image 1 of 4

My name is Andrew and I'm a professional driver. You're a gamer who wants to catch 'em all in playing Pokemon GO, or any other mobile-intensive, portable, and augmented reality (AR) game like Ingress.

Let's work together to accomplish what you're trying to. I will drive you around the Portland Metro area. Water is provided, just as a comfortable and safe ride is. The vehicle that we will drive in is a 2016 Chevy Malibu Limited.

HOW IT WORKS:

At a specific time block of your choosing, I will arrive at your address five minutes before the time block starts. You will pay up front via VISA/MASTERCARD/DISCOVER/AMEX/CASHTAG (absolutely no cash). I will provide all driving services while you enjoy a safe and comfortable ride to wherever you want to go. The time block covers all transportation, to and from your address. Please read the following information about RATES and FREQUENTLY ASKED QUESTIONS, thank you.

Please be advised that physical cash will not be present during any part of a ride. It is not accepted. This is for your security as well as mine.

RATES:

7am-7pm: \$45.00/hour
7pm-1am: \$55.00/hour
