NEED FOR THE RULE(S):
This temporary rule implements Article IV, section 15, of the Oregon Constitution, as amended by Ballot Measure 113 (2022) and updates the State Candidate's Manual with dates calculated for 2024 election cycle.

JUSTIFICATION OF TEMPORARY FILING:
These changes will apply to incumbent State Senators and State Representatives who seek to stand for re-election in November 2024. The period to declare candidacy for that election begins in September 2023, and potential candidates require certainty as soon as possible about whether they are eligible to stand for election. For those reasons, the Secretary of State, Elections Division (Agency), finds that the failure to act promptly will result in serious prejudice to the public interest. Making these changes effective immediately will ensure an orderly and transparent filing. The Elections Division will separately be conducting a permanent rulemaking process to allow for public comment on these changes.

DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE:
Article IV, section 15, of the Oregon Constitution, available online at www.oregonlegislature.gov or from the Agency and the 2022 Oregon General Election Voters' Pamphlet, available online from the Oregon State Library at https://digital.osl.state.or.us/islandora/object/osl%3A1001443

AMEND: 165-010-0005

RULE TITLE: Designating the Candidate's Manual, Minor Political Party Manual and Forms

RULE SUMMARY: This rule updates the State Candidate’s Manual to incorporate the requirements of Article IV, section 15, of the Oregon Constitution, as amended by Ballot Measure 113 (2022). It clarifies, consistent with the intent of the majority of Oregonians who voted on Ballot Measure 113, that the requirements of Article IV, section 15, apply to incumbent State Senators and State Representatives who seek to stand for reelection in November 2024. This includes any incumbents seeking to stand for re-election in 2024 who accrued ten or more unexcused absences during the 2023 Legislative Session. Pursuant to Article IV, section 15, those incumbents may complete their current term, but are
This rule also updates the State Candidate’s Manual with dates calculated for 2024 election cycle.

RULE TEXT:
(1) The Secretary of State designates the State Candidate’s Manual revised 08/2023 and associated forms as the procedures and forms to be used by candidates filing and running for a federal or state office as that term is defined in ORS 249.002(10).

Getting Started

ORESTAR

ORESTAR is the Secretary of State’s secure web-based electronic reporting system for candidate filing, voters’ pamphlet filing, and all campaign finance reporting.

Campaign Finance Reporting

Oregon campaign finance law may require candidates to establish a campaign account, file a Statement of Organization designating a candidate committee and file contribution and expenditure transactions with the Elections Division.

For further details on campaign finance reporting requirements, review:

Types of Public Office

There are two types of public offices in Oregon, partisan, and nonpartisan. Any person can run for a partisan or nonpartisan office if they meet the requirements of the office and are registered to vote.

Partisan Offices

Candidates for partisan office may run as the nominee of a major or minor political party or as nonaffiliated candidates. Major party candidates must win the primary election, in order to then run in the general election. Minor party and nonaffiliated candidates qualify for the ballot without running in the primary election; they first run for office at the general election.

Partisan offices include:

Nonpartisan Offices

Candidates for nonpartisan office do not run as the nominee of a political party. All candidates for nonpartisan office must run in the primary election. This office can be won at the Primary Election, see ORS 249.088 for further details.

Nonpartisan offices include:
- Commissioner of the Bureau of Labor and Industries (Labor Commissioner), Judge (Supreme Court, Court of Appeals, Tax Court, Circuit Court, and a County Judge who exercises judicial functions), and District Attorney.

Qualifications for Public Office

The qualifications for public offices differ depending on the office. Before filing, the candidate should review the constitutional and statutory requirements for the office sought.

The qualifications for most state offices are provided on page 8 and page 18.
Filing Methods for Public Office

**Primary Election**
Major party candidates for partisan office, and candidates for all nonpartisan offices must file for the primary election.

To file for the primary election, candidates must complete and submit one of the following:

1. the candidate filing online through ORESTAR and pay the required filing fee, if any;
   - See the ORESTAR User's Manual: Candidacy Filing for instructions on filing electronically.
2. Form SEL 101 - Candidate Filing - Major Political Party or Nonpartisan and pay the required filing fee, if any;
   - or
3. Form SEL 101 - Candidate Filing - Major Political Party or Nonpartisan and a nominating petition containing the required number of valid signatures.
   - or
4. Form SEL 101 - Candidate Filing - Major Political Party or Nonpartisan and paying the filing fee, while the candidate also attempts to gather the required number of valid signatures on a nominating petition. This is known as filing a “prospective” petition. If the candidate then submits a nominating petition containing the required number of valid signatures by 5 pm on the filing deadline, the filing fee will be refunded.

A prospective petition may be filed at any time but must be filed not later than 5 pm on the candidate filing deadline, March 12, 2024. See the Filing Requirements section for a list of filing fees and the deadline to submit completed forms.

In most cases, candidates nominated at the primary election automatically move forward to the general election ballot. However, there are some offices that may be elected at the primary election, in which case the candidate would not be printed on the general election ballot.

**General Election**
Candidates who are nominated by a Minor Party, and candidates who are not a member of any political party, must file for the general election.

Candidates are nominated by a Minor Party if the minor party submits a completed notarized Form SEL 110 Candidate Filing - Minor Party.

Nonaffiliated candidates who are not a member of any political party can run for office by:

- Completing and submitting Form SEL 114 Candidate Filing - Individual Electors;

  - or

- Holding an Assembly of Electors and submitting Form SEL 115 Candidate Filing - Assembly of Electors.

Both Individual Electors and the Assembly of Electors processes are outlined in this manual on pages 11-14.
Submitting Forms and Documents

⚠️ Any required signature sheets must be personally delivered or mailed to the Elections Division.

With the exception of petition signature sheets, completed and signed forms or documents may be:

→ scanned and emailed to Elections Division at elections.sos@sos.oregon.gov;

→ faxed to 503 373 7414; or

→ mailed or personally delivered to 255 Capitol St NE, Ste 126, Salem, OR 97310.

💡 The Elections Division will send most correspondence via email unless specifically required to be sent via the US Postal Service.

Multiple Nominations to Public Office

In Oregon, candidates can be nominated by multiple political parties. Candidates nominated by more than one party or by other nominating processes may select up to three parties or designations to be printed with their name on the general election ballot.

A candidate may designate the order in which the parties or designations will be listed, with two exceptions:

→ If a political party nominates one of its members for a partisan office, that party will be listed first, followed by no more than two additional parties.

→ If individual electors or an assembly of electors nominate a nonaffiliated candidate, “nonaffiliated” will be listed first, followed by no more than two additional parties. When selecting political parties or other designations the following rules apply:

<table>

Running for a Partisan Office

Failure to follow the instructions contained in this manual may invalidate the nomination.

Major party candidates in a primary election must complete their candidacy filing in ORESTAR or by submitting a paper form. They must also either pay the filing fee or submit signatures in lieu of paying the filing fee.

Minor party or nonaffiliated candidates in the general election must file paper forms.

- See Filing Requirements for Partisan Office on page 9 for a list of filing fees and the deadline to submit completed forms.
- Candidates for US President have additional filing requirements. See page 10 for filing instructions.

A person may only file for one lucrative office to be filled at the same election. All filings are invalid unless the person has withdrawn from any previous filing. ORS 249.013.

An office is considered lucrative if a salary or other compensation beyond expenses is attached to it; it is created by statute or the constitution; its holder exercises part of the sovereign power of government; it is a matter of public concern; and the position is not temporary or intermittent.

A major political party candidate who failed to receive their party’s nomination at the primary election may not be the candidate of any other political party or become a nonaffiliated candidate for the same office at the general election. ORS 249.048.

A candidate must be nominated to appear on a general or special election ballot. There are four paths to nomination:

- A candidate receives the nomination of a major political party by winning its primary election;
- A recognized minor political party nominates the candidate at a nominating convention held in accordance with party bylaws and state law;
- Individual electors nominate the candidate by signing a petition containing the required number of valid signatures; or
- An “assembly of electors” holds a convention to nominate the candidate and files assembly minutes containing the required number of valid signatures.

This manual describes each of these paths in more detail below.

President

Under the US Constitution, voters do not vote directly for presidential candidates in the general election. Instead, they vote for the members of the Electoral College, a body of electors who meet to choose the next President and Vice President. Oregon voters who vote for President and Vice President in the general election are choosing Oregon’s representatives in the Electoral College. Each political party that nominates candidates appoints electors who sign a pledge to vote for that party’s candidates.

⚠️ The Electoral College convenes the Monday after the second Wednesday in December after a presidential election, December 16, 2024.

Voters who vote for major party presidential candidates in a primary election are also not voting for the candidates directly. Instead, they are expressing their preference for candidates to be considered at the party’s national nominating convention. Each major party selects convention delegates from Oregon in proportion to the preferences of the primary voters. State law binds the delegates to follow the preferences of the primary voters they represent unless and until certain conditions occur. See ORS 248.355.

Ballot Access for Presidential Candidates

Candidates gain access to the ballot to run for President and Vice President in the following ways.

Major Political Party Candidates

ORS 249.078

Oregon voters who are registered as members of a major political party select their preferred candidates for President at Oregon’s primary election. Thereafter, the major political parties select their presidential nominees, generally from the candidates nominated by state caucuses or state primary elections nationwide. The major political parties generally select candidates for Vice-President after selecting a presidential nominee.

Primary Election Ballot

Major party presidential candidates do not submit a declaration of candidacy or pay a filing fee in order to appear on the primary election ballot. These candidates have two paths to the primary election ballot: (1) the Secretary of State places candidates on the primary election ballot if the Secretary determines their candidacy is generally advocated or is recognized in national news media, or (2) candidates can file a nominating petition.

To file by petition, each candidate must file a completed nominating petition containing the required number of valid signatures. The candidate must collect at least 6,000 signatures from active members of the relevant major political party; this must include 1,000 signatures from each of Oregon’s federal congressional districts.

A candidate can gather and submit signatures at any time before the March 12, 2024, filing deadline. However, to guarantee signature verification before the filing deadline, candidates should submit signatures on or before February 27, 2024.

To file a nominating petition, candidates must complete and submit the SEL 101 Candidate Filing – Major Political Party or Nonpartisan form and select the “prospective petition” option on the form.

General Election Ballot

Major party candidates for President and Vice-President gain access to the ballot after receiving the nomination of their party.
Minor Political Party Candidates

**ORS 249.705**

Minor political parties nominate presidential candidates at nominating conventions that comply with party bylaws and state law. Those candidates then appear on the general election ballot.

Candidates that are nominated by a recognized minor political party must complete and file:

Form SEL 110 Candidate Filing – Minor Political Party with a notarized Candidate Nomination Certificate executed by a party officer.

Nonaffiliated Candidates

**ORS 249.720, 249.35 and 249.740**

Nonaffiliated candidates for the offices of President and Vice President may be nominated to appear on the general election ballot by either submitting signatures from Individual Electors or from an Assembly of Electors. Before obtaining any signatures, the chief sponsor of the Individual Electors nominating petition, or the presiding officer of the Assembly of Electors must receive written approval to circulate. Candidates can begin the signature sheet approval process before the first day to file as a candidate for the general election.

Individual Electors

The chief sponsor of a nominating petition by Individual Electors must file Form SEL 114 Candidate Filing – Individual Electors.

The required number of signatures from Individual Electors is 1% of the number of votes cast in the state for all candidates for presidential electors at the most recent presidential election.

Form SEL 114 Candidate Filing – Individual Electors must be completed, signed and submitted for all candidates. Candidates include President, Vice President and all Electors of President and Vice President.

See the Individual Electors process on page 13 for the remaining steps in filing for office using this method.

or

Assembly of Electors

The presiding officer of an Assembly of Electors must file Form SEL 115 Candidate Filing – Assembly of Electors.

The presiding officer must submit 1,000 signatures obtained at a nominating convention held on a single day during a single 12-hour period. The assembly can be held any time between June 5, 2024, and August 27, 2024. However, it should be held to allow for sufficient time for the signature verification process to be completed before the filing deadline.

Form SEL 115 Candidate Filing – Assembly of Electors must be completed, signed and submitted for all candidates. Candidates include President, Vice President and all Electors of President and Vice President.

See the Assembly of Electors process on page 13 for the remaining steps in filing for office using this method.
Partisan Offices

Major Political Party Candidates

Most major political party candidates may file for partisan office by submitting a declaration of candidacy and paying the filing fee or by submitting a completed nominating petition containing the required number of valid signatures.

⚠️ Major political party candidates must have been registered to vote as a member of that political party by September 14, 2023. Exceptions are allowed if the candidate’s registration is inactive or the candidate will turn 18 between September 14, 2023, and March 12, 2024. ORS 249.046.

Filing by Fee

ORS 249.056

Only candidates who file in a primary or special election may file their candidacy by fee.

Candidates may file in two ways:

- online through ORESTAR. See the ORESTAR User’s Manual: Candidate Filing.
- or
- by completing form SEL 101 Candidate Filing – Major Political Party or Nonpartisan.

Filing by Nominating Petition

ORS 249.008, 249.020, 249.031, 249.035, and 249.061-249.076

A candidate may submit petition signatures instead of paying a filing fee.

Generally, all signatures must be of active registered voters within the district and from members of the same major political party as the candidate. There is an exception for an election after a change in boundaries due to reapportionment. In that case, signatures collected for the offices of US Representative, State Senator, and State Representative do not need to be collected from a particular district.

🔍 See the Filing by Prospective Petitions Requirements and Guidelines section on pages 26-31 for the remaining steps in filing for office using this method.
Minor Political Party Candidates

ORS 249.705

Minor political parties may nominate candidates for any partisan office in a general or special election, including federal and state offices, as long as the party has been established within the electoral district and maintains the necessary requirements to be a minor political party. A minor political party must qualify as a minor political party statewide to nominate candidates for statewide or national offices, including US President, US Senator, US Representative, Governor, Secretary of State, State Treasurer, or Attorney General.

Minor political party candidates do not appear on the primary election ballot.

Contact the Elections Division for a list of recognized minor political parties in Oregon and the districts in which they are established or visit www.oregonvotes.gov

A minor political party nominates candidates, including candidates for US President, by convening nominating conventions that comply with party bylaws and state law. Candidates that are nominated by a recognized minor political party complete and file the following form with the Elections Division:

SEL 110 Candidate Filing – Minor Political Party with a notarized Candidate Nomination Certificate executed by a party officer.

Nonaffiliated Candidates

Candidates who are not members of any political party may file for partisan office in a general or special election in two ways: (1) by submitting a completed Individual Electors nominating petition containing the required number of valid signatures, or (2) by holding an Assembly of Electors and filing the assembly minutes that contain the required number of valid signatures of active Oregon voters.

Nonaffiliated candidates for partisan office do not appear on the primary election ballot.

The name of a candidate nominated to the ballot through either the Individual Electors or Assembly of Electors process will appear on the general or special election ballot with the designation of nonaffiliated.

To qualify for nomination by Individual Electors, or to conduct an Assembly of Electors, the candidate must be registered to vote as a nonaffiliated voter as of February 29, 2024.

Individual Electors

ORS 249.740

To be nominated by individual electors, a candidate must submit the required number of valid signatures from active Oregon registered voters in the district where the candidate is running for office. If the boundaries of a district changed due to reapportionment, candidates running in that district may collect signatures from any active registered voter in Oregon.

Candidates may begin collecting signatures before the first day to file candidacy for the general election.

Before obtaining signatures, candidates must file form SEL 114 Candidate Filing – Individual Electors, select the “prospective petition” option on the form, and designate the petition circulators’ pay status. See Filing by Prospective Petition Requirements and Guidelines on pages 26-31.

The Elections Division will provide signature sheet templates for candidates filing by individual electors process. The templates will include the petition number, candidate name, name of office for which the candidate is running, the election for which the candidate is filing, and the district or position number.

Forms are available online at www.oregonvotes.gov.
Assembly of Electors

ORS 249.735-249.737

An Assembly of Electors is a nominating convention of active Oregon registered voters who gather in one place, on a single day during a single 12-hour period. A presiding officer conducts the assembly, and the assembly secretary records nominations in the minutes. The minutes also include the signatures of the assembly participants. Those signatures are submitted to the Elections Division.

The presiding officer must coordinate the date, time, and place of the assembly with the Elections Division, so elections staff can attend and supervise the nominating convention.

See the Filing Requirements section for a list of required signatures and the deadline to submit completed forms.

The assembly process can begin before the first day to file candidacy for the general election. However, candidates should hold an assembly by August 13, 2024. Holding an assembly on or between June 5, 2024, and August 13, 2024 allows enough time for the Elections Division to verify signatures before the August 27, 2024 candidate filing deadline. If the candidate submits signatures after August 13, 2024, the Elections Division may not be able to verify them before the filing deadline. Candidates whose signatures are not verified by the filing deadline will not appear on the ballot.

1. **File a Prospective Petition**

   The candidate or presiding officer must file Form SEL 115 Candidate Filing – Assembly of Electors. Only the candidate should sign the form.

2. **Receive Approval to Schedule the Assembly**

   If the form is complete, the Elections Division will give written approval to schedule the Assembly of Electors.

3. **Determine the Logistics for the Assembly**

   The candidate or presiding officer must coordinate with the Elections Division to:
   
   → Determine a mutually convenient time to conduct the assembly
   
   and
   
   → Review assembly requirements.

4. **Publish a Notice of Assembly**

   Next, the candidate or presiding officer must publish a notice of Assembly of Electors at least once, in at least three newspapers of general circulation in the electoral district for which the assembly will nominate a candidate.

   The notice must contain:
   
   → The time and place of the assembly;
   
   → The office or offices for which nominations will be made; **and**
   
   → The names and addresses of at least 25 active registered voters who want to have the assembly and who are eligible to participate.

   Before publishing the notice, the candidate or presiding officer may submit the 25 names to the Elections Division to confirm that they are active registered voters.

Forms are available online at www.oregonvotes.gov.
5 File the Notice of Assembly

To receive final approval to convene the assembly, the candidate or presiding officer must file a copy of the published notice with the Elections Division.

The candidate or presiding officer must publish the notice and file it with the Elections Division no later than ten days before the nominating convention. ORS 249.735(3).

If the published notice is not filed on time or does not meet the requirements described above, the Assembly of Electors will be cancelled. The candidate or presiding officer may reschedule the assembly in coordination with the Elections Division and may hold the assembly once all the requirements are met.

6 Get Affidavits to Prove the Notice was Published

The candidate or presiding officer must get an affidavit from each of the newspapers where the notice is published, to prove that the notice was published as required. Each affidavit should attach a copy of the notice and be signed by one of the following:

→ the newspaper’s owner; or
→ the newspaper’s editor; or
→ the newspaper’s publisher; or
→ the newspaper’s manager; or
→ the newspaper’s advertising manager; or
→ the principal clerk of the owner or editor or manager; or
→ the newspaper’s printer or the printer’s foreperson.

The candidate or presiding officer should not submit the affidavit with the filed notice. They should keep it and submit it to the Elections Division when they file the completed petition after the Assembly of Electors.

7 Receive Approval to Hold the Assembly

Once the candidate or presiding officer files a copy of the published notice (see Step 5, above), the Elections Division will review it for completeness. If complete, the Elections Division will give approval, in writing, to hold the Assembly of Electors. The approval document will include:

→ the petition number; and
→ the number of required signatures; and
→ the filing deadline; and
→ a signature sheet template, to use for gathering signatures.

8 Hold the Assembly of Electors

The presiding officer is advised to invite more than the required number of participants, to ensure that the minutes include enough valid signatures from active voters. After starting the assembly, the presiding officer must explain that:

→ the nominating convention is held in one day in one location and must be completed within twelve hours or the process must begin again;
→ the assembly participants must be active registered voters in the electoral district(s) for which the assembly is nominating a candidate(s);
→ the assembly may only nominate candidates for offices published in the notice;
→ the candidate who receives the highest number of votes for an office will be the assembly’s nominee for that office;
→ only assembly participants who are active registered voters may sign the signature sheets; and
→ once the required number of active registered voters are present to participate, they must remain in the assembly until candidates have been nominated, signature sheets are signed, and the convention is adjourned.

9 Filling a Vacancy in Nomination(s)

If a vacancy in nomination occurs, it may be filled in either of the following ways:

→ The presiding officer may reconvene the assembly following the same rules as the original assembly. or
→ The original assembly must vote to appoint the committee to whom the assembly will delegate the authority to fill vacancies. A committee designated by the original assembly may select a nominee to fill the vacancy. The assembly is considered the same assembly if the presiding officer and secretary are the same as during the original assembly. The committee only has the authority to select a nominee to fill the vacancy if the petition has the required number of signatures.

The presiding officer, or the committee, must file with the Elections Division a certificate of nomination designating the nominee to fill the vacancy.

10 Adjourn the Assembly of Electors

After the assembly has completed the nomination process and selected the committee to fill vacancies, if any, the assembly is adjourned. The Elections Division collects all completed signature sheets and stamps each sheet under the last signature line signed to ensure no additional signatures are added. The signature sheets will be returned to the presiding officer.

11 Complete the Petition, Signature Verification

To complete the petition process the candidate or presiding officer must submit to the Elections Division:

Notarized form SEL 115 Candidate Filing – Assembly of Electors with the Certificate of Nomination executed by the presiding officer and secretary of the assembly;

The Certificate of Nomination may be executed and notarized on a copy of the SEL 115 originally submitted. If executed and notarized on a new SEL 115 all sections of the form must be completed in their entirety.

→ signature sheets that contain at least 100% of required number of signatures;
→ proof of published notice affidavit(s).

The Elections Division must receive signature sheets for verification no later than August 13, 2024, to ensure sufficient time for the verification process to be completed prior to 5 pm on the filing deadline of August 27, 2024. Candidates are advised that signature sheets received after August 13, 2024 might not be processed in time for the candidate to be printed on the ballot. Before submitting the signature sheets for verification, the presiding officer must:

→ ensure each signature sheet certification is signed and dated by the circulator
→ sort the signature sheets by county, if required.

The Elections Division verifies the original signatures against the voters’ registration record.

12 Signature Tally

The Elections Division tabulates the number of valid signatures contained on the accepted signature sheets and notifies the candidate and presiding officer of the final tally.
Nonpartisan Office

Candidates for Nonpartisan Office

The Elections Division is the filing officer for all statewide nonpartisan offices, as well as the offices of Judge of the Circuit Court, District Attorneys, and County Judges who exercise judicial functions. The procedures for filing for nonpartisan office are explained in the following sections. Please review the procedures thoroughly and follow the instructions completely.

Failure to follow the instructions contained in this manual may invalidate the nomination.

Candidates for nonpartisan office in the primary election must file their candidacy:

- online through ORESTAR. See the ORESTAR User’s Manual: Candidate Filing.
- or
- by completing the Form SEL 101 Candidate Filing – Major Political Party or Nonpartisan.

See Filing Requirements for Nonpartisan Offices on page 19 for the filing fees and candidacy filing deadlines.

To ensure ballot access, a candidate may file a prospective petition and pay the filing fee. If the candidate submits the required number of valid signatures by 5 pm on the filing deadline, the filing fee will be refunded.

A prospective petition may be filed at any time, but no later than 5 pm on the candidate filing deadline, March 12, 2024. See the Filing Requirements section for filing fees and deadline to submit completed forms.

Nomination and Election

ORS 249.088 and 249.091

In some circumstances, nonpartisan candidates may be elected at the primary election, without running in the general election.

In general, nonpartisan candidates may be elected at the primary when they receive the majority of the votes cast. There are two exceptions:

- When an office is on the ballot to fill a vacancy, and the office would not have been on the ballot in that year except for the vacancy, or
- When the office, by law, must be elected at the general election.

Offices that must be elected at the general election only appear on the primary election ballot if three or more candidates file for the office. If one of the candidates receives a majority of the votes at the primary, that candidate will appear on the general election ballot. If none of the candidates receives a majority of the votes at the primary, the two candidates with the most votes will appear on the general election ballot. When only one or two candidates file for an office that must be elected at the general election, those candidate(s) will not appear on the primary ballot, but will appear on the general election ballot for that office.

Candidates must file no later than the filing deadline for the primary election, even if the office will only appear on the general election ballot.

Write-In Candidates

ORS 254.548

Oregon voters may write in the name of a person who does not appear on the ballot. Elections officials generally tally the number of total write-in votes for each elected office, but do not tally votes cast for each individual write-in candidate. Elections officials will tally votes for individual write-in candidates if there is no candidate on the ballot for the office, or if the total number of write-in votes is equal to or greater than the votes cast for the candidate printed on the ballot with the most votes.

Seeking nomination or election as a write-in candidate

A person who seeks nomination or election to office as a write-in candidate does not complete any candidate filing forms, but they may be required to establish a dedicated campaign bank account and file a Statement of Organization designating a candidate committee.

For more information about these requirements, see the Campaign Finance Manual and the ORESTAR User's Manuals available at www.oregonvotes.gov.

Winning nomination or office as a write-in candidate

If the voters nominate or elect a write-in candidate, the candidate must formally accept the nomination or office to become the nominee or elected officeholder.

Receiving Notice of Nomination or Election

The Elections Division notifies the candidate by sending:

- Form SEL 140 Candidate Filing – Write-In Acceptance – Primary filing
- Form SEL 141 Candidate Filing – Write-In Acceptance – New Filing.

Formally Accepting Nomination or Office

To accept the nomination or office, the candidate must complete, sign, and return the write-in form to the Elections Division by the acceptance deadline date. Candidates must use:

- Form SEL 140, for nominees whose name appeared on the Primary ballot
- Form SEL 141, for nominees whose name did not appear on the Primary or General Election ballot

Forms are available online at www.oregonvotes.gov.
Receiving the Certificate of Nomination or Election

When completed and signed SEL 140 or SEL 141 are received, the Elections Division prepares and delivers a certificate of nomination or election to the candidate. If applicable, it also issues a proclamation of election.

If a write-in candidate who is nominated or elected does not qualify for the office or does not accept the office, the nomination or office will be declared vacant.

→ A resignation is binding unless the officeholder withdraws it in writing by the end of the third business day after the official makes it. ORS 236.325.

→ If a vacancy occurs in a partisan elective office after the 80th day and before the 70th day before the primary election, a candidate for the vacancy must file a nominating petition or declaration of candidacy no later than the 65th day before the primary election. ORS 249.037(2).
Partisan Offices

Vacancy in the office of US Senator or US Representative:

ORS 188.120

If a vacancy in election or office of US Senator or US Representative occurs before the 61st day before the general election, the Governor must call a special election to fill that vacancy.

If a vacancy in election or office of US Senator occurs after the 62nd day but on or before the general election, and if that office was not regularly scheduled to be printed on the ballot at that election, the Governor must call a special election to fill the vacancy as soon as possible after the general election.

If the Governor calls a special election to fill the vacancy before the 80th day after the vacancy occurs, each major political party shall select its nominee, if any, and certify the name of the nominee to the Secretary of State. The Secretary of State shall place the name of the nominee on the ballot.

If the Governor calls a special election after the 79th day after the vacancy occurs, the Secretary of State will conduct a special primary election to allow major political parties to nominate candidates. Major party candidates must file their declaration of candidacy no later than the 10th day after the writ of election is issued. Each minor party may select its nominee and certify the nominee’s name to the Secretary of State.

Vacancy in the office of Governor

Or Constitution V § 8a

If the office of Governor becomes vacant before the 61st day before the first general election held in the term of office, the Secretary of State (or another official in the succession order, if necessary) will discharge the duties of the office as prescribed by law, and a new Governor will be elected for the remainder of the term at the general election. The Governor elected to fill the vacancy shall hold the office until the following general election.

If the office of Governor becomes vacant after the 61st day before the first general election held in the term of office, the Secretary of State (or another official in the succession order, if necessary) will discharge the duties of the office as prescribed by law, and a new Governor will be elected for a full term at the next general election.

Vacancy in the office of Secretary of State, State Treasurer, or Attorney General

Or Constitution V § 16

The Governor will fill vacancies in the office of Secretary of State, State Treasurer, and Attorney General.

Vacancies in those offices that occur before the 61st day before the first general election held in that term of office, are filled at that general election for the remainder of the term.

→ A special session of the legislature will convene before a successor can be elected and qualified.

For vacancies in the office of State Senate,

→ If the vacancy occurs before the 61st day before the first general election to be held during that term of office, then the vacancy shall be filled by appointment, and at that first general election, the voters shall elect a new Senator to fill the last two years of the term; and
→ If the vacancy occurs after the 62nd day before the first general election and before the 61st day before the second general election to be held during that term of office, then the vacancy shall be filled by appointment, and at that second general election, the voters shall elect a new Senator to a full term; and
→ If the vacancy occurs after the 61st day before the second general election to be held during that term of office, then the vacancy shall not be filled by appointment, and at that second general election, the voters shall elect a new Senator to a full term.

The timeline for filling the vacancy begins on the effective date of the resignation or the date the vacancy occurs. If the effective date of the resignation is in the future, the public officer is allowed three business days after the resignation letter is received to withdraw the resignation; otherwise, the resignation becomes binding and is effective.

The vacancy will be filled pursuant to ORS 171.051-171.068 and ORS 236.100.

When filling a vacancy in office for a candidate elected as a member of a major political party, the party will nominate no fewer than three but no more than five people and the appointment will be filled by the county court or county commissioners of the vacated district. However, the appointing authority (county court or board of county commissioners within the legislative district) may choose to begin the process to fill the vacancy before the effective date of the resignation if it notifies the Secretary of State as required under ORS 236.325(3).

The vacancy must be filled by appointment within 30 days after its occurrence. If the appointing authority does not do so within the time allowed, the Governor shall fill the vacancy by appointment within 10 days.

Nonpartisan Offices

ORS 249.088 and 249.091

When an office is not affiliated with a major political party, the Governor shall fill the vacancy.
Vacancy in the office of Commissioner of the Bureau of Labor and Industries

The Governor will fill a vacancy in the office of Commissioner of the Bureau of Labor and Industries that occurs after the 61st day before the first general election held in that term of office. The appointee will complete the remainder of the term.

If the vacancy occurs on or before the 70th day before the primary election and on or before the 62nd day before the general election a candidate may file for the office by:

→ An Assembly of Electors who may select a nominee and submit certificates of nomination;
→ Individual Electors; or
→ Declaration of Candidacy

Vacancy in Judicial Offices

Or Constitution V §16 and VII §1

When a vacancy occurs in the office of judge of any court, the Governor will fill the vacancy.

The appointee serves until a candidate is elected and takes the oath of office at the next general election. The term of the office is six years, beginning on the first Monday of January of the odd numbered year after the general election at which the candidate was elected.

⚠️ If the office was vacated on or before the 70th day before the primary election, all candidates for that office must file by the primary election candidate filing deadline, regardless of which election the office is elected.

The following scenarios may apply:

If the office was regularly scheduled to be on the ballot at the next election, the office will appear on the primary election ballot.

If a candidate receives a majority of the votes cast (50%+ 1), that person will be elected at the primary election for a new, full term and the office will not appear on the general election ballot.

→ If no candidate receives a majority of the votes cast, the two candidates who received the most votes will appear on the general election ballot.

If the office was not regularly scheduled to be on the ballot:

→ The office will be placed on the primary election ballot if three or more candidates file for the position.
→ If one candidate receives a majority of the votes cast at the primary election (50%+ 1), only that candidate’s name will appear on the general election ballot.
→ If no candidate receives a majority of the votes cast, the two candidates who received the most votes will appear on the general election ballot.
→ If no more than two candidates file, the office will not be printed on the primary election ballot but will be placed directly on the general election ballot.

Vacancy in the office of District Attorney

ORS 8.640

When a vacancy occurs in the office of District Attorney, the Governor must appoint a person to fill the vacancy until the next election and qualification of a successor at the next general election. The term of office for the person elected will be four years beginning the first Monday of January of the odd numbered year following the general election at which the candidate was elected.
Filing by Prospective Petition Requirements and Guidelines

The requirements and guidelines for obtaining and circulating candidate nominating petition signature sheets are explained in the following sections.

Prospective Petition

To begin the signature sheet approval process candidates must file their candidacy by submitting the appropriate candidate filing form and marking the “prospective petition” checkbox, if applicable.

For major party and nonpartisan candidates: To ensure ballot access, a candidate may file a “prospective petition” and pay the filing fee. The fee must be paid prior to the filing deadline. If the candidate submits the required number of valid signatures by 5 pm on the filing deadline, the filing fee will be refunded.

Once the candidacy filing is processed by the Elections Division, the candidate will be provided a signature sheet template to use when gathering signatures.

Official Signature Sheets

ORS 249.031, 249.061, and 249.064

The Elections Division will prepare official templates that state candidates must use to collect signatures. Candidate nominating petitions cannot be circulated using an electronic signature sheet.

Any proposed variation to the approved signature sheet must be resubmitted and approved in writing by the elections official before circulating.

Signature Sheet Requirements

Each signature sheet must meet the following formatting requirements:

- standard 8½ x 11 size paper, or equivalent;
- at least 20 pound uncoated paper, or equivalent;
- and
- printed on white or colored paper stock to enable elections officials to readily verify signatures. Colored paper must be approved by the Elections Division before circulating.

1 Approval to Circulate

After receiving the filing, the Elections Division reviews the form for required information and if complete, will provide written approval to circulate the prospective nominating petition which includes:

- petition number;
- number of signatures required;
- filing deadline;
- and
- signature sheet template.

Candidates will be provided a signature sheet template by the Elections Division to use when gathering signatures.
2 Gathering Petition Signatures

Once the petition has been approved to circulate, but before collecting any signatures, the candidate must review with circulators the legal requirements and guidelines for circulating a candidate-nominating petition. After reviewing the legal requirements and guidelines, the candidate may begin gathering signatures.

A candidate is advised to obtain more than the required number of signatures to ensure the petition has a sufficient number of valid signatures.

⚠️ Failure to comply with the legal requirements will result in rejection of those sheets.

3 Signature Verification and Completing the Petition

Filers submit signature sheets containing at least 100% of the required number of signatures to the appropriate elections official for verification against the voters' registration record, allowing sufficient time for the verification process to be completed prior to the filing deadline.

⚠️ The Elections Division will not accept signatures for verification prior to the first day to file by fee or completed petition.

Before submitting the signature sheets for verification the candidate must:

→ ensure each signature sheet certification is signed and dated by the circulator;
→ provide the number of signatures submitted for verification by completing and filing:
  Form SEL 338 Petition Submission

ℹ️ The Elections Division is not required to begin verification until the raw number of signatures submitted is equal to or exceeds the required number of signatures.

4 Signature Tally

The Elections Division reviews each signature sheet to ensure sheets are sorted by county if required, and that the circulator’s certification is sufficient.

⚠️ Unapproved petition sheets and those that do not comply with legal requirements and guidelines will be rejected.

After reviewing the sheets, the Elections Division tabulates the number of valid signatures contained on the accepted signature sheets and notifies the candidate of the tally.

⚠️ If the Elections Division determines the petition does not contain the required number of valid signatures and the filing deadline has not passed, the candidate may submit additional signatures.

The process must be completed prior to the candidate filing deadline.
Guidelines for Circulation

ORS 249.061

To ensure compliance with circulating requirements, candidates must educate circulators on the guidelines for circulating and monitor their activities.

A circulator is an individual who asks voters to sign a petition and signs the petition as a circulator. Circulators are also known as petition circulators, signature gatherers, and signature collectors. While some are volunteers and others are paid professionals, every circulator must follow the requirements and guidelines for circulating petitions.

Circulator Requirements

<thead>
<tr>
<th>Each circulator must:</th>
<th>What this means:</th>
</tr>
</thead>
<tbody>
<tr>

<tr>
<td></td>
<td>️ It is not sufficient to merely be present in the same room or vicinity.</td>
</tr>
<tr>
<td>➔ Complete the circulator certification after witnessing all signatures collected on a sheet.</td>
<td>➔ Sign the certification using a legal signature.</td>
</tr>
<tr>
<td></td>

</tr>
<tr>
<td>➔ Provide the date when the certification was signed.</td>
<td>✓ The date must be provided in month, day, year order if written in all numbers.</td>
</tr>
</tbody>
</table>

⚠️ A circulator’s failure to comply with these requirements may result in the rejection of the petition signature sheets and a felony conviction for the circulator.

Circulator Prohibitions

It is against the law for circulators to knowingly:

| ➔ circulate a petition containing a false signature;     |
| ➔ attempt to obtain the signature of a person who is not qualified to sign the petition; |
| ️ Only active Oregon registered voters may sign a petition. |
| ➔ make false statements to any person who signs the petition or requests information about it; |
| ➔ offer money or anything of value to another person to sign or not sign the petition; |
| ➔ sell or offer to sell signature sheets; or             |
| ➔ write, alter, correct, clarify or obscure any information about the signers unless the signer initials after the changes are made |
| ️ A circulator may assist a disabled signer who requests assistance in completing their printed name, address and date signed. In such a case, no initials are required. |

⚠️ Violations of the circulator requirements may result in conviction of a felony with a fine of up to $125,000 and/or imprisonment for up to 5 years. ORS 260.715, 260.993.

Forms are available online at www.oregonvotes.gov.

### Signature Date

If no date is provided by the signer, the signature is only considered valid if the signer:

- ✓ was an active Oregon registered voter between the date the petition was approved to circulate and the circulator’s certification date; or
- ✓ was originally registered to vote on or after the date the petition was approved to circulate and was an active registered voter between their original registration date and the circulator’s certification date.

This standard also applies to any signer that provides a date of birth or a date that at the time of verification has not yet occurred instead of the date they signed the petition.
Signer Prohibitions

It is against the law for signers to knowingly:

→ sign another person’s name under any circumstances;
→ sign a petition more than one time; or
→ sign a petition when not qualified to sign it.

Only active Oregon registered voters may sign a petition. If the signer is not registered to vote or an active voter the signature will be rejected unless a completed registration card is received by a designated voter registration agency or an elections filing officer before 5 pm the day the petition is signed or 11:59 pm if completed electronically online at www.oregonvotes.gov.

Certification of Signature Sheets

OAR 165-014-0270

After all signatures on a signature sheet have been collected, circulators complete the certification by signing their legal signature and providing the date when the certification was signed. A legal signature is defined as a signature possessing obvious and predominantly matching characteristics to signatures on file from a paid circulator’s registration, signatures in the Oregon voter registration file, or the signature on an official government document.

If the circulator certification is not completed or determined to be insufficient the signature sheet will be rejected.

Prior to submission to elections officials the circulator may correct the following defects:

Circulator Signature Defects

<table>
<thead>
<tr>
<th>If the circulator has:</th>
<th>Then the circulator should:</th>
</tr>
</thead>
<tbody>

## Certification Date Defects

<table>

<tr>
<th>If the date is:</th>
<th>Then the circulator should:</th>

</thead>
<tbody>
<tr>
<td>→ missing;</td>

</tr>
<tr>
<td>→ obscured in any way by white out or other correction fluid or adhesive tape;</td>
<td>✓ re-sign and re-date or re-date and initial correction.</td>
</tr>
</tbody>
</table>

The following defects in the circulator certification cannot be corrected and any signature sheet submitted that contains one of these defects will be rejected:

### Incurable Defects

- → the original signature of a circulator has been crossed out, and a different circulator’s signature is inserted;
  - Does not apply if the original signature is that of an individual whose signature appears on the same signature sheet as a signer.

- → two individuals sign and date as circulator; or
  - Does not apply if the only signers and the circulators are the same people.

- → white-out or other correction fluid or adhesive tape appears on the signature line.

Examples of circulator signature and date defects are available in the Circulator Training Manual located at www.oregonvotes.gov.

Getting Started

Types of Public Office

There are two types of public office in Oregon, partisan and nonpartisan.

Partisan Offices

A partisan office is an office for which a candidate may be nominated by a major or minor political party or as a nonaffiliated candidate.

Partisan offices include:

- County Commissioner (unless county home rule charter or ordinance specifies otherwise) and
- Precinct Committeeperson.

Nonpartisan Offices

A nonpartisan office is an office for which a candidate does not run under the name of any political party. All candidates for nonpartisan office must run in the primary election.

Nonpartisan offices include:

- County Commissioner (unless county home rule charter or ordinance specifies otherwise), County Clerk, Sheriff, County Assessor, County Auditor, County Treasurer, County Tax Collector, County Surveyor, Justice of the Peace, Mayor, City Councilor, Municipal Judge, Board Member, Director of a District, All Special District offices, any elected office of a metropolitan service district under ORS chapter 268, and any office designated nonpartisan by a home rule charter or ordinance.

For local offices not listed, please contact the local elections official to determine whether the office is partisan or nonpartisan.

Filing Methods for Public Office

All filings and an accompanying payment of fees required to be filed, must be delivered to, and actually received at the office of the designated officer not later than 5:00:00 pm of the day the document or fee is due.

Generally, candidates may file for public office by:

- submitting a completed candidate filing form and paying the required filing fee, if any;
- or
- submitting a nominating petition containing the required number of valid signatures.

A prospective petition may be filed at any time. However, candidates need to allow enough time for signature collection and signature verification to be completed by county elections officials prior to the filing deadline.

See the Filing Requirements on pages 9, 10, 19, 21 and 23 for filing fees and deadline to submit completed forms.

Candidate filing forms can be submitted by:

- mail;
- fax;
- or
- as a scanned attachment to an email.

Forms are available online at www.oregonvotes.gov.
Multiple Nominations to Public Offices

In Oregon, candidates running for partisan office may be nominated by multiple political parties. Candidates nominated by more than one party or by other nominating processes may select up to three parties or designations to be printed with their name on the general election ballot.

A candidate may designate the order in which the parties or designations will be listed, with two exceptions:

- If a political party nominates one of its members for a partisan office, that party will be listed first, followed by no more than two additional parties.
- If individual electors or an assembly of electors nominate a nonaffiliated candidate, “nonaffiliated” will be listed first, followed by no more than two additional parties.

When selecting political parties or other designations the following rules apply:

<table>
<thead>
<tr>
<th>Candidate is nominated by:</th>
<th>Information and default order listed on ballot:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Party of which the candidate is a member</td>
<td>The ballot lists this party first, followed by two or fewer additional parties in alphabetical order. The candidate may specify a different order for the additional parties.</td>
</tr>
<tr>
<td>Party of which the candidate is not a member</td>
<td>The ballot lists three or fewer parties in alphabetical order. The candidate may specify a different order. If more than three parties nominate the candidate, the candidate may choose which appear.</td>
</tr>
<tr>
<td>Individual or Assembly of Electors</td>
<td>The ballot lists “nonaffiliated” first, followed by two or fewer parties in alphabetical order. The candidate may specify a different order for parties. If more than two parties nominate the candidate, the candidate may choose which appear.</td>
</tr>
<tr>
<td>Any political party</td>
<td>Three or fewer parties are listed in alphabetical order. If more than three parties nominate the candidate, the candidate may choose which appear.</td>
</tr>
</tbody>
</table>

Running for Multiple Offices

Candidates can file for more than one position as long as the offices are:

- not on the same district board;
- not a city office on the same ballot;
- not for more than one precinct committeeperson office; and
- not a lucrative office;

An office is considered lucrative if a salary or other compensation beyond expenses is attached to it; it is created by statute or the constitution; its holder exercises part of the sovereign power of government; it is a matter of public concern; and the position is not temporary or intermittent.

Forms are available online at www.oregonvotes.gov.
Campaign Finance Reporting

Oregon campaign finance law may require candidates to establish a campaign account, file a Statement of Organization designating a candidate committee and file contribution and expenditure transactions with the Elections Division.

For further details on campaign finance reporting requirements, review:

Qualifications for Public Office

The qualifications for public offices differ depending on the office. Before filing, the candidate should review the constitutional and statutory requirements for the office sought.

See the qualifications for most offices provided in each applicable section of this manual.

However, qualifications for city or district office are governed by city charter or ordinance or district by-laws and are not provided. Contact the local elections official for more information.

Form SEL 110 Candidate Filing – Minor Political Party with the Candidates Nomination Certificate executed by a party officer and notarized.

Nonaffiliated Candidates – County

To qualify for nomination by individual electors or to conduct an assembly of electors, a candidate cannot be registered to vote as a member of any political party as of March 3, 2022.

Forms are available online at www.oregonvotes.gov.
Filing Methods for a Nonaffiliated Candidate

Candidates who are not a member of any political party may file for a partisan or nonpartisan office on the general election ballot by completing one of two processes:

→ Individual Electors

A nomination by individual voters involves obtaining a required number of valid signatures from registered voters

or

→ Assembly of Electors

An Assembly of Electors involves a gathering of registered voters in one place at one time to nominate candidates to partisan office.

Individual Electors

ORS 249.740

To be nominated by individual electors the candidate must obtain a required number of valid signatures from active Oregon registered voters in the district.

1 File a Prospective Petition

Prior to obtaining any signatures candidates must file the following forms to begin the signature sheet approval process:

- Form SEL 114 Candidate Filing – Individual Electors marked Prospective Petition, designating circulator pay status
- SEL 122 Candidate Signature Sheet – Individual Electors with all fields completed.

See Signature Sheet Requirements on page 26.

2 Receive Approval to Circulate

If the form is complete, the elections official will give written approval that includes:

→ petition number;
→ number of signatures required; and
→ filing deadline.

All signature sheets must be approved in writing by the elections official before circulating. Failure to do so will result in the rejection of the signature sheets.

3 Gather Petition Signatures

Once the petition has been approved to circulate, but before collecting any signatures, a candidate must review with all circulators the legal requirements and guidelines for circulating the candidate nominating petition.

See Guidelines for Circulation on page 27.

Violations of certain circulator requirements may result in conviction of a felony with a fine of up to $125,000 and/or prison for up to 5 years. ORS 260.715 and 260.993
After reviewing the legal requirements and guidelines for circulating the nominating petition, a candidate may begin gathering signatures.

⚠️ Failure to comply with the legal requirements will result in rejection of those sheets.

A candidate is advised to obtain more than the required number of signatures to ensure the petition has a sufficient number of valid signatures.

4 Complete the Petition
Allow sufficient time for the verification process to be completed prior to the filing deadline.

Before submitting signature sheets for verification, the candidate must:

→ ensure each signature sheet certification is signed and dated by the circulator; and
→ sort the signature sheets by county, if required;

5 Signature Verification
To complete the petition process a candidate must file with the appropriate elections official:

Form SEL 338 Petition Submission – Candidate, Voters’ Pamphlet;
and

→ the signature sheets that contain at least 100% of the required number of signatures.

The elections official reviews each signature sheet to ensure that sheets are sorted by county if required and that the circulator’s certification is sufficient. After reviewing the signature sheets the elections official tabulates the number of valid signatures contained on the accepted signature sheets.

If the elections official determines the petition does not contain the required number of valid signatures and the filing deadline has not passed, the candidate may submit additional signatures.

Assembly of Electors
ORS 249.735

An Assembly of Electors is a nominating convention of active Oregon registered voters who gather in one place, on a single day during a single 12-hour period. A presiding officer conducts the assembly, and the assembly secretary records nominations in the minutes. The minutes also include the signatures of the assembly participants. Those signatures are submitted to the elections official.

The presiding officer must coordinate the date, time, and place of the assembly with the elections official, so elections staff can attend and supervise the nominating convention.

See the Filing Requirements section for a list of required signatures and the deadline to submit completed forms.

1 File a Prospective Petition
The candidate or presiding officer must file Form SEL 115 Candidate Filing – Assembly of Electors. Only by the candidate should sign the form.

2 Receive Approval to Schedule the Assembly
If the form is complete, the elections official will give written approval to schedule the Assembly of Electors.
3 Determine the Logistics for the Assembly
The candidate or presiding officer must coordinate with the elections official to:

→ determine a mutually convenient time to conduct the assembly;
→ review assembly requirements;
→ provide final signature sheets for approval; and
→ file copy of published notice.

4 Publish a Notice of Assembly
Next, the candidate or presiding officer must publish a notice of the Assembly of Electors at least once in at least three newspapers of general circulation in the electoral district for which the assembly will nominate a candidate.

The notice must contain:

→ the time and place of the assembly;
→ the office or offices for which nominations will be made; and
→ the names and addresses of at least 25 active Oregon registered voters who want to have the assembly and who are eligible to participate;
→ before publishing the notice, the candidate or presiding officer may submit the 25 names to the elections official to confirm that they are active registered voters.

5 File the Notice of Assembly
To receive final approval to convene the assembly, the candidate or presiding officer must file a copy of the published notice with elections official.

⚠️ The candidate or presiding officer must publish the notice and file it with the elections official no later than ten days before the nominating convention. ORS 249.735(3).

⚠️ If the published notice is not filed on time or does not meet the requirements described above, the Assembly of Electors will be cancelled. The candidate or presiding officer may reschedule the assembly in coordination with the elections official and may hold the assembly once all the requirements are met.

6 Get Affidavits to Prove the Notice was Published
The candidate or presiding officer must get an affidavit from each of the newspapers where the notice is published, to prove that the notice was published, as required. Each affidavit should attach to a copy of the notice and be signed by one of the following:

→ the newspaper’s owner; or
→ the newspaper’s editor; or
→ the newspaper’s publisher; or
→ the newspaper’s manager; or
→ the newspaper’s advertising manager; or
→ the principal clerk of the owner or editor or manager; or
→ the newspaper’s printer or the printer’s foreperson.

⚠️ The candidate or presiding officer should not submit the affidavit with the filed notice. They should keep it and submit it to the elections official when they file the completed petition after the Assembly of Electors.

Forms are available online at www.oregonvotes.gov.
7 Receive Approval to Hold the Assembly
Once the candidate or presiding officer files a copy of the published notice (see Step 5, above), the elections official will review it for completeness. If complete, the elections official will give approval, in writing, to hold the Assembly of Electors. The approval document will include:

→ the petition number; and
→ the number of required signatures; and
→ the filing deadline; and
→ a signature sheet template, to use for gathering signatures.

8 Hold the Assembly of Electors
The presiding officer is advised to invite more than the required number of participants, to ensure that the minutes include enough valid signatures from active voters. After starting the assembly, the presiding officer must explain that:

→ the nominating convention is held in one day in one location and is completed within 12 hours or the process must begin again;
→ the assembly participants must be active Oregon registered voters within the electoral districts from which the assembly is nominating candidates;
→ the assembly may only nominate candidates for offices published in the notice;
→ the candidate who receives the highest number of votes for an office will be the assembly’s nominee for that office;
→ only assembly participants who are active registered voters may sign the signature sheets;

and

→ once the required number of active registered voters are present to participate, they must remain in the assembly until candidates have been nominated, signature sheets are signed, and the convention is adjourned.

9 Filing a Vacancy in Nomination(s)
If a vacancy in nomination occurs, it may be filled in either of the following ways:

→ The presiding officer may reconvene the assembly following the same rules as the original assembly. or
→ The original assembly must vote to appoint the committee to whom the assembly will delegate the authority to fill vacancies. A committee designated by the original assembly may select a nominee to fill the vacancy. The assembly is considered the same assembly if the presiding officer and secretary are the same as during the original assembly. The committee only has the authority to select a nominee to fill the vacancy if the petition has the required number of signatures.

The presiding officer, or the committee, must file with the elections official a certificate of nomination designating the nominee to fill the vacancy.

⚠️ The vacancy must be filled no later than the 70th day before the general election, August 30, 2022.
10 Adjourn the Assembly of Electors
After the assembly has completed the nomination process and selected the committee to fill vacancies, if any, the assembly is adjourned. The elections official collects all completed signature sheets and stamps each sheet under the last signature line signed to ensure no additional signatures are added. The signature sheets will be returned to the presiding officer.

11 Complete the Petition, Signature Verification
To complete the petition process the candidate or presiding officer must submit to the elections official:

- Notarized form SEL 115 Candidate Filing – Assembly of Electors with the Certificate of Nomination executed by the presiding officer and secretary of the assembly;

- The Certificate of Nomination may be executed and notarized on a copy of the SEL 115 originally submitted. If executed and notarized on a new SEL 115, all sections of the form must be completed in their entirety.

→ signature sheets that contain at least 100% of required number of signatures;

and

→ proof of published notice affidavit(s).

The candidate or presiding officer submits signature sheets to the appropriate county elections official for verification allowing sufficient time for the verification process to be completed prior to the filing deadline.

Before submitting the signature sheets for verification, the presiding officer must:

→ ensure each signature sheet certification is signed and dated by the circulator and

→ sort the signature sheets by county, if required.

The county elections official verifies the original signatures against the voters’ registration record.

12 Signature Tally
The elections official tabulates the number of valid signatures contained on the accepted signature sheets and notifies the candidate and presiding officer of the final tally.

Write-In Candidates

ORS 254.548

Oregon voters have the option of writing in the name of a candidate for any office instead of voting for a candidate printed on the ballot. Write-in votes are tallied together with a lump sum recorded for each office unless there is no candidate on the ballot, or the total number of write-in votes exceeds the candidate with the most votes.

A candidate seeking nomination or election to office by write-in does not complete any candidate filing forms but must qualify for the office and may be required to establish a campaign account and file a Statement of Organization designating a candidate committee.

Prior to sending a notification to any person who is nominated or elected by write-in, the filing officer will conduct a review of the qualifications of the office. If the person who received the most votes does not qualify for the position, the office becomes vacant.

If any individual is nominated or elected by write-in votes, the procedures for accepting the nomination of office are explained in the following sections.

Notification

The elections official notifies the candidate by sending:

Form SEL 141 Write-In Candidate Acceptance

Acceptance of Nomination or Office

To accept the nomination or office, the candidate completes, signs, and returns form SEL 141 to the elections official.

Certificate of Nomination or Election

Upon receipt of the completed and signed SEL 141 the elections official prepares and delivers a certificate of nomination or election to the candidate and if applicable, issues a proclamation of election.

Vacancy

The procedures for the filling of vacancies in an elective public office or nomination are dependent on the office. A vacancy in nomination occurs when a candidate on the ballot becomes disqualified or dies (a candidate may only withdraw from the ballot after they have filed and up to the specified deadline for withdrawal). A vacancy in office occurs when the current office holder resigns, is recalled, becomes disqualified or dies.

For local elective public offices, the vacancy procedures are under the authority of the local jurisdiction and the Secretary of State, Elections Division does not generally provide advice or resolve disputes about those procedures. The Secretary of State, Elections Division has a role only in the vacancy procedures for state offices. These procedures differ depending on whether the public office is partisan or nonpartisan and also differ for specific offices within those categories.

A vacancy in office may occur at any time during the term of office, even before the person takes the oath of office or before the term ends.

→ The processes for filling a vacancy are dependent upon the type of office and when the vacancy occurred, not why the vacancy occurred.
→ Reasons for vacancies may include death, resignation, disqualification, or recall.
→ ORS 236.320 provides that resignations for public office shall be in writing and filed with the appropriate filing officers.

The Oregon Constitution, Oregon Revised Statutes, and Oregon Administrative Rules have applicable sections regarding vacancies. The Oregon Constitution and Oregon Revised Statutes can be searched here. The search can be narrowed by using the ORS General Index. Oregon Administration Rules are found here.

→ at least 20 pound uncoated paper or equivalent; and
→ printed on white or colored paper stock to enable elections officials to readily verify signatures.
Guidelines for Circulation

ORS 249.061

⚠️ If the circulator certification is not completed or determined to be insufficient the signature sheet will be rejected.

Getting Started

A political party is a group of people with a shared philosophy and common goals organized to influence public policy. In Oregon, political parties are formed by petition. Once formed, political parties are classified as either major or minor based on the number of voters who are registered as members of the party. Each party is able to nominate candidates for any federal, state or county partisan office as long as the party is established within the candidate’s district and has maintained ballot access.
Submitting Forms and Documents

Any signature sheet required to be filed must be personally delivered by the chief sponsor or an authorized agent or mailed to the Elections Division.

With the exception of petition signature sheets, completed and signed forms or documents may be:

- scanned and emailed to the Elections Division at elections.sos@sos.oregon.gov
- faxed to 503 373 7414
- mailed or personally delivered to 255 Capitol St NE, Ste 126, Salem, OR 97310

The Elections Division will distribute all notifications and other correspondence by email unless otherwise notified by the chief sponsor or party officers.

Major Political Party

Qualification

ORS 248.006

A group of affiliated voters becomes a major political party and is qualified to nominate candidates at the primary election when at least 5% of the voters eligible to vote at the last general election are registered as members of the party.

Status Determination

The Elections Division will review the number of voters registered as members of each political party on the 275th day before the primary to determine if the party has satisfied the registration requirement and is qualified to nominate candidates at the next primary election.

The Elections Division will evaluate each political party’s major political party status on the 271st day before each primary election.

Organizational Documents

ORS 248.007 and 254.365

Major political parties are required to file with the Elections Division current organizational documents and the party’s operating statement and intent as provided for in ORS 248.012 to 248.315. Deadlines to submit:

1. Organizational documents
   - No later than the 30th day after organizational documents are adopted or amended.
2. List of party officers
   - No later than the 10th day after party officers are selected or changed.
3. If adopted, a certified copy of party rule allowing nonaffiliated voters to vote in the party’s primary
   - No later than February 16, 2022, the 90th day before the primary.

For campaign finance reporting requirements see the Campaign Finance Manual and the ORESTAR User’s Manuals available at www.oregonvotes.gov.

Forms are available online at www.oregonvotes.gov.
Nomination of Major Political Party Candidates

**ORS 248.007**

Major political parties nominate candidates for partisan office at the primary election. Candidates may file for office by submitting a declaration of candidacy and paying the filing fee or by submitting a completed nominating petition containing the required number of signatures.

For detailed instruction on filing for office, see the State Candidate's Manual available at www.oregonvotes.gov.

Designated Filer Notification

**ORS 251.026 and 251.115**

Major political parties may submit statements for inclusion in both the primary and the general election voters' pamphlets. Prior to filing, a current party officer must provide the Elections Division with the first and last name and contact information for the person authorized to submit the statement. At the general election the ORESTAR account user name of the designated filer must also be submitted.

Minor Political Party

Qualification

**ORS 248.008 and 248.009**

The procedures for forming a minor political party are explained in the following sections and should be reviewed thoroughly. Failure to follow the instructions completely may invalidate the petition.

Chief Sponsor

The chief sponsor is the individual responsible for the preparation and organization of the petition including:

- signing and filing a statement providing required information for the prospective petition;
- designating whether petition circulators will be paid or unpaid;
- educating and monitoring circulators;
- collecting signatures; and
- submitting signatures.

Forms are available online at www.oregonvotes.gov.
## Filing a Prospective Petition

Before gathering any signatures, the chief sponsor of a minor political party formation must file:

- **Form SEL 198 Prospective Petition – Political Party Formation**, which must be completed and signed, naming the political party and designating circulator pay status. Incomplete forms will be rejected.

  If any information provided on form SEL 198 changes, including circulator pay status, an amended form SEL 198 must be filed within 10 calendar days of the change.

The Chief Sponsor is also encouraged to:

- Authorize individuals to act on their behalf in most matters regarding the petition process by completing and filing Form SEL 307 Agent Authorization.

## Approval to Circulate

After receiving the filing, the Elections Division reviews the form for required information and if complete, will provide written approval to circulate the prospective minor political party formation petition which includes:

- petition number;
- number of signatures required;
- filing deadline; and
- an official signature sheet template that the chief sponsor must use to collect signatures.

<table>
<thead>
<tr>

<th>Required Signatures:</th>

</thead>
<tbody>
<tr>
<td><strong>Statewide</strong></td>
<td>1.5% of the number of votes cast statewide for governor</td>
</tr>
<tr>
<td><strong>Less than statewide</strong></td>
<td>1.5% of the number of votes cast in the district for governor</td>
</tr>
</tbody>
</table>

Signatures are due no later than 2 years after the prospective petition is filed.

## Official Templates

The official template is a ten line signature sheet, which includes the name of the party being formed, circulator pay status and the name and address of the chief sponsor.

### Modifications to the Official Template

If, after receiving approval to circulate, the chief sponsor's address or circulator pay status changes, the chief sponsor must complete and submit to the Elections Division an updated SEL 198. The Elections Division will provide a modified template that includes the new information and will also provide the deadline for the chief sponsor to stop circulating previous versions.

The chief sponsor must stop circulating the previous version no later than 30 days after the date the updated SEL 198 is received by the Elections Division.

The chief sponsor or an authorized agent may request other modifications to the official template by completing and submitting:

- **Form SEL 321 Template Modification – Political Party Formation.**

  The chief sponsor may request modification of official templates at any time.

The Elections Division will review all requests made and provide modified templates if necessary. Multiple versions of official templates may be approved and be in circulation simultaneously.

Forms are available online at [www.oregonvotes.gov](http://www.oregonvotes.gov).
Signature Sheet Requirements
Using the official template, the chief sponsor will produce signature sheets that meet the following formatting requirements:

→ standard 8½” x 11” size paper, or equivalent;
→ at least 20 pound uncoated paper, or equivalent; and
→ printed on white or colored paper stock to enable elections officials to readily verify signatures. Colored paper must be approved by the Elections Division before circulating.

⚠️ Signatures collected on unapproved signature sheets will be rejected.

Gathering Signatures
Unapproved petition sheets and those that do not comply with legal requirements and guidelines will be rejected.

Chief Sponsor
1 The chief sponsor must review with circulators the legal requirements and guidelines for circulating the formation petition;
2 monitor circulator activities to ensure compliance;
3 obtain more than the required number of signatures to ensure the petition contains a sufficient number of valid signatures; and
4 submit signatures for verification.

See Submitting Signatures on page 10.

To ensure compliance with circulating requirements, the chief sponsor must educate their circulators on the guidelines for circulation and monitor their activities.

Circulator Requirements

<table>
<thead>
<tr>
<th>Each circulator must:</th>
<th>What this means:</th>
</tr>
</thead>
</table>
| → Personally witness each signature collected. | ✓ Watch the person sign the petition.  
   ✓ It is not sufficient to merely be present in the same room or vicinity. |
| → Complete the circulator certification after witnessing all signatures collected on a sheet, | ✓ Sign the certification using a legal signature.  
   ✓ A legal signature is defined as a signature possessing obvious and predominantly matching characteristics to signatures on file from a paid circulator’s registration, signatures in the Oregon voter registration file, or the signature on an official government document.  
   ✓ Initials, signature stamps, illegible or printed script are not sufficient unless verified by exemplar. |
| → Provide the date when the certification was signed. | ✓ The date must be provided in month, day, year order if written in all numbers |

⚠️ A circulator’s failure to comply with these requirements may result in the rejection of the petition signature sheets and a felony conviction for the circulator.
Circulator Prohibitions

It is against the law for circulators to:

- circulate a petition containing a false signature;
- attempt to obtain the signature of a person who is not qualified to sign the petition;
  - Only active registered voters may sign a petition.
- make false statements to any person who signs the petition or requests information about it;
- offer money or anything of value to another person to sign or not sign the petition;
- sell or offer to sell signature sheets; and
- write, alter, correct, clarify, or obscure any information about the signers unless the signer initials after the changes are made.
  - A circulator may assist a disabled signer who requests assistance in completing their printed name, address and date signed.

Violations of the circulator requirements may result in conviction of a felony with a fine of up to $125,000 and/or a prison sentence of up to 5 years. ORS 260.715.

Signer Requirements

Each petition signer must:

- provide an original signature but is encouraged to provide their printed name, date signed and address; and
- be an active registered voter at the time of signing the petition in the electoral district where the petition is being circulated

What this means:

- Petition signers must sign the petition using a signature contained in their voter registration record.
- Information in the voter’s registration record must be up to date so they would be able to vote for candidates of the political party if formed.

Signature Date

If no date is provided by the signer, the signature is only considered valid if the signer:

- was an active registered voter between the date the petition was approved to circulate and the circulator’s certification date or
- originally registered to vote on or after the date the petition was approved to circulate and was an active registered voter between their original registration date and the circulator’s certification date

This standard also applies to any signer that provides a date of birth, or a date that has not yet occurred at the time of verification, instead of the date they signed the petition.

Signer Prohibitions

It is against the law for signers to:

- sign another person’s name under any circumstances;
- sign a petition more than one time; or
- sign a petition when not qualified to sign it.

Only active registered voters may sign a petition. If the signer is not registered to vote or an active voter, then the signature will be rejected unless a completed registration card is received by a designated voter registration agency or an elections filing officer before 5 pm the day the petition is signed or 11:59 pm if completed electronically online at www.oregonvotes.gov.
Certification of Signature Sheets

OAR 165-014-0270

After all signatures on a signature sheet have been collected, circulators complete the certification by signing their legal signature and providing the date when the certification was signed.

If the circulator certification is not completed or determined to be insufficient the signature sheet will be rejected.

Prior to submission to elections officials the circulator may correct the following defects:

The following defects in the circulator certification cannot be corrected and any signature sheet submitted that contains one of these defects will be rejected:

**Incurable Defects**

- the original signature of a circulator has been crossed out and a different circulator’s signature is inserted, unless the original signature is that of an individual whose signature appears on the same signature sheet as a signer;
- two individuals sign and date as circulator, unless the only signers and the circulators are the same people; or
- white-out or other correction fluid or adhesive tape appears on the signature line.

Examples of circulator signature and date defects are available in the Appendix 1 Illustrated Examples in the Circulator Training Manual available at [www.oregonvotes.gov](http://www.oregonvotes.gov).

**Submitting Signatures**

The chief sponsor or an authorized agent must personally deliver or mail signature sheets to the Elections Division when submitting signatures for verification. Signature sheets will not be accepted from circulators, circulator companies, or any other individual or entity if the chief sponsor or an authorized agent is not physically present.

**Chief Sponsor or Authorized Agent**

1. The Chief Sponsor or an authorized agent must ensure each signature sheet certification is signed and dated by the circulator;
2. sort signature sheets by circulator and separate into stacks of 200;
3. number each signature sheet sequentially in the space provided;
4. submit signature sheets containing at least 100% of required number of signatures; and
5. affirm the petition is complete by filing:

   - Form SEL 339 Petition Submission – Initiative, Referendum, Recall, Political Party Formation marked completed.

**Signature Verification**

The Elections Division will only verify signatures once the chief sponsor affirms the petition is complete and if the petition signature sheets accepted for verification contain a number of unverified signatures equal to or greater than the required number of signatures.

The Elections Division processes signature sheets submitted for verification in accordance with the Statistical Sampling Procedures for Other Than State Petitions adopted under administrative rule. This includes:

- comparing the submitted signature sheets to the official template;
- verifying sheets are numbered sequentially;
- determining if the circulator’s certification is sufficient; and
- verifying original signatures using voter registration records.

After signature verification has been completed the Elections Division provides the chief sponsor:

- results of signature verification and
- final number of signatures determined to be valid.

Forms are available online at [www.oregonvotes.gov](http://www.oregonvotes.gov).
For parties that failed to achieve ballot access, the Elections Division will provide:
✓ information on how to submit additional signatures if the filing deadline has not passed.

If the filing deadline has passed and the chief sponsor failed to submit enough valid signatures, the formation petition is void.

For parties that achieved ballot access, the Elections Division will provide:
✓ information on how and when candidate nominations must be made.

## Withdrawing a Formation Petition

To withdraw the formation petition the chief sponsor must complete, sign and file:

- Form SEL 375 Withdrawal - Petition.

  → The formation petition can only be withdrawn if the chief sponsor has not submitted the total number of signatures required for verification.

  → Once withdrawn, the formation petition cannot be re-activated. The chief sponsor may re-file the formation petition and begin the process again.

## Campaign Finance Reporting

Oregon campaign finance law requires each minor political party to establish a campaign account and file a Statement of Organization designating a treasurer within three business days of first receiving a contribution or making an expenditure after minor political party formation has qualified as a minor party.

Campaign Finance law also requires the filing of campaign finance transactions electronically.

The Secretary of State developed ORESTAR as a secure web-based electronic reporting system that committees must use to file campaign finance transactions unless the committee is eligible to file a Certificate of Limited Contributions and Expenditures.

For further detail on campaign finance reporting requirements see the Campaign Finance Manual and the ORESTAR User’s Manuals available at www.oregonvotes.gov.

## Organizational Documents

**ORS 248.009**

A political party must file with the Elections Division a copy of:

1. Organizational documents

   No later than the 30th day after organizational documents are adopted or amended and

2. A list of party officers

   No later than the 10th day after party officers are selected or changed.

For campaign finance reporting requirements see the Campaign Finance Manual and the ORESTAR User’s Manuals available at www.oregonvotes.gov.
Minor Party Maintenance

ORS 248.008

A minor political party may nominate candidates for any partisan office within the electoral district in which the party is established for the general election immediately following formation.

However, in order to nominate candidates to partisan office at subsequent general elections, the minor political party must maintain its status by achieving either of the following:

1. Registered party members equal to at least .25% of all registered voters in Oregon

2. A) Registered party members equal to at least .1% of all votes cast for Governor in the electoral district in which the party formed and
   B) At least once in a 4-year period, total votes cast for a party candidate are equal to at least 1% of all votes cast for the office of US President, US Senator, Governor, Secretary of State, State Treasurer, or Attorney General in the electoral district in which the party formed.

Deadline to Satisfy Requirements to Maintain Minor Political Party Status
The Elections Division will evaluate each minor political party at least monthly between May 17, 2022 and August 10, 2022, until either the party has successfully maintained its status or the deadline has passed.

Nomination of Minor Political Party Candidates

ORS 248.009 and 249.048

To nominate candidates, a minor political party may hold a nominating convention either under state law or under party by-laws. The nominating process must provide equal opportunity for all registered party members to participate in selecting nominees or selecting the delegates who will make the nominations.

Publish Notice of Nominating Convention
Once scheduled, a notice of the nominating convention must be published at least once in at least three newspapers of general circulation in the electoral district in which the minor political party seeks to nominate candidates.

The notice must contain:

✓ time and place of the assembly and
✓ office or offices for which nominations will be made.

If there are fewer than three newspapers of general circulation within the electoral district, then the minor political party must do both of the following:

✓ publish notice at least once in one newspaper and
✓ give public notice sufficient to ensure party members in the electoral district receive notice of the convention.

Deadline for Minor Political Party to Publish Notice
The notice must be published no later than the 10th day before the scheduled nominating convention.

Forms are available online at www.oregonvotes.gov.
Convening Nominating Convention
The nominating convention must be conducted according to the minor political party’s organizational documents filed with the Elections Division and in effect at the time the convention is held.

⚠️ Deadline for Minor Political Party to Convene Nominating Convention
A nominating convention must be held in time to file certificates of nomination with the filing officer by August 30, 2022.

After the convention has completed the nomination process, candidates and designated party officers complete, sign and file with the Elections Division:

- Form SEL 110 Candidate Filing – Minor Political Party with the Candidate Nomination Certificate executed by a party officer and notarized.

⚠️ A major political party candidate on the primary election ballot who failed to receive the nomination may not be the candidate of any other political party or become a nonaffiliated candidate for the same office at the general election.

⚠️ Minor political parties may not nominate a candidate who is the nominee of another political party at the same election in order to satisfy the one percent candidate vote total maintenance requirement.

Designated Filer Notification

ORS 251.115

Minor political parties may submit statements for inclusion in both the primary and the general election voters' pamphlets. Prior to filing, a current party officer must provide the Elections Division with the first and last name and contact information for the person authorized to submit the statement. At the general election the ORESTAR account user name of the designated filer must also be submitted.
