Re: Umpqua Community College Shooting

Dear Sheriff Hanlin:

The Douglas County District Attorney's Office has reviewed the evidence gathered in the investigation of the shooting that occurred on the campus of Umpqua Community College on October 1, 2015. Based on that review, the Douglas County District Attorney's Office has determined that there is not sufficient evidence to sustain a conviction in a criminal prosecution and therefore, is declining prosecution in this matter.

I would like to thank all of the agencies who participated in the investigation for their hard work and dedication in investigating this matter.

Sincerely,
