team: (1400-0100):

1. Incident Commander/DRD Cantu, Roberto, 10V2
2. Deputy Incident Commander (DIC)/ Senior Inspector, [redacted] 2P286).
3. FPS-TPD Branch Chief, [redacted], HV22
4. FPS-TPD-Senior Instructor, [redacted] HV731
5. Area Commander/Advisor, [redacted] 7V-16

Team Alpha: (0500-1500 Hours):

• At approximately 1432 hours, one 'Legal Observer' with green baseball hat was observed filming FPS & ICE personnel entering and/or departing the Portland ICE Facility.

• At approximately 1435 hours, FPS Bravo Team arrived on site, and relieved FPS Alpha Team.

• At approximately 1440 hours, Special Agent [redacted] requested the IC/DIC, that upon Subject [redacted] arrives on property it be documented. In addition, that if [redacted] comes on Federal property, Special Agents be contacted. SA [redacted] informed they would be pursuing to get a Federal Arrest Warrant for Violation of Pre-Trial Requirements.

• Between 1500-1530 hours, there were about 08 peaceful protesters off Federal property with two (2) of them being confrontational and yelling obscenities towards FPS & ICE personnel that entered and/or departed the premises. FPS Teams are out of site away from protester's viewpoint.

• Construction activities took place on Bancroft in front of the driveway for fiber optic installation. Operations and traffic flow (both incoming and outgoing) were delayed. The work is expected to be completed by 1600 hours.

• At approximately 1837 hours, FPS IC/DIC were informed of an arrest warrant, issued by The Honorable [redacted] U.S. Magistrate Judge for [redacted]

Bond Conditions Imposed Included:

The defendant shall not be present within the following geographic area surrounding the Immigration and Customs Enforcement Building (ICE) in Portland, Oregon, defined as the area bounded by South Gaines Street to

the North; Interstate 5 to the West; Southwest Hamilton Court to the South; and the Willamette River to the East.

Nature of Noncompliance

Highly Confidential
OREGON_DEFS_00000744

The defendant violated her conditions by entering the prohibited boundaries of the Immigration and Customs Enforcement building.

• At approximately 1840 hours, FPS Team Leads were informed of an arrest warrant, petitioned by The Honorable [redacted] U.S. Magistrate Judge for [redacted]

• At approximately 1846 hours, 10G172 reported Subject [redacted] to be across from the driveway entrance, wearing a purple skirt, blue shirt, multicolor striped backpack.

• At approximately 1905 hours, 10G172 observed Subject [redacted] pacing back and forth on the ICE driveway entrance.

• At approximately 1915 hours, 10G172 advised Subject [redacted] s halfway to the driveway.

• At about 1916 hours, FPS Teams Bravo and Charlie conducted a successful targeted arrest, for Subject [redacted] for a Federal Arrest Warrant.

• At approximately 1920 hours, Bravo Team Lead (TL) informed that SUBJECT [redacted] was detained, resisted arrest, and continued to be confrontational and belligerent. Bravo [redacted] informed that while escorting Subject [redacted] to the processing station she kicked FPS Inspector [redacted] 3P1531 on his right leg. Inspector informed he will prepare a CA1.

• At approximately 1930 hours, FPS Inspector(s) assigned to the processing and booking observed SUBJECT [redacted] under the bench in the holding cell. When approached, FPS Inspectors observed writing on the wall, and what seemed to be handprints. (Statements will be attached to LIEMS report)

• At approximately 1941 hours, Bravo [redacted] informed SUBJECT [redacted] had cut herself on the left forearm.

Highly Confidential
OREGON_DEFS_00000745

• At 1948 hours FPS Conducted a follow up with DMC, operator reported to be online with EMS. FPS Inspector [redacted] 2P286 informed that ERO/EMS Officer [redacted] D010295 applied a torniquet.

• At 1949 hours FPS conducted a follow up with DMC, operator reported they are still online awaiting response from EMS.

• At 1950 hours, torniquet was removed by ERO/EMS Officer.

• At 1959 hours, 10P560 requested ETA for EMS, otherwise SUBJECT [redacted] will have to be taken to the hospital. Operator D286 calling EMS.

• At 1952 hours, DMC operator informed EMS was dispatched.

• At 1952 hours, LRAD warning was provided to clear the driveway entrance.

• At 1957 hours, transport vehicle for SUBJECT [redacted] was staged for transport to medical institution.

• At 1959 hours, Inspector [redacted] 10P560 requested ETA for EMS, informing that otherwise SUBJECT [redacted] will have to be taken to the hospital.

• At 2006 hours, SRT ERO/EMS advises that SUBJECT [redacted] is stable, and she will be able to be transported when EMS arrives.

• At 2011 hours, EMS arrived at the facility.

Highly Confidential
OREGON_DEFS_00000746

Additional Report

• At 2021 hours, EMS departed with SUBJECT [redacted] Inspector [redacted] 4P1621 accompanied in the ambulance to Portland VA Medical Center. Inspectors [redacted] 4P1602 and Inspector [redacted] 4P1631 escorted the ambulance.

• At approximately 2031 hours, Ambulance arrived at Portland VA Medical Clinic.

• Inspector [redacted] 4P1621 and [redacted] 10P560 are still at Portland VA Medical Center, due to Subject [redacted] being admitted for the psychological evaluation.

• At 2331 hours, Subject [redacted] for violation of 41 CFR 102-74.385, "Conformity with Signs and Directions."

• At approximately 2345 hours, Portland EMS arrived on site and evaluated Subject [redacted]

• FPS issued CVB Citation# E1763420 for violation of 41 CFR 102-74.385, "Conformity with Signs and Directions," with a Mandatory Court Appearance.

• At approximately 0012 hours, EMS departed with Subject [redacted] of head, back, and dizziness. However, FPS did not utilize Use of Force.

• At approximately 0015 hours, ICE SRT conducted an Area SAT for Area Denial.

• Construction activities took place on Bancroft in front of the driveway for fiber optic installation. Operations and traffic flow (both incoming and outgoing) were delayed. Contractors arrived at approximately 0900 hours and is expected to be completed by 1600 hours

Highly Confidential
OREGON_DEFS_00000752

• At approximately 1150 hours, Protective Security Officers (PSOs) at the Immigration and Customs Enforcement (ICE) facility observed and identified a subject with green hair and green clothing standing at the corner of S. Bancroft Street and S. Moody Avenue. The subject was recognized as a previous offender at the ICE facility who had evaded arrest by Inspector Crofoot on 06.16.2025 Event # 25022305.

Inspectors [redacted] and [redacted] were notified and responded to the area. Before their arrival, the subject departed the location and was later encountered further down the road offsite by Inspector [redacted] The subject was stopped and subsequently arrested by Inspector [redacted] for resisting arrest and disorderly conduct related to the previous incident, utilizing local state criminal charges.

Following the arrest, the subject was briefly transported to the ICE facility by Federal Protective Service (FPS) Inspectors. The subject was then taken to the Edith Green Federal Building for further processing before being transported to the Multnomah County Jail for booking.

• At approximately 1400 hours, two protesters were observed filming and annotating vehicle registrations of FPS and ICE personnel entering and/or departing the Portland ICE Facility.

•At approximately 1439 hours, Federal Protective Service (FPS) Bravo Team arrived on-site and relieved FPS Alpha Team.

•At approximately 1444 hours, Inspector [redacted] (4P1621) witnessed a subject, identified as [redacted] walk toward the driveway while a vehicle was being let out of the gate. The subject shouted, "You guys are going to die," while making a gesture with his hand moving across his neck as if to mimic cutting his neck.

•At approximately 2140 hours, a protester, described as a [redacted] male wearing a black baseball cap, black shirt, black pants, and black sneakers, began dancing on the driveway located on Federal property. The protester then approached the gate.

•At approximately 2140 hours, FPS inspectors from Bravo Team issued verbal warnings. The individual ignored the warnings and remained on Federal property.

Highly Confidential
OREGON_DEFS_00000753

•At approximately 2142 hours, the ICE/SRT conducted an Area SAT

•At approximately 2143 hours three additional protesters came on property and removed the protester from Federal property.

•At approximately 2205 hours, a Long-Range Acoustic Device (LRAD) notice was issued to clear the driveway entrance.

•At approximately 2207 protesters cleared Federal property.

•Between 2330 and 2345 hours, approximately 13 peaceful protesters were observed off federal property, with two or three of them being confrontational and yelling obscenities toward FPS and ICE personnel entering or departing the premises. FPS teams remained out of sight and away from the protesters' viewpoint.

SOURCE:

On September 04, 2025, I was assigned to the Immigration Custom Enforcement (ICE) building located at 4310 South Macadam Avenue, Portland Oregon in support of Operation Skip Jack. We were deployed and assigned to the facility due to the recent damage to the facility by unknown demonstrators and acts of violence. This facility is under Proprietary Jurisdiction subject to local city, state, and federal laws.

OBSERVATION/INVESTIGATION

The damage consisted of damage to the vehicle entry gate, the front entrance (it was breached), graffiti on the facility, damage to the exterior Video Surveillance System (VSS) devices, and damage to the protective security officers exterior post facility. The demonstrators were also impeding Immigration Custom Enforcement from performing their daily duties while attempting to block all vehicles from traveling in or out of the facility. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government.

Thus far, local and federal facilities, as well as officers, have been targeted by demonstrators with the use of items including, but not limited to, impact weapons, powerful green lasers, rocks, homemade shields, helmets and bottles. Today, this was a continuation of such riotous and assaultive conduct by members of these groups.

During this day, FPS officers and I, while in complete duty uniform observed demonstrators present at the Immigration Custom Enforcement building located at 4310 South Macadam Avenue, Portland Oregon. During this time the demonstrators blocked the driveway for vehicles entering and exiting, yelling at officers and vehicles entering throughout the day. [redacted] was east of the facility at the trolley stop. [redacted] was observed on camera throwing what appeared to be rocks at the exterior Protective Security Officer (PSO). Other FPS inspectors and I approached the east fence and verbally told [redacted] to stop throwing objects at the facility.

[redacted] continued to throw objects at the east wall of the PSO Exterior Post Building.

CUSTODY/BOOKING:

At approximately 1620 hours, while staged on federal property (within the entry gate) located at the Immigration Custom Enforcement building located at 4310 South Macadam Avenue, Portland Oregon, protesters were scattered in front of the driveway and east bound down SW Bancroft Ave. [redacted] was at the trolly stop east of the facility

Highly Confidential OREGON_DEFS_00000758

throwing objects that appeared to be rocks at the PSO Exterior Post Building. When advised by myself to stop throwing objects at the facility. [redacted] again picked up objects from the ground and threw them at the facility. This gave Probable Cause to arrest for 41 CFR 102-74.385 Failure to Comply with a Law Enforcement Officer.

At approximately 1623 hours I utilized my Pepperball Launching System (PLS) for approximately 1 short 5-6 round burst, approximately 20 to 30 yards away, at [redacted] at the trolly stop. The impacts of my PLS Live X rounds impacted just in front of [redacted] on the concrete creating an area of denial. Because of this area of denial, [redacted] left under his own power, not appearing to need medical attention and traveled east bound down Bancroft Ave.

At approximately 1642 hours, additional FPS Inspectors and I exited the East Pedestrian Gate to apprehend [redacted] We proceeded east down Bancroft Ave. approximately 50 yards to apprehend [redacted] was cooperative and complied immediately to the investigatory detention. All FPS Inspectors escorted [redacted] back to the ICE facility. A Search Incident to Arrest was completed, with nothing found on his person besides a lighter and a half smoked black and mild cigar. [redacted] was placed into the Detention Cell 1 till all information could be gathered and Citations could be written.

[redacted] came back clear of all wants and warrants, cited, and released at approximately 1753 hours.

CASE STATUS:

Citation #E1769747 was issued for 41 CFR 102-74.385 Failure to Comply with a Law Enforcement Officer.

85-09/04/2025: D: 0001-2400: OR6732: 4310 SW Macadam Avenue, Portland, OR 97239-4222: Demonstration:

On Wednesday, September 4th, 2025, between 0001 to 2400 hours Pacific Time, while on duty performing Public Order Policing operations for Operation Skip Jack, as an FPS Law Enforcement Specialist of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS) under 40 U.S. Code § 1315 authority.

This deployment is part of an enhanced federal security posture in response to civil unrest and targeted acts of aggression toward federal personnel and property, and to ensure the continuity of ICE operations at the Portland ICE Facility, located at 4310 S. Macadam Avenue, in Portland, Oregon 97239.

The Commander's Intent is to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission includes the detention of any individual attempting to damage or breach federal property, assault officers, or engage in riotous conduct.

The following was reported to me as the Deputy Incident Commander (DIC)/Senior Inspector, [redacted] (2P286).

(27) FPS Law Enforcement Personnel, to include (19) Law Enforcement Specialists (Inspectors), three (3) Supervisory Law Enforcement Specialists, four (3) Special Agents, and two (2) Training and Professional Development (TPD) of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS), and (20) Immigration and Customs Enforcement (ICE), Special Response Teams (SRT) are posted at the Portland ICE Facility with an emphasis on protecting this Portland ICE Federal Facility due to the history of vandalism, property damage, civil disobedience, and general threat(s) toward this and other Federal facilities within Downtown Portland.

The following FPS Federal Law Enforcement Officers supported on this date, time, and location:

Incident Command Team: (1400-0100):

Highly Confidential OREGON_DEFS_00000767

1. Incident Commander/Turner, William 10V14 A-DC
2. Deputy Incident Commander (DIC)/Sr. Inspector, [redacted] (2P286).

3. [redacted] 4I2

• At approximately 0441 hours, FPS Alpha Team arrived on site and relieved FPS Charlie Team.

• At approximately 1034 hours, there were 8 legal observers on Bancroft present, monitoring Federal Protective Service (FPS) and U.S. Immigration and Customs Enforcement (ICE) vehicles entering or exiting the Portland ICE Facility and communicating with others on civilian radio channel.

• At approximately 1034 hours, Bravo Team member 3P1531 requested vehicle information for a vehicle observed at both the ICE facility and the TownePlace Suites in Vancouver, WA. The vehicle was identified as a 2014 Honda CR-V.

Highly Confidential
OREGON_DEFS_00000769

The vehicle is registered to [redacted] residing at [redacted]

• At approximately 1159 hours, female subject was observed affixing paper to the guard shack with glue. Alpha Team issued a verbal warning. The subject, was described as wearing a black top and blue pants, departed to the east and off Federal property

• At approximately 1504 hours, Bravo Team member 1P1677 advised of a drone, observed on the west side of the facility and flying over the parking garage. Bravo Team member 2P1110 reported the subject was observed at the trolley stop with a controller in his hands while the drone was in flight. The subject was described as a [redacted] male in his [redacted], approximately [redacted] tall, weighing [redacted] pounds, wearing black shorts, a black shirt, and loafers.

• At approximately 1507 hours, Bravo Team members 2P1110 and 11P1460 detained SUBJECT, [redacted] for violation of 14 CFR §§ 91.137–91.145 (Temporary Flight Restrictions). The individual was escorted to the processing station. The individual actively resisted, yelling and cursing, and then spat in the face of Bravo Team member 11P1460. An FPS Special Agent conducted an interview. The USAO was consulted regarding the case, and the subject was arrested for violation of 18 U.S.C. § 111 (Assaulting, resisting, or impeding certain officers or employees) The subject was transported to the Multnomah County Detention Center.

• At approximately hours, Bravo team member 11P1460 was transported to the VA hospital for medical attention.

• At approximately 1633 hours, a protester, identified as SUBJECT, [redacted] was observed throwing rocks toward the guard shack. The subject was given a verbal warning. Bravo Team member 5P802 advised that Pepperball Launching System (PLS) was deployed toward the subject. No injuries to protesters or officers were reported. The subject was detained, and CVB notices were issued for violations of 41 CFR 102-74.380(b) (Preservation of Property), Violation Notice E1769746, and 41 CFR 102-74.385 (Conformity with Signs and Directions), Violation Notice E1769747. The individual was released on their own recognizance.

• At approximately 2201 hours, a [redacted] male wearing a short-sleeve black shirt, black pants, and brown shoes was observed shining a high-powered strobe light at the top of the driveway on the right side.

Highly Confidential
OREGON_DEFS_00000770

• Between 2300 and 2359 hours, there were approximately four (4) at the trolley stop, six (6) at Moody and Bancroft, and nine to ten (9-10) at the driveway entrance.

On September 5th, 2025, I, Law Enforcement Specialist (LES), Inspector [redacted] FPS Badge 6P1452, was deployed to the U.S. Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam Avenue, Portland, Oregon. This deployment was part of an enhanced Federal security posture in response to civil unrest and targeted acts of aggression toward Federal personnel and property.

The Commander's Intent was to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission included the detention of any individual attempting to damage or breach federal property, assault officers, or engage in riotous conduct.

On September 5th, 2025, at approximately 1145 hours, while exercising my duties as a law enforcement specialist in full uniform at the Immigration and Customs Enforcement (ICE) facility located at 4310 S. Macadam Ave, Portland, Oregon 97204, I Inspector [redacted] (6P1452) acknowledged a radio transmission to Denver Mega Center (DMC), from PSO [redacted] regarding his observation of a SUBJECT, later to be identified as [redacted] urinating in shrub bushes alongside the Northwest corner of the ICE facility.

On September 5th, at approximately 1205, [redacted] reported [redacted] walked around to the northside of the building off property on the sidewalk before he started to walk clockwise on the east side of the building, along the railroad tracks down to the Tesla building. [redacted] further stated that [redacted] turned around and began walking counterclockwise back to the northside curb where he had come from. I contacted Area Commander [redacted] to determine if he wanted [redacted] to be taken into custody and was informed to take [redacted] into custody where he would be cited for his lewd act and released. Upon further clarification, [redacted] stated a verbal warning would be sufficient as long as [redacted] was compliant and was not determined to be a threat. Inspectors [redacted] and me responded to the northside curb adjacent to South Bancroft Street and approached [redacted] regarding his lewd act of urinating alongside the ICE building. [redacted] was given a verbal warning by Inspector [redacted] which he acknowledged and agreed to depart the area stating he was going for a run. Inspectors observed [redacted] run west bound adjacent to South Bancroft St. as he stated he would do and at times almost running into oncoming traffic.

On September 5th, 2025, at approximately 1220 hours, [redacted] reported [redacted] had run counterclockwise around the entire ICE facility and had returned to the northside curb along South Bancroft St.

Highly Confidential OREGON_DEFS_00000774

Additional Report

On September 5th, at approximately 1235-hour, FPS Regional Inspectors [redacted] and [redacted] responded at South Bancroft St. and apprehended [redacted] for his previous lewd act of urinating on the ICE facility on the northwest side of the building.

On September at approximately 1238 hours, [redacted] escorted [redacted] inside the front gate of the ICE facility, at which time Inspector [redacted] took custody of [redacted] and escorted him to the ICE detention sally port for intake processing, and I met with him to assist. I removed the property [redacted] had on his person and placed it in the designated mail bins. [redacted] attempted to identify [redacted] by asking him his name and date of birth, but [redacted] failed to comply and did not provide the requested information. I attempted to search for [redacted] name inside the property I removed from his person with negative results. During this time, I observed what appeared to be a crystal methamphetamine rock approximately ½ inch in size, in a small black storage pouch containing drug paraphernalia. Regional Inspector [redacted] entered the Sally Port to offer assistance, at which time he offered to field test the alleged meth rock which ended with negative results. [redacted] and I escorted [redacted] inside the detention center for further processing, at which time I took booking photos. [redacted] was escorted and placed inside detention cell #3 by [redacted] and me. FPS requested the assistance from ICE agents in order to identify [redacted]

On September 5th, at approximately 1350, Supervisory Detention Deportation Officer (SDDO), [redacted] and her team arrived at the processing center to obtain fingerprints images from [redacted] at which time he was asked if he had any injuries that would prevent his fingerprints from being taken. [redacted] stated he had broken his right arm in the past but declined medical attention. [redacted] fingerprints were captured, which revealed a positive name identification of [redacted]

On September 5th, 2025, at approximately 1437 hours, [redacted] was cited by me for 41 CFR 102.74.380, Preservation of Property, for committing a lewd public act of urinating on the side of the ICE facility. [redacted] acknowledged and signed the citation and was escorted by me out the front gate and released off property, on his own cognizance.

On September 6th, 2025, at approximately 1003, FPS requested NCIC background history on [redacted] at which time DMC provided the NCIC background and event log regarding the incident with [redacted]

DMC was advised of the final disposition for this incident by Inspector [redacted] Nothing further to report.

///NARRATIVE OF INSPECTOR [redacted] - 3P1531///

FPS CASE NUMBER: F25100179040

ASSISTING OFFICERS:

FPS Inspector [redacted]

SOURCE:

On September 7, 2025, I, FPS Inspector [redacted] Badge 3P1531, was deployed to the U.S. Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam Avenue, Portland, Oregon in support of Operation Skipjack. This deployment was part of an enhanced federal security posture in response to civil unrest and targeted acts of aggression toward federal personnel and property.

At approximately 0057 hours, I was assigned to Bravo Team as a Law Enforcement Specialist. I was in full Federal Protective Service (FPS) police uniform, clearly identifying me as a Federal Law Enforcement Officer, in accordance with 40 U.S.C. § 1315.

OBSERVATION/INVESTIGATION:

At approximately 0054 hours on September 7, 2025, Protective Security Officer (PSO) 10G172 reported that a regular counter-protestor, as [redacted] later fully identified as [redacted] was located on federal property after Long Range Acoustic Device (LRAD) warnings had been given. Branch Chief [redacted] (HV22) advised Bravo and Charlie Teams to prepare to execute a targeted arrest of [redacted] for failing to comply with the directions of a law enforcement officer.

Highly Confidential OREGON_DEFS_00000784

Additional Report

At approximately 0055 hours, Branch Chief [redacted] requested the exact location of [redacted] PSO 10G172 provided an update stating that [redacted] was located on the west side, directly in front on the entrance to the main gate.

I observed [redacted] sitting on the west side directly in front of the entrance to the main gate. I observed him wearing grey sweatpants, a black long-sleeve shirt, and black shoes. I determined there was probable cause to arrest [redacted] under 41 Code of Federal Regulations (CFR) 102-74.385 – failing to comply with directions of a law enforcement officer.

CUSTODY/BOOKING:

At approximately 0057 hours, I observed [redacted] seated on federal property. Inspector [redacted] (1677) and I approached [redacted] and placed him in custody. We then escorted him to the sallyport and entered at approximately 0057 hours.

After entering the sallyport, I conducted a search incident to arrest (SIA) of [redacted] at approximately 0058 hours. No weapons, evidence, or means of escape were located. At approximately 0059 hours, I escorted [redacted] to the benches in the sallyport. Following the SIA, processing photographs were taken at approximately 0102 hours. [redacted] was then placed into holding cell #1. At approximately 0116 hours, he was escorted from holding cell #1 and issued Central Violations Bureau (CVB) notice #9393721 for 41 Code of Federal Regulations (CFR) 102-74.385 – failing to comply with directions of a law enforcement officer. [redacted] signed the citation without incident and was released from custody at approximately 0118 hours.

CASE STATUS:

Closed by cite and release.

OREGON_DEFS_00000803

At approximately 0034 hours: FPS advised that all Bravo units had departed the facility for temporary lodging.

At approximately 0109 hours: PSO 10G172 advised that all protestors had left eastbound on Bancroft.

At approximately 0454 hours: 8V11 FPS advised that Alpha Team had arrived on location and was in service.

At approximately 1115 hours: PSO 10G172 reported one protestor on the sidewalk off federal property wearing a sign that said, "No Justice, No Peace." The individual was not impeding federal operations.

At approximately 1151 hours: 8V11 FPS advised that Alpha Team was Code 4.

At approximately 1217 hours: PSO 10G172 reported one protestor in front of the building, off property, who was not impeding federal operations.

At approximately 1414 hours: Bravo Team arrived on location. Five (5) protestors ran toward the gate as Bravo Team entered, screaming and recording with their cellphones.

At approximately 1550 hours: PPB (Portland Police Bureau) called and informed the Incident Commander (I/C) of a possible active shooter threat during the vigil that night. Team Leads (TLs) were informed, and the information was disseminated to inspectors. The ICE Special Response Team (SRT) was also notified.

At approximately 1702 hours: PPB called and informed the I/C that the post about the active shooter threat had been taken down from the site. However, protestors had been sending out calls for additional assistance to protect their camp.

At approximately 1755 hours: FPS advised that four (4) protestors were across from the main entrance, off federal property.

Highly Confidential
OREGON_DEFS_00000804

At approximately 1900 hours: While Charlie Team entered the facility, approximately 25 protestors approached the driveway, attempting to impede traffic.

At approximately 1905 hours: An LRAD warning was issued to instruct protestors to stay off federal property and stop blocking the driveway.

At approximately 1912 hours: Approximately 12 protestors were standing in the driveway. They received multiple verbal warnings but refused to comply. ICE/SRT deployed PLS as aerial denial. One (1) protestor was detained for failure to comply.

At approximately 1924 hours: 1P409 requested a query from DMC on SUBJECT, identified as [redacted] for failure to comply with a lawful order. SUBJECT's details were as follows: [redacted]

At approximately 1928 hours: DMC returned the following results: SUBJECT was clear in NCIC, and DQ confirmed a valid Oregon driver's license until [redacted] with the last known address listed as [redacted]

At approximately 2000 hours: FPS advised that the subject was cited and released. Citation number: E1769749.

At approximately 2023 hours: Approximately 23 protestors were blocking the entrance to the property.

At approximately 2040 hours: About 10 individuals wearing all black with masks were congregated near the entrance to the property.

At approximately 2041 hours: FPS issued multiple verbal warnings instructing all protestors to stay off federal property.

Highly Confidential
OREGON_DEFS_00000805

At approximately 2045 hours: An LRAD warning was issued to instruct protestors to stay off federal property and stop blocking the driveway.

At approximately 2101 hours: ICE/SRT deployed PLS as aerial denial to force protestors off federal property.

At approximately 2109 hours: Protestors were observed lighting fireworks at the corner of Bancroft.

At approximately 2110 hours: 10V5 advised that demonstrators were lighting fireworks in front of the facility.

At approximately 2110 hours: 10G172 advised that demonstrators were burning American flags in front of the facility.

At approximately 2115 hours: 6P1656 advised that the [redacted] male subject who was previously on the wall was now at the southeast side of the facility taking photos of the facility.

At approximately 2144 hours: 10G172 advised there were nine (9) protestors blocking the driveway.

At approximately 2224 hours: 10V172 advised that there was a protestor with an umbrella who entered and exited federal property.

At approximately 2229 hours: 11P1510 advised that a protestor was burning a flag on the driveway on federal property.

At approximately 2241 hours: 10G172 advised there was a group of five (5) protestors on the east side of the facility.

Highly Confidential
OREGON_DEFS_00000806

At approximately 2253 hours: 10G172 advised there were three (3) protestors at the east fence.

At approximately 2306 hours: 6P1656 advised that there was a protestor across the road in front of the driveway holding an object that resembled a katana sword.

At approximately 2350 hours: Approximately 20 protestors were blocking the driveway. They received multiple verbal warnings. One (1) protestor was detained for preservation of property (41 CFR 102-72.380). Two inspectors deployed PLS for aerial dispersal, and one inspector deployed MK9. During the process, 11P1510 lost his government-issued phone (GOV phone).

At approximately 2356 hours: approximately 25 protestors were blocking the driveway.

On September 13, 2025, I, Inspector [redacted] FPS Badge 7P1585, was assigned to the U.S. Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam Avenue, Portland, Oregon. I was in full Federal Protective Service (FPS) police uniform, clearly identifying myself as a federal law enforcement officer, in accordance with 40 U.S.C. § 1315.

At approximately 2229 hours, a SUBJECT, later identified as [redacted] was observed on Video Surveillance System (VSS) coming onto the driveway to light what was reported as the Protective Security Officer (PSO) as an American flag. This information was relayed to Denver MegaCenter (DMC). SUBJECT [redacted] was dressed in all black, with black tennis shoes, white socks and a pink mask, resembling what a painter would wear to avoid breathing in the fumes, holding a black umbrella in an attempt to further conceal her identity. After setting the fire, SUBJECT [redacted] returned to a group of unidentified individuals, all dressed identically, with exception of the shoes and socks, they were all wearing boots which made us unable to determine sock color. We had the PSO periodically check on her because we knew we had to do a push when ICE Special Response Team (SRT) left and if the opportunity presented, Inspector [redacted] and I, being the runners, were going to arrest her.

At approximately 2340 hours, Bravo and Charlie Teams lined up in the driveway in order to make a push (where a team or teams go outside the gate and clear the driveway and intersection in order to facilitate an expedient departure of vehicular traffic) due to ICE SRT leaving. When we pushed out, Inspector [redacted] and I remained near each other on the right side of the formation. As we neared the end of the driveway, protestors approached the teams, and I began to look for the shoes. I spotted the group all wearing pink filtered respirators. After a few moments, I spotted SUBJECT [redacted] shoes and alerted Inspector [redacted] by nudging him and pointing. A protestor to my right noticed and said, "What are you pointing at pig?!". I looked at the protestor for a second and as I was turning back to look at SUBJECT [redacted] and Inspector [redacted] had just taken off running to grab her. I quickly followed behind, running behind a group and back towards our team. I noticed SUBJECT [redacted] was on the ground with several protestors trying to pull her. I got on top of SUBJECT [redacted] wrapping my arms around her waist in an attempt to stop the protestors from dragging her away but we were still dragged a couple of feet. It was this incident that resulted in both of my knees being scaped as well as my right ring finger. Our team then rushed forward pushing protestors away from us using riot shields, pepper spray and pepper spray launchers. Enough protestors moved back, and Inspector [redacted] and I were able to detain SUBJECT [redacted] and get her away from the group. We grabbed SUBJECT [redacted] under both arms as she went limp in an attempt to make it harder for us to carry her. Inspector [redacted] and I were able to get her into the sally port where she was searched and placed in a holding cell. SUBJECT [redacted] provided her full name and date of birth, and the information was relayed to DMC to run her through NCIC for wants and warrants. SUBJECT [redacted] came back clear federally and locally. I verified her residence address in NCIC for accuracy, she confirmed it was. I then filled out a CVB Citation and then she was released. I issued CVB #9393722 for 41 CFR 102-74.380(a) improperly disposing of rubbish on federal property. I explained that there was not a fine, it would be a

Highly Confidential OREGON_DEFS_00000813

mandatory court appearance. I further explained that the court would send her notice in the mail, which is why it was important that her address is correct, because if she doesn't appear, a warrant can be issued for her appearance. She again stated her address was correct. I asked if she would sign the citation, she said yes and signed the citation. I asked if she had any questions regarding the citation, she answered no. She was then given back her property and I escorted her out of the pedestrian gate to the East of the sally port. I then radioed to DMC that she was escorted off property.

On Friday, September 13, 2025, at approximately 2345 hours, I, Inspector [redacted] (11B1510) was on duty, in full police uniform, fully identifying myself as Federal Law Enforcement Specialist with the Federal Protective Service, Department of Homeland Security (FPS/DHS), per 40 United States Code, subsection 1315, in the City of Portland, Oregon, for 'Operation Skip Jack Portland-2025,' at the Lindquist Building (Portland ICE Building), located at 4310 SW Macadam Avenue, Portland, Oregon 97239-4222.

The Commander's Intent was to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission included the detention of any individual attempting to damage or breach of federal property, assault officers, or engage in riotous conduct.

At 2345 hours, FPS opened the vehicle access gate to let the SRT vehicles out the facility. I lined up to clear the protesters out the way of the driveway. During this timeframe a lawful arrest was being conducted. While protecting the FPS arrest team from protesters impeding the arrest; my Black Government Iphone 12 was knocked off my duty vest laying in the street on Bancroft Street. Once the apprehension was made a SUBJECT/UNKOWN, F25100182600 wearing a black hoodie, black pants, and pink gas mask, gender not known picked up the Iphone and ran away into the crowd.

Stolen Item:

-Black Iphone 12 Serial# [redacted] Price: $699.99

- Black Otter box case

Subject: [redacted]

95-09/14/2025: D: 0001-2400: OR6732: 4310 SW Macadam Avenue, Portland, OR 97239-4222: Demonstration:

On Sunday, September 14th, 2025, between 0001 to 2400 hours Pacific Time, while on duty performing Public Order Policing operations for Operation Skip Jack, as an FPS Law Enforcement Specialist of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS) under 40 U.S. Code § 1315 authority.

This deployment is part of an enhanced federal security posture in response to civil unrest and targeted acts of aggression toward federal personnel and property, and to ensure the continuity of ICE operations at the Portland ICE Facility, located at 4310 S. Macadam Avenue, in Portland, Oregon 97239.

The Commander's Intent is to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission includes the detention of any individual attempting to damage or breach federal property, assault officers, or engage in riotous conduct.

The following was reported to me as the Deputy Incident Commander (DIC)/Inspector, [redacted] (2P1751).

(36) FPS Law Enforcement Personnel, to include (26) Law Enforcement Specialists (Inspectors), eight (7) Supervisory Law Enforcement Specialists, two (2) Special Agents, and one (1) Training and Professional Development (TPD) of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS), and ten (10) Immigration and Customs Enforcement (ICE), Special Response Teams (SRT) are posted at the Portland ICE Facility with an emphasis on

protecting this Portland ICE Federal Facility due to the history of vandalism, property damage, civil disobedience, and general threat(s) toward this and other Federal facilities within Downtown Portland.

The following FPS Federal Law Enforcement Officers supported on this date, time, and location:

Incident Command Team: (1400-0100):

1. Regional Asset Robert Cantu DRD 10V2
2. Regional Asset [redacted] 10V3

At approximately 0001 hours, 7P1585 requested a query from [redacted] on SUBJECT, identified as [redacted] charged for preservation of property. SUBJECT's details were as follows: [redacted]

At approximately 0001 hours, [redacted] returned results indicating the SUBJECT was clear in NCIC and Washington state, with a valid Washington driver's license (DQ) listing the last known address as [redacted]

At approximately 0003 hours, 6V16 reported that three inspectors deployed less-lethal force during the last push. The units and types of deployment were as follows: 10P1559 (Mk9), 2P1723 (Mk9), and 10P1521 (PLS).

At approximately 0027 hours, 10V5 advised that during the apprehension of the SUBJECT, a government-issued cellphone was lost.

Highly Confidential
OREGON_DEFS_00000827

At approximately 0039 hours, 7P1585 advised that SUBJECT was cited and released for preservation of property. Citation #9393722.

At approximately 0041 hours, 10G172 advised that approximately 20 protestors were outside the facility, and seven (7) approached the driveway carrying speakers.

At approximately 0044 hours, 10G172 advised that two protestors wearing black came up and wrote "100 Days" on the sidewalk off property.

At approximately 0103 hours, 10G172 advised that there were approximately 25 protestors close to the facility off property.

At approximately 0105 hours, 11P1510 reported a lost government-issued cellphone, described as an iPhone 12 with serial number [redacted] no owner-applied number or inventory tag number, blue in color, housed in a black OtterBox case, and free of cracks or stickers. The phone number associated with the device was [redacted] 11P1510 further advised that the phone was lost at approximately 0000 hours, but the call was disconnected.

At approximately 0151 hours, 11P1510 provided additional details, stating that the phone was lost during a push-out operation while assisting ICE/SRT. The phone, which had been attached to his vest, was knocked loose during the arrest of a SUBJECT. A protestor dressed in all black reportedly took possession of the phone and departed the property.

At approximately 0130 Bravo Team departed the facility and went out of service.

At approximately 0241 hours, 10G172 advised that there were currently zero (0) protestors outside the facility.

At approximately 0445 hours, 8V11 advised that Alpha Team arrived on location and was in service.

Highly Confidential
OREGON_DEFS_00000828

At approximately 1320 hours, approximately six protestors were seen at the camp adjacent to the federal building.

At approximately 1415 hours, Bravo Team arrived on location and was in service.

At approximately 1459 hours, 10G172 advised that there were nine (9) protestors in the area, with one (1) standing in front of the driveway.

At approximately 1611 hours, 10G172 advised that approximately four (4) protestors east of the building by the trolley stop, beating and dismembering a piñata presumably dressed up as an ICE agent.

At approximately 1615 hours, 10V2 and 10V14 attempted to contact PPB to establish communication but were unsuccessful.

At approximately 1632 hours, 10G172 advised that a [redacted]male was climbing on the wall at the side of the facility.

At approximately 1635 hours, four (4) FPS inspectors conducted a foot patrol around the perimeter of the facility.

At approximately 1637 hours, FPS advised that four (4) protestors were following the inspectors as they patrolled the facility.

At approximately 1750 hours, FPS advised that protestors were sitting on the east planter. Verbal warnings were issued instructing the protestors to leave federal property.

At approximately 1800 hours, FPS advised that a second verbal warning was issued instructing protestors to leave federal property.

Highly Confidential
OREGON_DEFS_00000829

At approximately 1813 hours, FPS advised that a third verbal warning was issued instructing protestors to leave federal property, and an LRAD warning was also issued at this time.

At approximately 1855 hours, 10V2 advised that rocks were being thrown at officers from the west side of the facility.

At approximately 1857 hours, FPS advised that they issued the sixth verbal warning instructing protestors to stay off federal property and to stop standing on the planter.

At approximately 1915 hours, FPS advised that several protestors were standing in the driveway.

At approximately 1925 hours, FPS advised that multiple protestors were sitting on the planter and refusing to comply with the verbal warnings issued.

At approximately 1927 hours, FPS detained two (2) protestors in front of the driveway. The first of which for failure to comply, and the second was taken into custody for interfering with law enforcement operations.

At approximately 1931 hours, 8P1720 advised that FPS deployed less-lethal 303 munitions against protestors who were interfering with law enforcement operations.

At approximately 1940 hours, FPS advised that protestors were using a public address (PA) system to issue verbal threats against law enforcement officers, stating that "people inside that building deserve death."

At approximately 1954 hours, FPS advised that one of the detained protestors was given a verbal warning not to interfere with law enforcement operations and was subsequently released.

Highly Confidential
OREGON_DEFS_00000830

At approximately 1955 hours, 1P1786 requested a query from DMC on SUBJECT. SUBJECT was further identified as [redacted] and was cited for failure to comply with a lawful order after being given multiple warnings to leave federal property. SUBJECT's details were as follows: [redacted]

At approximately 1956 hours, DMC returned results indicating that SUBJECT was clear in NCIC, SQW did not respond, and DQ confirmed a valid Oregon driver's license [redacted] until [redacted] with the last known address listed as [redacted]

At approximately 1958 hours, [redacted] returned results for QH, confirming that SUBJECT does not have an FBI Number.

At approximately 2024 hours, 11P1510 advised that SUBJECT was cited and released for failure to comply with lawful order. Citation number 9393723.

At approximately 2019 hours, PSO advised that approximately 23 protestors were across the street and an additional 15 were blocking the driveway.

At approximately 2033 hours, PSO advised that protestors were at the corner of Moodie and Bancroft, burning an object that appeared to be a flag.

At approximately 2118 hours, PSO advised that approximately ten (10) protestors were blocking the driveway and an addition 20 to 30 protestors were scattered in the area in front of the facility.

At approximately 2210 hours, PSO advised that there were seven (7) protestors next to the driveway and an addition ten (10) protestors across the road.

At approximately 2308 hours, FPS advised that approximately 35 protestors were blocking the driveway.

Highly Confidential
OREGON_DEFS_00000831

Additional Report

At approximately 2314 hours, PSO advised that multiple protestors were at the side of the facility attempting to look in the sally port.

Narrative Continuation

SOURCE: On September 28, 2025, I, Inspector M BRECH, FPS Badge 1723, was assigned to the U.S. Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam Avenue, Portland, Oregon. I was in full Federal Protective Service (FPS) police uniform, clearly identifying myself as a federal law enforcement officer, in accordance with 40 U.S.C. § 1315.

OBSERVATION/INVESTIGATION: At approximately 19:31 hours, I observed SUBJECT/[redacted] after being given verbal commands and hand gestures to "get back" and away from the driveway by FPS uniformed officer Inspector [redacted], deployed from the facility to allow government employees and uniformed officers in vehicles to enter and exit the driveway of the facility, refused to comply to lawful orders given, and move off property and away from the driveway. Multiple verbal orders were issued by officers before the deployment of personnel, including issuing three (3) Long-Range Acoustic Device (LRAD) warnings, instructing anyone obstructing the driveway to vacate the area/disperse/depart from federal property. Despite repeated orders given, [redacted] did not move from the area of the driveway to allow for vehicles to exit.

During the movement of personnel, Inspector [redacted] gave multiple verbal commands to [redacted] to get back and "clear the driveway". [redacted] did not comply with Inspector [redacted] commands to clear the driveway. Inspector [redacted] used his police shield to to push [redacted] out of the driveway to maintain forward movement to clear the driveway. [redacted] moved forward toward Inspector [redacted], extended both arms and shoved Inspector [redacted] shield in an aggressive manner and posture. The result of the push by [redacted] on Inspector [redacted] caused Inspector [redacted] to stagger backwards. [redacted] then retreated into the crowd. Approximately one (1) minute later, [redacted] returned and confronted Inspector [redacted] started to become hostile at Inspector [redacted] by performing punching hand gestures and aggressively yelling at close proximately to Inspector [redacted] Due to the crowd yelling at FPS Inspectors, Inspector [redacted] was not able to determine what [redacted] was saying. At approximately 1935 hours, all vehicles leaving the facility departed and those arriving, entered the facility. FPS Inspectors returned into the driveway and onto federal property.

Highly Confidential
OREGON_DEFS_00000856

Additional Report

FPS Inspectors reviewed footage and interviewed Inspector [redacted] on the altercation with [redacted] Video footage and confirmation from Inspector [redacted] confirmed that [redacted] ignored lawful commands to move out of the driveway, and assaulted Inspector [redacted] At this point in time, FPS also developed probable cause to arrest [redacted] for a violation of 18 U.S. Code 111- Assaulting a Federal Officer.

That same evening FPS Special Agents notified me of [redacted] having been within the boundaries of federal property at various times. There is a bright blue line delineating government property at the edge of the driveway. I reviewed the incidents with FPS Special Agents and established [redacted] was in violation of 41 CFR 102-74.385 Failure to comply with lawful orders and posted signage.

CUSTODY/BOOKING: At approximately 2010 hours, FPS Inspector [redacted] Immigration and Customs Enforcement (ICE) Special Response Team (SRT) and I, conducted a targeted arrest of [redacted] resisted arrest from the point of contact as he tried to flee on foot and body checked one of the arresting officers. It is notable that [redacted] resistance was at a level requiring approximately five (5) officers to get him under control. Plastic flex cuffs were used to restrain [redacted] hands [redacted] was taken to holding and processing through the bay door entrance.

Referred to FPS Investigative Branch

Oregon v. Trump
No. 3:25-cv-01756
Defendants' Exhibit
1141

Generated by: on 07/15/2025 12:03

On July 4, 2025, I was the Tactical Commander for protest activities at 4310 SW Macadam Avenue, Portland, OR. There were planned protests occurring around the area and gatherings were planned for the ICE building. Protest activity around the ICE facility has resulted in damage to the building.

By 1645 there were 20-25 protesters in front of the facility. An announcement was given to the crowd using the Long-Range Acoustic Device (LRAD). The announcement was given to clear the driveway for vehicular traffic. One female subject was detained and later released. By 1800 hours 100 protesters were in front of the facility and Charlie Team was preparing to convoy over to the facility. An LRAD warning was given to disperse from the driveway area at 1831 and 1834 hours. Officers exited the facility to move the crowd away from the driveway and a male subject was arrested for assault on an officer after blocking the driveway.

At 1956 hours a subject was seen using permanent marker to write on the backside of the guard house. The subject was apprehended by officers, and the crowd was pushed back from the driveway area. The crowd of protesters was pushed back to the intersection of Bancroft Avenue and S. Moody Street. At 2002 hours the crowd was being pushed back ERO SRT and FPS used less lethal munitions, and an arrest was made of a male subject that threw a munition canister at officers. The male subject was detained he attempted to bite officers and refused to walk. He was carried into facility and collapsed in the sally port. Officers rendered aid to the subject and used an AED to treat him. EMS was called to transport the male subject to the hospital. Three LRAD warnings were given to the crowd to clear the driveway for EMS at 2009, 2013, 2017 hours. The male subject was transported to OHSO Hospital.

Officers exited the facility to make an arrest at 2153 hours after a male subject was seen spray painting the guard house. The male subject was apprehended across the street, and he had a pistol tucked in the front of his waistband. He was also in possession of a hand thrown munition used by ERO SRT members. During the arrest less lethal munitions were deployed against the crowd to stop bad actors within the crowd from actions that may harm officers. LRAD warning was given to clear the driveway area at 2158 hours. At 2203 hours the LRAD warning was given declaring an unlawful assembly. A second LRAD warning was given declaring an unlawful assembly at 2207 hours. The third LRAD warning was given for an unlawful assembly at 2209 hours. The crowd did not disperse, they stayed in the driveway area chanting, we are still in your driveway! Items were thrown at the gate. I deployed officers to arrest people in the driveway. We exited the vehicle gate and side driveway entrance door and arrested two subjects in the driveway. Then officers moved the crowd of protesters away from federal property over to S Moody Street.

At 2252 hours Portland Police Bureau advised that a male subject was using bolt cutters attempting to cut something on the facility. The subject was identified, and officers detailed the subject after a foot pursuit. Less lethal munitions

were used when objects and fireworks were thrown at officers. One subject was detained for throwing an incendiary device at officers moving in formation in the driveway. The crowd of protesters was moved down S Moody. Officers moved back to the facility and commercial grade fireworks were thrown into the courtyard. An LRAD warning for unlawful assembly was given at 2356, 2358, and 0002 hours. The crowd of protesters was pushed away from the facility at 0006 hours. The crowd moved away from the facility and stayed across the street away from the driveway area after officers returned to the facility.

The facility received some damage to the sprinkler system and part of the equipment was torn out of the ground. Some wires were torn out of the ground after the access covers were removed. Also, part of the wiring was cut which damaged the internet service for the building.

The following Support Narrative was entered by [redacted] last modified on 07/09/2025.

////-Begin Narrative of INSPECTOR [redacted] 10P1521 – Federal Protective Service- DPSST 64171////

SOURCE:

On 07/04/2025, I was conducting uniformed law enforcement operations pertaining to civil disturbances and violent demonstrations, at the Portland Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam, Portland, Oregon. The Portland ICE facility is federal property and therefor pursuant to Title 40 U.S.C. 1315. The ICE facility and FPS officers sustained several days of "anti-ICE" demonstrations with numerous violent demonstrators. Over the past weeks, multiple violent demonstrators were observed committing and charged with crimes such as 18 United States Code (USC) 111, Assault on a Federal Officer, 41 CFR, 102-74.430(b), Failure to comply with signals and directions of Federal police officers, and 41 CFR, 102-74.380(b), Preservation of property -Willfully destroying or damaging property.

It should be known that the day and night of 06/14/2025, where violent demonstrators barricaded and assaulted federal law enforcement officers, and damaged and breached into the ICE facility, was unofficially recognized by demonstrators as a "No Kings Day". Thus, based on open-source intelligence from multiple agencies, 07/04/2025 was being planned by demonstrators and recognized as "No Kings Day 2.0".

OBSERVATION/INVESTIGATION:

At approximately 2200 hours, I observed approximately over 75-100 demonstrators in front of the ICE vehicle gate, on the driveway, and the surrounding street of Bancroft Street. I heard demonstrators loudly chanting phrases such as fuck ICE and we're not leaving. I observed most demonstrators wearing face coverings and even gas masks, some

holding shields and some not, and most wearing all black clothing. Before this time, there were approximately two advances of law enforcement personnel which included FPS and ICE Special Reaction Team (SRT) officers, that assisted in making arrests of violent demonstrators.

Numerous Long-Range Acoustic Device (LRAD) orders were given including informing the demonstrators to depart federal property and the surrounding area as their demonstration was considered an unlawful assembly and they would be arrested. Most demonstrators did not comply with the lawful orders and stood their ground on and around federal property. Soon after the final LRAD order was given, all line law enforcement personnel exited the ICE vehicle gate to assist in arrests and holding a security perimeter.

During operations, I observed several demonstrators pick up fired munitions that were fired from SRT officers, such as CS gas canisters and fog canisters, and throw them back at myself, and multiple FPS and SRT officers. I also observed demonstrators throw multiple mortar like fireworks at us, creating a loud volume and throwing sparks everywhere. I, and multiple other officers, gave multiple loud verbal orders to get back, stop throwing things, and/or do not pick up the canisters. Some demonstrators complied while numerous did not.

CUSTODY/BOOKING:

Based on my observations of numerous demonstrators throwing fireworks and CS gas/fog canisters at and near FPS/SRT officers, I believe I had probable cause to arrest and charge multiple demonstrators with 18 United States Code (USC) 111, Assault on a Federal Officer. Furthermore, I believe I possessed probable cause to arrest and charge multiple demonstrators under 41 CFR, 102-74.430(b), Failure to comply with signals and directions of Federal police officers, for not complying with the numerous LRAD or verbal orders given.

Using my Pepperball Launching System (PLS) loaded with LiveX (OC) munitions, and to the best of my recollection, I began to shoot 3-4 round bursts through at multiple demonstrators, and in front of, who I observed to be in the action of throwing CS/fog canisters/fireworks and/or attempting to pick them up from the ground. For direct hits, I aimed for their legs, specifically their thighs. Some demonstrators possessed some sort of improvised shield/umbrella and blocked the rounds. Some demonstrators backed away from items or dropped them, as others did not.

During my engagement, I observed an unidentified subject who was actively fighting with SRT officers while they were attempting to arrest him. Based on this I believe I had probable cause to arrest and charge the demonstrator with 18 United States Code (USC) 111, Assault on a Federal Officer. To the best of my recollection, I observed the subject kick

and push away SRT officers, and I engaged him, shooting him with the same PLS on his thigh areas. I observed the subject react to the pain on his thighs, and the SRT officers taking him to the ground for arrest.

Later, I engaged in another advance of arrest operations outside of the facility's walls and gate after several LRAD orders had been given for demonstrators to depart federal property and the surrounding area, as their demonstration was declared an unlawful assembly. During the operation, I again observed numerous demonstrators attempting to pick up, throw and/or kick spent SRT non-lethal munitions back towards and at FPS/SRT officers. I also observed some demonstrators trying to physically impede and/or run towards other officers while trying to make arrests.

Based on my observations I believe I had probable cause to arrest and charge multiple demonstrators with 18 United States Code (USC) 111, Assault on a Federal Officer, and 41 CFR, 102-74.430(b), Failure to comply with signals and directions of Federal police officers, after lawful orders were not followed. Using my PLS, I fired multiple 3-4 round bursts at and towards multiple demonstrators who I observed to be throwing, in the act of, and/or picking up any CS/fog canister or other item. My engagements consisted bursts of LiveX and were area denial by a cloud of OC and/or direct hits, by aiming at demonstrator's legs.

During a retreat by law enforcement officers into the ICE vehicle gate, some demonstrators threw unidentified incendiary devices and rocks that landed near my feet and other officers. Rocks were different in size, with some large, and the unidentified incendiary device was throwing flames while another threw black colored smoke. I heard Inspector [redacted] react from a rock that hit one of his legs. He stated he did not need medical, and I reported the information to dispatch.

During the early morning on 07/05/2025, at approximately 0125 hours, I was tasked with Inspector [redacted] to assist in a medical transport of demonstrator [redacted] to the Oregon Heath and Science University (OHSU) Medical Center. I escorted the ambulance with my marked police vehicle as [redacted] and Inspector [redacted] were in the ambulance. [redacted] was later turned over to Inspector [redacted] custody at approximately 0720 hours due to awaiting medical diagnostics.

////End Narrative of INSPECTOR [redacted] 10P1521 – Federal Protective Service- DPSST 64171////

The following Support Narrative was entered by [redacted] last modified on 07/14/2025.

//////SUPPLEMENTAL REPORT by Inspector [redacted] DPSST#66200//////

SOURCE:

On July 4, 2025, at approximately 1800 hours, while monitoring an ongoing demonstration that escalated from a peaceful protest to a violent one at the Immigration and Customs Enforcement (ICE) facility located at 4310 S McAdam Ave, Portland, Oregon, we observed significant activity. Prior to this date, FPS received intelligence about flyers advertising a demonstration with the message "Declare Independence 7/4/2025 Disrupt—Don't Celebrate," along with the specified location.

OBSERVATION/INVESTIGATION:

At approximately 1900 hours, upon arrival at ICE, we were advised of approximately 100 demonstrators, with about 25 demonstrators on federal property and several others spread throughout the vicinity of the facility. Throughout the night, I observed multiple criminal activities, including failing to comply with the lawful direction of a federal police officer, creating disturbances, assaulting a federal officer, creating hazards, and blocking entrances and driveways.

Additionally, multiple arrests were made of individuals involved in the criminal activities. Despite multiple warnings and efforts to disperse and deter demonstrators, SRT and FPS utilized crowd dispersal munition and less-lethal weapon system to prevent the demonstrators from advancing towards us during arrests. While providing cover with my less-lethal weapon, the FN 303, I observed subjects resisting arrest and inciting the crowd to assist them in breaking free from being arrested. The hostile crowd taunted officers during the arrests, appearing to advance towards us, prompting myself and other officers to order them to step back and not interfere with the lawful arrests. Although the crowd complied with our orders, they were verbally aggressive, yelling phrases such as "Fuck ICE," "fucking fascist," and "let him fucking go, you pig."

CUSTODY/BOOKING:

At approximately 2317 hours, all units were advised of a target arrest being made. While providing support to prevent the crowd from interfering with the lawful arrest, I observed an individual dressed in all black walking towards a live launched munition emitting chemical irritants deployed by an SRT member. The subject was given multiple warnings to step away from the launched munition. Despite the warnings, the subject continued to advance.

I developed probable cause the subject was in violation of 41 CFR 102-74.385, failing to comply with lawful directions of a federal police officer. Observing officers deployed a plume of OC smoke using a Pepper Ball Launching System (PLS) to disperse the subject, but the subject continued to reach towards the active munition. Based on the subject's actions and continuous tactics used by demonstrators, the intention on grabbing towards munition is to launch the munition towards police officers to hit them or expose officers without gas masks to the irritants.

As the subject reached for the active munition, I deployed 2-3 paint marking impact rounds with my FN 303, aiming at the subject's lower extremities. Unable to see the paint marks on the subject, I re-evaluated the situation and observed the subject backing away from the munition on their own accord, disappearing into the plume of smoke and into the crowd. An effective arrest was not possible as the individual blended into the crowd, dressed in all black.

OUTCOME:

Upon completion of the targeted arrest, all units returned to the facility, ensuring no interference from the crowd.

On July 5, 2025, at approximately 0124 hours, Inspector Marquez and I were tasked with escorting [redacted] from ICE to Oregon Health & Science University (OHSU) for evaluation and care for injuries. Inspector [redacted] and I were on hospital watch from 0134 hours to 0715 hours. The watch was completed without incident, and we were relieved by Inspector [redacted]

//////SUPPLEMENTAL REPORTY by Inspector [redacted] DPSST#66200//////

The following Support Narrative was entered by [redacted] last modified on 07/11/2025.

////Report of Investigation by [redacted] Federal Protective Service#7P1402////

ASSISTING OFFICERS:

Immigration and Customs Enforcement (ICE) Special Reaction Team (SRT) – 3 members

SOURCE:

On July 4, 2025, at approximately 20:04 hours, I, Inspector [redacted] (#7P1402), was in full Federal Protective Service (FPS) uniform and clearly identifiable as a federal law enforcement officer per 40 USC 1315, while on duty, in the city of Portland, Oregon. I was assigned to Bravo Team for Operation Skip Jack at The Portland Immigration and Customs Enforcement (ICE) Building, 4310 S. McAdam Avenue, Portland, Oregon 97239. I observed an individual writing on the wall, east side plywood of guard shack. Incident Commander [redacted] ordered a targeted arrest of that individual. FPS Bravo Team and ICE SRT executed a targeted arrest of that subject after FPS and ICE SRT pushed out from the facility. While standing Bancroft Street at the intersection of Moody Avenue, outside the north vehicle entry gate, I saw a still active munition (smoke), be thrown back towards FPS and ICE officers. I was approached by an ICE SRT Agent who reported someone who threw a still actively dispersing munition canister back towards FPS and ICE personnel. Description given was wearing an "OD green shirt with a white scarf."

OBSERVATION/INVESTIGATION:

On July 4, 2025, at approximately 20:03 hours, I observed an active canister munition being thrown back towards the area where multiple Immigration and Customs Enforcement agents, Federal Protective Service Officers, and I were located at the intersection of Bancroft Street and Moody Avenue. An ICE SRT Agent notified me that he and another of his team had positively identified the subject who threw the munition.

At approximately 20:04 hours, ICE SRT and I made our way up Moody Avenue to effect an arrest of that individual. I observed two unknown suspects attempting to physically intervene by pushing and getting in the way while two ICE agents attempted to effect the arrest of the subject, later identified as [redacted] I developed probable cause to arrest the two suspects for violation of Title 18 United States Code subsection 111: Forcibly assaults, resists, opposes, impedes, intimidates, or interferes with any person designated in Section 1114 (any officer or employee of the United States, including any member of the uniformed services, or any person assisting such an officer or employee) while engaged in or on account of the performance of official duties. After giving a verbal warning towards those two suspects to get back, which was ignored and not followed. I deployed Oleoresin Capsicum (OC) spray from a MK9 Fogger at the unknown subjects. I utilized an approximate one-second burst at approximately 20:04 hours. I then notified the Federal Protective Service (FPS) Denver Mega Center (DMC) of the OC deployment, still approximately 20:04 hours. The subjects ran away without being apprehended by me due to the exigency of providing security and

overwatch for ICE SRT from the crowd while they attempted to get [redacted] into custody. This is also why I was unable to attempt to provide first aid with decontamination to those two suspects. They both appeared to be [redacted] one male and one female, wearing all black. I took up a security position to keep the rest of the crowd from interfering with ICE SRT and the arrest of [redacted] I looked back at multiple points and saw [redacted] actively resisting, by straightening out his arms, trying to stand and flee, tensing all the muscles in his body, and sounded like he was snarling, all while ICE SRT Agents were trying to place [redacted] handcuffs. I heard one ICE SRT agent say, "Don't you bite me." More officers soon arrived, and I then stepped in to assist ICE SRT with effecting the arrest. I placed my right knee on [redacted] left shoulder blade and kept my left hand on the back of his head to keep him from trying to bite ICE SRT again, or myself. I gave a pair of my handcuffs to ICE SRT and assisted with getting him into handcuffs with two sets of handcuffs. After this, we, ICE SRT and I, attempted to stand up [redacted] he went dead weight while snarling and looking around but looked like his eyes were not focusing while his tongue was sticking out of the side of his mouth. [redacted] then attempted to bite at me when ICE SRT stood him up, I was right in front of [redacted] his head was at approximately my waist to chest level when he tried to strike out at me with his mouth open trying to clamp down on whatever part of me that was facing him. I parried his head away, not hard or in any manner that would cause injury, just enough so that his mouth was not in range to bite me. ICE SRT and I had to carry [redacted] back to 4310 S. MacAdam Avenue. Two ICE SRT agents held his arms and chest while another ICE SRT agent and I grabbed under each of [redacted] legs just above the knee to carry him in while safely maintaining control of him to prevent injury to officers and further injury to [redacted] who appeared to have a bloody nose from when he was trying to bite, stand up, flee from ICE SRT agents attempting to effect his arrest. We had to set him down due to him struggling; attempting to wiggle out of our hold while trying to bring his knees to his chest and back out while shaking his torso to get out of being held, and needing a break after carrying him for approximately a football field in distance, all while [redacted] was attempting to get out of our arms by performing the actions previously stated, shaking his torso and trying to bring his knees to his chest to get his legs out of officer control . [redacted] did kick me, it impacted on my legs. I dropped down onto his right inside leg with my right knee and placed my right and left hands-on top of his left leg to keep him from kicking me again and kicking another officer. The kick did affect my ability to walk for a few hours. At the time, I did not feel the pain, but later as I was writing my statement, I could feel pain and discomfort, about a 5-6 out of 10 pain scale, in my lower left leg in the front inside and my upper inside of my right leg. ICE SRT was able to carry him, after getting him back up into the sally port outside the detention area of the facility. [redacted] was placed on the ground on his stomach. I saw this and immediately instructed ICE SRT to roll him off of his stomach and into the recovery position to avoid positional asphyxiation. [redacted] was conscious, but unresponsive, with eyes not appearing focused. At approximately 20:07 hours, I immediately and without delay radioed the FPS Denver Mega Center (Dispatch) for Emergency Medical Services. Inspector [redacted] (AEMT) and another Inspector came in to immediately render aid to [redacted] An automated defibrillating device (AED) , was used on [redacted] the leads were placed on [redacted] and one shock was given to him after the AED advised for a shock to be given. Oxygen was also used and administered to [redacted] At approximately 20:16 hours, EMS arrived and transported [redacted] without further incident.

CUSTODY/BOOKING:

I developed Probable Cause (PC) to arrest the [redacted] and the two suspects for a direct violation of Title 18 United States Code subsection 111: Forcibly assaults, resists, opposes, impedes, intimidates, or interferes with any person designated in Section 1114 (any officer or employee of the United States, including any member of the uniformed services, or any person assisting such an officer or employee) while engaged in or on account of the performance of official duties.

CASE STATUS:

Forwarded to Federal Protective Service Investigations Branch.

////Report of Investigation by [redacted] Federal Protective Service#7P1402////

ASSISTING OFFICERS:

Immigration and Customs Enforcement (ICE) Special Reaction Team (SRT) – 3 members

[redacted] (1P297) Federal Protective Service, Department of Homeland Security.

On July 4, 2025, at approximately 22:04 hours, I, Inspector [redacted] (#7P1402), was in full Federal Protective Service (FPS) uniform and clearly identifiable as a federal law enforcement officer per 40 USC 1315, while on duty, in the city of Portland, Oregon. I was assigned to Bravo Team for Operation Skip Jack at The Portland Immigration and Customs Enforcement (ICE) Building, 4310 S. McAdam Avenue, Portland, Oregon 97239. Charlie team leader, Rapid Protection Force (RPF) commander, Area Commander [redacted] ordered a Long-Range Acoustic Device (LRAD) warning be given for unlawful assembly at approximately 22:03 hours after a LRAD warning to clear the driveway at approximately 21:58 hours was not adhered to by protesters outside the north entry gate. At approximately 22:07 hours, a second unlawful assembly warning was issued to protesters on federal property. This was again not adhered to by protesters continuing to stay in the driveway and on federal property. At approximately 22:09 hours, a third unlawful assembly warning was given to protesters on federal property, ordering them to immediately depart the area and head north toward Moody Avenue or east on Bancroft Street immediately as FPS will utilize the appropriate degree of force, including chemical agents, to remove you from them from the restricted area. The decision was made to conduct targeted arrests in for persons still in the driveway after the four warnings given prior. The crowd did not

disperse at this point. Therefore, Bravo, Charlie, and ICE SRT teams exited out of the north gate and side plywood door to conduct targeted arrests on protesters still remaining on federal property and push out to disperse the crowd.

After conducting targeted arrests and the initial push, the crowd was still not dispersing or following any instructions to depart and get back. While conducting a push to clear the crowd down Moody Avenue, I observed an unidentified [redacted]female wearing all black and a clear gas mask with pink respirator filters ignore repeated commands to get back by ICE SRT agents. I observed Inspector [redacted]1P297 physically move the female back. The female got back and fell, but quickly got back to her feet and stood yelling and unmoving when faced with multiple, more than five, commands from four different federal law enforcement officers to get back and clear the area. I then moved to place my left hand on her right shoulder in an attempt to move her back physically when she slapped at my hand knocking it down. I developed Probable Cause (PC) to arrest the unidentified female for 18 USC 111 – interfering with a police action to clear the area to allow for the entrance and exit of government vehicles. I then tried to physically move her a second time with my same left hand and in the struggle, she deflected my hand upwards towards her mask as I was trying to grab her shirt to gain control. I then deployed Oleoresin Capsicum (OC) from my MK9 fogger. The subject then backed away into the crowd where I lost sight of her due to all of the crowd control munitions that had been deployed which created a smoke screen. I was unable to effect an arrest or provide medical assistance and decontamination. Closed. No further action.

[redacted] Inspector/ Badge 8P1628 – Federal Protective Service (FPS)

Immigration and Customs Enforcement (ICE) ERO- Special Response Teams (SRT) Team

INVOLVED PERSONS:

Suspect No. 1 (Unidentified [redacted] Male Subject).

SOURCE:

On July 4, 2025, I, Inspector [redacted] (7P1576) was assigned to the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave. Portland, Oregon (OR6732). I was assigned to Team B (Bravo). The team consisted of Inspectors [redacted] Team Lead [redacted] nd multiple Officers from ICE ERO SRT. The Incident Commander (IC) was FPS District Commander [redacted] The Commander's Intent was to protect life safely and ensure that federal facilities were not damaged and/or breached by violent opportunists. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government. I was directly involved in crowd control and dispersal activities, and use of force with my FN303 Intermediate Less Lethal Launcher using a combination of PAVA and Marking Rounds, during a declared riot.

To date, local and federal facilities, as well as officers, have been targeted by violent opportunists with the use of items including, but not limited to, impact weapons, powerful green lasers, rocks, bottles, and mortars. Tonight, was a continuation of such riotous and assaultive conduct by violent opportunists.

This property is under the protection of the Federal Protective Service (FPS) and is leased by the U.S. General Services Administration (GSA).

OBSERVATION/INVESTIGATION ACTIVITY:

At 9:56 PM PT, while positioned alongside FPS Inspectors and ICE SRT members safeguarding the facility, a plan of action for a targeted arrest was executed on a group of protesters gathered with shields on Bancroft Street. Before the commencement of the Pushout Operation, all protesters and demonstrators were repeatedly cautioned by the Long-Range Acoustic Device (LRAD) System, which indicated that they were trespassing on federal property and could face arrest, including members of the media. The demonstrators were also given the opportunity to leave the federal property; however, many chose to remain. During this period, I overheard FPS Inspectors informing that violent opportunists were situated at the entrance of the driveway, on the street, and on federal property in front of the Lindquist Federal Building, where they were throwing bottles, rocks, and launching fireworks. The protest group positioned themselves right in front of Bravo Teams as we exited the main gate.

SUBJECT #1

At approximately 9:56 PM, I deployed a Crowd Control Combination of five (5) FN-303 Pava and Marking Powder Projectile rounds from my FN-303 Intermediate Less Lethal Launcher (SN. 303060785) towards a masked unidentified [redacted] male subject wearing a black hoodie over greys jeans and white sneakers carrying a small black backpack. While scanning my immediate sector, I detected the SUBJECT in question attempt to throw an CS canister towards Law Enforcement Officers standing at the top of the driveway from his right hand. A verbal warning was not feasible. The first two (2) rounds struck the SUBJECT's exposed extremities (Torso), causing him to drop the CS canister from his right hand. After delivery, I paused to give the SUBJECT time to change his behavior. The SUBJECT failed to change his behavior and continued to pursue the CS canister, which prompted me to fire three (3) additional rounds. The three (3) rounds struck the SUBJECT's exposed extremities (Torso & Left Thigh), which cause the SUBJECT to drop the CS and flee the area. The SUBJECT then departed northbound up South Moody Street at a high rate of speed to avoid arrest, positive identification and criminal prosecution. The SUBJECT appeared to be moving freely and uninjured. Given my personal observation, the SUBJECT did not appear to be injured from the FN-303 impact.

Once the violent opportunists were pushed back to SW Moody Street and S. Bancroft Street, Bravo Team was able to renter the Lindquist Federal Building without further incident.

CASE STATUS

Given the facts and circumstances surrounding this investigation, this case is will be forwarded to TPD HQ for review.

WITNESS: [redacted] Inspector, DHS/ FPS, 4310 SW Macadam Ave, Portland, OR 97239 can testify to the facts discovered in this investigation.

///////INVESTIGATION BY INSPECTOR [redacted] 7P1576, FEDERAL PROTECTIVE SERIVCE///////

CASE NUMBER: 25024840D

OFFENSE: VIOLENT DEMONSTRATION: 18 U.S. CODE 111(A)(1)(B), ASSAULT ON A FEDERAL LAW ENFORCEMENT OFFICER W/ INJURIES

Additional Report

SOURCE:

On July 4, 2025, I, Inspector [redacted] (7P1576) was assigned to the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave. Portland, Oregon (OR6732). I was assigned to Team B (Bravo). The team consisted of Inspectors [redacted] Team Lead [redacted] and multiple Officers from ICE ERO SRT. The Incident Commander (IC) was FPS District Commander [redacted] The Commander's Intent was to protect life safely and ensure that federal facilities were not damaged and/or breached by violent opportunists. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government. I was directly involved in crowd control and dispersal activities, and use of force with my FN303 Intermediate Less Lethal Launcher using a combination of PAVA and Marking Rounds, during a declared riot.

To date, local and federal facilities, as well as officers, have been targeted by violent opportunists with the use of items including, but not limited to, impact weapons, powerful green lasers, rocks, bottles, and mortars. Tonight, was a continuation of such riotous and assaultive conduct by violent opportunists.

This property is under the protection of the Federal Protective Service (FPS) and is leased by the U.S. General Services Administration (GSA).

OBSERVATION/ INVESTIGATION ACTIVITY:

At 11:15 PM PT, while positioned alongside FPS Inspectors and ICE SRT members safeguarding the facility, a plan of action for a targeted arrest was executed on a group of protesters gathered with shields on Bancroft Street. Before the commencement of the Pushout Operation, all protesters and demonstrators were repeatedly cautioned by the Long-Range Acoustic Device (LRAD) System, which indicated that they were trespassing on federal property and could face arrest, including members of the media. The demonstrators were also given the opportunity to leave the federal property; however, many chose to remain. During this period, I overheard FPS Inspectors informing that violent opportunists were situated at the entrance of the driveway, on the street, and on federal property in front of the Lindquist Federal Building, where they were throwing bottles, rocks, and launching fireworks. The protest group positioned themselves across Bancroft Street directly in front of Bravo Team as we exited the main gate.

While awaiting strategic operational instructions, Bravo Team confronted approximately 35 to 40 Anti-Trump and ICE Violent Protestors. After scanning my sector of responsibility, I detected and observed a large rock coming at a high rate of speed towards me. I was then struck by the rock and sustained an injury to my left shin. I stumble and quickly reported the incident to Dispatch and my immediate supervisor on scene. The pain was instant and continuous throughout the remainder of the night until the following day. Once my adrenaline wore off, I noticed visible swelling and discoloration to my left shin.

At my direction, Protective Security Officer (PSO) [redacted] (10G172) reviewed CCTV surveillance video of the incident. Based on the review of CCTV surveillance video and my knowledge of the investigation, I am aware of the following; On July 4, 2025, at 11:15 PM, an unidentified [redacted] male with a large build, wearing a black hoodie over black pants with a large, oversized white Nike check logo centered on the hoodie is observed throwing the large rock in question toward Bravo Team's direction. A screenshot of the unidentified subject was obtained as evidence for the record, Enclosure No. 1. Additionally, the rock was recovered and photographed, Enclosure No. 2. Photographs two (2) photographs were taken of my shin, Enclosure No. 3.

SWORN AFFIDAVIT OF FPS INSPECTOR [redacted]

On July 4, 2025, at approximately 2315 hrs., I was standing next to Inspector [redacted] when a protester threw a rock that impacted him and made his stumble. The sound that rock made when it hit [redacted] was a loud thud. I aske [redacted] if he had been hit and he confirmed that he had been hit in the shin. Later while inspecting the driveway area were found multiple large rocks approximately 2-3 inches in diameter in the driveway. END OF STATEMENT. Enclosure No. 4

This subject of the investigation has yet to be identified. [redacted] or FPS Alert is being considered for future apprehension.

ASSISTING OFFICERS:

//////Supplemental Report of Inspector [redacted] 10P1777 – DPSST 65891 Federal Protective Service//////

RELATED CASE NUMBERS:

25024840D

SOURCE:

Additional Report

On 07/04/2025, I was on I was on uniformed police patrol in response to ongoing violent protest activity at the Immigration and Customs Enforcement (ICE) facility located at 4310 S Macadam St., Portland, OR in relation to ongoing violent "anti-ICE" protests at the facility. This facility is under proprietary jurisdiction: subject to Federal law, and Oregon state law. During protest activity throughout the week, FPS officers and Protective Security Officers (PSOs) observed several unknown protestors wearing body armor armed with throwing knives, and bear spray, and concealed firearms. Protest activity at night regularly became violent with significant property damage done by masked protestors, including fireworks, rocks, and glass bottles launched directly at Federal officers.

OBSERVATION/INVESTIGATION:

At approximately 2300 hours, FPS and ICE SRT officers exited the main entrance after multiple recorded LRAD warnings were broadcast, warning protestors to depart Federal property, or they may be arrested. As officers entered the driveway, protestors on Federal property complied with the warnings, and backed into the street. 90+ protestors were gathered throughout S. Bancroft St. and S. Moody Ave. Agitated protestors obscuring their location within visible groups threw rocks and other hard projectiles at officers attempting to affect targeted arrests. ICE SRT officers hand threw chemical munitions to disperse crowds that continued to encroach on arresting officers.

CUSTODY/BOOKING:

At approximately 2308 hours, I stood on-line in a blocking position with other officers at the east intersection of S. Bancroft St. and S. Moody Ave. I observed an unknown masked protestor wearing an all-black outfit, dark gloves, and a respirator pick up and throw back a hand-thrown munition towards Federal officers. I determined that I had probable cause to arrest the unknown protestor in violation of Title 18 USC 111, Assault on Federal Officers.

I deployed my FN 303 as I was trained. I aimed for the protestor's legs and deployed a short 2-4 round burst of paint marking rounds, to prevent injury to myself and fellow Federal officers. I was unable to observe the effect of these impacts, as multiple unknown protestors wearing similarly dark clothing were running in opposing directions, and I lost sight of the unknown masked protestor as they ran north on S. Moody Ave.

Additional Report

Due to the aggressive and increasingly violent activity of the 75+ crowd of violent protestors, FPS was unable to make an arrest and that time.

SRT- Immigration Custom Enforcement (ICE)

INVOLVED PERSONS:

UNKNOWN

SOURCE:

Additional Report

On July 4, 2025, I was assigned to the Immigration Custom Enforcement building located at 4310 S Macadam Avenue, Portland Oregon. The team I was assigned to consisted of Area Commander [redacted] Inspector [redacted] Inspector [redacted], Special Agent [redacted] and Immigration Custom Enforcement (ICE). We were deployed and assigned to the facility due the recent damage to the facility by unknown demonstrators. The damage consisted of damage to the vehicle entry gate, the front entrance (it was breached), graffiti on the facility, damage to the exterior CCTV devices, and damage to the protective security officers exterior post facility. The demonstrators were also impeding Immigration Custom Enforcement from performing their daily duties while attempting to block all vehicles from traveling in or out of the facility. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government.

Thus far, local and federal facilities, as well as officers, have been targeted by demonstrators with the use of items including, but not limited to, impact weapons, powerful green lasers, paint ball guns, liquid filled balloons, rocks, and bottles, knives, and firearms. Tonight, was a continuation of such riotous and assaultive conduct by members of these groups. Prior to beginning our operations, we were advised there was a possibility of protest occurring at the facility.

OBSERVATION/INVESTIGATION:

During the evening, FPS officers and I observed demonstrators present at the Immigration Custom Enforcement building located at 4310 S Macadam Avenue, Portland Oregon. During this time the demonstrators painted graffiti, blocked the driveway for vehicles entering and exiting, yelled at officers, placed sharp metal objects in driveway, threw fireworks at officers and stacked rocks and other objects next to the area where they were standing, and all of this occurred on federal property. The demonstrators were dressed in painters mask, held homemade shields, wore helmets.

Glass bottles to include rocks and fireworks being thrown by demonstrators can cause serious bodily harm to Law Enforcement Officers (Leo's) and innocent bystanders within the vicinity.

This evening, I observed an individual throwing hard objects (rocks, fireworks,) and CS/OC canisters towards Federal Law Enforcement Officers that could result in serious and/or permanent body damage. This is assaultive conduct under Title 18 United States Code 111.

Additional Report

ACTION/EVENT:

While staged on federal property (within the entry gate) located at the Immigration Custom Enforcement building located at 4310 S Macadam Avenue, Portland Oregon, protesters blocked the vehicle entry gate for incoming/outgoing vehicles on federal property. The demonstrators were warned several times by the LRAD system stating that they are trespassing on federal property and are subject to arrest too include media. The demonstrators were also provided time to vacate federal property; however, many refused too.

At approximately 2003 hours, FPS and ICE officers warned the demonstrators again to vacate federal property or be subject to arrest. FPS and ICE officers exited the facility vehicle and pedestrian gate for a targeted arrest for criminal activity. During this time many of the officers were protecting the apprehension team that identified and restrained the subject. Other ICE, FPS officers and I remained in the proximity of the vehicle gate to prevent unauthorized individuals from entering. When the apprehension team was bringing the arrested subject back inside the facility a large crowd of protestors (over 70) followed the team and attempted to interfere with the arrest. During this time there was an individual that was making verbal threats towards ICE agents and myself. I went over the radio requesting all available officers in the facility to come out for support because of the large number of protestors advancing on federal officers and we were outnumbered. The individual that was making threats received multiple warnings to get back but refused to vacate the area or discontinue the aggressive actions.

Subject#1

At 2005 hours I used 1 (1 sec) spray of MK9 OC on an individual that refused to vacate the area after multiple warnings were provided. The subject verbally stated that "I will fuck you up to myself and other ICE officers, clinching his fist, and jumping back and forth yelling in officers face (less than 2 feet away) repeating threats. The subject was warned to move; however, refused to. The incident took place at 4310 South West Macadam St, Portland Oregon. The individual appeared to be a [redacted] male wearing facial googles, a red shirt/blue jean with a black backpack.

No injuries to the subject were observed and the result the OC dispersal was to stop the individual from assaulting/fighting Law Enforcement Officers and to protect the apprehension team that was bringing a subject back into the facility that was arrested. Subject was not arrested or detained because they ran away.

CASE STATUS:

Forward to TPD/HQ for review.

///////End Report by [redacted] R511//////

The following Support Narrative was entered by [redacted] last modified on 07/08/2025.

////Begin Supplemental of OFFICER [redacted] 10P1499 – DPSST 61604 Federal Protective Service///

SOURCE:

On 07/04/2025 I was performing uniformed civil disturbance operations at the Portland Immigrations and Customs Enforcement (ICE) facility located at 4310 S Macadam Avenue, Portland, Oregon, pursuant to 40 United States Code (USC) 1315. The Portland ICE facility had been the target of multiple violent demonstrations throughout the past few weeks. During this specific demonstration to this point FPS and ICE SRT had made several arrests. Prior to this incident the demonstration had been declared an unlawful assembly.

OBSERVATION/INVESTIGATION:

While in the driveway of the ICE facility, I observed a brown incendiary device shaped like a soda can get thrown towards law enforcement officers who were standing in line. To the best of my recollection the device landed approximately three feet in front of me to my right and billowed a flame. In response, all law enforcement officers standing on line moved forward to prevent being injured by the suspected incendiary device. I observed a group of violent demonstrators in front of the facility.

Based off the individual throwing an incendiary device at law enforcement officers I believe probable cause existed to charge and arrest the subject with the crime of 18 USC 111 (assaulting a federal officer).

CUSTODY/BOOKING:

SRT and FPS officers scanned the crowd for the subject who threw the incendiary device. FPS and SRT observed the subject, later identified as [redacted] I, along with other FPS officers and SRT, moved forward and began

running northbound on Moody Street after the subject. I observed the SRT officers advance on [redacted] to take [redacted] into custody. SRT officers grabbed [redacted] and [redacted] was able to escape, pulling away from them and running away. Based on my observation of SRT attempting to take [redacted] into custody, I believe SRT was attempting to take [redacted] into custody because he was the assailant who threw the incendiary device.

In an effort to assist SRT officers in taking [redacted] into custody, I was able to get behind [redacted] I placed my arm around his upper chest and hooked my leg around his leg. As [redacted] attempted move away from me, he fell forward onto the ground, and I fell to the ground with him.

I attempted to gain physical control of the SUBJECT by trying to grab any part of the body available to me. [redacted] was pulling away attempting to escape by attempting to overpower my grasp and stand up. Other officers helped me try to take the subject into custody. [redacted] was attempting to fight to his feet. I gave [redacted] several loud verbal commands to stop resisting.

I grabbed ahold of [redacted] hood to gain control of his head. I felt a stiff object under the [redacted] clothing, indicating the subject was equipped with a form of soft body armor. It took the combined efforts of myself and several officers to overcome the [redacted] efforts to physically escape and take [redacted] into custody. During the struggle I felt myself feeling winded due to the physical exertion during my and other officer's attempts to take [redacted] into custody and the fact I was wearing a gas mask during the arrest.

[redacted] was later transported to Oregon Health and Science University hospital for treatment of an injury under his eye. I'm unsure of the cause of the injury or when [redacted] sustained it.

I later learned [redacted] received a warrant for his arrest due to his conduct at the demonstration. [redacted] was charged with 18 USC 111 (Assaulting a federal officer with a dangerous and deadly weapon) and 26 USC § 5861(d) (Possession of unregistered firearm)

Case Status:

Referred to Investigation Branch.

SRT- Immigration Custom Enforcement (ICE) Teams comprised of members from Detroit, Buffalo, Pheonix, NYC, and St. Paul

INVOLVED PERSONS:

UNKNOWN

SOURCE:

On July 4, 2025, I was assigned to the Immigration Custom Enforcement (ICE) building located at 4310 South Macadam Avenue, Portland Oregon in support of Operation Skip Jack. We were deployed and assigned to the facility due the recent damage to the facility by unknown demonstrators.

OBSERVATION/INVESTIGATION

The damage consisted of damage to the vehicle entry gate, the front entrance (it was breached), graffiti on the facility, damage to the exterior VSS devices, and damage to the protective security officers exterior post facility. The demonstrators were also impeding Immigration Custom Enforcement from performing their daily duties while attempting to block all vehicles from traveling in or out of the facility. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government.

Thus far, local and federal facilities, as well as officers, have been targeted by demonstrators with the use of items including, but not limited to, impact weapons, powerful green lasers, rocks, and bottles. Tonight, was a continuation of such riotous and assaultive conduct by members of these groups. Prior to beginning our operations, we were advised that individuals within the vicinity of the facility were issuing out homemade shields, helmets, and painters mask.

During the evening, FPS officers and I, as well as member of ICE SRT observed demonstrators present at the Immigration Custom Enforcement building located at 4310 South Macadam Avenue, Portland Oregon. During this time the demonstrators blocked the driveway for vehicles entering and exiting, yelled at officers and vehicles entering throughout the day and launched rocks, fireworks, and other objects at law enforcement officers inside the fenced perimeter, and all of this occurred on federal property which is assaultive conduct under Title 18 United States Code 111. These actions can also fall under violations of Title 41, Code of Federal Regulations, Part 102-74, Subpart C 380 (Preservation of Property), 385 (Conformity with Signs and Directions), and 390 (Disturbances). The demonstrators were dressed in painter's masks, held homemade shields, and helmets. These demonstrators were picking up

Clorobenzylidene malononitrile (CS) gas cannisters in attempt to assault officers falling under assaultive conduct under 18 United States Code 111.

Glass bottles to include rocks or other objects being thrown by demonstrators can cause serious bodily harm to Law Enforcement Officers (LEOs) and innocent bystanders within the vicinity. This evening, I observed multiple individuals throwing canisters of CS gas back towards Federal Law Enforcement Officers after CS had been deployed in response to the protest becoming an unlawful assembly and multiple attempts to breach federal property. The actions of the CS canisters being thrown at LEOs that could result in serious and/or permanent body damage. This is assaultive conduct under Title 18 United States Code 111 as well as ORS 166.015 Riot. At this point I believe probable cause exists to arrest the subjects for Title 18 United States Code 111 for picking up CS cannisters and throwing them back at the officers.

CUSTODY/BOOKING:

At approximately 2020 hours While staged on federal property (within the entry gate) located at the Immigration Custom Enforcement building located at 4310 South Macadam Avenue, Portland Oregon, protesters blocked the vehicle entry gate for outgoing vehicles on federal property. The demonstrators were warned several times by the LRAD system stating that the federal property was closed to the public and to remain on the sidewalk or across the street and anyone who remained would be subject to arrest too include media. The demonstrators were also provided time to vacate federal property; however, they refused to leave the driveway.

At approximately 2020 hours to approximately 2355, FPS and ICE SRT had multiple engagements with protestors. At approximately 2020 hours, officers opened the vehicle gate, warned the demonstrators again to vacate federal property or be subject to arrest after multiple Long Range Acoustic Device (LRAD) warnings were given stating to remove themselves off property to remain on the sidewalk or across the street. All officers walked in formations outside (slowly) telling the demonstrators to vacate federal property verbally and with hand and arm signals. When the LEOs started moving forward of the guard shack, the crowd still did not disperse and remained on federal property. Some of the demonstrators departed; however, some didn't and were arrested. Once the arrested persons had been brought inside of the gate and the LEOs had begun their return to the facility, I observed one demonstrator in the street east of the ICE driveway pick up a CS canister and throw it at federal officers.

Subject #1

OREGON_DEFS_00000048

At approximately 2000 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland Oregon. The subject was dressed in a black long sleeve shirt, black pants, black face mask, and black ballcap. I could not make out the sex of the individual due to the clothing and mask, but the race of the individual was Caucasian. Through various LRAD announcements and being in full duty gear with fully marked police and Department of Homeland Security markings, the demonstrators knew who we were. I, and other officers did yell at the subject to not pick up the CS gas cannister.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the round impacted on the subject; however, the subject reacted to the rounds and stopped throwing any additional objects and ran back deep into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

Subject #2

At approximately 2000 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject was dressed in a black hoodie and green camouflage pants, with a black face covering, and a black hat. I could not identify the sex or race the subject due to the heavy clothing the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

At approximately 2150 hours, FPS and ICE SRT exited the ICE compound by the east side pedestrian gate to conduct a targeted arrest on a subject who was spray painting the facility wall. At approximately 2150 hours, officers opened the pedestrian gate and chased after the subject. The subject then fled across the street into the crowd of protestors. ICE SRT made chase and caught up to him and made the arrest. During that time ICE SRT deployed multiple canisters of CS gas. At that time multiple protestors started to pick up the canisters and throw them back at the law enforcement

officers. At this time, I, as well as other officers developed Probable Cause (PC) to try to arrest the subject for Title 18 USC 111, Assault. I observed one subject wearing a black hooded sweatshirt, blue jeans, white scarf of their head with a respirator pick up a CS canister and was in motion to throw it back to our direction. After that incident I immediately noticed another protestor who was dressed in all black and black goggles pick up a CS cannister and started to throw it back at the officers. Also, directly after that incident we started to back up slowly, another subject picked up another CS cannister to throw it back at officers. This subject was dressed in all black as well with no respirator but was wearing a black face mask with block goggles. I could not identify the sex or race of these three individuals due to the heavy clothes they were wearing.

Subject #3

At approximately 2150 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject was wearing a black hooded sweatshirt, blue jeans, white scarf over their head with a respirator. I could not identify the sex or race of the individual due to the heavy clothes the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers .

Subject #4

At approximately 2150 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject was dressed in all black and was wearing goggles. I could not identify the sex or race of the individual due to the heavy clothes the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors.

No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

Subject #5

At approximately 2150 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject was dressed in all black with a black face mask and black goggles

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

At approximately 2215 hours multiple LRAD warnings were given declaring unlawful assembly. Multiple LRAD warnings were given to the protestors allowing them time to comply with the order. The crowd did not disperse and made the protestors more agitated. FPS and ICE SRT exited the ICE facility via the main vehicle gate. At that time ICE SRT deployed CS gas cannisters as well as smoke cannisters to disperse the crown. Many protestors departed the area by many stayed and refused to disperse. At that time multiple protestors started to pick up the CS gas canisters and throw them back at the law enforcement officers. At that point, I, as well as other officers developed Probable Cause (PC) to try to arrest the subject for Title 18 USC 111, Assault. I observed one subject wearing a black hooded sweatshirt, black jeans, a respirator and a backpack that appeared to be dark in color pick up a CS canister and was in motion to throw it back to our direction. After that incident, other officers and I moved further into the middle of the street to form a line. I immediately noticed another two protestors pick up to CS gas cannisters that were very close to each. These protestors where both dressed in all black and one had a backpack that was dark in color. Also, directly after that incident we started to move forward across the street into the intersection of Bancroft and Moody up slowly, another subject picked up another CS cannister to throw it back at officers. This subject was dressed in a light-colored T shirt, black pants and had a black face covering. as well with no respirator but was wearing a black face mask with block goggles. I could not identify the sex or race of the first three subjects due to the heavy clothing they were wearing. The fourth subject appeared to be a [redacted] Caucasian male.

Subject #6

At approximately 2215 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject wearing a black hooded sweatshirt, black jeans, a respirator and a backpack that appeared to be dark in color. I could not make out the sex or race of the individual due to the heavy clothing the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

Subject #7

At approximately 2215 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject was dressed in all black with a black face mask. I could not make out the sex or race of the individual due to the heavy clothing the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

Subject #8

At approximately 2215 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors.

The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject was dressed in all black with a black face mask and was wearing a backpack that appeared dark in color. I could not make out the sex or race of the individual due to the heavy clothing the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

Subject #9

At approximately 2215 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject was dressed in a light-colored T Shirt, black pants and had a black face covering. This subject was Caucasian and appeared to be male.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

At approximately 2300 FPS and ICE SRT pushed out of the man vehicle gate to detain a subject who was reported earlier to have bolt cutters and was attempting to cut something off the facility. ICE SRT deployed CS cannisters to disperse the crowd. Once the arrest team contacted the targeted subject. I, and other officers formed a line to cover the arrest. At that time, I noticed to two protestors moving towards a deployed CS cannister. Only one of the protestors picked it up and attempted to throw the deployed cannister back at our line of officers. I, as well as other officers developed Probable Cause (PC) to try to arrest the subject for Title 18 USC 111, Assault. The subject was wearing blue jeans, black hooded sweatshirt and a respirator. After the arrest was made, we slowly made our way back to the main vehicle gate. As we were slowly backing up about to get to the driveway, I then spotted another protestor pick up another deployed CS cannister and was in motion to throw it at officers. The subject was dressed in all black with a black face mask and wearing a ballcap that was dark in color.

Subject #10

At approximately 2300 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject was dressed in blue jeans, black hooded sweatshirt, and a respirator. I could not identify the sex or race due to the heavy clothing the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers.

Subject #11

At approximately 2215 hours I deployed FN303/PAVA rounds at an individual who picked up and threw a CS cannister towards Law Enforcement Officers until the subject stopped their action and ran back into the crowd of protestors. The incident took place at 4310 South Macadam Avenue, Portland, Oregon. The subject was dressed in all black with a black face mask and wearing a ballcap that was dark in color. I could not identify the race or sex of the individual due to the heavy clothing the subject was wearing.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject stopped throwing any additional objects and retreated into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers .

Force was used on all the subjects to protect officers who were involved in operations on this date. We could not make any arrests on these subjects, for after we used force on the subjects, they fled into the larger crowd of demonstrators. It was also difficult to pursue those subjects due to the dense amount of smoke and CS gas that was used during that operation. The crowd size also made it unsafe for officers to pursue the subjects into the crowd and that played a big role in officer safety. Another contributing factor was many demonstrators were wearing the exact same clothing and once we lost visual with the subjects it would make it difficult to regain visual on those subjects

once they were in the crowd of protestors. There were no arrests made on these subjects due to the factors listed above.

[redacted] Inspector - FPS

SRT- Immigration Custom Enforcement (ICE) INVOLVED PERSONS:

UNKNOWN SOURCE:

On July 4, 2025, I was assigned to the Immigration Custom Enforcement (ICE) building located at 4310 South Macadam Avenue, Portland Oregon in support of Operation Skip Jack. The team I was assigned to consisted of Area Commander [redacted] Inspector [redacted] Inspector [redacted] and Immigration Custom Enforcement (ICE) Special Response Team (SRT).

We were deployed and assigned to the facility due the recent damage to the facility by unknown Violent demonstrators . The following areas sustained damage the vehicle entry gate, the front entrance (it was breached),

graffiti on the facility, damage to the exterior VSS devices, and damage to the protective security officers exterior post facility . The violent demonstrators were also impeding Immigration Custom Enforcement from performing their daily duties while attempting to block all vehicles from traveling in or out of the facility. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government.

Thus far, local and federal facilities, as well as officers, have been targeted by Violent demonstrators with the use of items including, but not limited to, impact weapons, powerful green lasers, rocks, and bottles. Tonight, was a continuation of such riotous and assaultive conduct by members of these groups. Prior to beginning our operations, we were advised that individuals within the vicinity of the facility were issuing out homemade shields, helmets, and painters mask.

OBSERVATION/INVESTIGATION:

During this time the violent demonstrators yelled at officers and vehicles entering throughout the day and launched rocks and other objects at law enforcement officers inside the fenced perimeter, and all of this occurred on federal property. The demonstrators were dressed in painter's masks, held homemade shields, and helmets.

Glass bottles to include rocks or other objects being thrown by demonstrators can cause serious bodily harm to Law Enforcement Officers (LEOs) and innocent bystanders within the vicinity. This evening, I observed three individuals throwing canisters of CS gas back towards Federal Law Enforcement Officers after CS had been deployed in response to commercial grade fireworks being thrown at LEOs that could result in serious and/or permanent body damage. This is assaultive conduct under Title 18 United States Code 111.

CUSTODY/BOOKING:

While staged on federal property (within the entry gate) located of the ICE facility, protesters blocked the vehicle entry gate for outgoing vehicles on federal property. The demonstrators were warned several times by the LRAD system stating that the federal property was closed to the public and to remain on the sidewalk or across the street and anyone who remained would be subject to arrest too include media. The demonstrators were also provided time to vacate federal property; however, they refused to leave the driveway.

At approximately 2215 hours, FPS and ICE SRT officers open the vehicle gate, warned the demonstrators again to vacate federal property or be subject to arrest. All officers advanced in formations outside ordering he demonstrators to vacate federal property verbally and with hand and arm signals. When the Law Enforcement Officers started moving forward of the guard shack, the crowd started throwing objects. Some of the demonstrators departed; however, some didn't and were arrested. Once the arrested persons had been brought inside of the gate and the LEOs had begun their return to the facility.

Subject#1

I observed one demonstrator in the street east of the ICE driveway pick up a CS canister and throw it at federal officers. At this time, I, as well as other officers developed Probable Cause (PC) to try to arrest the subject for Title 18 USC 111, Assault. The subject was dressed in a black hoodie, black pants, black beanie and appeared to be wearing goggles. I could not make out the sex or the race of the individual due to the heavy clothing the subject was wearing. I fired approximately 2 round of FN303 Pava and marking rounds towards the center mass area of the subject. The subject stopped throwing objects, turned around dropped CS cannister.

There were no injuries noticed as the subjects fled . So I was not able to take them into custody.

Subject#2

At approximately 2220 hours, I deployed 2 rounds of FN303/PAVA and marking rounds at an individual who picked up and threw a CS canister towards Law Enforcement Officers at 4310 South Macadam Avenue, Portland, Oregon. The subject wore a black hoodie, black pants, black beanie, and appeared to be wearing goggles. Due to the heavy clothing, I could not determine the sex or race of the individual

I observed the impact rounds travel in the direction towards the suspect. The rounds impacted on the subjects the center of the subject's right thigh. The subject reacted to the rounds and stopped throwing any additional objects and ran back deep into the crowd of protestors. No injuries to the subject were observed and the result of impact munitions was to stop individual from throwing any other objects at Federal Law Enforcement Officers. So I was not able to take them into custody.

Subject#3

At approximately 2225 hours, I deployed 2 rounds of FN303/PAVA and marking rounds at an individual who picked up and threw a CS canister towards Law Enforcement Officers at 4310 South Macadam Avenue, Portland, Oregon. The subject wore a black hoodie, black pants, a black face covering, and a black hat. Due to the heavy clothing, I could not determine if the subject was male or female, or their race.

The rounds struck the subject's center left thigh. The subject stopped throwing additional objects and retreated into the crowd of protestors. I observed no injuries to the subject. The impact munitions successfully stopped the individual from throwing any other objects at Federal Law Enforcement Officers.

CASE STATUS:

Open investigation

The following Support Narrative was entered by [redacted] last modified on 07/14/2025.

//////UOF Report by [redacted] 10R1414///////

SOURCE:

On 07/04/2025 starting at approximately 1830 hours, I was assigned to the Immigration and Customs Enforcement Building at 4310 SW Macadam in Portland, Oregon to support public order operations involving a planned demonstration.

OBSERVATION/INVESTIGATION:

By arrival to the facility at 1835 hours, there were over 100 demonstrators on site, and a demonstrator had been assaulting (kicking) an FPS inspector who was attempting to move the crowd off the driveway for my team's arrival. Demonstrators continued throwing hard objects and projectiles at the building and the gate. By 2002 hours, demonstrators were willfully damaging property, and officers were assaulted with thrown munitions and biting. Warnings to clear the driveway were given via Long Range Acoustic Device (LRAD) at 2009 hours, 2013 hours, and 2017 hours. At approximately 2153 hours, demonstrators were throwing fireworks and other incendiary devices at

the gate. Demonstrators continued to encroach on the driveway, gate, and guard shack, including spray painting on the building.

CUSTODY/BOOKING:

FPS and Enforcement and Removal Operations (ERO) deployed through the vehicle gate at approximately 2155 hours to make an arrest. I saw a subject referred to here as SUBJECT 1 wearing dark clothing who threw an object I couldn't identify at the time at FPS and ERO officers. I ordered them to "Stop!" and fired a short burst of 3-6 pepper balls at their feet and legs.

FPS and ERO officers withdrew back toward the facility, and I saw a group of several subjects rapidly approaching the withdrawing officers and closing the distance between them. I ordered them to "Get back!" and fired a burst of 6-12 pepper balls at the ground in front of them. They ceased advancing at this time.

By 2220 hours, all FPS and ERO officers withdrew into the facility.

Based on my own observations, SUBJECT 1 committed the criminal act of 18 United States Code 111, forcibly assaulting and intimidating uniformed federal law enforcement officers in the performance of their duties by throwing objects at them.

Based on my own observations, an unknown number of other subjects committed the criminal act of 18 USC 111, forcibly resisting and intimidating uniformed federal law enforcement officers in the performance of their duties.

Due to the size and hostility of the crowd, these subjects were not arrested. None of these subjects appeared injured, and they all departed of their own accord.

OBSERVATION/INVESTIGATION:

At approximately 2203 hours, an LRAD warning was given declaring the demonstration an unlawful assembly and ordering the crowd to disperse. Additional LRAD warnings were given at 2207 hours and 2209 hours. The crowd did not disperse, but remained in the driveway, shouting things including "We're still in your driveway!" and throwing items at the gate. At this time I had probable cause to believe many demonstrators were committing multiple criminal acts including 41 CFR 102-74.385 (conformity with lawful direction of federal police officers) and 41 CFR 102-74.390 (creating a disturbance).

CUSTODY/BOOKING:

By 2252 hours, FPS and ERO officers deployed to make more arrests. FPS and ERO officers moved the crowd back more than a block to facilitate these arrests, while demonstrators continued to shout at officers, shine and flash bright lights into their faces, block and impede, shove, and throw items at officers. There were several occurrences of demonstrators kicking burning CS gas canisters thrown by ERO back at officers, or picking them up and throwing them at officers.

I saw an unidentified subject referred to as SUBJECT 2 dressed in black clothing wearing a mask running toward a CS gas munition thrown by ERO in the middle of Moody Street, and bending down to reach for it. I shouted for him to "Stop!" and fired multiple 3-5 round bursts at his body. SUBJECT 2 retreated into the crowd. Another unidentified [redacted] male subject in a red jacket referred to as SUBJECT 3 kicked a burning CS gas canister at me on Bancroft Street, and I shouted for him to "Stop!" and fired multiple 2-3 round bursts at his body. I observed my balls impacting his stomach and back as he moved, and he retreated back into the crowd.

Officers withdrew back into the facility, but redeployed to respond to an incendiary device thrown at officers while withdrawing on the driveway. ERO and FPS officers made an arrest on Moody Street while surrounded by demonstrators. I positioned myself between the arresting officers and the crowd to keep them from interfering with the arrest. An unidentified [redacted] male subject in dark clothes referred to as SUBJECT 4 approached a burning CS gas canister, and other officers ordered him "Don't do it!" SUBJECT 4 drew his leg back and shifted his weight as if ready to kick the canister in my direction, and I shouted for him to "Stop!" and fired multiple 3-5 round bursts at his body. SUBJECT 4 then withdrew back into the crowd.

FPS and ERO officers withdrew back into the facility while demonstrators followed, shouting several things at us, including "We aren't ever going to stop!" I did not use any additional force for the night. Demonstrators continued to shout, walk onto the driveway, and throw objects including commercial grade fireworks and other explosive devices into the courtyard at FPS and ERO officers until after 0006 hours.

Based on my own observations, SUBJECT 2 committed the criminal act of 18 USC 111, forcibly resisting and impeding uniformed federal law enforcement officers in the performance of their duties.

Based on my own observations, SUBJECT 3 committed the criminal act of 18 USC 111, assaulting and impeding uniformed federal law enforcement officers in the performance of their duties.

Based on my own observations, SUBJECT 4 committed the criminal act of 18 USC 111, forcibly resisting and impeding uniformed federal law enforcement officers in the performance of their duties.

Due to the size and hostility of the crowd, these subjects were not arrested. All subjects appeared uninjured and departed of their own accord.

SOURCE:

Additional Report

On July 04, 2025, I was assigned to the Immigration Custom Enforcement building located at 4310 South Macadam, Portland Oregon. The team I was assigned to consisted of Area Commander [redacted] Inspector [redacted] Inspector [redacted] and Immigration Custom Enforcement (ICE) Special Response Team (SRT). We were deployed and assigned to the facility due the recent damage to the facility by unknown demonstrators. The damage consisted of damage to the vehicle entry gate, the front entrance (it was breached), graffiti on the facility, damage to the exterior Video Surveillance System (VSS), and damage to the Protective Security Officers exterior post facility. The demonstrators were also impeding Immigration Custom Enforcement from performing their daily duties while attempting to block all vehicles from traveling in or out of the facility. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government. All LEOs assigned to this event where in uniform and stationed on the property with proprietary jurisdiction.

OBSERVATION/INVESTIGATION:

Thus far, local and federal facilities, as well as officers, have been targeted by demonstrators with the use of items including, but not limited to, impact weapons, powerful green and red lasers, rocks, bottles, fireworks and CS and smoke canisters that ICE SRT deployed to push the crowd off federal property. Tonight, was a continuation of such riotous and assaultive conduct by members of these groups. Prior to beginning our operations, we were advised that individuals within the vicinity of the facility were issuing out homemade shields, helmets, and painters mask.

During the evening, FPS officers and I observed demonstrators present at the Immigration Custom Enforcement building located at 4310 South Macadam St, Portland Oregon. During this time the demonstrators blocked the driveway for vehicles entering and exiting, yelled at officers and vehicles entering throughout the day, and all of this occurred on federal property. The demonstrators were dressed in painters mask, held homemade shields, and helmets.

Rocks, Fireworks and other objects being thrown by demonstrators can cause serious bodily harm to Law Enforcement Officers (LEOs) and innocent bystanders within the vicinity.

CUSTODY/BOOKING:

This evening, I observed 3 individuals throwing Clorobenzylidene Macononitrile (CS) cannisters back at LEOs. Throwing CS cannisters could result in serious and/or permanent body damage. This observed assaultive conduct falls under Title 18 United States Code 111. I fired less lethal projectiles at three subjects as they threw CS cannisters in the direction of LEOs.

While staged on the north side roof of the federal property located at the Immigration Custom Enforcement building located at 4310 South Macadam St, Portland Oregon, protesters blocked the vehicle north entry gate for outgoing vehicles on federal property.

At approximately 2005 hours, FPS and ICE officers opened the vehicle gate, and conducted a targeted arrest on a subject that had been identified for crimes that were not known to me at the time. A team of officers pushed out into the street to affect the arrest. ICE SRT began deploying CS cannisters to push the crowd back and away from the facility. Some of the demonstrators departed; however, some didn't and remained near the federal property. One protester approached a CS Cannister that was directly across the street from the ICE driveway on South Bancroft Street, north of the facility in the dirt lot. The subject appeared to be male, wearing a white scarf, green jacket and dark pants, bent down to retrieve the cannister. When the subject took a throwing stance in the direction of LEOs, I fired rounds of FN303 Launcher/alternating yellow marking and Pava rounds towards the center mass area of the subject, adjusting for distance (Approximately 120 feet) as I fired. The subject was the only one affected by the impact of my rounds and stopped throwing objects at officers. The subject was last seen northeast of the facility traveling north on South Moody Ave, not showing any sign of injury.

Moments later a second male subject in a painter mask, black hoodie, and black pants with a Black backpack approached another CS cannister in the same dirt lot area north of the facility and picked it up. When the subject took a throwing stance in the direction of LEOs, I fired rounds of FN303 Launcher/alternating yellow marking and Pava rounds towards the center mass area of the subject. The subject was affected by the impact of my rounds and stopped throwing objects at officers. The subject was last seen northeast of the facility traveling north on South Moody Ave, not showing any sign of injury.

At approximately 2153 hours, I had moved down from the roof and joined a team that was pushing out the gate to conduct a targeted arrest. We pushed the crowd away from the property as ICE SRT deployed CS cannisters and pepper balls. Once we were in the intersection of South Bancroft Street and South Moody Avenue; I observed a male subject coming from direction of South Moody, wearing a grey hoodie, shorts and a painter mask, pick up a CS cannister a take a throwing stance in my direction. The subject was approximately 10 yards away when I fired rounds

of FN303 Launcher/alternating pink marking and Pava rounds towards the center mass area of the subject. I observed the round hit the subject in the forearm as his arm crossed his torso during his throwing action. The subject appeared to shake his arm in pain before returning north on South Moody. The subject was last seen traveling north on South Moody Ave, not showing any sign of injury.

Subject#1

At approximately 2005 hours, I fired rounds of FN303/alternating yellow marking and PAVA rounds at an individual who was throwing a CS cannister at LEOs. The incident took place across the street from the ICE driveway on South Bancroft Street, north of the facility in the dirt lot. The individual appeared to be male, wearing a white scarf, green jacket and dark pants.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject reacted to the rounds and stopped throwing objects. The subject was last seen northeast of the facility traveling north on South Moody Ave. No injuries to the subject were observed and the result of impact munitions was the individual stopped throwing objects at Federal LEOs.

Subject#2

At approximately 2006 hours, I fired rounds of FN303/alternating yellow marking and PAVA rounds at an individual who was throwing a CS cannister at LEOs. The incident took place across the street from the ICE driveway on South Bancroft Street, north of the facility in the dirt lot. The individual appeared to be male, wearing a painter mask, black hoodie, and black pants with a Black backpack.

I observed the impact rounds travel in the direction towards the suspect. I did not see where the rounds impacted on the subject; however, the subject reacted to the rounds and stopped throwing objects. The subject was last seen northeast of the facility traveling north on South Moody Ave. No injuries to the subject were observed and the result of impact munitions was the individual stopped throwing objects at Federal LEOs.

Subject#3

At approximately 2153 hours, I fired rounds of FN303/alternating pink marking and PAVA rounds at an individual who was throwing a CS cannister at me. The incident took place in the intersection of South Bancroft Street and South Moody Avenue. The individual appeared to be male, wearing a grey hoodie, shorts and a painter mask.

I observed the impact round hit the subject in the forearm as his arm crossed his torso during his throwing action. The subject appeared to shake his arm in pain before returning north on South Moody. The subject was last seen traveling north on South Moody Ave. No injuries to the subject were observed and the result of the impact munition was the individual stopped throwing objects at Federal LEOs.

OUTCOME:

Force was used on all the subjects to protect LEOs who were involved in operations on this date. We could not make any arrests on these subjects, because after force was used on the subjects, they fled into the larger crowd of demonstrators. It was also difficult to pursue those subjects due to the dense amount of smoke and CS gas that was used during that operation. The crowd size also made it unsafe for officers to pursue the subjects into the crowd for officer safety. Another contributing factor was many demonstrators were wearing similar clothing and once we lost visual with the subjects it would made it difficult to regain visual contact on the subjects once they were in the crowd of protestors. There were no arrests made on these subjects due to the factors listed above.

//////INVESTIGATION BY INSPECTOR [redacted] 7P1576, FEDERAL PROTECTIVE SERIVCE//////

CASE NUMBER: 25024840D

OFFENSE: VIOLENT DEMONSTRATION: 18 U.S. CODE 111(A)(1)(B), ASSAULT ON A FEDERAL LAW ENFORCEMENT OFFICER

SOURCE:

On July 4, 2025, I, Inspector [redacted] (7P1576) was assigned to the Immigration and Customs Enforcement (ICE) facility located at 4310 SW Macadam Ave. Portland, Oregon (OR6732). I was assigned to Team B (Bravo). The team

Confidential
OREGON_DEFS_00000068

consisted of Inspectors [redacted] Team Lead [redacted] and multiple Officers from ICE ERO SRT. The Incident Commander (IC) was FPS District Commander [redacted] The Commander's Intent was to protect life safely and ensure that federal facilities were not damaged and/or breached by violent opportunists. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government. I was directly involved in crowd control and dispersal activities, and use of force with my FN303 Intermediate Less Lethal Launcher using a combination of PAVA and Marking Rounds, during a declared riot.

To date, local and federal facilities, as well as officers, have been targeted by violent opportunists with the use of items including, but not limited to, impact weapons, powerful green lasers, rocks, bottles, and mortars. Tonight, was a continuation of such riotous and assaultive conduct by violent opportunists.

This property is under the protection of the Federal Protective Service (FPS) and is leased by the U.S. General Services Administration (GSA).

OBSERVATION/ INVESTIGATION ACTIVITY:

At 11:15 PM PT, while positioned alongside FPS Inspectors and ICE SRT members safeguarding the facility, a plan of action for a targeted arrest was executed on a group of protesters gathered with shields on Bancroft Street. Before the commencement of the Pushout Operation, all protesters and demonstrators were repeatedly cautioned by the Long-Range Acoustic Device (LRAD) System, which indicated that they were trespassing on federal property and could face arrest, including members of the media. The demonstrators were also given the opportunity to leave the federal property; however, many chose to remain. During this period, I overheard FPS Inspectors informing that violent opportunists were situated at the entrance of the driveway, on the street, and on federal property in front of the Lindquist Federal Building, where they were throwing bottles, rocks, and launching fireworks. The protest group positioned themselves across Bancroft Street directly in front of Bravo Team as we exited the main gate.

While awaiting strategic operational instructions, Bravo Team confronted approximately 35 to 40 Anti-Trump and ICE Violent Protestors. After scanning my sector of responsibility, I detected and observed a large rock coming at a high rate of speed towards me. I was then struck by the rock and sustained an injury to my left shin. I stumble and quickly reported the incident to Dispatch and my immediate supervisor on scene. The pain was instant and continuous

Confidential
OREGON_DEFS_00000069

throughout the remainder of the night until the following day. Once my adrenaline wore off, I noticed visible swelling and discoloration to my left shin.

At my direction, Protective Security Officer (PSO) [redacted] (10G172) reviewed CCTV surveillance video of the incident. Based on the review of CCTV surveillance video and my knowledge of the investigation, I am aware of the following; On July 4, 2025, at 11:15 PM, an unidentified [redacted] male with a large build, wearing a black hoodie over black pants with a large, oversized white Nike check logo centered on the hoodie is observed throwing the large rock in question toward Bravo Team's direction. A screenshot of the unidentified subject was obtained as evidence for the record, Enclosure No. 1. Additionally, the rock was recovered and photographed, Enclosure No. 2. Photographs two (2) photographs were taken of my shin, Enclosure No. 3.

SWORN AFFIDAVIT OF FPS INSPECTOR [redacted]

On July 4, 2025, at approximately 2315 hrs., I was standing next to Inspector [redacted] when a protester threw a rock that impacted him and made his stumble. The sound that rock made when it hit [redacted] was a loud thud. I aske [redacted] f he had been hit and he confirmed that he had been hit in the shin. Later while inspecting the driveway area were found multiple large rocks approximately 2-3 inches in diameter in the driveway. END OF STATEMENT. Enclosure No. 4

This subject of the investigation has yet to be identified. [redacted] or FPS Alert is being considered for future apprehension.

OREGON_DEFS_00000073

On July 14, 2025, I was stationed at the ICE facility located at 4310 SW Macadam Avenue, Portland, OR in support of Operation Skip Jack. I was serving as the Tactical Commander for the operation to deal with protesters affecting the operation of the facility and impeding federal officers in the performance of their duties. On this evening the protesters in front of the facility were on and off federal property and at times blocked the driveway area, so vehicular traffic was impeded. Warnings were periodically given verbally to clear the driveway for vehicular traffic and the remain off of federal property because the facility was closed.

There were up to 30 protesters in the area near the facility at 2353 hours, and twelve subjects in front of the driveway. A couple subjects threw objects at the vehicle gate, and some could be seen consuming alcohol in front of the facility. A male subject took out two "Roman Candle" style fireworks and lit one pointing it at the driveway area and then at the building. The fireworks exploded against the building and in the direction of the ICE agents located on the roof. I deployed officers to arrest the male subject. He was apprehended on the sidewalk on the south side of the driveway. After the arrest Inspector R-511 deployed pepper spray to move two subjects away from officers as we pulled back into the driveway of the facility. Neither subject was hit with the pepper spray, but most of the officers felt the effects of its use. The male subject was detained and issued a citation for preservation of property - creating a hazard, 41 CFR 102-74.380(d).

A second male subject was seen drinking beer in front of the driveway at 0043 hours. He entered the driveway area and threw his beer at the vehicle gate. Then he retrieved a second beer and started to drink that in front of the facility. I deployed officers to detain the male subject. As ICE officers exited the building, he threw his full beer in their direction as he attempted to flee the area. He was tackled by ICE officers and detained. He was brought into the facility and issued a citation for preservation of property - improperly disposing of rubbish on property 41 CFR 102-74.380(a).

Both subjects were issued citations and released from custody. By 0205 there were no protesters in the area of the facility.

The following Support Narrative was entered by [redacted] last modified on 07/26/2025.

[redacted] FPS

SRT- Immigration Custom Enforcement (ICE)

INVOLVED PERSONS:

UNKNOWN

SOURCE:

On July 14, 2025, I was assigned to the Immigration Custom Enforcement building located at 4310 S Macadam Avenue, Portland Oregon. The team I was assigned to consisted of Area Commander [redacted] Inspector [redacted] Inspector [redacted] Inspector [redacted] Special Agent [redacted] and Immigration Custom Enforcement (ICE) SRT. We were deployed and assigned to the facility due the recent damage to the facility by unknown demonstrators. The damage consisted of damage to the vehicle entry gate, the front entrance (it was breached), graffiti on the facility, damage to the exterior CCTV devices, and damage to the protective security officers exterior post facility. The demonstrators were also impeding Immigration Custom Enforcement from performing their daily duties while attempting to block all vehicles from traveling in or out of the facility. Our specific mission was to take into custody anyone who was attempting to damage and/or breach federal property, assault officers or commit or conspire to commit riotous actions against the federal government.

Confidential
OREGON_DEFS_00000075

Thus far, local and federal facilities, as well as officers, have been targeted by demonstrators with the use of items including, but not limited to, impact weapons, powerful green lasers, paint ball guns, liquid filled balloons, rocks, and bottles, knives, and firearms. Tonight, was a continuation of such riotous and assaultive conduct by members of these groups. Prior to beginning our operations, we were advised there was a possibility of protest occurring at the facility.

OBSERVATION:

During the evening, FPS officers and I observed demonstrators present at the Immigration Custom Enforcement building located at 4310 S Macadam Avenue, Portland Oregon. During this time the demonstrators painted graffiti, blocked the driveway for vehicles entering and exiting, yelled at officers, threw fireworks at officers/facility and other objects next to the area where they were standing All of this occurred on federal property. The demonstrators were dressed in painters mask, held homemade shields, wore helmets.

Glass bottles, to include rocks and fireworks being thrown by demonstrators can cause serious bodily harm to Law Enforcement Officers (LEO's) and innocent bystanders within the vicinity.

This evening, I observed an individual throwing hard objects (rocks, fireworks,) towards Federal Law Enforcement Officers that could result in serious and/or permanent body damage. I believed there was probable cause to arrest the subject(s) for 18 USC 111.

CUSTODY/BOOKING:

While staged on federal property (within the entry gate) located at the Immigration Custom Enforcement building located at 4310 S Macadam Avenue, Portland Oregon, protesters blocked the vehicle entry gate for incoming/outgoing vehicles on federal property. The demonstrators were warned several times by the LRAD system and verbal warnings stating that they are trespassing on federal property and are subject to arrest too include media. The demonstrators were also provided time to vacate federal property; however, many refused too.

At approximately 2353 hours, FPS and ICE officers warned the demonstrators again to vacate federal property or be subject to arrest. FPS and ICE officers exited the facility vehicle gate for a targeted arrest for criminal activity (Individual shooting fireworks at the facility). During this time many of the officers were protecting the apprehension team that identified and restrained the subject. Other ICE, FPS officers and I remained in the proximity of the vehicle

Confidential
OREGON_DEFS_00000076

gate to prevent unauthorized individuals from entering. When the apprehension team was bringing the arrested subject back inside the several protestors followed the team and attempted to interfere with the arrest. During this time there were multiple individuals that were making verbal threats and advancing towards ICE and FPS officers.

Subject#1

At 2353 hours I used MK 46 OC towards two individuals advancing towards FPS and ICE officers as we were moving back into the facility vehicle gate from a target arrest. The range was approximately 6-10 feet between the subjects and officers' The individuals received multiple warnings stating "Get Back"; however, they continued to advance towards federal officers. The incident took place at 4310 South West Macadam St, Portland Oregon at the vehicle entry gate. The first individual appeared to be a [redacted] male/black shirt/black pants and second subject appeared to be [redacted] male/grey shirt/black shorts. There was no impact to either individual due to the pressure of the canister. The OC did not reach the subjects.

No injuries to the subject were observed and the result of the OC dispersal was to stop the individual from advancing towards ICE and FPS officers and to protect the apprehension team that was bringing a subject back into the facility that was arrested. Neither subject was arrested nor detained because they stopped advancing towards officers and it would have escalated the situation placing more officers in danger had we pursued the subjects. We were deescalating the incident by returning into the facility through the vehicle gate. The objective was to conduct the targeted arrest, and it was accomplished.

• [redacted] 3 Ida 7

• [redacted] 6 Ida 7

• [redacted] 2 Ida 3

At approximately 0005 hours, 10G172 advised a demonstrator dumped powder on property, the ICE driveway, unknown what the powder was or purpose for doing this.

At approximately 0013 hours, 7P1402 advised that there is an individual yelling for people to "go away from them" on the south side near tesla, off property, FPS Agents and Inspectors went to check on the incident from the interior of the fence line. At approximately 0015 hours, 10G172 advised that the victim is running south on Macadam, two individuals who were following "her" are engaging with FPS.

At approximately 0024 hours, 6P1591 advised two vehicles leaving. 10Ida107 advised four vehicles leaving. 11P1884 requested to know if "we are grabbing skateboard kids," 9R511 advised negative.

At approximately 0038 Aired to 7P1402 for information, who advised inspectors and agents broke contact with the two subjects from earlier approximately 15 minutes ago.

Additional Report

At approximately 0300 hours, FPS Team Charlie reported to the Incident Command that most protesters have departed at approximately 0300 hours.

At approximately 0900 hours, FPS Team Alpha informed the Incident Command of one peaceful protester with a megaphone (AKA [redacted] off Federal property across the street along Bancroft and departed at approximately 0925 hours.

At approximately 1005 hours, a protester identified as [redacted] wandered onto the Portland ICE Facility's driveway screaming towards ICE for about 20 minutes then departed the premises without incident.

At approximately 1046 hours, two (2) peaceful protesters (AKA [redacted] protesting ICE, and left without incident at approximately 1104 hours.

At approximately 1159 hours, one peaceful protester south on Macadam Avenue and South Moody Avenue, holding a sign protesting POTUS Trump and ICE, and he left the vicinity at approximately 1247 hours without incident.

At approximately 1234 hours, four (4) regular protesters gathered south of Bancroft in front of the Grey's Building, along with one (1) protester trying to agitate FPS and security personnel off Federal property.

At approximately 1439 hours, Team Bravo and the Deputy Incident Commander, [redacted] arrived on site.

At approximately 1555 hours, 4P-1689 reported a silver in color 4-door Chevy Cobalt with Oregon license plates [redacted] illegally park in the ICE Portland Facility's driveway. FPS Law Enforcement Specialists approached the driver who only spoke Spanish. The vehicle came back to an [redacted] out of. Driver [redacted] was issued a verbal warning that he could not park in the ICE driveway and cleared the area shortly thereafter.

At approximately 1856 hours, PSO (10 George-172) informed the DMC Dispatch that there are now (18) peaceful protestors off ICE property east of the driveway on Bancroft along the city sidewalk.

At approximately 2040 hours, PSO (10 George-172) informed the DMC Dispatch that there are now (28) peaceful protestors off ICE property throughout the vicinity.

At approximately 2112 hours, PSO (10 George-172) informed the DMC Dispatch that there are now (35) peaceful protestors, with approximately four to five (4-5) on the ICE driveway attempting to antagonize law enforcement personnel.

At approximately 2140 hours, PSO (10 George-172) informed the DMC Dispatch that there are now about (48) peaceful protestors, with approximately five to eight (5-8) on the ICE driveway attempting to antagonize law enforcement personnel. An LRAD Notification was issued to have protesters depart Federal property.

At approximately 2240 hours, FPS informed the IC and the DMC Dispatch that an LRAD Notification had been issued to clear the ICE driveway.

At approximately 2242 hours, PSO (10 George-172) informed the DMC Dispatch that there is now one (1) counter protester within the crowd that got into a minor altercation with a protester. FPS and PSO are monitoring the situation via Video Surveillance System (VSS).

At approximately 2300 hours, there was an altercation involving between 30-40 protesters and counter protesters that occurred on City of Portland property. Portland Police Department (PPD) was notified, but informed FPS that a unit would be dispatched once one was available.

At approximately 2321 hours, FPS units issued another LRAD Warning for protesters to get off Federal property (ICE driveway). The DMC Dispatch was also notified for their official, tracking, and situational awareness purposes.

Additional Report

A female counter protester approached FPS requesting refuge from protesters for her own personal safety until Portland Police Officers could arrive on scene. An unidentified female counter protester surrendered her personal pepper ball gun prior to coming onto Federal property per Team Bravo Lead 2P286. The DIC also requested PPD be notified via radio since this incident occurred on city property and not on Federal property, however PPD did not provide FPS an eta.

Team Bravo Lead 2P286 informed FPS Incident Command that there are now a total of three (3) female counter protesters seeking refuge for their own personal safety. FPS encouraged them to call 911 for Portland Police response. The three females in question per Team Bravo Lead 2P286 are 1st Name: [redacted] 2nd Name: [redacted] and a third unidentified party, counter demonstrator, "journalist," who was being followed and fears for their safety.

FPS determined that if PPD will not respond in a timely manner the three (3) female counter protesters would be released through an alternate door away from protesters for their own personal safety.

At approximately 2359 hours, the three (3) counter protesters that were in fear for their personal safety were released through a secluded door away from the area where the protesters were gathered since Portland Police Department (PPD) were unable to provide FPS an estimated time of arrival.

09/01/2025: D: 0001-2400: OR6732: 4310 SW Macadam Avenue, Portland, OR 97239-4222: Demonstration:

On Monday, September 1st, 2025, between 0001 to 2400 hours Pacific Time, while on duty performing Public Order Policing operations for Operation Skip Jack, as an FPS Law Enforcement Specialist of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS) under 40 U.S. Code § 1315 authority.

This deployment is part of an enhanced federal security posture in response to civil unrest and targeted acts of aggression toward federal personnel and property, and to ensure the continuity of ICE operations at the Portland ICE Facility, located at 4310 S. Macadam Avenue, in Portland, Oregon 97239.

The Commander's Intent is to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission includes the detention of any individual attempting to damage or breach federal property, assault officers, or engage in riotous conduct.

The following was reported to me as the Deputy Incident Commander (DIC)/Senior Inspector, [redacted] (2P286).

(27) FPS Law Enforcement Personnel, to include (20) Law Enforcement Specialists (Inspectors), three (2) Supervisory Law Enforcement Specialists, four (3) Special Agents, and two (2) Training and Professional Development (TPD) of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS), (6) Immigration and Customs Enforcement (ICE), Special Response Teams (SRT), to include (5) (SRT) Officers and (1) (SRT) Team leader, are posted at the Portland ICE Facility with an emphasis on protecting this Portland ICE Federal Facility due to the history of vandalism, property damage, civil disobedience, and general threat(s) toward this and other Federal facilities within Downtown Portland.

The following FPS Federal Law Enforcement Officers supported on this date, time, and location:

Incident Command Team: (1400-0100):

1. Incident Commander/RD [redacted] 10V1
2. Deputy Incident Commander (DIC)/ Senior Inspector, [redacted]
[redacted] (2P286).
3. FPS-TPD Branch Chief, [redacted] HV22
4. FPS-TPD-Senior Instructor [redacted] HV713

Team Alpha: (0500-1500 Hours):

1. Area Commander, [redacted] 2V33 (Team Lead)
2. [redacted] 6P1452
3. [redacted] 2P231
4. [redacted] 11P1525

Team Bravo: (1400-0100 Hours):

1. [redacted] 2P1110 (Team Lead)
2. [redacted] 5P802
3. [redacted] 4P1631
4. [redacted] 3P1531
5. [redacted] 1P1677
6. [redacted] 4P1621
7. [redacted] 11P1460
8. [redacted] 11P1510

Team Charlie: (1900-0500 Hours):

1. [redacted]9R511 (TAC)
2. [redacted](Team Lead)
3. [redacted]6P1656
4. [redacted]7P1276
5. [redacted]4P424
6. [redacted]2P495
7. [redacted]4P1602
8. [redacted]5P1553

FPS Special Agents:

1. [redacted]3 Ida 7
2. [redacted]7I8
3. [redacted]4I2

• At approximately 1255 hours, a subject was observed walking around the perimeter of the building, taking photographs and inspecting the locks. The subject wore brown pants and a cowboy hat and carried a black bag.

• At approximately 1343 hours, Alpha TL (2V33), advised of a protester shouting, "It's going to be a long night." Another protester displayed a flag reading "I love ICE,".

• At approximately 1419 hours, Alpha TL (2V33) advised that a protester was observed carrying a baseball bat in a backpack, in front of the facility.

• At approximately 1427 hours, FPS Bravo Team arrived on site and relieved FPS Alpha Team.

• At approximately 1442 hours, a protester was observed recording Federal Protective Service (FPS) and U.S. Immigration and Customs Enforcement (ICE) personnel entering or departing the Portland ICE Facility.

• At approximately 1513 hours, a [redacted]male was observed jumping on and off the property in the driveway area.

• At approximately 1515 hours, a female protester dressed in all black was observed writing on the right side of the driveway.

• At approximately 1516 hours, a verbal warning was issued to the female subject, who complied.

• At approximately 1525 hours, a female subject wearing a black shirt, and a pink skirt was observed writing on the wall before leaving the area.

• At approximately 1526 hours, six (6) peaceful protesters were observed off the property near the vehicle driveway entrance.

• At approximately 1533 hours, Bravo TL (2P1110) issued a verbal warning to stay off the property.

• At approximately 1542 hours, Bravo Team Member (9P1531) advised that two opposing protesters were arguing with each other near the north side entrance.

• At approximately 1608 hours, Bravo Team member (5P802) advised that an LRAD warning was issued to clear the driveway for Charlie Team's arrival.

• At approximately 1613 hours, a female subject wearing a dress was observed walking onto and off the driveway.

• At approximately 1619 hours, a young male subject, holding an umbrella and wearing a gray shirt, tan pants, and glasses, was observed writing on the wall on the right side of the driveway. Multiple verbal warnings had already been issued to the subject.

• At approximately 1641 hours, multiple children were observed accompanying protesters at the trolley station.

• At approximately 1710 hours, additional individuals were observed arriving at the facility. Tents were set up, and some individuals were in possession of baseball bats and gas masks.

• At approximately 1728 hours, a group of 40–50 protesters were observed masking up in front of South Macadam.

• At approximately 1828 hours, Bravo Team member (3P1531) reported two individuals approaching the gate. One individual was described as wearing a blue camouflage sweatshirt and gray shorts. The female subject was described as wearing pink leggings, a white shirt, and [redacted] hair.

• At approximately 1849 hours, a group of 200–250 peaceful protesters were observed in front of the building and scattered around the area. Some protesters were seen carrying bats, improvised weapons, shields, and what appeared to be ballistic vests. The group was blocking the main entrance, diverting traffic, and placing multiple objects on both Macadam and Moody. Local authorities were advised.

• At approximately 1936 hours, 75–150 protesters were observed in front of the facility and dispersed along Macadam and Bancroft.

• At approximately 1950 hours, protesters were observed in front of the facility, off Federal property, surrounding a black truck and obstructing its movement.

• At approximately 1958 hours, Bravo Team member (5P802) advised he deployed Pepper Ball Launching System (PLS) when protesters were removing wooden boards from the fence. Protesters removed three boards.

• At approximately 2032 hours, three protesters were observed on Federal property near the gate, beyond the card reader. An estimated 150–200 protesters were observed in front of the building and in the surrounding area.

• At approximately 2033 hours, FPS officers issued multiple verbal warnings instructing individuals to stay off Federal property and clear the driveway entrance.

• At approximately 2036 hours, protesters placed a prop guillotine in front of the facility, blocking the roadway.

• At approximately 2101 hours, two vehicles were positioned on Moody to block traffic. Protesters remained blocking the roadway and the facility entrance. Protesters continued to be confrontational, yelling obscenities toward FPS and ICE personnel, and coming onto and off Federal property.

• At approximately 2138 hours, Pepper Ball Launching System (PLS) was deployed for area dispersal. Protesters continued blocking the main entrance. Protective Security Officers (PSOs) awaiting shift change were pending to access the facility.

• At approximately 2140 hours, an estimated 150–200 protesters were observed, with approximately 20–30 individuals conducting traffic control at the intersection of Bancroft and Moody.

• At approximately 2153 hours, Training Program Division (TPD) advisor (HV22) observed that a fire had been set across the street.

• At approximately 2155 hours, protesters extinguished the fire.

• At approximately 2157 hours, the Incident Commander (IC) (10V14) requested that local police be notified that protesters were still blocking the street.

• At approximately 2200 hours, a Long-Range Acoustic Device (LRAD) warning was issued to clear the driveway entrance.

• At approximately 2201 hours, the Incident Commander (IC) (10V14) advised that protesters maintained a shield wall on the driveway and that several individuals possessed impact weapons, including bats and sticks. Approximately 75 protesters continued in front of the facility and at the driveway entrance.

• At approximately 2205 hours, a second Long-Range Acoustic Device (LRAD) warning was issued to clear the driveway entrance.

• At approximately 2207 hours, protesters carrying bats, hand thrown made devises, and shields continued in front of the facility and at the driveway entrance.

• At approximately 2210 hours, a third Long-Range Acoustic Device (LRAD) warning was issued to clear the driveway entrance.

• At approximately 2215 hours, a fourth Long-Range Acoustic Device (LRAD) warning was issued to clear the driveway entrance.

• At approximately 2223 hours, protesters launched a smoke canister.

Additional Report

• At approximately 2223 hours, Federal Protective Service (FPS) and U.S. Immigration and Customs Enforcement Special Response Team (ICE SRT) personnel moved out to clear the driveway and allow vehicle entry and exit to and from the facility.

• At approximately 2223 hours, during operations to clear the driveway and allow vehicle entry and exit, Federal Protective Service (FPS) officers deployed FN 303 and Pepper Ball Launching System (PLS). U.S. Immigration and Customs Enforcement (ICE) Special Response Team (SRT) personnel deployed noise-flash diversionary device (distraction device), hand-thrown chemical munitions, and Pepper Ball Launching System (PLS). There were no arrests or detentions, and no injuries were reported.

• At approximately 2235 hours, the Tactical Commander (R511) advised that all teams were back on Federal property.

• At approximately 2240 hours, the Tactical Commander (R511) advised that all teams were inside the facility; no injuries were reported.

• At approximately 2240 hours, an estimated 100 protesters remained in front of the facility and in the surrounding area.

• At approximately 2305 hours, 10–13 protesters remained in front of the driveway, with an estimated 30–35 in the surrounding area.

• At approximately 0100 hours, Federal Protective Service (FPS) Bravo Team and U.S. Immigration and Customs Enforcement (ICE) Special Response Team (SRT) cleared the facility.

5. [redacted] 4P424
6. [redacted] 2P495
7. [redacted] 4P1602
8. [redacted] 5P1553

FPS Special Agents:

1. [redacted] 4I2
2. [redacted] 7I8

At approximately 0021 hours: A female counter-demonstrator, described as a heavy-set female wearing a black shirt, jacket, and blue jeans, was surrounded by a group of twelve to thirteen (12–13) individuals.

At approximately 0022 hours: One of the demonstrators, described as a heavy-set male wearing all black, took possession of two water bottles believed to belong to the counter-demonstrator.

At approximately 0101 hours: ICE/SRT and FPS Bravo Team cleared the facility.

At approximately 0108 hours: Approximately ten (10) protesters surrounded the counter-demonstrator. One (1) protester physically harassed her, while another used a high-powered flashlight to shine into her eyes.

At approximately 0109 hours: The Portland Police Bureau (PPB) was requested for assistance.

At approximately 0110 hours: PPB advised DMC that two (2) units would respond but could not provide an estimated time of arrival (ETA).

At approximately 0115 hours: Charlie Team member 6P1656 requested an ETA from PPB.

At approximately 0126 hours: PPD Sergeant [redacted] called in requesting a description of the situation and the counter-demonstrator being harassed.

At approximately 0127 hours: Charlie Team member 6P1656 advised that five (5) protesters were surrounding the counter-demonstrator and were in close proximity to her face.

At approximately 0133 hours: PPB drove by the area on Macadam but did not dismount or engage with the situation.

Confidential
OREGON_DEFS_00000195

At approximately 0139 hours: Protective Security Officer (PSO) 10G172 advised that one (1) protestor shoved a leaf into the counter-demonstrators face. PPB was informed of the incident.

At approximately 0144 hours: Charlie Team member 6P1656 called PPB, emphasizing that this was not an immigration issue or a federal-related situation but rather a civilian in distress. He advised that the counter-demonstrator was surrounded and in danger. He described the protesters, including one (1) individual with nunchaku and a cane, one (1) wearing all black and a Misfits band T-shirt with a black unzipped hoodie, and two (2) individuals known to have assaulted others in the past.

At approximately 0146 hours: DMC Supervisor S136 called PPB to provide an update and shared Charlie Team Lead 6P1656's contact information. PPB stated they did not perceive the counter-demonstrator to be in distress or at risk of bodily harm and did not intervene.

At approximately 0159 hours: PSO 10G172 advised that three (3) protesters were shoving their hands into the counter-demonstrators face, and she was attempting to slap them away.

At approximately 0200 hours: Charlie Team member 4P1602 reported that eleven (11) protesters were surrounding the counter-demonstrator, and three (3) had touched her.

At approximately 0204 hours: PSO 10G172 advised that two (2) protesters were attempting to grab items off the counter-demonstrator's person.

At approximately 0220 hours: PSO 10G172 reported that one (1) protestor threw water onto the counter-demonstrator, and another threw a water bottle, hitting her in the face. An umbrella used to block the counter-demonstrator was grabbed and destroyed.

At approximately 0221 hours: Charlie Team member 6P1656 informed DMC that PPB stated they were low on manpower and would respond as soon as possible. FPS Charlie Team Lead continued to monitor the situation.

At approximately 0223 hours: PSO 10G172 advised that one (1) protester, wearing all pink and blue jeans, spat on the counter-demonstrator.

At approximately 0227 hours: Charlie Team member 4P1602 advised that Charlie Team would push protesters back to allow the counter-demonstrator to leave safely. The counter-demonstrator was surrounded by eleven (11) protesters on federal property.

At approximately 0234 hours: Charlie Team member 6P1656 reported that all units returned to the facility and were code 4. PSO 10G172 advised that the counter-demonstrator fled southbound on Macadam and was being chased by ten (10) protesters. FPS Team Lead provided a status update to PPD.

At approximately 0238 hours: Charlie Team member 6P1656 reported that approximately twenty (20) protestors were searching the area for the counter-demonstrator. He believed the counter-demonstrator had enough of a head start to escape safely. No force was used during the push out, and there were no injuries.

At approximately 0354 hours: Charlie Team member 6P1656 called Denver MegaCenter to request event notes.

At approximately 0439 hours: PSO 10G172 observed two (2) protesters on the southeast corner of Bancroft and Moody near the facility.

At approximately 0440 hours: FPS Charlie Team arrived at the facility.

At approximately 0455 hours: One (1) individual was observed on the driveway.

At approximately 0758 hours: Two (2) legal observers were seen on the east side of the facility, off federal property.

At approximately 1026 hours: PSO 10G176 reported an interview and photographer on-site for Channel 18 News.

At approximately 1154 hours: One (1) individual protested ICE at the main entrance and briefly stepped onto federal property.

At approximately 1158 hours: PSO 10G175 reported that a female protester wearing a black-and-white shirt, and red pants pulled a pair of nunchaku from her bag while off federal property.

At approximately 1307 hours: Associated Press personnel returned to the area but remained off federal property.

At approximately 1430 hours: FPS Bravo Team arrived at the facility.

At approximately 1450 hours: Team Alpha cleared the area.

At approximately 1558 hours: Protective Security Officer (PSO) 10G172 called and advised of a vehicle attempting to block the road to prevent FPS from leaving the driveway. The vehicle turned abruptly when FPS got around it and began following FPS but gave up once they entered the highway. The vehicle was identified as a gold Land Cruiser with Oregon license plate [redacted]

At approximately 1604 hours: One (1) female protester was observed in the driveway wearing a brown shirt and blue jeans.

At approximately 1655 hours: Bravo Team member 1P1677 advised that protestors were attempting to take close-up photographs of FPS personnel's faces.

Confidential
OREGON_DEFS_00000198

Additional Report

At approximately 1713 hours: Bravo Team Lead 1P1677 reported that a protestor known as [redacted] was using a high-powered camera to take pictures of FPS inspectors' faces. The protestor stated, "Your identities will not last forever. We will find you."

At approximately 1828 hours: One (1) protestor approached the news crew with a megaphone, yelling at them and blasting sound into their faces.

At approximately 1830 hours: Protestor [redacted] was observed in front of the building wearing a green inflatable frog costume.

At approximately 1930 hours: The Federal Protective Service (FPS) Charlie Team arrived at the facility.

At approximately 1936 hours: A female protestor wearing a tan shirt, black pants, and a gray bag with her hair in a ponytail was observed throwing items onto the driveway.

At approximately 1948 hours: Four (4) individuals were observed at the trolley stop, three (3) were at the intersection of Moody and Bancroft, seventeen (17) were near the driveway, and none (0) were blocking the driveway entrance.

At approximately 2238 hours: Approximately eighteen (18) protesters were off the property on Macadam Street. Two (2) individuals were at the trolley stop, nine (9) were at the intersection of Moody and Bancroft, seven (7) were near the driveway, and four (4) were blocking the driveway entrance.

At approximately 2359 hours: Eight (8) individuals were observed at the trolley stop, three (3) were at the intersection of Moody and Bancroft, six (6) were near the driveway, and three (3) were blocking the driveway entrance.

98-09/17/2025: D: 0001-2400: OR6732: 4310 SW Macadam Avenue, Portland, OR 97239-4222: Demonstration:

On Wednesday, September 17th, 2025, between 0001 to 2400 hours Pacific Time, while on duty performing Public Order Policing operations for Operation Skip Jack, as an FPS Law Enforcement Specialist of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS) under 40 U.S. Code § 1315 authority.

This deployment is part of an enhanced federal security posture in response to civil unrest and targeted acts of aggression toward federal personnel and property, and to ensure the continuity of ICE operations at the Portland ICE Facility, located at 4310 S. Macadam Avenue, in Portland, Oregon 97239.

The Commander's Intent is to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission includes the detention of any individual attempting to damage or breach federal property, assault officers, or engage in riotous conduct.

The following was reported to me as the Deputy Incident Commander (DIC)/Inspector, [redacted] 2P1751).

(25) FPS Law Enforcement Personnel, to include (16) Law Enforcement Specialists (Inspectors), six (6) Supervisory Law Enforcement Specialists, two (2) Special Agents, and one (1) Training and Professional Development (TPD) of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS), and ten (10) Immigration and Customs Enforcement (ICE), Special Response Teams (SRT) are posted at the Portland ICE Facility with an emphasis on protecting this Portland ICE Federal Facility due to the history of vandalism, property damage, civil disobedience, and general threat(s) toward this and other Federal facilities within Downtown Portland.

The following FPS Federal Law Enforcement Officers supported on this date, time, and location:

Incident Command Team: (1400-0100):

1. Incident Commander/ A-DC (IC) William, Turner 10V4
2. Investigations Branch Chief, [redacted] 10I1
3. FPS-TPD Branch Chief, [redacted] HV22
4. Deputy Incident Commander (DIC)/ Inspector, [redacted]
5. Program Manager Sr. Inspector/ [redacted] 10V6
6. Inspecto [redacted] P1793

Team Alpha: (0500-1500 Hours):

1. [redacted] 8V13 AC/ (Team Lead)
2. [redacted] 3P1790
3. [redacted] 4P11084

Team Bravo: (1400-0100 Hours):

2. [redacted]8I87

Local Asset

1. [redacted]P1559

At approximately 0001 hours, 10G172 advised that there were about 15 protestors on camera scattered throughout the area.

At approximately 0026 hours, Bravo Team departed the facility and went out of service.

At approximately 0030 hours, 1V9 advised that during the last push to secure a safe exit for Bravo Team, he deployed MK9 against protestors for failing to comply with a lawful order.

At approximately 0040 hours, 1V9 advised that there were no injuries to FPS personnel during the last push out of the facility.

At approximately 0304 hours, 10G172 advised that there were three (3) protestors standing in the driveway.

At approximately 0305 hours, 10G172 advised that there were approximately 13 protestors scattered throughout the area.

At approximately 0424 hours, 8V11 advised that Alpha Team arrived on location and was in service.

At approximately 0430 hours, FPS advised that Charlie Team departed the facility and went out of service.

At approximately 1144 hours, 10G176 advised that two (2) pro-ICE protestors were standing across the street with banners.

Confidential
OREGON_DEFS_00000213

At approximately 1248 hours, 8V11 advised that the vehicle involved in the threat towards FPS yesterday was parked next to the encampment. It was unknown if the person who made the threat was in the vehicle. There were no plates on the vehicle.

At approximately 1415 hours, Bravo Team arrived at the facility and was in service.

At approximately 1430 hours, Alpha Team departed the facility and went out of service.

At approximately 1443 hours, 10P1559 advised that he, 11B1510, and 1P409 conducted an exterior perimeter patrol.

At approximately 1451 hours, 10P1559 advised that they had completed the perimeter check and there was nothing unusual to report.

At approximately 1555 hours, 10G176 advised that Fox12 media team was present, and there were a few protestors at the corner of Moody and Bancroft.

At approximately 1632 hours, 10G176 advised that additional media teams, including KDW, were present at the corner of Moody and Bancroft.

At approximately 1641 hours, 10G176 advised that there were six (6) protesters off property blocking the driveway.

At approximately 1702 hours, 10G176 advised that Fox 12 and KDW had moved from Moody and Bancroft to the east side of the facility, conducting interviews with the protesters.

At approximately 1713 hours, FPS advised that they made a push towards the front of the facility to allow vehicles to safely leave the property. During the push, FPS personnel gave loud verbal warnings for protesters to stay off federal property. Protesters who were blocking the driveway ran across the street, and one protester was struck by a vehicle

Confidential

traveling from South Macadam to South Bancroft. The vehicle was described as a light blue Ford Edge, with a possible license plate of [redacted]

At approximately 1715 hours, FPS advised that the vehicle involved in the possible hit-and-run did not stop and left the scene.

At approximately 1715 hours, FPS advised that the victim got up and left the scene.

At approximately 1720 hours, FPS advised that PPB was notified of the possible hit-and-run.

At approximately 1723 hours, 10G176 advised that the victim who was hit by the vehicle had returned and was sitting on the wall next to the driveway.

At approximately 1730 hours, 10G176 advised that Fox 12 and KDW had left the area.

At approximately 1735 hours, FPS advised that they attempted to contact the victim sitting on the wall to ask if he wanted EMS assistance, but he ran away when they tried to contact him.

At approximately 1804 hours, 10G176 advised that there were four (4) individuals sitting in front of the driveway, blocking it.

At approximately 1810 hours, FPS advised that HN1 arrived on location at the ICE federal building.

At approximately 1830 hours, 10G176 advised that there were six (6) protesters blocking the driveway.

Confidential
OREGON_DEFS_00000215

At approximately 2135 hours, FPS advised that ICE/SRT was operating a drone in the area to conduct surveillance of the protesters.

At approximately 2245 hours, FPS advised that there were approximately 13 protesters standing next to the driveway.

At approximately 2311 hours, FPS advised that they made a push towards the front of the facility to allow vehicles to safely leave the property, and HN1 departed the facility during this time.

At approximately 2330 hours, FPS advised that there were approximately 18 protesters standing next to the driveway, with 6 protesters blocking the driveway.

At approximately 2345 hours, 10G176 advised that there were approximately 25 protesters in the area and about 10 in front of the driveway.

At approximately 0000 hours, FPS advised that there approximately 17 protesters in front of the driveway.

1 [redacted] P1559

At approximately 0010 hours, FPS advised that they made a push towards the front of the facility to allow vehicles to safely leave the property. At this time, approximately 30 protesters were reported to be screaming at officers. The protesters were given louder verbal warnings to stop interfering with law enforcement operations and to stay off federal property.

At approximately 0015 hours, FPS advised that there were approximately 30 protesters blocking the driveway.

Confidential
OREGON_DEFS_00000221

At approximately 0025 hours, 10G172 advised that counter protester [redacted] was in the area.

At approximately 0030 hours, FPS advised that they made a push towards the front of the facility to allow Bravo Team to safely leave the property. At this time, approximately 30 protesters were blocking the driveway.

At approximately 0035 hours, 1V9 advised that during the final push to allow Bravo Team to depart the facility, FPS personnel were holding the line. A protester pushed against 3P1584's shield, causing the shield to strike the inspector in the face. 3P1584 subsequently detained. During the detainment, a female protester attempted to interfere and obstruct the detention. In response, 1P1786 deployed less-lethal munitions (pepperballs) for aerial denial to prevent protesters from interfering with official law enforcement operations. Additionally, 1V9 detained the female protester for impeding law enforcement operations.

At approximately 0045 hours, 1V9 advised that the female protester would be released following an investigative detention and the agents presented it to the AUSA office.

At approximately 0045 hours, FPS reported that no injuries were sustained by FPS personnel, the detainees, or the protesters. Approximately 30 protesters were present in the area, and they remained peaceful off the property.

At approximately 0055 hours, 7P1585 requested an NCIC check on the subject detained for assault on a federal officer. The SUBJECT's information provided to DMC was as follows: Name: [redacted] An NCIC check was also requested for the subject detained for interfering with law enforcement operations. The SUBJECT's information provided to DMC was as follows: Name: [redacted]

At approximately 0059 hours, DMC advised, per S136 Multnomah County Warrants Liaison, that both SUBJECTS were clear locally.

At approximately 0154 hours, 1V9 advised that both SUBJECTS had been released.

Confidential
OREGON_DEFS_00000222

At approximately 0155 hours, 1V9 advised DMC to create separate event for the detentions. He instructed assigning [redacted] to himself and [redacted] to 3P1584.

At approximately 0230 hours, PSO advised that there were zero (0) protesters in the area.

At approximately 0430 hours, FPS advised that Alpha Team had arrived on location and was in service.

At approximately 0445 hours, FPS advised that Charlie Team had cleared the facility.

At approximately 0505 hours, FPS advised that 8V11 and 3P1790 had conducted a perimeter check of the facility.

At approximately 0516 hours, 8V11 advised that the perimeter check had been completed with nothing unusual to report.

At approximately 0620 hours, 10G172 advised that there were three (3) protesters blocking the driveway.

At approximately 0626 hours, 10G172 advised that the protesters had departed eastbound on Bancroft.

At approximately 1140 hours, the PSO advised that the graffiti removal company was on site removing the graffiti that the protesters had put on the walls and plywood.

At approximately 1248 hours, 10G175 advised that a media team was in the area across the street on Bancroft.

Additional Report

At approximately 1343 hours, 10G175 advised that there were approximately 100 protesters off property at Moody and Bancroft, protesting ICE and local police.

At approximately 1347 hours, 10G175 advised that the protesters had moved into the streets and were blocking traffic.

At approximately 1349 hours, FPS advised that PPD had been informed that the protesters were blocking traffic.

At approximately 1354 hours, 10G175 advised that the protesters were heading west towards the train tracks and had grown to approximately 150 protesters.

At approximately 1355 hours, FPS advised that PPD had been informed of the protesters' movement.

At approximately 1401 hours, 10G175 advised that the protesters had moved to the Tesla building adjacent to the rear of the federal building.

At approximately 1405 hours, FPS advised that Bravo Team had arrived on location and was in service.

At approximately 1411 hours, 6V16 advised that the protesters had split into two (2) groups, with one (1) group going to 1220 SW 3rd and the other group staying at the corner of Moody and Bancroft.

At approximately 1412 hours, 10G172 advised that the protesters had formed a single-file line around the ICE building, but the driveway remained unblocked.

At approximately 1432 hours, FPS advised that Alpha Team had departed and gone out of service.

At approximately 1438 hours, 10G175 advised that most of the protesters had left, with only 10 protesters remaining.

At approximately 1503 hours, 10G175 advised that there was an unknown media team in the area off property.

At approximately 1624 hours, 10G175 advised that there were two (2) protesters blocking the driveway.

At approximately 1647 hours, 10G175 advised that there were two (2) protesters riding bikes up the driveway on federal property.

At approximately 1702 hours, 6V16 advised that the two (2) protesters were still riding up and down the driveway on federal property. They were given loud verbal warnings to stay off federal property.

At approximately 1825 hours, 10G175 advised that there were two (2) male protesters on federal property behind the guard shack, recording video of the cameras.

At approximately 1830 hours, 10G175 advised that there were three (3) female protesters near the driveway, recording video of the cameras.

At approximately 1850 hours, FPS advised that ICE/SRT would be deploying a drone to conduct surveillance of the protesters' activities.

At approximately 1855 hours, FPS advised that Charlie Team had arrived on location and was in service.

At approximately 1950 hours, the PSO advised that there was an accident near the driveway, but it was not blocking access. A motor vehicle had reversed into a motorcyclist. It was unclear whether the motorcyclist was a protester or not. PPD was informed of the incident.

Confidential
OREGON_DEFS_00000225

At approximately 1958 hours, the PSO advised that it appeared both parties had exchanged information and left the scene of the accident. It seemed there were no injuries, as both parties departed without further incident. The motorcyclist was later observed heading to the encampment, suggesting they may have been a protester.

At approximately 2048 hours, FPS advised that ICE/SRT would be deploying a drone to conduct surveillance of the protesters' activities.

At approximately 2115 hours, FPS advised that both Bravo Team and Charlie Team were Code 4.

At approximately 2150 hours, FPS advised that there were approximately 25 protesters scattered throughout the area.

At approximately 2205 hours, FPS advised that they had made a push toward the front of the driveway to allow ICE/SRT to safely leave the facility. There were approximately 35 protesters standing near the driveway. FPS did not encounter any issues with the protesters and returned safely to the property with no injuries.

At approximately 2245 hours, FPS advised that there were approximately 15 protesters scattered in the area.

At approximately 2300 hours, the PSO advised that there was a female protester on the south side of the facility who is known for frequently climbing on the facility's fencing.

At approximately 2310 hours, FPS advised there were approximately eight (8) protestors blocking the driveway, with an addition 10 protesters scattered in the area.

At approximately 2330 hours, FPS advised that three protesters were blocking the driveway, with one lying in front of it.

Confidential
OREGON_DEFS_00000226

Additional Report

At approximately 2340 hours, FPS advised that they made a push toward the front of the property to allow a vehicle to safely access the facility. Approximately 25 protesters were blocking access. FPS issued loud verbal warnings instructing the protesters to stay off federal property and cease blocking the entrance. FPS did not encounter any issues and returned safely to the property with no injuries reported.

At approximately 0010 hours, HV22 advised that FPS had made a push to allow vehicles to safely exit the driveway. At that time, loud verbal warnings were given to protesters to stop blocking the driveway and to stay off federal property. After the push, FPS returned to the facility with no incidents.

At approximately 0015 hours, HV22 advised that there were approximately 35 protesters blocking the driveway.

At approximately 0045 hours, FPS advised that Bravo Team had departed the facility and gone out of service.

At approximately 0203 hours, 1V9 advised that Charlie Team was code 4.

At approximately 0428 hours, 8V11 advised that Alpha Team had arrived on location and was in service.

At approximately 0440 hours, 1V9 advised that Charlie Team had departed the facility and gone out of service.

At approximately 0459 hours, 8V11 advised that he and 3P1790 had conducted a perimeter check of the facility.

At approximately 0510 hours, 8V11 advised that the perimeter check had been completed with no unusual incidents to report.

At approximately 1205 hours, 1072 advised that the Bowell News team was across the street at the corner of Bancroft Street.

At approximately 1245 hours, 10G172 advised that the Bowell News team had left the area.

At approximately 1358 hours, 10G172 advised that the Channel 6 News team was across the street at Bancroft Street.

At approximately 1415 hours, FPS advised that Bravo Team had arrived on location and was in service.

At approximately 1430 hours, FPS advised that there were approximately 18 protesters scattered in the area.

At approximately 1510 hours, 10G172 advised that there were three (3) protesters blocking the driveway.

At approximately 1643 hours, FPS advised that 11P1510, 2P1723, 3P1450, and 3P1759 had conducted a perimeter check of the facility.

At approximately 1655 hours, FPS advised that the perimeter check had been completed with no unusual incidents to report.

Confidential
OREGON_DEFS_00000233

At approximately 1715 hour, 10G172 advised that there was one (1) female protester blocking the driveway.

At approximately 1754 hours, FPS advised that ICE/SRT would be deploying a drone to conduct surveillance of the protesters' movements.

At approximately 1815 hours, 10G172 advised that there was a protester walking up the driveway shouting aggressively and making hand gestures. The SUBJECT was wearing a black hat, white shirt, black short pants, and white and black sneakers. FPS gave him actual notice to stay off federal property, and he then left.

At approximately 1817 hours, 10G172 advised that the same protester who had been walking up the driveway returned and started walking up the driveway again, shouting aggressively and making hand gestures. The SUBJECT was given a second verbal warning to stay off federal property, and he then left the driveway.

At approximately 1822 hours, 10G172 advised that the same protester returned for a third time, walking up the driveway. The SUBJECT was given a third verbal warning to stay off federal property, after which he left the area.

At approximately 1840 hours, FPS advised that Charlie Team arrive on location and was in service.

At approximately 1920 hours 10G172 advised that there were zero (0) protesters in front of the driveway, however, approximately 14 protesters scattered throughout the area.

At approximately 1947 hours, FPS advised that there were approximately four (4) protesters standing near the driveway.

At approximately 2027 hours, FPS advised that there were three (3) protesters sitting at the driveway.

Confidential
OREGON_DEFS_00000234

At approximately 2121 hours, FPS advised that there were approximately 12 protesters gathered next to the driveway.

At approximately 2126 hours, FPS advised that there were approximately 30 protesters on the northeast side of the facility attempting to look through the fence into the sally port.

At approximately 2141 hours, FPS advised that the protesters had scattered from the northeast side of the facility to the general area around the front of the facility.

At approximately 2145 hours, FPS advised that there were approximately nine (9) protesters gathered in front of the driveway

At approximately 2225 hours, 10G172 advised that there was a protester wearing a brown jacket waving an unknown object over the driveway.

At approximately 2228 hours, 10G172 advised that there were approximately 30 protesters in the immediate area, with three (3) next to the driveway.

At approximately 2240 hours, 10G172 advised that there was a protester across the street from the driveway armed with a katana sword, waving it, and riling up the other protesters. The subject was wearing a gray head covering, a camouflage shirt, black pants, and black shoes.

At approximately 2248 hours, 6V16 advised that approximately six (6) protesters were pushing another protester around across the street from the driveway. The protester then proceeded across the road next to the driveway and was followed by the other protesters. They remained off federal property.

At approximately 2253 hours, 10G172 advised that two (2) counter-protesters (one know as [redacted] retreated onto the corridor of federal property, and two (2) protesters followed them.

Confidential
OREGON_DEFS_00000235

At approximately 2254 hours, 10G172 advised that approximately 15 protesters were surrounding [redacted] and the other counter-protesters, using bullhorns and shining high-powered flashlights in the individuals' faces.

At approximately 2255 hours, FPS advised that an LRAD warning was issued and directed DMC to contact PPD to inform them of the incident.

At approximately 2258 hours, DMC advised that PPD had been notified and the message was aired.

At approximately 2301 hours, HV22 advised that a second LRAD warning was issued to instruct protesters to stay off federal property.

At approximately 2303 hours, 6V16 advised that the protester with the katana sword had returned to the area across from the driveway and was leaning next to a stop sign.

At approximately 2305 hours, FPS advised that there were approximately 40 protesters in the area in front of the driveway.

At approximately 2308 hours, 6V16 advised that [redacted] and the other counter-protesters were walking away from federal property, and approximately 12 protesters were following them. Additionally, one (1) of the protesters following the two (2) counter-protesters was armed with a katana sword.

At approximately 2309 hours, HV22 directed DMC to inform PPD of the incident.

At approximately 2328 hours, FPS advised that the protesters were making physical contact with [redacted] by hitting him, and the individual with the katana sword had it in his hand, waving it in an aggressive manner.

Confidential
OREGON_DEFS_00000236

At approximately 2330 hours, 10V14 advised DMC to inform PPD of the individual with the katana sword, which was drawn but not unsheathed.

At approximately 2333 hours, FPS advised that protesters were physically assaulting [redacted] by striking him repeatedly. He actively defending himself and attempting to fight off the group of protesters to prevent further harm.

At approximately 2335 hours, FPS advised DMC to contact PPD again and inform them of the incident.

At approximately 2340 hours, ICE/SRT advised that a knife was through over the fence by a protester in front of the sally port door.

At approximately 2350 hours, FPS advised that approximately 40 protesters were scattered in the area.

101-09/20/2025: D: 0001-2400: OR6732: 4310 SW Macadam Avenue, Portland, OR 97239-4222: Demonstration:

On Saturday, September 20th, 2025, between 0001 to 2400 hours Pacific Time, while on duty performing Public Order Policing operations for Operation Skip Jack, as an FPS Law Enforcement Specialist of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS) under 40 U.S. Code § 1315 authority.

This deployment is part of an enhanced federal security posture in response to civil unrest and targeted acts of aggression toward federal personnel and property, and to ensure the continuity of ICE operations at the Portland ICE Facility, located at 4310 S. Macadam Avenue, in Portland, Oregon 97239.

The Commander's Intent is to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission includes the detention of any individual attempting to damage or breach federal property, assault officers, or engage in riotous conduct.

The following was reported to me as the Deputy Incident Commander (DIC)/Inspector, [redacted] (2P1751).

(23) FPS Law Enforcement Personnel, to include (16) Law Enforcement Specialists (Inspectors), four (4) Supervisory Law Enforcement Specialists, two (2) Special Agents, and one (1) Training and Professional Development (TPD) of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS), and ten (10) Immigration and Customs Enforcement (ICE), Special Response Teams (SRT) are posted at the Portland ICE Facility with an emphasis on protecting this Portland ICE Federal Facility due to the history of vandalism, property damage, civil disobedience, and general threat(s) toward this and other Federal facilities within Downtown Portland.

The following FPS Federal Law Enforcement Officers supported on this date, time, and location:

Incident Command Team: (1400-0100):

1. Incident Commander/ A-DC (IC) William, Turner 10V4

2. FPS-TPD Branch Chief, [redacted] HV22

3. Deputy Incident Commander (DIC)/ Inspector, [redacted]

4. Inspector [redacted] P1793

Team Alpha: (0500-1500 Hours):

1. [redacted] 8V13 AC/ (Team Lead)
2. [redacted] 3P1790
3. [redacted] 4P11084

Team Bravo: (1400-0100 Hours):

1. [redacted] 6V16 (Team Lead)
2. [redacted] 11P1510
3. [redacted] 1P409
4. [redacted] 3P1450
5. [redacted] 8P1720
6. [redacted] 3P1759
7. [redacted] 2P1723

Team Charlie: (1900-0500 Hours):

1. [redacted] 1V9 (Team Lead)

2. [redacted]3P1584
3. [redacted]8P1641
4. [redacted]8P843
5. [redacted]1P1786
6. [redacted]4P1672
7. [redacted]7P1585

FPS Special Agents:

1. [redacted]6I5
2. [redacted]8I87

At approximately 0030 hours, 6V16 advised that ICE/SRT had deployed PLS and flashbangs to disperse the protesters who were attacking the VICTIM. During this time, FPS used no force, and there were no injuries reported.

At approximately 0047 hours, 10G172 advised that there were approximately 23 protesters in the area, six (6) were in front of the facility, and three (3) protesters were blocking the driveway.

At approximately 0052 hours, 10G172 advised that there were approximately 24 protesters observed on camera.

At approximately 0104 hours, 10G172 advised that FPS had made a push to allow ICE/SRT vehicles to safely exit the facility. At that time, loud verbal warnings were given to protesters to stop blocking the driveway and to stay off federal property. After the push, FPS returned to the facility with no incidents.

At approximately 0128 hours, FPS advised that Bravo Team had departed the facility and gone out of service.

Confidential
OREGON_DEFS_00000242

At approximately 0130 hours, 10G172 advised that there was a protester standing on the east wall next to the driveway. The SUBJECT was identified as a black male.

At approximately 0207 hours, 10G172 advised that protesters were burning an effigy at the trolley stop. Fire and EMS were not requested at that time.

At approximately 0418 hours, 7P1585 advised that there were zero (0) protesters in the area.

At approximately 0430 hours, FPS advised that Alpha Team had arrived on location and was in service.

At approximately 0440 hours, FPS advised that Charlie Team had departed the facility and gone out of service.

At approximately 0545 hours, 8V11 and 3P1790 advised that they had conducted a perimeter check of the facility.

At approximately 0546 hours, 10G172 advised that there were two (2) protesters who approached the driveway after the inspectors had gone around the side of the facility while conducting their patrol.

At approximately 0551 hours, FPS advised that the perimeter check had been completed with nothing unusual to report.

At approximately 0924 hours, 8V11 advised that there were zero (0) protesters in the area.

At approximately 1058 hours, 10G172 advised that there were two (2) protesters coming from the east side of the guard shack harassing a contractor.

Confidential
OREGON_DEFS_00000243

At approximately 1147 hours, 10G172 advised that there was one (1) protester in front of the driveway.

At approximately 1213 hours, 10G172 advised that there were two (2) protesters behind the guard shack on the east side.

At approximately 1420 hours, FPS advised that Bravo Team had arrived on location and was in service.

At approximately 1440 hours, FPS advised that Alpha Team had departed the facility and gone out of service.

At approximately 1640 hours, 10G172 advised that there were two (2) female protesters sitting in front of the driveway.

At approximately 1653 hours, FPS advised that 8P1720, 3P1759, and 2P1723 had conducted a perimeter check at the facility.

At approximately 1654 hours, FPS advised that there was a protester with a megaphone following the inspectors while they conducted the perimeter check.

At approximately 1700 hours, FPS advised that the perimeter check had been completed with nothing unusual to report.

At approximately 1845 hours, FPS advised that Charlie Team had arrived on location and was in service.

At approximately 1900 hours, FPS advised that there had been approximately 10 protesters scattered in the area.

Confidential
OREGON_DEFS_00000244

At approximately 1925 hours, 10G172 advised that there had been one (1) protester sitting and blocking the driveway.

At approximately 1956 hours, 10G172 advised that there had been approximately 12 protesters scattered in the area.

At approximately 2004 hours, 6V16 advised that FPS had made a push to allow vehicles to safely enter the facility. At that time, loud verbal warnings were given to protesters to stop blocking the driveway and to stay off federal property. After the push, FPS returned to the facility without incident.

At approximately 2030 hours, 10G172 advised that there had been approximately 15 protesters in the area.

At approximately 2042 hours, FPS advised that a whistle sound, which appeared to be a dog whistle, had been heard in the immediate area near the entrance of the facility.

At approximately 2043 hours, FPS advised that ICE/SRT had deployed a drone in the area to observe the protesters' movements and hopefully identify the source of the whistling sound.

At approximately 2106 hours, 10G172 advised that there were two (2) female protesters standing on federal property near the east side gate.

At approximately 2107 hours, FPS advised that they gave loud verbal warnings to the two (2) female protesters to stay off federal property. One (1) of the protesters was identified as [redacted]

At approximately 2118 hours, 10G172 advised that there were approximately 20 protesters in the area and there was one (1) male protester wearing all black walking up and down the driveway.

Confidential
OREGON_DEFS_00000245

At approximately 2125 hours, FPS advised that the same SUBJECT wearing all black, who had been walking up and down the driveway earlier, returned to the driveway. He was given a second verbal warning to stay off federal property.

At approximately 2128 hours, 10G172 advised that there were two (2) protesters sitting on the planter at the west wall. They were given loud verbal warnings to get off federal property, but they refused to comply.

At approximately 2128 hours, 10G172 also advised that the same SUBJECT wearing all black had returned to federal property and was walking up and down the driveway again. He was given a third verbal warning to stay off federal property.

At approximately 2142 hours, FPS advised that there were approximately 40 protesters in the immediate area in front of the facility.

At approximately 2143 hours, FPS advised that an LRAD warning had been given to protesters to stay off federal property.

At approximately 2205 hours, FPS advised that there were approximately 40 protesters in the area in front of the driveway, playing music and dancing.

At approximately 2300 hours, FPS advised that there were approximately 45 protesters in the area, with 18 blocking the entrance of the driveway.

At approximately 2320 hours, FPS advised that there were approximately 45 protesters in the area, with approximately 25 blocking the driveway.

At approximately 2325 hours, FPS advised that an individual known as [redacted] was approaching the facility.

5. [redacted] 4P1672
6. [redacted] 7P1585

FPS Special Agents:

1. [redacted] 6I5
2. [redacted] 8I87

At approximately 0004 hours, 6V16 advised that EMS had arrived on scene to assist the VICTIMS who had been pepper-sprayed.

At approximately 0005 hours, HV22 advised that there were approximately 50 protesters moving towards Macadam Avenue.

At approximately 0009 hours, 6V16 advised that the Portland Police Bureau (PPB) had arrived on scene at the south side of the facility.

At approximately 0022 hours, 6V16 advised that PPB and EMS had left the scene.

At approximately 0025 hours, 6V16 advised that the three (3) counter-protesters appeared to have departed the scene.

At approximately 0046 hours, HV22 advised that a protester on Bancroft Street had been throwing items into an apartment complex across the street.

At approximately 0047 hours, HV22 advised that the SUBJECT who had been throwing items into the apartment was the driver of the Chevy Trail Blazer previously known to FPS, and the license plate for the vehicle had been removed.

At approximately 0048 hours, 11P1510 advised that the protesters were gearing up at Elizabeth.

At approximately 0049 hours, FPS advised that they had made a push to allow ICE/SRT to safely depart the facility.

At approximately 0050 hours, PPB advised that they were assembling a group of officers to respond to the scene.

At approximately 0057 hours, FPS advised that the last known location of the SUSPECT, who was dressed like a pirate, was northbound on Moody Avenue approximately 45 minutes earlier.

At approximately 0112 hours, 1P409 advised that protesters were staging in front of the Tesla building.

At approximately 0115 hours, 1P409 advised that PPB had arrived on scene and staged at the south side of the facility to prevent protesters' movement.

At approximately 0120 hours, 10G172 advised that there were five (5) protesters heading south near the Tesla building.

At approximately 0122 hours, 10G172 advised that PPB had formed a line to the east of the Tesla building.

Confidential
OREGON_DEFS_00000253

At approximately 0124 hours, FPS advised that they had issued a verbal warning to a protester to remove his backpack from federal property.

At approximately 0131 hours, FPS advised that the Chevy Trail Blazer in the area was leaving. The vehicle in question had been seen at the protests for weeks and had previously been used in an aggressive manner towards FPS, "lurching towards officers."

At approximately 0135 hours, 10V14 advised that PPB had notified him of some activities at the park with the protesters.

At approximately 0142 hours, 10G172 advised that there was one (1) protester visible on camera.

At approximately 0143 hours, HV22 advised that a group of approximately 15 protesters had come out of the encampment wearing all black and carrying sticks in their hands.

At approximately 0202 hours, FPS advised that there were approximately seven (7) protesters in the area near the trolley stop.

At approximately 0204 hours, 10G172 advised that there was a protester carrying a large black pole in the area near the driveway.

At approximately 0220 hours, 10G172 advised that there were zero (0) protesters near the driveway.

At approximately 0245 hours, FPS advised that Bravo Team had departed from the facility and was out of service.

At approximately 0425 hours, FPS advised that Alpha Team had arrived on location and was in service.

Confidential
OREGON_DEFS_00000254

At approximately 0430 hours, FPS advised that Charlie Team had departed the facility and was out of service.

At approximately 0530 hours, 10G172 advised that a protester was kicking rocks in the driveway.

At approximately 0536 hours, 10G172 advised that the protester who had been kicking rocks on federal property had left.

At approximately 0613 hours, 10G172 advised that there was one (1) protester across the street from the driveway with a bullhorn, sitting down waiting.

At approximately 1351 hours, 10G172 advised that there were three (3) protesters in front of the building playing music, flipping a bird, and cursing at the building.

At approximately 1353 hours, 10G172 advised that there was an elderly female drawing on the eastside wall with chalk.

At approximately 1405 hours, 10G172 advised that protesters were blocking a vehicle that was trying to enter the facility.

At approximately 1408 hours, 10G172 advised that a [redacted] male and female protester were blocking ICE/SRT vehicles from entering the facility. The [redacted] male had been detained about a month earlier, but his name was unknown at the time.

At approximately 1412 hours, 10G172 advised that the same two (2) SUBJECTS were blocking another vehicle that was attempting to enter the facility.

Confidential
OREGON_DEFS_00000255

At approximately 1511 hours, 10G172 advised that the same two (2) SUBJECTS were blocking Bravo Team from entering the facility.

At approximately 1515 hours, FPS advised that Bravo Team had called in service at 4310 SW Macadam Avenue.

At approximately 1525 hours, 8V11 advised that Alpha Team had departed the facility and was out of service.

At approximately 1656 hours, FPS advised that 3P1450, 11P1510, and 2P1723 had conducted a perimeter check of the facility.

At approximately 1705 hours, FPS advised that the perimeter check had been completed with no unusual incidents to report.

At approximately 1820 hours, 10G172 advised that there were seven (7) protesters in the area, with two (2) in front of the driveway holding a sign that read "No Kings Day October 18, 2025."

At approximately 1930 hours, FPS advised that there were two (2) protesters sitting next to the driveway off federal property.

At approximately 2000 hours, 10G172 advised that there were approximately ten (10) protesters scattered in the area, with two (2) protesters sitting next to the driveway off federal property.

At approximately 2100 hours, 10G172 advised that there were approximately six (6) protesters next to the driveway.

At approximately 2135 hours, FPS advised that they had made a push to allow vehicles to safely exit the facility. FPS returned to the property with no injuries or use-of-force incidents to report.

Confidential
OREGON_DEFS_00000256

At approximately 2138 hours, FPS advised that the protesters were using what appeared to be an LRAD device, emitting noise and expletive sounds directed at officers.

At approximately 2220 hours, FPS advised that they had made a push to allow ICE/SRT vehicles to safely exit the facility. At that time, there were approximately 15 protesters blocking the driveway. Loud verbal warnings were issued to the protesters instructing them to stay off federal property and stop blocking the driveway. FPS returned to the property with no injuries or use-of-force incidents to report.

At approximately 2250 hours, 6V16 advised that there were two (2) [redacted] male protesters shake cans of spray paint on the east side of the facility. One was wearing all black, while the other was wearing a red hoodie and tan pants. They were spray-painting the sidewalk near the trolley on City property.

At approximately 2330 hours, FPS advised that there were two (2) protesters sitting next to the driveway off property.

103-09/22/2025: D: 0001-2400: OR6732: 4310 SW Macadam Avenue, Portland, OR 97239-4222: Demonstration:

On Monday, September 22nd, 2025, between 0001 to 2400 hours Pacific Time, while on duty performing Public Order Policing operations for Operation Skip Jack, as an FPS Law Enforcement Specialist of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS) under 40 U.S. Code § 1315 authority.

This deployment is part of an enhanced federal security posture in response to civil unrest and targeted acts of aggression toward federal personnel and property, and to ensure the continuity of ICE operations at the Portland ICE Facility, located at 4310 S. Macadam Avenue, in Portland, Oregon 97239.

The Commander's Intent is to preserve life, protect federal personnel, and secure government facilities against potential threats. Our mission includes the detention of any individual attempting to damage or breach federal property, assault officers, or engage in riotous conduct.

The following was reported to me as the Deputy Incident Commander (DIC)/Inspector, [redacted] 2P1751).

(22) FPS Law Enforcement Personnel, to include (15) Law Enforcement Specialists (Inspectors), four (4) Supervisory Law Enforcement Specialists, two (2) Special Agents, and one (1) Training and Professional Development (TPD) of the U.S. Department of Homeland Security, Federal Protective Service (DHS/FPS), and ten (10) Immigration and Customs Enforcement (ICE), Special Response Teams (SRT) are posted at the Portland ICE Facility with an emphasis on protecting this Portland ICE Federal Facility due to the history of vandalism, property damage, civil disobedience, and general threat(s) toward this and other Federal facilities within Downtown Portland.

The following FPS Federal Law Enforcement Officers supported on this date, time, and location:

Incident Command Team: (1400-0100):

1. Incident Commander/DC [redacted]10V3

2. FPS-TPD Branch Chief, [redacted]HV22

3. Deputy Incident Commander (DIC)/ Inspector [redacted]

Team Alpha: (0500-1500 Hours):

1. [redacted]8V13 AC/ (Team Lead)
2. [redacted]4P11084

Team Bravo: (1400-0100 Hours):

1. [redacted] 6V16 (Team Lead)
2. [redacted] 11P1510
3. [redacted] 1P409
4. [redacted] 3P1450
5. [redacted] 8P1720
6. [redacted] 3P1759
7. [redacted] 2P1723
8. [redacted] 3P1790
9. [redacted] 10P1777

Team Charlie: (1900-0500 Hours):

1. [redacted] 1V9 (Team Lead)

2. [redacted]8P1641
3. [redacted]8P843
4. [redacted]1P1786
5. [redacted]4P1672
6. [redacted]7P1585

FPS Special Agents:

1. [redacted]6I5
2. [redacted]8I87

At approximately 0001 hours, 10G172 advised that there were approximately four (4) protesters arguing with a counter-protester next to the driveway off federal property.

At approximately 0004 hours, 10G172 advised that the counter-protester had left the area.

At approximately 0006 hours, FPS advised that four (4) protesters wearing all black were gathered across the street from the driveway.

At approximately 0037 hours, 10G172 advised that the counter-protester had returned, and an "ANTIFA" member was following him with a stick that appeared to be a staff. The SUSPECT was wearing camo-colored pants and a black shirt and was identified as a [redacted]

At approximately 0038 hours, DMC advised that PPB had been notified and the incident would be aired out.

At approximately 0039 hours, 10G172 advised that three (3) protesters were following the counter-protester northbound along Macadam Avenue.

At approximately 0040 hours, 10G172 advised that the protesters and the counter-protester engaged in a foot chase.

At approximately 0041 hours, 10G172 advised that the ANTIFA member was also part of the foot chase. He returned, but the counter-protester did not.

At approximately 0044 hours, DMC advised that PPB had been notified.

At approximately 0119 hours, 6V16 advised that there were zero (0) protesters near the driveway, but there was movement at the encampment.

At approximately 0146 hours, FPS advised that Bravo Team had departed the facility and went out of service.

At approximately 0342 hours, 10G172 advised that there were zero (0) protesters in the area.

At approximately 0426 hours, FPS advised that Alpha Team arrived on location and was in service.

At approximately 1033 hours, 10G175 advised that there was one (1) male SUBJECT protesting ICE near the vehicle entrance. The individual was wearing a black cap, a blue jacket with a green hood, and white sweatpants, and was using a camera to take photos of packages being delivered.

At approximately 1034 hours, FPS advised that there were 15 protesters at the corner of Bancroft protesting ICE.

Additional Report

At approximately 1310 hours, FPS advised that there was one (1) protester standing on the driveway holding a sign.

At approximately 1344 hours, 10G175 advised that a protester was approaching the gate.

At approximately 1345 hours, 8V11 advised that the protester returned off federal property.

At approximately 1430 hours, FPS advised that four (4) members of Bravo Team arrived on location and were in service.

At approximately 1510 hours, FPS advised that Alpha Team departed the facility and went out of service.

At approximately 1515 hours, FPS advised that the remaining members of Bravo Team arrived on location and were in service.

At approximately 1545 hours, FPS advised that 2P1720, 3P1790, and 10P1777 conducted a perimeter check of the facility.

At approximately 1555 hours, FPS advised that they had completed the perimeter check with nothing unusual to report.

At approximately 1600 hours, 10G175 advised that there were five (5) protesters standing next to the driveway off federal property.

At approximately 1700 hours, 10G175 advised that there was one (1) protester near the driveway and a small number of protesters were gathered at the encampment.

At approximately 1840 hours, FPS advised that Charlie Team arrived on location and were in service.

At approximately 1900 hours, FPS advised that there was one (1) protester sitting near the driveway, two (2) protesters by the trolley, and there were some protester movements by the encampment.

At approximately 1940 hours, FPS advised that there were approximately 12 protesters scattered in the area.

At approximate 2011 hours, FPS advised that there were four (4) protesters blocking the driveway.

At approximately 2100 hours, FPS advised that there were four (4) protesters standing next to the driveway off federal property.

At approximately 2105 hours, 10G175 advised that there was a protester with a megaphone blocking the driveway.

At approximately 2153 hours, FPS advised that there were approximately 12 protesters blocking the driveway.

At approximately 2220 hours, FPS advised that there were approximately four (4) protesters sitting in front of the driveway, blocking it.

At approximately 2229 hours, 10G175 advised that there were approximately seven (7) protesters to the east of the driveway.

At approximately 2232 hours, FPS advised that they made a push to allow vehicles to safely enter the facility. During this time, the protesters blocking the driveway were given loud verbal warnings to stay off federal property and stop blocking the driveway.

At approximately 2234 hours, FPS advised that the inspectors returned to the property with no injuries or use of force to report.

At approximately 2235 hours, FPS advised that there were approximately 25 protesters blocking the driveway after the inspectors returned to the property.

At approximately 2253 hours, HV22 advised that FPS made a push to allow vehicles to safely exit the facility. At this time, approximately six (6) protesters were at the driveway, and an additional 12 protesters rushed over to the driveway from the encampment.

At approximately 2257 hours, HV22 advised that FPS returned to the property with no injuries and no use of force.

At approximately 2300 hours, FPS advised that there were approximately 17 protesters in front of the facility blocking the driveway.

At approximately 2327 hours, HV22 advised that FPS made a push to allow ICE/SRT to safely exit the facility. At this time, there were four (4) protesters blocking the driveway. As the push ensued, an additional 15 protesters rushed toward the driveway.

At approximately 2329 hours, HV22 advised that FPS returned to the property with no injuries and no use of force.

At approximately 2330 hours, FPS advised that protesters were using high-powered flashlights and what appeared to be a Long-Range Acoustic Device (LRAD) emitting loud and disruptive noise directed toward officers.

At approximately 2335 hours, FPS advised that there were approximately 35 protesters in the area in front of the driveway.

OREGON_DEFS_00000194
Plaintiff's Exhibit 137
Page 5 of 10

At approximately 0021 hours: A female counter-demonstrator, described as a heavy-set female wearing a black shirt, jacket, and blue jeans, was surrounded by a group of twelve to thirteen (12–13) individuals.

At approximately 0022 hours: One of the demonstrators, described as a heavy-set male wearing all black, took possession of two water bottles believed to belong to the counter-demonstrator.

At approximately 0101 hours: ICE/SRT and FPS Bravo Team cleared the facility.

At approximately 0108 hours: Approximately ten (10) protesters surrounded the counter-demonstrator. One (1) protester physically harassed her, while another used a high-powered flashlight to shine into her eyes.

At approximately 0109 hours: The Portland Police Bureau (PPB) was requested for assistance.

At approximately 0110 hours: PPB advised DMC that two (2) units would respond but could not provide an estimated time of arrival (ETA).

At approximately 0115 hours: Charlie Team member 6P1656 requested an ETA from PPB.

At approximately 0126 hours: PPD Sergeant [redacted] called in requesting a description of the situation and the counter-demonstrator being harassed.

At approximately 0127 hours: Charlie Team member 6P1656 advised that five (5) protesters were surrounding the counter-demonstrator and were in close proximity to her face.

At approximately 0133 hours: PPB drove by the area on Macadam but did not dismount or engage with the situation.

Confidential
OREGON_DEFS_00000195
Plaintiff's Exhibit 137
Page 6 of 10

At approximately 0139 hours: Protective Security Officer (PSO) 10G172 advised that one (1) protestor shoved a leaf into the counter-demonstrators face. PPB was informed of the incident.

At approximately 0144 hours: Charlie Team member 6P1656 called PPB, emphasizing that this was not an immigration issue or a federal-related situation but rather a civilian in distress. He advised that the counter-demonstrator was surrounded and in danger. He described the protesters, including one (1) individual with nunchaku and a cane, one (1) wearing all black and a Misfits band T-shirt with a black unzipped hoodie, and two (2) individuals known to have assaulted others in the past.

At approximately 0146 hours: DMC Supervisor S136 called PPB to provide an update and shared Charlie Team Lead 6P1656's contact information. PPB stated they did not perceive the counter-demonstrator to be in distress or at risk of bodily harm and did not intervene.

At approximately 0159 hours: PSO 10G172 advised that three (3) protesters were shoving their hands into the counter-demonstrators face, and she was attempting to slap them away.

At approximately 0200 hours: Charlie Team member 4P1602 reported that eleven (11) protesters were surrounding the counter-demonstrator, and three (3) had touched her.

At approximately 0204 hours: PSO 10G172 advised that two (2) protesters were attempting to grab items off the counter-demonstrator's person.

At approximately 0220 hours: PSO 10G172 reported that one (1) protestor threw water onto the counter-demonstrator, and another threw a water bottle, hitting her in the face. An umbrella used to block the counter-demonstrator was grabbed and destroyed.

At approximately 0221 hours: Charlie Team member 6P1656 informed DMC that PPB stated they were low on manpower and would respond as soon as possible. FPS Charlie Team Lead continued to monitor the situation.

Confidential
OREGON_DEFS_00000196
Plaintiff's Exhibit 137
Page 7 of 10

At approximately 0223 hours: PSO 10G172 advised that one (1) protester, wearing all pink and blue jeans, spat on the counter-demonstrator.

At approximately 0227 hours: Charlie Team member 4P1602 advised that Charlie Team would push protesters back to allow the counter-demonstrator to leave safely. The counter-demonstrator was surrounded by eleven (11) protesters on federal property.

At approximately 0234 hours: Charlie Team member 6P1656 reported that all units returned to the facility and were code 4. PSO 10G172 advised that the counter-demonstrator fled southbound on Macadam and was being chased by ten (10) protesters. FPS Team Lead provided a status update to PPD.

At approximately 0238 hours: Charlie Team member 6P1656 reported that approximately twenty (20) protestors were searching the area for the counter-demonstrator. He believed the counter-demonstrator had enough of a head start to escape safely. No force was used during the push out, and there were no injuries.

At approximately 0354 hours: Charlie Team member 6P1656 called Denver MegaCenter to request event notes.

At approximately 0439 hours: PSO 10G172 observed two (2) protesters on the southeast corner of Bancroft and Moody near the facility.

At approximately 0440 hours: FPS Charlie Team arrived at the facility.

At approximately 0455 hours: One (1) individual was observed on the driveway.

At approximately 0758 hours: Two (2) legal observers were seen on the east side of the facility, off federal property.

Confidential
OREGON_DEFS_00000197
Plaintiff's Exhibit 137
Page 8 of 10

At approximately 1026 hours: PSO 10G176 reported an interview and photographer on-site for Channel 18 News.

At approximately 1154 hours: One (1) individual protested ICE at the main entrance and briefly stepped onto federal property.

At approximately 1158 hours: PSO 10G175 reported that a female protester wearing a black-and-white shirt, and red pants pulled a pair of nunchaku from her bag while off federal property.

At approximately 1307 hours: Associated Press personnel returned to the area but remained off federal property.

At approximately 1430 hours: FPS Bravo Team arrived at the facility.

At approximately 1450 hours: Team Alpha cleared the area.

At approximately 1558 hours: Protective Security Officer (PSO) 10G172 called and advised of a vehicle attempting to block the road to prevent FPS from leaving the driveway. The vehicle turned abruptly when FPS got around it and began following FPS but gave up once they entered the highway. The vehicle was identified as a gold Land Cruiser with Oregon license plate [redacted]

At approximately 1604 hours: One (1) female protester was observed in the driveway wearing a brown shirt and blue jeans.

At approximately 1655 hours: Bravo Team member 1P1677 advised that protestors were attempting to take close-up photographs of FPS personnel's faces.

At approximately 1713 hours: Bravo Team Lead 1P1677 reported that a protestor known as [redacted] was using a high-powered camera to take pictures of FPS inspectors' faces. The protestor stated, "Your identities will not last forever. We will find you."

At approximately 1828 hours: One (1) protestor approached the news crew with a megaphone, yelling at them and blasting sound into their faces.

At approximately 1830 hours: Protestor [redacted] was observed in front of the building wearing a green inflatable frog costume.

At approximately 1930 hours: The Federal Protective Service (FPS) Charlie Team arrived at the facility.
